Last year, six of the eight Trustees then in office attended the annual meeting of shareholders.

Shareholders wishing to send communications to the Boards may communicate with members of the Boards of Trustees by submitting a written communication directed to the applicable Board of Trustees in care of the Funds' President, Daniel R. Standing Committees

Audit Committee. Each Fund has an Audit Committee comprised solely of Trustees who are not "interested persons" (as that term is defined in Section 2(a)(19) of the 1940 Act) of the Funds and the Adviser (each an "Independent Trustee") and who are "independent" as defined in the New York Stock Exchange ("NYSE") Listing Standards. Each Fund's Board of Trustees has adopted a written charter for the Audit Committee. The Audit Committee charter is available at <http://www.hqcm.com/Reports/AuditCommitteeCharterFebruary2007.pdf>. The principal purpose of each Fund's Audit Committee is to assist the Board of Trustees in fulfilling its responsibility to oversee management's conduct of the Fund's financial reporting process, including reviewing the financial reports and other financial information provided by the Fund, the Fund's systems of internal accounting and financial controls and the annual independent audit process.

For each Fund, the Audit Committee's role is one of oversight, and it is recognized that the Fund's management is responsible for preparing the Fund's financial statements and that the independent registered public accountant is responsible for auditing those financial statements. Although each Audit Committee member must be financially literate and one member must have accounting or financial management expertise (as determined by the Board of Trustees in its business judgment), Audit Committee members are not professionally engaged in the practice of accounting or auditing and are not experts in the fields of accounting or auditing, including with respect to auditor independence. Audit Committee members rely, without independent verification, on the information provided to them and on the representations made by management and each Fund's independent registered public accountants.

The members of each Fund's Audit Committee are Mr. Oddleifson, Mr. Pohotsky, Dr. Reinhardt and Ms. Stebbins. Mr. Pohotsky is the Chairman of each Fund's Audit Committee. Each Fund's Audit Committee held four meetings during the fiscal year ended September 30, 2009.

Governance Committee. Each Fund has a Governance Committee comprised solely of Independent Trustees who are "independent" as defined in the NYSE Listing Standards. Each Fund's Board of Trustees has adopted a written charter for the Governance Committee. Each Fund's Governance Committee's mission under its charter is to review, evaluate, and enhance the effectiveness of each Fund's Board of Trustees in its role in governing each Fund and to oversee management of each Fund in accordance with the Corporate Governance Guidelines, which have been adopted by each Fund's Board of Trustees.

Each Fund's Governance Committee reviews, discusses and makes recommendations to the Board of Trustees relating to those issues that pertain to the effectiveness of the Board of Trustees in carrying out its responsibilities in governing each Fund and overseeing each Fund's management. The members of each Fund's Governance Committee are Dr. Jain, Mr. Lewin, Dr. Mack and Ms. Stebbins. Mr. Lewin is the Chairman of each Fund's Governance Committee. Each Fund's Governance Committee met one time during the fiscal year ended September 30, 2009.

Nominating Committee. Each Fund has a Nominating Committee comprised solely of Independent Trustees who are "independent" as defined in the NYSE Listing Standards. Each Fund's Board of Trustees has adopted a written charter for the Nominating Committee. The Nominating Committee charter is not available on the Fund's website but was included as Exhibit A to the Funds' Joint Proxy Statement dated April 30, 2009.

Each Fund's Nominating Committee requires that each prospective trustee candidate have a college degree or equivalent business experience, and that each candidate is not serving in a similar capacity on the board of a registered investment company which (i) is not sponsored or advised by the Funds' investment adviser or its affiliates and (ii) the Board in its discretion has determined to be competitive with the Fund taking into account such registered investment company's investment mandate. Each Fund's Nominating Committee may also take into account other factors when considering and evaluating potential trustee candidates, including but not limited to: (i) availability and commitment to attend meetings and perform responsibilities of the Boards; (ii) relevant industry and related experience; (iii) educational background; (iv) financial expertise; (v) the candidate's ability, judgment and expertise; and (vi) the overall diversity of the Board's composition.

Each Fund's Nominating Committee may identify prospective trustees from any reasonable source, including, but not limited to, the consultation of third-party trustee search services. Each Fund's Nominating Committee will consider potential trustee candidates recommended by shareholders, provided that the proposed candidates (i) satisfy any minimum qualifications of the Fund for its trustees; (ii) are not "interested persons" (as that term is defined in Section 2(a)(19) of the 1940 Act) of the Fund or the Adviser; and (iii) are "independent" as defined in the NYSE Listing Standards. In order to be evaluated by the appropriate Committee, trustee candidates recommended by shareholders must also meet certain eligibility requirements as set out in the Committees' Nominating charter. Other than those eligibility requirements, the Committees shall not evaluate shareholder trustee nominees in a different manner than other nominees. The standard of the Committees is to treat all equally qualified nominees in the same manner.

All nominations by shareholders must be received by the Funds by the deadline for submission of any shareholder proposals which would be included in the Funds' proxy statement for the next annual meeting of the Funds. Each nominating shareholder or shareholder group must meet the requirements stated in the Nominating Committee's charter. A nominating shareholder or shareholder group may not submit more than one nominee per year. When nominating a trustee candidate, shareholders

must include in their notice to the Funds' Secretary: (i) the shareholder's contact information; (ii) the trustee candidate's contact information and the number of Fund shares owned by the proposed candidate; (iii) all information regarding the candidate that would be required to be disclosed in solicitations of proxies for elections of trustees required by Regulation 14A of the Securities Act of 1934, as amended; and (iv) a notarized letter executed by the trustee candidate, stating his or her intention to serve as a nominee and be named in the Fund's proxy statement, if nominated by the Board of Trustees, and to be named as a trustee if so elected. Once a nomination has been timely received in proper form, the nominee will be asked to complete an eligibility questionnaire to assist the Funds in assessing the nominee's qualifications as a potential Independent Trustee and as someone who is "independent" under the NYSE Listing Standards. The Nominating Committee will make such determinations in its sole discretion and such determinations shall be final.

The members of each Fund's Nominating Committee are Dr. Jain, Mr. Lewin, Dr. Mack and Ms. Stebbins. Mr. Lewin is the Chairman of each Fund's Nominating Committee. Each Fund's Nominating Committee met two times during the fiscal year ended September 30, 2009.

Valuation Committee. Each Board has delegated to each Fund's Valuation Committee general responsibility for determining, in accordance with each Fund's valuation procedures, the value of assets held by each Fund on any day on which the net asset value per share is determined. Each Valuation Committee may appoint, and has appointed, a Sub-Committee made up of employees and officers of the Adviser to deal with day to day valuation decisions, subject to oversight by the Valuation Committee. Each Valuation Committee shall meet as often as necessary to ensure that each action taken by the Sub-Committee is reviewed within a calendar quarter of the occurrence. In connection with its review, each Valuation Committee shall ratify or revise the pricing methodologies authorized by the Sub-Committee since the last meeting of the Valuation Committee. Each Valuation Committee is charged with the responsibility of determining the fair value of each Fund's securities or other assets in situations set forth in each Fund's valuation procedures.

The members of each Fund's Valuation Committee are Mr. Oddleifson, Mr. Pohotsky and Dr. Mack. Mr. Pohotsky is the Chairman of each Fund's Valuation Committee. Each Fund's Valuation Committee met four times during the fiscal year ended September 30, 2009.

Qualified Legal Compliance Committee. Each Fund has a Qualified Legal Compliance Committee ("QLCC") comprised solely of Independent Trustees. Each Fund's Board of Trustees has adopted a written charter for the QLCC. The principal purpose of each Fund's QLCC is to review and respond to reports of Evidence of a Material Violation (as defined in the QLCC charter). Reporting Evidence of a Material Violation is required under the Standards of Professional Conduct for Attorneys adopted by the U.S. Securities and Exchange Commission (the "SEC") under the Sarbanes-Oxley Act of 2002 (the "Standards"). Under the Standards, if an attorney appearing and practicing before the Commission in the representation of an issuer, such as the Funds, becomes aware of Evidence of a Material Violation by the issuer or by any officer, trustee, employee or agent of the issuer, the Standards provide for the attorney to report such evidence to the issuer's QLCC forthwith. In discharging its role, the QLCC is granted the power to investigate any Evidence of a Material Violation brought to its attention with full access to all books, records, facilities and personnel of the Funds and the power to retain outside counsel, auditors or other experts for this purpose.

The members of each Fund's QLCC are Messrs. Lewin, Oddleifson and Pohotsky. Mr. Pohotsky is the Chairman of each Fund's QLCC. Neither Fund's QLCC met during the fiscal year ended September 30, 2009.

Attendance. During the fiscal year ended September 30, 2009, each Fund's Board of Trustees held six meetings; each Fund's Audit Committee held four meetings; each Fund's Governance Committee held one meeting; each Fund's Nominating Committee held two meetings; and each Fund's Valuation Committee held four meetings.

Each of the Trustees attended at least 80% of the aggregate number of meetings of the Boards of Trustees and the Committees of the Boards of Trustees on which they served.

Compensation of Trustees and Officers

For the fiscal year ended September 30, 2009 each Fund paid its Independent Trustees an annual fee of \$20,000. Each Fund currently pays each Independent Trustee \$500 for each Board and Committee meeting attended in person and \$250 for each Board and Committee meeting attended by telephone. Neither of the Funds directly paid any additional compensation to the Trustees for the fiscal year ended September 30, 2009. Pursuant to the terms of the Agreement, each Fund reimburses the Adviser for a portion of the payment of salary and provision of benefits to each Fund's Chief Compliance Officer. During the fiscal year ended September 30, 2009 these payments amounted to \$82,905 and \$57,612 for HQH and HQL, respectively. All of the services described in the tables above were approved by the Audit Committees pursuant to its pre-approval policies and procedures (the "Pre-Approval Policies and Procedures") which are summarized below to the extent that such services were required to be pre-approved by the Audit Committee.

The aggregate non-audit fees billed by Deloitte & Touche LLP for services rendered to HQH and to the Adviser, or an affiliate thereof that provides ongoing services to HQH, amounted to \$0 for the fiscal year ended September 30, 2009 and \$4,500 for the fiscal year ended September 30, 2008. The aggregate non-audit fees billed by Deloitte & Touche LLP for services rendered to HQL and to the Adviser, or an affiliate

thereof that provides ongoing services to HQL, amounted to \$0 for the fiscal year ended September 30, 2009 and \$4,500 for the fiscal year ended September 30, 2008.

The Funds' Audit Committees have adopted Pre-Approval Policies and Procedures pursuant to which the Committees pre-approve all audit and non-audit services provided by the Funds' independent auditor (the "Auditor") and any non-audit services provided by the Auditor to the Funds' investment adviser and service affiliates during the period of the Auditor's engagement to provide audit services to the Funds, if those services directly impact the Funds' operations and financial reporting. Audit services include those typically associated with the annual audit such as evaluation of internal controls. Non-Audit services include certain services that are audit-related, such as consultations regarding financial accounting and reporting standards and tax services. Certain services may not be provided by the Auditor to the Funds' or the Funds' Service Affiliates without jeopardizing the Auditor's independence. These services are deemed prohibited services and include certain management functions; human resources services; broker-dealer, investment adviser or investment banking services; legal services; and expert services unrelated to the audit. Other services are conditionally prohibited and may be provided if the Audit Committees reasonably conclude that the results of the services will not be subject to audit procedures during an audit of the Funds' financial statements. These types of services include bookkeeping; financial information systems design and implementation; appraisal or valuation services; actuarial services; and internal audit outsourcing services.

The Pre-Approval Policies and Procedures require Audit Committee approval of the engagement of the Auditor for each fiscal year and approval of the engagement by at least a majority of the Funds' independent trustees. In determining whether to engage the Auditor for its audit services, the Audit Committees will consider the Auditor's proposed fees for the engagement, in light of the scope and nature of the audit services that the Funds will receive. The Pre-Approval Policies and Procedures also permit the Audit Committees to pre-approve the provisions of types or categories of permissible non-audit services for the Funds and their Service Affiliates on an annual basis at the time of the Auditor's engagement and on a project-by-project basis. At the time of the annual engagement of the Funds' Auditor, the Audit Committees are to receive a list of the categories of expected non-audit services with a description and an estimated budget of fees. In their pre-approval, the Audit Committees should determine that the provision of the service is consistent with, and will not impair, the ongoing independence of the Auditor and set any limits on fees or other conditions they find appropriate. Non-audit services may also be approved on a project-by-project basis by the Audit Committees consistent with the same standards for determination and information.

The Audit Committees may also appoint a Designated Member of the Committees to pre-approve non-audit services that have not been pre-approved or material changes in the nature or cost of any non-audit services previously pre-approved. The Designated Member may not pre-approve any project the estimated budget (or budgeted range) of fees of which exceed or may exceed \$15,000 per Fund. Any actions by the Designated Member are to be ratified by the Audit Committees by the time of their next scheduled meeting. The Funds' Pre-Approval Policies and Procedures are reviewed annually by the Audit Committees and the Funds maintain a record of the decisions made by the Committees pursuant to these procedures.

Required Vote

The selection of Deloitte & Touche LLP as each Funds' independent public accountants for the fiscal year ending September 30, 2010 is submitted to shareholders for ratification and requires approval by a majority of the Funds' shares voting at the Annual Meeting. The Trustees recommend a vote FOR the selection of Deloitte & Touche LLP as the independent registered public accountants of each Fund.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act and Section 30(j) of the 1940 Act, as applied to a Fund, require the Fund's officers and trustees, investment manager, affiliates of the investment manager, and persons who beneficially own more than ten percent of a registered class of the Fund's outstanding securities ("Reporting Persons") to file reports of ownership of the Fund's securities and changes in such ownership with the SEC and the NYSE. Such persons are required by SEC regulations to furnish the Fund with copies of all such filings.

Based solely upon its review of the copies of such forms received by it, and written representations from certain Reporting Persons that no year-end reports were required for those persons, each Fund believes that during the fiscal year ended September 30, 2009, its Reporting Persons other than Ms. Chang complied with all applicable filing requirements. Ms. Chang filed one late report on Form 3 with no transactions.

OTHER BUSINESS

As of the date of this Proxy Statement, the Board of Trustees is not aware that any matters are to be presented for action at the Annual Meeting other than those described above. Should other business properly be brought before the Annual Meeting, it is intended that the accompanying Proxy will be voted thereon in accordance with the judgment of the persons named as proxies.

PROXIES AND VOTING AT THE ANNUAL MEETING

Shareholders who execute proxies may revoke them at any time before they are voted by written notice to the Secretary of the Fund at 2 Liberty Square, 9th Floor, Boston, MA 02109, or by casting a vote at the Annual Meeting. Instructions on how to attend the meeting and vote in person can be obtained by calling (800) 451-2597. All valid proxies received prior to the Annual Meeting, or any

adjournment(s) or postponements(s) thereof, will be voted at the Annual Meeting and any adjournments or postponements thereof.

The representation in person or by proxy of a majority of the outstanding shares of each Fund is necessary to constitute a quorum for transacting business at the Annual Meeting. For purposes of determining the presence of a quorum, abstentions and broker "non-votes" will be treated as shares that are present. Broker non-votes are proxies received by a Fund from brokers or nominees when the broker or nominee has neither received instructions from the beneficial owner or other persons entitled to vote nor has discretionary power to vote on a particular matter. The Proposals to be voted upon by the shareholders involve matters that the NYSE considers to be routine and within the discretion of brokers to vote if no customer instructions are received.

Shareholders of each Fund will vote separately with respect to Proposal 1, which requires the approval of a plurality of shares voting at the Annual Meeting (i.e., the three nominees, in the case of HQH, and the three nominees, in the case of HQL, receiving the greatest number of votes will be elected).

Shareholders of each Fund will vote separately with respect to Proposal 2, which requires the approval of a majority of all votes validly cast at the Annual Meeting.

Abstentions will not be counted in favor of, but will have no other effect on, the votes for Proposals 1 and 2.

Matters on which a choice has been provided will be voted as indicated on the proxy card and, if no instruction is given, the persons named as proxies will vote the shares represented thereby in favor of each Proposal, and will use their best judgment in connection with the transaction of such other business as may properly come before the Annual Meeting or any adjournment(s) or postponement(s) thereof.

In the event that sufficient votes in favor of any Proposal set forth in the Notice of Annual Meeting are not received by June 7, 2010 or the necessary quorum has not been obtained, the persons named as proxies on the enclosed proxy card may propose one or more adjournments of the Annual Meeting to permit further solicitation. Any such adjournment will require approval by a majority of the votes validly cast on the matter at the session of the Annual Meeting to be adjourned. The persons named as proxies on the enclosed proxy card will vote in favor of any such adjournment on those proxies which they are entitled to vote in favor of the Proposal. They will vote against any such adjournment those proxies required to be voted against the Proposal. Abstentions and broker non-votes will be disregarded for purposes of voting on adjournment.

As of April 27, 2010, there were 24,889,277 shares of beneficial interest of HQH and 21,559,721 shares of beneficial interest of HQL issued and outstanding. Shareholders will be entitled to one vote for each share held. Only shareholders of record at the close of business on April 27, 2010, the record date, will be entitled to vote at the Annual Meeting. As of April 27, 2010, the Trustees and officers of each Fund individually and as a group beneficially owned less than 1% of the outstanding voting securities of each Fund. To the best of the Fund's knowledge, based upon filings made with the SEC, as of April 27, 2010, no persons or group beneficially owned more than 5% of the voting securities of either Fund.

PROPOSALS FOR 2011 ANNUAL MEETING

Shareholder proposals for each Fund's 2011 Annual Meeting must be received at the Fund's executive offices at 2 Liberty Square, 9th Floor, Boston, Massachusetts 02109 no later than December 29, 2010 for inclusion in the 2011 Proxy Statement and form of proxy. Submission of such proposals does not insure that they will be included in the 2011 Proxy Statement or submitted for a vote at the 2011 Annual Meeting.

In addition, shareholder proposals for the 2011 annual meeting of shareholders (other than proposals submitted for inclusion in a Fund's 2011 Proxy Statement) must be submitted to the Fund's Secretary between February 8, 2011 and March 10, 2011, unless the meeting date is more than 30 days before or after June 8, 2011.

GENERAL

The Fund will pay the cost of preparing, assembling and mailing the material in connection with solicitation of proxies, and will reimburse brokers, nominees and similar record holders for their reasonable expenses incurred in connection with forwarding proxy material to beneficial holders. In addition to the solicitation by use of the mails, certain officers of the Fund and certain employees of the Adviser, who will receive no compensation for their services other than their regular salaries, may solicit the return of proxies personally or by telephone or facsimile.

A number of banks, brokers and financial institutions have instituted "householding". Under this practice, only one Proxy Statement may be delivered to multiple shareholders who share the same address and satisfy other conditions. Each Fund will deliver promptly a separate copy of this Proxy Statement to a shareholder at a shared address upon request. To request a separate copy of this Proxy Statement, write or call the Fund at the address and phone number set forth above.

ANNOUNCE REINSTATEMENT OF

DISTRIBUTION UNDER MANAGED DISTRIBUTION POLICY

April 28, 2010

Dear Fellow Shareholder,

I am pleased to announce that H&Q Healthcare Investors and H&Q Life Sciences Investors announced on April 5, 2010 the reinstatement of distributions pursuant to their managed distribution policies (the "Policy"). The Policy will provide for quarterly distributions at an annualized rate equal to 5% of net assets.

The Policy was in place from 2000 until 2009 and provided for quarterly distributions at an annualized rate equal to 8% of net assets. The Boards of Trustees determined in August 2009 that distributions under the Policy should be suspended in view of the marked decline in the portfolios' value as a result of the prevailing financial market environment.

The Funds' Boards of Trustees believes that reinstating distributions pursuant to the Policy is appropriate given the improvement in market conditions and may also serve as a catalyst for each Fund's shareholders to realize value. The Boards of Trustees recognize that cash flow is a consideration for many of each Fund's shareholders and believe that periodic cash distributions may attract investors seeking a consistent level of cash flow.

Distributions under the Policy may consist of net investment income, net realized long-term capital gains, net realized short-term capital gains or return of capital. However, each Fund will seek to make distributions in a tax advantaged manner from the realization of long-term capital gains consistent with each Fund's investment objective and strategies. In this regard, the Funds will seek to realize capital gains for this purpose in a manner which the Adviser believes is consistent with prudent portfolio management and the investment objective of each Fund. Each Fund may also make additional distributions for the purpose of avoiding federal income tax on the Fund and for the purpose of avoiding federal excise tax.

Edgar Filing: H&Q HEALTHCARE INVESTORS - Form DEF 14A

The Boards of Trustees will continue to monitor the Policy and may change the rate of distribution or suspend distributions as they deem warranted.

As always, if you have any questions, please feel free to contact us through www.hqcm.com or call us at (617) 772-8500.

Sincerely,

Daniel R. Omstead
