Item 8.01

Other Events

On March 21, 2019, Lannett Company, Inc. ("Lannett", the "Company", or "we") announced that it completed the purchase of approximately \$24.2 million principal amount of its Term Loans in open market transactions. The purchases comprised approximately \$8.0 million and \$16.2 million of the Term A Loans and Term B Loans, respectively.

In order to reduce future cash interest payments, as well as future amounts due at maturity, Lannett may, from time to time, purchase our debt for cash in open market purchases and/or privately negotiated transactions. Lannett will evaluate any such transactions in light of then-existing market conditions, taking into account the Company's current liquidity among other factors. Any purchases would reduce the excess cash flow sweep mandatory pre-payment obligation required by the Credit Agreement at fiscal year-end, if applicable. The amounts involved in any such transactions, individually or in the aggregate, may be material.

A copy of the press release announcing these purchases is attached hereto as Exhibit 99.1 and incorporated herein by reference.
