**Vale announces payment of shareholder remuneration and share buyback program**

Rio de Janeiro, July 25th, 2018 – Vale S.A. (Vale) informs that its Board of Directors approved today the payment of shareholder remuneration based on first half of 2018 results, the first one based on the new Shareholders Remuneration Policy and referring to 30% x (EBITDA - Sustaining Investments), reinforcing the commitment towards transforming Vale into a predictable company.

Additionally, the Board of Directors approved the proposal from the Executive Board to establish a US\$ 1.0 billion share buyback program for Vale's common shares, reflecting the management's belief that repurchasing Vale's own shares is one of the best investments for the excess cash following the strong cash performance in the first half of 2018, the accelerated deleveraging profile and the positive outlook for Vale's operational and financial performance.

**Dividends and Interest on Capital**

The shareholder remuneration(1) will amount to R\$ 7,694,078,600.00 equivalent to R\$ 1.480361544 per share, being R\$ 6,801,433,061.10 in the form of interest on capital and R\$ 892,645,538.90 in the form of dividends.

The payment of the remuneration will occur on September 20th, 2018 and shareholders will be entitled to remuneration, as follows:

- i. Record date for the owners of Vale shares traded on the B3 will be on August 2<sup>nd</sup>, 2018 and for holders of American Depositary Shares (ADSs) traded on the New York Stock Exchange (NYSE) and Euronext Paris will be on August 6<sup>th</sup>, 2018.

ii. Vale's shares will start trading ex-dividends / interest on capital on the B3, NYSE and Euronext Paris as of August 3rd, 2018.

iii. The holders of ADSs will receive the payment through Citibank N.A., the depositary agent for the ADSs, as of September 27th, 2018.

iv. According to the Brazilian law, the distribution of interest on capital is subject to the deduction of withholding income tax, except for the exempt beneficiaries that prove compliance with the legal conditions for the exemption. Any change in the shareholder register regarding tax residence and profile shall be completed by August 7th, 2018, to ensure the accurate withholding tax related to the interest on capital announced today.

#### **Share buyback**

The buyback program will be limited to a maximum of 80,000,000 common shares and their respective ADSs, and up to US\$ 1.0 billion. The program will be carried out over a period of up to 365 days and the repurchased shares will be cancelled after the expiration of the program and/or alienated through the executive compensation programs.

The buyback program complies with Brazilian capital markets regulation(2) and it will be carried out on stock exchanges at market prices.

---

(1) The abovementioned shareholders remuneration will be considered as a component of the minimum remuneration established by Vale's bylaws related to the period ended on December 31st, 2018.

(2) Additional information on the buyback program can be found in CVM Instruction no. 480, Annex 30-XXXVI registered at CVM.
