**Item 1.01 Entry into a Material Definitive Agreement.**

On June 27, 2007, TWL Corporation (the "Company") received an additional \$1,215,000 of gross proceeds (the "Proceeds") pursuant to the sales by the Company in its private placement offering (the "Offering"), as previously reported in the Company's Current Reports on Form 8-K filed with the U.S. Securities and Exchange Commission on March 20, May 8 and June 14, 2007, respectively. The Company sold an aggregate of 34,983,334 shares (the "Shares") of its common stock, no par value per share, at a price of \$0.03 per Share. The Shares were sold pursuant to Common Stock Subscription Agreements entered into by and between the Company and the purchasers signatories thereto (the "Purchasers"). The Company also granted piggy back registration rights to the Purchasers. The net proceeds of the Offering are expected to be used as general working capital of, and reduction of vendor payables by, the Company.

Out of the Proceeds, the Company paid commissions of \$121,500. For more information please see the Current Report on Form 8-K filed by the Company on March 20, 2007, which is incorporated herein by reference.

As of the date of this Current Report, the Company has received aggregate gross proceeds of \$2,777,000 from the Offering.

The Company claims an exemption from the registration requirements of the Act for the private placement of these securities pursuant to Section 4(2) of the Act and/or Regulation D promulgated thereunder since, among other things, the transaction did not involve a public offering, the investors were accredited investors and/or qualified institutional buyers, the investors had access to information about the Company and their investment, the investors took the securities for investment and not resale, and the Company took appropriate measures to restrict the transfer of the securities.
