**SIMMONS ADOPTS NEW STOCK REPURCHASE PROGRAM**

Pine Bluff, AR - - J. Thomas May, chairman and chief executive officer of Simmons First National Corporation (NASDAQ-GS: SFNC), has announced the substantial completion of the existing stock repurchase program and the adoption by the Board of Directors of a new stock repurchase program. The new program authorizes the repurchase of up to 700, 000 shares of Class A common stock, or approximately 5% of the outstanding common stock. The shares are to be purchased from time to time at prevailing market prices, through open market or unsolicited negotiated transactions, depending upon market conditions.

The Corporation may discontinue purchases at any time that management determines additional purchases are not warranted. SFNC intends to use the repurchased shares to satisfy stock option exercises, payment of future stock dividends and general corporate purposes.

"We believe our stock, at its current price, is an excellent investment", May said. "The repurchase program will allow us to acquire shares needed for corporate purposes as well as make an investment in our organization which demonstrates our commitment and confidence in its future."

Under the repurchase program, there is no time limit for the stock repurchases, nor is there a minimum number of shares that the Corporation intends to repurchase.
