PROXY STATEMENT

For Annual Meeting of Shareholders
to be Held on December 13, 2002

Approximate Mailing Date of Proxy Statement and Form of Proxy: October 28, 2002.

INFORMATION CONCERNING VOTE

General

Edgar Filing: CLICKNSETTLE COM INC - Form DEF 14A

This Proxy Statement and the enclosed form of proxy is furnished in connection with the solicitation of proxies by the Board of Directors of clickNsettle.com, Inc., a Delaware corporation (the "Company"), for use at the annual meeting of shareholders to be held on Friday, December 13, 2002 at 11:30 a.m., and at any and all adjournments thereof (the "Annual Meeting"), with respect to the matters referred to in the accompanying notice. The Annual Meeting will be held at our principal offices, located at 1010 Northern Boulevard, Suite 336, Great Neck, New York 11021.

Voting Rights and Outstanding Shares

Only shareholders of record at the close of business on October 25, 2002 are entitled to notice of and to vote at the Annual Meeting. As of the close of business on October 8, 2002, 1,450,259 shares of our common stock, par value \$.001 per share, were issued, of which 1,408,176 shares were outstanding. Each share of common stock entitles the record holder thereof to one (1) vote on all matters properly brought before the Annual Meeting.

Revocability of Proxies

A shareholder who executes and mails a proxy in the enclosed return envelope may revoke such proxy at any time prior to its use by notice in writing to the Secretary of our company, at the above address, or by revocation in person at the Annual Meeting. Unless so revoked, the shares represented by duly executed proxies received by us prior to the Annual Meeting will be presented at the Annual Meeting and voted in accordance with the shareholder's instructions marked thereon. If no instructions are marked thereon, proxies will be voted FOR the election as directors of the nominees named below under the caption "ELECTION OF DIRECTORS," FOR the ratification of the independent accountants and FOR the amendment to the Company's Amended and Restated 1996 Incentive and Nonqualified Stock Option Plan. In their discretion, the proxies are authorized to consider and vote upon such matters incident to the conduct of the meeting and upon such other business matters or proposals as may properly come before the meeting, that our Board of Directors does not know of in a reasonable time prior to this solicitation.

Voting Procedures

All votes shall be tabulated by the inspector of elections appointed for the Annual Meeting, who shall separately tabulate affirmative and negative votes, abstentions, and broker non-votes. The presence of a quorum for the Annual Meeting, defined here as a majority of the votes entitled to be cast at the Annual Meeting, is required. Votes withheld from director nominees and abstentions will be counted in determining whether a quorum has been reached. Broker-dealer non-votes are not counted for quorum purposes.

4

Assuming a quorum has been reached, a determination must be made as to the results of the vote on each matter submitted for shareholder approval. Director nominees must receive a plurality of the votes cast at the meeting, which means that a vote withheld from a particular nominee or nominees will not affect the outcome of the meeting. In order to approve proposals 2 and 3, a majority of the votes cast must be voted affirmatively for such proposal.

PROPOSAL 1: ELECTION OF THE BOARD OF DIRECTORS

The Board of Directors has nominated seven (7) persons to be elected as Directors at the Annual Meeting and to hold office until the next annual meeting or until their successors have been duly elected and qualified. It is

Edgar Filing: CLICKNSETTLE COM INC - Form DEF 14A

intended that each proxy received by us will be voted FOR the election, as directors of the Company, of the nominees listed below, unless authority is withheld by the shareholder executing such proxy. Shares may not be voted cumulatively. Each of such nominees has consented to being nominated and to serve as a director of the Company if elected. If any nominee should become unavailable for election or unable to serve, it is intended that the proxies will be voted for a substitute nominee designated by the Board of Directors. At the present time, the Board of Directors knows of no reason why any nominee might be unavailable for election or unable to serve. The proxies cannot be voted for a greater number of persons than the number of nominees named herein.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF ALL THE
DIRECTOR NOMINEES.

Roy Israel. Mr. Israel's prior employment agreement expired on June 30, 2002. In March 2002, we entered into a new employment agreement with Mr. Israel effective as of July 1, 2002. Pursuant to this new agreement, he currently receives an annual base salary of \$301,100, an annual base salary increase equal to the greater of 6% or an amount which reflects the increase in the Urban Consumer Price Index, and an annual bonus based on the achievement of

8

specified criteria with respect to revenues, cash flow and/or pretax income (loss). In addition, the agreement provides, among other things, that we shall pay up to an aggregate of \$15,000 per policy year for a key man life insurance policy in favor of us for \$1,000,000 and life insurance in favor of the estate of Mr. Israel, a disability policy for coverage of 60% of his base salary, and an allowance for leasing an automobile (up to a monthly lease payment of \$1,000.) If this agreement is terminated other than for cause or as a result of a change in duties, Mr. Israel will be entitled to the greater of (i) his then current base salary and severance bonus for the remainder of the employment term or (ii) three times his then current base salary and severance bonus, to be paid over a one-year period. The severance bonus is 115% of the bonus paid for the full fiscal year immediately prior to termination. In addition, all unvested options shall immediately vest. If this agreement is terminated due to a change in control, Mr. Israel will be entitled to the same severance package as previously described but to be paid in one lump sum. Mr. Israel's employment agreement with us expires June 30, 2007 and automatically renews for one-year terms unless terminated at least 90 days prior to the end of an employment term by either party. If we give notice of non-renewal of the agreement or we do not enter into a new employment agreement with Mr. Israel, he is entitled to receive one year of his base salary plus the severance bonus amount which shall be paid to Mr. Israel during the one-year period following the end of the employment term. The agreement also contains a one-year non-competition clause if the agreement is terminated or upon expiration. In the event of a breach of the agreement by us, the non-competition clause is null and void.

Patricia Giuliani-Rheaume. Ms. Giuliani-Rheaume's employment agreement with us currently expires December 31, 2002. REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent we specifically incorporate this Report by reference therein.

In May 2000, a written charter of the Audit Committee of the Board of Directors was approved by the full Board. In September 2002, the Board approved certain amendments to the charter. The complete text of the revised charter, which reflects standards set forth in SEC regulations and Nasdaq rules, is reproduced in Appendix A to this proxy statement.

As set forth in more detail in the charter, the Audit Committee's primary responsibilities fall into three broad categories:

- a. the Committee is charged with monitoring the preparation of quarterly and annual financial reports by our management, including discussions with our management and the outside auditors about draft annual financial statements and key accounting and reporting matters;
- b. the Committee is responsible for matters concerning the relationship between us and the outside auditors, including their appointment or removal; reviewing the scope of their audit services and related fees, as well as any other services being provided to us; and determining whether the outside auditors are independent (based in part on the annual letter provided to us pursuant to Independence Standards Board Standard No. 1); and
- c. the Committee oversees management's implementation of effective systems of internal controls, including review of policies relating to legal and regulatory compliance, ethics and conflicts of interests.

The Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the Committee's charter. To carry out its responsibilities, the Committee met one time during fiscal year 2002. During fiscal year 2003, the Committee will meet quarterly with the outside auditors to review the quarterly results. In addition, the Committee will meet with the outside auditors to review and approve the planning of the annual audit and will also meet at the conclusion of the annual audit to review the results thereof. Each member of the audit committee is independent pursuant to Rule 4200 (a) (14) of the Nasdaq Listing Standards.

In overseeing the preparation of our financial statements, the Committee

Edgar Filing: CLICKNSETTLE COM INC - Form DEF 14A

met with both management and the outside auditors to review and discuss all financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Committee that all financial statements were prepared in accordance with generally accepted accounting principles, and the Committee discussed the statements with both management and the outside auditors. The Committee's review included discussion with the outside auditors of matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication With Audit Committees).

With respect to the outside auditors, the Committee, among other things, discussed with Grant Thornton LLP matters relating to its independence, including the disclosures made to the Committee as required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

On the basis of these reviews and discussions, the Committee recommended to the Board of Directors that the Board approve the inclusion of our audited financial statements in our Annual Report on Form 10-KSB for the fiscal year ended June 30, 2002 for filing with the Securities and Exchange Commission.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

It is the duty of the Compensation Committee to develop, administer and review our compensation plans, programs, and policies; to monitor the performance and compensation of executive officers; and to make appropriate recommendations and reports to the Board of Directors relating to executive compensation.

Our compensation program is intended to motivate, retain and attract management, thus linking incentives to financial performance and creating enhanced shareholder value. The program's fundamental philosophy is to tie the amount of compensation "at risk" for an executive to his or her contribution to our success in achieving superior performance objectives.

It is currently anticipated that the compensation program will consist of two components: (1) a base salary as set forth in each executive's employment agreement, and (2) the potential for an annual cash and/or stock option bonus equal to a percentage of the executive's base salary, depending upon the satisfaction of certain general performance criteria established by the Compensation Committee for each position and evaluated at the end of each fiscal year. The criteria may relate to overall Company performance, the individual executive's performance, or a combination of the two, depending upon the particular position at issue. The second component constitutes the "at risk" portion of the compensation program.

The Compensation Committee

Honorable Robert M. Silverson, Jr.

PROPOSAL 2: APPOINTMENT OF INDEPENDENT ACCOUNTANTS

It is proposed that the shareholders ratify the appointment of Grant Thornton LLP ("Grant Thornton") as our independent accountants for fiscal year 2003. Grant Thornton has served as our independent accountants since March 4, 1997.

Representatives of Grant Thornton, who audited our fiscal year 2002 financial statements, are expected to be present at the Annual Meeting with the opportunity to make a statement, if they so desire, and they are expected to be available to respond to appropriate questions. Approval by the shareholders of the appointment of independent accountants is not required, but the Board deems it desirable to submit the matter to the shareholders for ratification. If the majority of shareholders voting at the meeting should not approve the selection of Grant Thornton, the selection of independent accountants will be reconsidered by the Board of Directors.

The following table sets forth the fees billed by our independent auditors, Grant Thornton, for the fiscal year ended June 30, 2002:

Audit fees and quarterly reviews		\$53,600
Financial information systems design and implementation fees		--
All other fees:		
Tax return preparation	\$18,500	
Audit related services	5,185	
Non-audit related services	3,500	27,185
	-----	-----
	Total Fees	\$80,785

The Audit Committee considered and determined that the services performed for "financial information systems design and implementation fees" and "all other fees" are compatible with maintaining the independence of the independent auditors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF
RATIFICATION OF THE INDEPENDENT ACCOUNTANTS.

PROPOSAL 3: TO AMEND THE COMPANY'S AMENDED AND RESTATED 1996 INCENTIVE AND NONQUALIFIED STOCK OPTION PLAN TO INCREASE THE NUMBER OF OPTIONS GRANTED ANNUALLY TO NON-EMPLOYEE DIRECTORS OF THE COMPANY

The Board of Directors, on September 24, 2002, approved, subject to shareholder approval, an amendment to our Amended and Restated 1996 Incentive and Nonqualified Stock Option Plan (the "1996 Stock Option Plan") to increase the number of options granted annually to each non-employee director from options to purchase 833 shares to options to purchase 2,500 shares. The proposed amendment is attached hereto as Appendix B.
