Item 2.02. Results of Operations and Financial Condition.

This Current Report on Form 8-K is being furnished to disclose the press release issued by Pinnacle Financial Partners, Inc., a Tennessee corporation (the "Company"), on October 20, 2015. The press release, which is furnished as Exhibit 99.1 hereto pursuant to Item 2.02 of Form 8-K, announced the Company's results of operations for the three and nine months ended September 30, 2015.

The press release contains non-GAAP financial information (including revenue, net income, earnings per diluted share and various performance ratios) for various periods excluding the impact of one or more of investment gains, expenses related to other real estate owned, expenses incurred in connection with the Company's recently completed acquisitions of CapitalMark Bank and Trust ("CapitalMark") and Magna Bank ("Magna") and Federal Home Loan Bank prepayment charges.

The press release also contains certain non-GAAP capital ratios. These non-GAAP financial measures exclude the impact of goodwill and core deposit intangibles associated with the Company's acquisition of Mid-America Bancshares, Inc. and Cavalry Bancorp, Inc., which the Company acquired on November 30, 2007 and March 15, 2006, respectively as well as the Company's acquisitions of CapitalMark and Magna.

The presentation of this non-GAAP financial information is not intended to be considered in isolation or as a substitute for any measure prepared in accordance with GAAP. Because non-GAAP financial measures presented in the press release are not measurements determined in accordance with GAAP and are susceptible to varying calculations, these non-GAAP financial measures, as presented, may not be comparable to other similarly titled measures presented by other companies.

The Company believes that these non-GAAP financial measures facilitate making period-to-period comparisons and are meaningful indications of its operating performance. In addition, because intangible assets such as goodwill and the core deposit intangible, and the type of expenses excluded from the GAAP calculations each vary extensively from company to company, the Company believes that the presentation of this information allows investors to more easily compare the Company's results to the results of other companies.

The Company's management utilizes this non-GAAP financial information to compare the Company's operating performance for 2015 versus the comparable periods in 2014 and to internally prepared projections.

Item 7.01. Regulation FD Disclosure

On October 20, 2015, the Company issued a press release announcing the declaration of a quarterly dividend of \$.12 per common share. The dividend is payable on November 27, 2015, to shareholders of record as of the close of business on November 6, 2015.
