ANNOUNCEMENT

COMPLETION OF THE NON-PUBLIC ISSUANCE OF A SHARES

Reference is made to (i) the circular of China Eastern Airlines Corporation Limited (the "**Company**") dated 26 May 2015 in relation to, among other things, the issue of new A shares (the "**Issuance**"); (ii) the announcement of the Company dated 16 June 2015 in relation to the poll results of the 2014 annual general meeting of the Company (the "**2014 Annual General Meeting**") held on the same date; (iii) the announcement of the Company dated 16 June 2015 in relation to results of the first H shareholders class meeting of the Company in 2015 held on the same date; and (iv) the announcement of the Company dated 8 January 2016 in relation to the approval from the China Securities Regulatory Commission ("**CSRC**") for the Issuance.

The Company is pleased to announce that the Issuance has been completed. Details of the Issuance are as follows:

I. OVERVIEW OF THE ISSUANCE

(I) Internal Decision-making Procedures and the Approval Documents from CSRC for the Issuance

1. Internal decision-making procedures for the Issuance

(1) On 23 April 2015, the 11th ordinary meeting of the 7th session of the board of directors of the Company was held, at which the relevant resolutions in respect of the Issuance were considered and passed. It was also decided that the said resolutions will be proposed to the 2014 Annual General Meeting, the first A shareholders class meeting of the Company in 2015 and the first H shareholders class meeting of the Company in 2015 for consideration.

(2) On 16 June 2015, the 2014 Annual General Meeting, the first A shareholders class meeting of the Company in 2015 and the first H shareholders class meeting of the Company in 2015 were held, at which the relevant resolutions in respect of the Issuance were considered and passed. On the same date, the 15th ordinary meeting of the 7th session of the board of directors of the Company was held, at which the relevant resolutions in respect of the adjustments to the use of proceeds from the Issuance were considered and passed pursuant to the authorization granted at the Annual General Meeting.

2. The approval procedures of the regulatory authority for the Issuance

In May 2015, the State-Owned Assets Supervision and Administration Commission of the State Council issued the “Approval on Relevant Matters for the Non-Public Issuance of A Shares by China Eastern Airlines Corporation Limited” (Guo Zi Chan Quan [2015] No. 354) (A ([2015]354權[2015]354知書 (151777號)), accepting the application for the Issuance by the Company.

In July 2015, the CSRC issued the “Notice of Acceptance of Application for Administrative Approval” (No. 151777) ([25919;許可申請受理通知書 (151777號)), accepting the application for the Issuance by the Company.

(3) On 9 December 2015, the Public Offering Review Committee of CSRC approved the application for the Issuance.

On 5 January 2016, the CSRC issued the “Approval of the Non-public Issuance of A Shares by China Eastern Airlines Corporation Limited” (Zheng Jian Xu Ke [2016] No.8) ([26680;准證監許可[2016]8號)), approving the application for the non-public Issuance of no more than 2,329,192,546 new shares by the Company.

(III) Verification of Proceeds Raised, Transfer of Assets and Registration of Shares

1. Verification of Proceeds Raised

On 27 June 2016, Ernst & Young Hua Ming LLP issued a capital verification report (Ernst & Young Hua Ming (2016) Yan Zi No. 61056687-B01), confirming as of 27 June 2016, RMB8,548,499,933.68, being the total proceeds under cash subscription by specific investors, were deposited in the exclusive account for the Issuance specified by the Sponsor (bank: East Third Middle Road sub-branch, Beijing Branch of China Merchants Bank, account name: China International Capital Corporation Limited, account number: 110902035610880). As of 27 June 2016, the Sponsor had transferred the net proceeds after deducting issue expenses from the said subscription amount to the exclusive account for the proceeds raised specified by the Company. On 28 June 2016, Ernst & Young Hua Ming LLP issued a capital verification report (Ernst & Young Hua Ming (2016) Yan Zi No. 61056687- B02), stating that as of 28 June 2016, four specific subscribers had subscribed 1,327,406,822 RMB-denominated ordinary shares (A shares) in cash in the amount of RMB8,548,499,933.68. The total proceeds raised from the Issuance was RMB8,548,499,933.68. Deducting the underwriting fees of RMB7,819,399.97 and other issue expenses of RMB706,000, the actual net proceeds raised was RMB8,539,974,533.71. Among which, increase in registered capital (share capital) amounted to RMB1,327,406,822 (Renminbi One billion three hundred twenty-seven million four hundred six thousand eight hundred and twenty-two), resulting in the share premium of capital reserve of RMB7,212,567,711.71.

2. Transfer of assets

All shares issued under the Issuance were subscribed in cash and did not involve any transfer of assets.

3. Registration of Shares

On 1 July 2016, the Company obtained the certificate for registration of shareholding change in relation to the subscription of shares by specific investors under the Issuance issued by the Shanghai branch of China Securities Depository and Clearing Corporation Limited as of the closing on 30 June 2016.

(IV) The Sponsor's and the Company Lawyer's Concluding Opinion in Relation to the Compliance of the Procedure and the Subscribers of the Issuance

1. The Sponsor's concluding opinion in relation to the compliance of the procedure and the subscribers of the Issuance

China International Capital Corporation Limited, the Sponsor, opined that: “The procedure for the issuance by the Company has fulfilled necessary internal decisions and external approval procedures and is based on fair and just principles and is in compliance with the regulatory requirements of the current securities market. The issue price, number of shares issued, subscribers and amount of proceeds are in compliance with the resolutions of the board of directors and general meetings of the issuer and the requirements of the relevant laws and regulations such as “Measures for the Administration of Securities Offerings by Listed Companies”, “Implementation Rules on Non-public Issue of Shares by Listed Companies” and “Measures for Administration of Issue and Underwriting of Securities”. The determination of the subscribers and pricing complies with the fair and just principles and is in the interests of the issuer and its shareholders as a whole as well as in compliance with the requirements of the relevant laws and regulations, such as “Company Law”, “Securities Law”, “Measures for the Administration of Securities Offerings by Listed Companies” and “Implementation Rules on Non-public Issue of Shares by Listed Companies”.”

2. *The Company's Lawyer's concluding opinion in relation to the compliance of the procedure and the subscribers of the Issuance*

Commerce & Finance Law Offices opined that: "The non-public issuance by the Company has obtained necessary approval and authorization in accordance with laws. Legal documents such as "Invitation for Subscription", "Invitation for Additional Subscription", "Quotation for Subscription" and "Quotation for Additional Subscription" prepared and signed by the Company for the non-public issuance is legal and valid. The procedure for the non-public issuance is fair and just and is in compliance with the provisions of relevant laws and regulations. The subscribers, issue price, number of shares issued and number of shares allotted to the subscribers determined during the issuance is fair and just and is in compliance with the provisions of relevant laws and regulations, the 2014 Annual General Meeting, the first A shareholders class meeting in 2015 and the first H shareholders class meeting in 2015 of the issuer. VI. MANAGEMENT DISCUSSION AND ANALYSIS

(I) Effect of the Issuance on the financial position, operating capability and cash flow of the Company

1. Effect of the Issuance on the financial position

Upon completion of the Issuance, the net assets of the Company will increase. After utilizing RMB1,707,994,906.74 of the proceeds to repay the loans from financial institutions, the debt of the Company will further decrease, which will in turn enhance the capital strength, reduce the gearing ratio and optimize the debt structure of the Company.

2. Effect of the Issuance on operating capability

After completion of the Issuance, the Company will utilize RMB6,831,979,626.97 of the proceeds to purchase aircrafts enabling the Company to gradually enlarge its load capacity and increase its revenue from its main operations. Meanwhile, the newly introduced aircraft will replace some of the older ones, effectively reducing fuel consumption and maintenance cost and enabling the Company to effectively control its operating cost and enhance its market competitiveness. By utilizing RMB1,707,994,906.74 of the proceeds to repay the loans from financial institutions, the Company can effectively reduce its interest expense thereby further enhancing its operating capability.

3. Effect of the Issuance on the cash flow

Upon completion of the Issuance, the cash inflow of the Company from financing activities will increase. As the proceeds are utilized for purchasing aircraft causing an increase in cash outflow from investing activities, the operating capacity of the Company will be further enhanced, which may facilitate the increase in the net cash flow from the operating activities of the Company in future. Meanwhile, the utilization of proceeds by the Company to repay loans from financial institutions will improve its ability of repayment while enhancing its financing ability, which may facilitate the increase in the net cash flow from the financing activities of the Company.

In view of the above, the Issuance and the utilization of the proceeds to purchase aircrafts and repay loans from financial institution are in compliance with the requirements under the relevant laws and regulations, in the fundamental interests of the shareholders of the Company and in line with the actual situation and strategic target of the Company, enhancing its core competence and risk aversion ability to facilitate its long-term and healthy development.

(II) Effect of the Issuance on business structure

Upon completion of the Issuance, the capital strength of the Company will be significantly enhanced, which may improve the capital structure of the Company. Application of the proceeds from the Issuance will effectively enhance the comprehensive competitiveness of the Company. In particular, RMB6,831,979,626.97 will be utilized for introducing aircraft to enlarge its fleet scale and enhance its capacity, further reinforcing and strengthening the main operations of the Company, enhancing its core competitiveness, promoting its brand image and enlarging its market share so as to continuously increase its market share, thereby laying a solid foundation for its sustainable development in the future. Proceeds of RMB1,707,994,906.74 will be utilized to repay loans from financial institutions, which may mitigate the Company's pressure of loan repayment and promote its risk aversion ability and overall competitiveness, and provide strong support to the Company to further leverage on its advantage in its main business.

Upon the completion of the Issuance, there will be no change to the business structure and the main operations of the Company.

(III) Effect of the Issuance on the corporate governance of the Company

Upon completion of the Issuance, the percentage of direct and indirect shareholding in the Company held by China Eastern Air Holding Company, the controlling shareholder of the Company, will be reduced to 56.38% from 62.07%. The controlling shareholder and the de facto controller of the Company will remain unchanged after the Issuance.

(IV) Effect of the Issuance on the structure of senior management

There will be no change to the structure of the senior management of the Company after the Issuance.

(V) Effect of the Issuance on connected transactions and competition within the industry

There will be no new connected transactions or competition within the industry arising from the Issuance.
