Item 3.02 Unregistered Sale of Equity Securities

On March 16, 2007, we completed a private placement of 2,500,000 shares of our Class A Common Stock and warrants to purchase 2,500,000 shares of our Class A Common Stock to two investors (the “Investors”). The securities were sold as a unit (the “Units”) at a price of \$0.40 per Unit with the Investors purchasing an aggregate of 2,500,000 Units for aggregate gross proceeds of \$1,000,000. Each Unit consisted of one (1) share of Class A Common Stock and one (1) warrant to purchase one share of Class A Common Stock at an exercise price of \$0.60 per share (“Warrant”). The Warrants are exercisable immediately and are exercisable for a period of three (3) years. We paid a placement agent and finders fee of \$230,000 and issued 368,334 warrants (the “Agent Warrants”) to purchase common stock at \$0.60 to Continental Advisors, S.A. who acted as the placement agents. In connection with the transaction, we issued an additional 1,750,000 warrants to purchase common stock at \$0.60 to the investors and a finder.

In connection with the offer and sale of securities to the Investors and the placement agents, we relied on the exemption from registration provided by Regulation S of the Securities Act of 1933, as amended (the “Securities Act”).
