Item 1.01. Entry into a Material Definitive Agreement.

On August 28, 2014, the Board of Directors (the “Board”) of Royal Gold, Inc. (the “Company”), based on the recommendation of the Compensation, Nominating and Governance Committee of the Board, approved a revised form of Amended and Restated Indemnification Agreement, effective August 28, 2014, to be entered into with the Company’s officers and directors. Among other things, the revisions to the form clarify certain procedural requirements for obtaining indemnification and the advancement of expenses.

The foregoing description of the revised form of Amended and Restated Indemnification Agreement does not purport to be complete and is qualified in its entirety by reference to the form of Amended and Restated Indemnification Agreement filed herewith as Exhibit 10.1, which is incorporated herein by reference.

Item 5.03. Amendment to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On August 28, 2014, the Board approved several amendments to the Amended and Restated Bylaws of the Company (as amended, the “Bylaws”), effective as of August 28, 2014, including the following:

Voting Standard. The Bylaws were amended to provide that except as otherwise provided by law, the Company’s Certificate of Incorporation or the Bylaws, the affirmative vote of a majority of the votes cast on a subject matter by the stockholders entitled to vote at a meeting of stockholders at which a quorum is present shall be the act of the stockholders on matters other than the election of directors.

Lead Director. The Bylaws were amended to permit, rather than require, the Board to elect a lead independent director. Following the amendment, the Board has discretion to evaluate the need for a lead independent director in light of the Board’s leadership structure, and in particular when the Chairman of the Board is an independent director.

The above description of the amendments to the Company’s Bylaws is qualified in its entirety by reference to the full text of the Bylaws filed herewith as Exhibit 3.1 and incorporated herein by reference.
