Annual Incentive Awards for 2009 Performance.

On March 19, 2009, the Organization and Compensation Committee (the Committee) of the Board of Directors of Aon established budgeted pre-tax income from continuing operations as the corporate performance measure for 2009 under the Aon Senior Officer Incentive Compensation Plan, as amended and restated effective January 1, 2006, and as approved by stockholders in 2006 (the Plan). The Committee designated each of Aon's officers subject to Section 16 of the Securities Exchange Act of 1934, as amended (Section 16 Officers) as eligible to participate in the Plan for 2009. Under the Plan, no payout will occur unless a minimum threshold of 85% of planned pre-tax income from continuing operations has been met.

On March 19, 2009, the Committee also established the 2009 annual incentive targets for each of Aon's Section 16 Officers. Certain of the Company's executive officers who will be named in the Summary Compensation Table for Fiscal Years 2008, 2007 and 2006 of Aon's Proxy Statement for the 2009 Annual Meeting of Stockholders (the Named Executive Officers) were assigned a target incentive of 150% of base salary. Those executive officers are Gregory C. Case, Christa Davies, Stephen P. McGill, Andrew M. Appel and Ted T. Devine. Pursuant to the 2009 annual incentive program for Aon's executive officers, a sub-plan to the Plan, each officer is eligible to receive up to the lesser of the \$5 million incentive cap set forth in the Plan or 300% of his or her target incentive based on the achievement of specified performance targets.

Long-Term Incentives.

On March 19, 2009, the Committee approved performance-based long-term incentive awards to certain of the Named Executive Officers. The awards for the Named Executive Officers and other eligible recipients were granted pursuant to the Leadership Performance Program, which the Committee approved and adopted on March 19, 2009 as a sub-plan of the Plan. The Leadership Performance Program is part of Aon's broad-based stock award strategy that is intended to drive the overall success of Aon while encouraging employee retention.

Edgar Filing: AON CORP - Form 8-K

Of each Leadership Performance Program award, 80% represents performance share units that will be earned and settled in Aon common stock based upon Aon's performance relative to a cumulative earnings per share target over the period beginning January 1, 2009 and ending December 31, 2011 (the Performance Period). The total performance score can range from a minimum of 0% to a maximum of 200% of target. The Committee has the discretion to adjust Aon's performance results or the target to take

into account extraordinary or unusual items occurring during the Performance Period. The nominal value of the awards was determined by the Committee, and the number of target performance share units was calculated as of the date of grant based upon the fair market value of Aon common stock as of such date. Upon completion of the Performance Period, an award will be determined and settled in Aon common stock.

The remaining 20% of each Leadership Performance Program award is an option to purchase shares of Aon common stock that will vest pro-rata over the Performance Period. The options for each Named Executive Officer (other than Mr. Case) and other eligible recipients were granted effective March 19, 2009. The options for Mr. Case were granted effective March 20, 2009. The number of stock options was determined by dividing the dollar value of the award apportioned to stock options (i.e. 20% of the nominal award value) by the fair market value of a share of Aon common stock on the grant date and multiplying the resulting number by three, which is consistent with a conservative Black-Scholes valuation.

The Named Executive Officers were awarded the following number of target performance share units and stock options:

Name	Target Performance Share Units	Stock Options
Gregory C. Case(1)	143,443	107,582
Christa Davies	46,237	34,678
Stephen P. McGill	61,650	46,237
Andrew M. Appel	30,825	23,119
Ted T. Devine	61,650	46,237

(1) As consideration for his participation in the Leadership Performance Program, Mr. Case waived his entitlement for each year of the Performance Period to an annual option grant valued not less than \$1,800,000 that would otherwise be payable pursuant to his employment agreement, dated April 4, 2005.
