Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

EQT is incorporated under the laws of the Commonwealth of Pennsylvania.

Under Sections 1741 and 1742 of the Pennsylvania Business Corporation Law (the PBCL), a business corporation has the power to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person is or was a director, officer or representative of the corporation, or is or was serving at the request of the corporation as a director, officer or representative of another corporation or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action or proceeding, if such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful. In the case of a threatened, pending or completed action or proceeding by or in the right of the corporation, such indemnification only covers expenses and excludes judgments and amounts paid in settlement with respect to such action or proceeding, and no indemnification can be made for expenses if such person has been adjudged to be liable to the corporation unless, and only to the extent that, a court determines upon application that, despite the adjudication of liability but in view of all the circumstances, such person is fairly and reasonably entitled to indemnity for the expenses that the court deems proper.

In addition, PBCL Section 1744 provides that, unless ordered by a court, any indemnification referred to above shall be made by the corporation only as authorized in the specific case upon a determination that indemnification is proper in the circumstances because the indemnitee has met the applicable standard of conduct. Such determination shall be made:

Edgar Filing: EQT Corp - Form S-8

- (1) by the board of directors by a majority vote of a quorum consisting of directors who were not parties to the action or proceeding;
- (2) if such a quorum is not obtainable, or if obtainable and a majority vote of a quorum of disinterested directors so directs, by independent legal counsel in a written opinion; or
- (3) by the shareholders.

Notwithstanding the above, PBCL Section 1743 provides that to the extent that a director, officer or representative of a business corporation is successful on the merits or otherwise in defense of any action or proceeding referred to above, or in defense of any claim, issue or matter therein, such person shall be indemnified

against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

Further, PBCL Section 1745 provides that expenses (including attorneys' fees) incurred by an officer, director or representative of a business corporation in defending any such action or proceeding may be paid by the corporation in advance of the final disposition of the action or proceeding upon receipt of an undertaking by or on behalf of such officer, director or representative to repay the amount advanced if it is ultimately determined that the indemnitee is not entitled to be indemnified by the corporation.

Also, PBCL Section 1746 provides that the indemnification and advancement of expenses provided by, or granted pursuant to, the foregoing provisions is not exclusive of any other rights to which a person seeking indemnification or advancement of expenses may be entitled under any bylaw, agreement, vote of shareholders or disinterested directors or otherwise, and that indemnification may be granted under any bylaw, agreement, vote of shareholders or directors or otherwise for any action taken or any failure to take any action and may be made whether or not the corporation would have the power to indemnify the person under any other provision of law and whether or not the indemnified liability arises or arose from any threatened, pending or completed action by or in the right of the corporation; provided, however, that no indemnification may be made in any case where the act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted willful misconduct or recklessness.

Article IV of our by-laws (the Bylaws) provides that our directors or officers shall be indemnified as of right to the fullest extent not prohibited by law in connection with any actual or threatened action, suit or proceeding, civil, criminal, administrative, investigative or other proceeding (whether brought by or in the right of the corporation or otherwise) arising out of their service to EQT or to another corporation or other enterprise at EQT's request.

PBCL Section 1747 permits a business corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer or representative of the corporation, or is or was serving at the request of the corporation as a director, officer or representative of another corporation or other enterprise, against any liability asserted against such person and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify the person against such liability under the provisions described above.

Article IV of the our by-laws provides that we may purchase and maintain insurance to protect EQT and its directors, officers or representatives against any liability asserted against such person and incurred by such person in respect of the service of such person, whether or not we would have the power to indemnify such person against such liability by law or under the provisions of Article IV.

EQT maintains directors' and officers' liability insurance covering its directors and officers with respect to liabilities, including liabilities under the Securities Act, which they may incur in connection with their serving as such. Under this insurance, EQT may receive reimbursement for amounts as to which the directors and officers are indemnified by EQT under the bylaw indemnification provisions described above. Such insurance also provides certain additional coverage for the directors and officers against certain liabilities even though such liabilities may not be covered by the bylaw indemnification provisions described above.

As permitted by PBCL Section 1713, our restated articles of incorporation and our by-laws provide that no director shall be personally liable for monetary damages as such for any action taken, or failure to take any action, unless the director has breached or failed to perform the duties of his office under Subchapter B - Fiduciary Duty of Chapter 17 of the PBCL and such director's breach of duty or failure to perform constituted self-dealing, willful misconduct or recklessness. The PBCL states that this exculpation from liability does not apply to the responsibility or liability of a director pursuant to any criminal statute or the liability of a director for the payment of taxes pursuant to federal, state or local law. It is uncertain whether this provision will control with respect to liabilities imposed upon directors by federal law, including federal securities

laws. PBCL Section 1715(d) creates a presumption, subject to exceptions, that a director acted in the best interests of the corporation. PBCL Section 1712, in defining the standard of care a director owes to the corporation, provides that a director stands in a fiduciary relation to the corporation and must perform his duties as a director or as a member of any committee of the board of

Edgar Filing: EQT Corp - Form S-8

directors in good faith, in a manner he reasonably believes to be in the best interests of the corporation and with such care, including reasonable inquiry, skill and diligence, as a person of ordinary prudence would use under similar circumstances.

We also have indemnification agreements with all our executive officers and directors (collectively, indemnitees). These agreements provide that the indemnitees will be protected as promised in our by-laws (regardless of, among other things, any amendment to or revocation of our by-laws or any change in the composition of our board of directors or an acquisition transaction relating to us) and advanced expenses to the fullest extent of the law and as set forth in the indemnification agreements. These agreements also provide, to the extent insurance is maintained, for the continued coverage of the indemnitees under our director and officer insurance policies. The indemnification agreements, among other things and subject to certain limitations, indemnify and hold harmless the indemnitees against any and all reasonable expenses, including fees and expenses of counsel, and any and all liability and loss, including judgments, fines, ERISA, excise taxes or penalties and amounts paid or to be paid in settlement, incurred or paid by the indemnitees in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative and whether or not by or in the right of the corporation or otherwise, in which the indemnitees are, were or at any time become parties, or are threatened to be made parties or are involved by reason of the fact that the indemnitees are or were our directors or officers or are or were serving at our request as directors, officers, employees, trustees or representatives of another corporation or enterprise.

The foregoing is only a general summary of certain aspects of the PBCL, our restated articles of incorporation and our by-laws dealing with indemnification of directors and officers and does not purport to be complete.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that the undertakings set forth paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, as amended, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Pittsburgh, Commonwealth of Pennsylvania, on April 22, 2019.
