FORDING PROVIDES SYNERGIES UPDATE

CALGARY, June 14, 2004 - Fording Canadian Coal Trust (TSX: FDG.UN, NYSE: FDG) today advised that the independent expert has requested additional time to complete its final opinion report in respect of the synergies of Elk Valley Coal Partnership for the coal year ended March 31, 2004. The report was expected June 15th. Fording Canadian Coal Trust will advise of material developments in this matter as they arise.

Fording Canadian Coal Trust is an open-ended mutual fund trust. Through investments in metallurgical coal and industrial minerals mining and processing operations, the Trust makes quarterly cash distributions to unitholders. The Trust, through its wholly-owned subsidiary, Fording Inc., holds a 65% ownership interest in the Elk Valley Coal Partnership and is the world's largest producer of the industrial mineral wollastonite. Elk Valley Coal Partnership, comprised of Canada's senior metallurgical coal mining properties, is the world's second largest exporter of metallurgical coal, capable of supplying approximately 25 million tonnes of high-quality coal products annually to the international steel industry.
