This repurchase authorization follows, and is in addition to, similar repurchase authorizations of \$10 million announced November 12, 2007. After taking into account all shares repurchased through February 12, 2008, the Company has \$16.2 million in aggregate remaining repurchase capacity under all of the Company's outstanding repurchase authorizations. The timing and actual number of shares repurchased will depend on a variety of factors, including the stock price, corporate and regulatory requirements and other market and economic conditions. The Company's stock repurchase program may be suspended or discontinued at any time.
