Yes  No

As of September 10, 2013, there were 200,635,536 shares of Common Stock of the issuer outstanding.

## **EXPLANATORY NOTE**

We are filing this Amendment No. 1 on Form 10-Q/A for the sole purpose of correcting an administrative error on Item 4 of Part I “Financial Information” on the original Form 10-Q of our Quarterly Report on Form 10-Q for the quarter ended December 31, 2012 as originally filed with the Securities and Exchange Commission on February 19, 2013 (the “Original Date”). This Amendment speaks as of the filing date of the Original Date and does not reflect events which may have occurred subsequent to the filing of the Original Date.

## **ITEM 4: CONTROLS AND PROCEDURES**

### **Evaluation of Disclosure Controls and Procedures**

Under the supervision and participation of our management, including our Chief Executive Officer and Chief Financial Officer, we conducted an evaluation of the effectiveness of our disclosure controls and procedures as such term is defined under Rule 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Based upon this evaluation, our Chief Executive Officer and our Chief Financial Officer have concluded that as of December 31, 2012, our disclosure controls and procedures were ineffective due to a material weakness existing in our internal controls over financial reporting as of September 30, 2012 (described below), which has not been fully remediated as of December 31, 2012.

A material weakness is a deficiency, or a combination of deficiencies, in Internal Control over Financial Reporting (“ICFR”), such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis. A material weakness would permit information required to be disclosed by the Company in the reports that it files or submits to not be recorded, processed, summarized and reported, within the time periods specified in the SEC rules and forms. Based upon an evaluation conducted for the period ended December 31, 2012, our Chief Executive and Chief Financial Officer as of December 31, 2012 and as of the date of this Report, has concluded that as of the end of the periods covered by this report, we have identified the following material weakness of our internal controls:

Lack of sufficient accounting staff which results in a lack of segregation of duties necessary for a good system of internal control and financial statement presentation.

### **Changes in Internal Controls over Financial Reporting**

We have not yet made any changes in our internal controls over financial reporting that occurred during the period covered by this report on Form 10-Q that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

**SIGNATURES**

In accordance with the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this Report to be signed on its behalf by the undersigned, thereunto duly authorized.
