ITEM: 2.02 RESULTS OF OPERATIONS AND FINANCIAL CONDITION

The following is the text of a press release issued by the registrant at 8:15 A.M. Central Time on April 20, 2006.

SIMMONS FIRST ANNOUNCES FIRST QUARTER EARNINGS

Pine Bluff, AR - Simmons First National Corporation (NASDAQ NM: SFNC) today announced first quarter earnings for the period ended March 31, 2006. Net income for the quarter was \$6.0 million, an increase of \$128,000 over the first quarter of 2005. Diluted earnings per share were \$0.41 for the first quarter of 2006 compared to \$0.40 per share for the same period in 2005, an increase of 2.5%.

“Given the current interest rate environment, we are pleased with the Company’s performance for the first quarter,” said J. Thomas May, Chairman and Chief Executive Officer. “While earnings increased modestly over the same period last year, we did report record first quarter earnings, solid loan growth, and a reduced provision for loan losses resulting from the improvements in asset quality. Also, non-interest expense increased only moderately through disciplined expense control, even with the full impact of adding six new financial centers since the first quarter of 2005.”

On a quarter over quarter basis, the Company’s net interest margin decreased 12 basis points to 4.05%. This decrease in the net interest margin can be attributed to the increase in the cost of funds resulting from deposit repricing, coupled with the effect of the flat yield curve. “We expect to see continuing competitive pressure in deposit repricing in the short term, and we anticipate slight margin compression for the balance of 2006,” stated Mr. May.

The Company’s loan portfolio totaled \$1.7 billion at March 31, 2006, an increase of \$105 million, or 6.6% over the same period last year. The growth was primarily attributable to increased demand in the commercial and real estate loan portfolios. Deposits were \$2.1 billion at March 31, 2006, an \$85 million, or 4.3% increase from March 31, 2005.

Total assets for the Company were \$2.5 billion at March 31, 2006, an increase of \$96 million over the quarter ended March 31, 2005. Stockholders’ equity at March 31, 2006 was \$245 million, a \$12.9 million increase from March 31, 2005.

Asset quality for the first quarter continued to strengthen as non-performing assets decreased by \$2.8 million from the same period last year, a 21% decrease. Non-performing loans to total loans improved to 0.52% from 0.75% from the same period last year, while the allowance for loan losses improved to 301% of non-performing loans as of March 31, 2006, compared to 223% as of March 31, 2005. At quarter end, the allowance for loan losses equaled 1.56% of total loans. The Company’s annualized net charge-offs to total loans for the first quarter of 2006 was 0.15%. Excluding credit cards, the annualized net charge-offs to total loans for the first quarter was 0.07%.

Simmons First National Corporation is an Arkansas based financial holding company with eight community banks in Pine Bluff, Lake Village, Jonesboro, Rogers, Searcy, Russellville, El Dorado and Hot Springs, Arkansas. The Company's eight banks conduct financial operations from 82 offices, of which 80 are financial centers, in 46 communities.

CONFERENCE CALL

Management will conduct a conference call to review this information at 3:00 p.m. Central Time on Thursday, April 20, 2006. Interested parties can listen to this call by calling 1-800-854-4175 (United States and Canada only) and asking for the Simmons First National Corporation conference call. A recorded playback of the call will be available the next morning by calling 1-800-642-1687. The passcode for this playback is 6932160 and the recording will be available through the end of business April 30, 2006. In addition, the call will be available live or in recorded version on the Company's website at www.simmonsfirst.com under the "webcast" icon.

GENERAL

Statements in this press release that are not historical facts should be considered forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements of this type speak only as of the date of this news release. By nature, forward-looking statements involve inherent risk and uncertainties. Various factors, including, but not limited to, economic conditions, credit quality, interest rates, loan demand and changes in the assumptions used in making the forward-looking statements, could cause actual results to differ materially from those contemplated by the forward-looking statements. Additional information on factors that might affect Simmons First National Corporation's financial results is included in its Form 10-K filing with the Securities and Exchange Commission.
