ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On December 13, 2006 (the "Transaction Date"), Kronos Advanced Technologies, Inc., a Nevada corporation (the "Company") issued to Cornell Capital Partners, LP ("Cornell") a convertible debenture (the "Debenture") in the principal amount of One Million Six Hundred Forty-Five Thousand Four Hundred Seventy-Six Dollars (\$1,645,476) in satisfaction of the outstanding principal balance and accrued interest under that certain Promissory Note, issued by the Company to Cornell on June 22, 2005, in the principal amount of One Million Five Hundred Fifteen Thousand Dollars (\$1,515,000) (the "Note").

The Debenture is due on or before June 13, 2007 (the "Maturity Date"), and interest shall accrue on the outstanding principal balance thereof at an annual rate equal to twelve percent (12%). Interest shall be paid by the Company in cash or in shares of common stock of the Company, par value \$0.001 per share ("Common Stock") and such shares of Common Stock shall be valued at the Closing Bid Price (as such term is defined in the Debenture) on the trading day immediately prior to the date paid at the option of the Company. The Company shall at all time reserve and keep available out of its authorized and unissued shares of Common Stock (taking into account the adjustments and restrictions set forth therein), solely for the purpose of issuance upon conversion of the Debenture and payment of interest on the Debenture, not less than such number of shares of Common Stock as shall be issuable upon the conversion of the outstanding principal amount of the Debenture and payment of interest thereunder.

The Company at its option shall have the right to redeem a portion or all

## Edgar Filing: KRONOS ADVANCED TECHNOLOGIES INC - Form 424B3

amounts outstanding under the Debenture prior to the Maturity Date by providing five (5) business days prior written notice to the holder of its intention to make a redemption (the "Redemption Notice Period") setting forth the amount of principal it desires to redeem. After receipt of the redemption notice, the holder has through the end of the Redemption Notice Period to elect to convert a portion of the Debenture, up to and not exceeding an amount of shares of restricted Common Stock that after giving affect to such conversion, the holder, together with any affiliates, would beneficially own 4.99% of the number of shares of Common Stock outstanding immediately after giving effect to such conversion. On the sixth (6th) business day after the redemption notice, the Company must deliver to holder the redemption amount with respect to the principal amount redeemed after giving effect to any conversions during the Redemption Notice Period. It is an event of default under the Debenture if the Company does not timely make the redemption payment and the conversion limitation described above will no longer apply.

The Debenture is convertible into unregistered shares of Common Stock at the option of the holder, in whole or in part at any time and from time to time subject to certain limitations set forth therein. The number of shares of Common Stock issuable upon conversion equals the quotient obtained by dividing (x) the outstanding amount of the Debenture to be converted by (y) \$0.0075 per share, which such price may be adjusted pursuant to the terms of the Debenture.

The Company shall not effect any conversions under the Debenture and the holder shall not have the right to convert any portion of the Debenture or receive shares of restricted Common Stock as payment of interest or principal thereunder to the extent that, after giving effect to such conversion or receipt of such interest or principal payment, the holder, together with any affiliate thereof, would beneficially own in excess of 4.99% of the number of shares of Common Stock outstanding immediately after giving effect to such conversion or receipt of shares as payment of interest.

A copy of the Debenture is attached hereto as Exhibit 10.1.

This Convertible Debenture (the "Debenture") is issued by KRONOS ADVANCED TECHNOLOGIES, INC., a Nevada corporation (the "Company"), to CORNELL CAPITAL PARTNERS, LP (the "Holder"), pursuant to that certain Letter Agreement (the "Letter Agreement") dated December 13, 2008.

FOR VALUE RECEIVED, the Company hereby promises to pay to the Holder or its successors and assigns the principal sum of One Million Six Hundred Forty Five Thousand Four Hundred Seventy Six Dollars \$1,645,476 together with accrued but unpaid interest on or before June 11, 2007 (the "Maturity Date") in accordance with the following terms:

### Section 1. General Terms

Interest. Interest shall accrue on the outstanding principal balance hereof at an annual rate equal to twelve percent (12%). Interest shall be calculated on the basis of a 365-day year and the actual number of days elapsed, to the extent permitted by applicable law. Interest hereunder shall be paid on the Maturity Date (or sooner as provided herein) to the Holder or its assignee in whose name this Debenture is registered on the records of the Company regarding registration and transfers of Debentures in cash or in Common Stock (valued at the Closing Bid Price on the Trading Day immediately prior to the date paid) at the option of the Company.

### Section 2. Events of Default.

(a) An "Event of Default", wherever used herein, means any one of the following events (whatever the reason and whether it shall be voluntary or involuntary or effected by operation of law or pursuant to any judgment, decree or order of any court, or any order, rule or regulation of any administrative or governmental body):

(i) Any default in the payment of the principal of, interest on or other charges in respect of this Debenture, free of any claim of subordination, as and when the same shall become due and payable whether upon an Optional Redemption (as defined in Section 3(a)), the Maturity Date, by acceleration, or otherwise;

(ii) The Company or any subsidiary of the Company shall commence, or there shall be commenced against the Company or any subsidiary of the Company under any applicable bankruptcy or insolvency laws as now or hereafter in effect or any successor thereto, or the Company or any subsidiary of the Company commences any other proceeding under any reorganization, arrangement, adjustment of debt, relief of debtors, dissolution, insolvency or liquidation or similar law of any jurisdiction whether now or hereafter in effect relating to the Company or any subsidiary of the Company or there is commenced against the Company or any subsidiary of the Company any such bankruptcy, insolvency or other proceeding which remains undismissed for a period of 61 days; or the Company or any subsidiary of the Company is adjudicated insolvent or bankrupt; or any order of relief or other order approving any such case or proceeding is entered; or the Company or any subsidiary of the Company suffers any appointment of any custodian, private or court appointed receiver or the like for it or any substantial part of its property which continues undischarged or unstayed for a period of sixty one (61) days; or the Company or any subsidiary of the Company makes a general assignment for the benefit of creditors; or the Company, shall state that it is unable to pay, its debts generally as they become due; or the Company or any subsidiary of the Company shall call a meeting of its creditors with a view to arranging a composition, adjustment or restructuring of its debts; or the Company or any subsidiary of the Company shall by any act or failure to act expressly indicate its consent to, approval of or acquiescence in any of the foregoing; or any corporate or other action is taken by the Company or any subsidiary of the Company for the purpose of effecting any of the foregoing;

## Edgar Filing: KRONOS ADVANCED TECHNOLOGIES INC - Form 424B3

(iii) The Common Stock shall cease to be quoted for trading or listing for trading on any of (a) the American Stock Exchange, (b) New York Stock Exchange, (c) the Nasdaq National Market, (d) the Nasdaq Capital Market, or (e) the OTC Bulletin Board ("OTC") (each, a "Primary Market") and shall not again be quoted or listed for trading on any Primary Market within five (5) Trading Days of such delisting;

(iv) The Company or any subsidiary of the Company shall be a party to any Change of Control Transaction (as defined in Section 6);

(v) The Company shall fail for any reason to deliver Common Stock certificates to a Holder prior to the fifth (5th) Trading Day after a Conversion Date, or the Company shall provide notice to the Holder, including by way of public announcement, at any time, of its intention not to comply with requests for conversions in accordance with the terms hereof;

(vi) The Company shall fail for any reason to deliver the payment in cash pursuant to a Buy-In (as defined herein) within three (3) days after notice is claimed delivered hereunder;

(vii) The Company shall fail to observe or perform any other covenant, agreement or warranty contained in, or otherwise commit any breach or default of any provision of this Debenture (except as may be covered by Section 2(a)(i) through 2(a)(ix) hereof) or any Transaction Document (as defined in Section 6) which is not cured within the time prescribed;

(b) During the time that any portion of this Debenture is outstanding, if any Event of Default has occurred, the full principal amount of this Debenture, together with interest and other amounts owing in respect thereof, to the date of acceleration shall become at the Holder's election, immediately due and payable in cash, provided however, the Holder may request (but shall have no obligation to request) payment of such amounts in Common Stock of the Company. Furthermore, in addition to any other remedies, the Holder shall have the right (but not the obligation) to convert this Debenture at any time after (x) an Event of Default or (y) the Maturity Date at the Conversion Price then in-effect. The Holder need not provide and the Company hereby waives any presentment, demand, protest or other notice of any kind, and the Holder may immediately and without expiration of any grace period enforce any and all of its rights and remedies hereunder and all other remedies available to it under applicable law. Such declaration may be rescinded and annulled by Holder at any time prior to payment hereunder. No such rescission or annulment shall affect any subsequent Event of Default or impair any right consequent thereon. Except with respect to the limitation set forth in Section 4(b)(i) hereof upon an Event of Default, notwithstanding any other provision of this Debenture or any Transaction Document, the Holder shall have no obligation to comply with or adhere to any limitations, if any, on the conversion of this Debenture or the sale of the Underlying Shares.

### Section 3. Redemptions.

(a) Company's Optional Cash Redemption. The Company at its option shall have the right to redeem ("Optional Redemption") a portion or all amounts outstanding under this Debenture prior to the Maturity Date by providing five (5) business days (the "Redemption Notice Period") prior written notice to the Holder of its intention to make a redemption (the "Redemption Notice") setting forth the amount of principal it desires to redeem. After receipt of the Redemption Notice the Holder shall have through the end of the Redemption Notice Period to elect to convert a portion of this Debenture, up to and not exceeding an amount of shares of Common Stock that after giving effect to such conversion, the Holder, together with any affiliate thereof, would beneficially own (as in

## Edgar Filing: KRONOS ADVANCED TECHNOLOGIES INC - Form 424B3

accordance with Section 13(d) of the Exchange Act and the rules promulgated thereunder) 4.99% of the number of shares of Common Stock outstanding immediately after giving effect to such conversion. On the sixth (6th) business day after the Redemption Notice ("Redemption Payment Due Date"), the Company shall deliver to the Holder the redemption amount with respect to the principal amount redeemed after giving effect to conversions effected during the five (5) business day period. It shall be considered an event of default hereunder if the Company does not timely make such redemption payment on the Redemption Payment Due Date and the conversion limitation set forth herein shall no longer apply.

### Section 4. Conversion.

#### (a) Conversion at Option of Holder.

(i) This Debenture shall be convertible into shares of Common Stock at the option of the Holder, in whole or in part at any time and from time to time, after the Original Issue Date (as defined in Section 6) (subject to the limitations on conversion set forth in Section 4(b) hereof). The number of shares of Common Stock issuable upon a conversion hereunder equals the quotient obtained by dividing (x) the outstanding amount of this Debenture to be converted by (y) the Conversion Price (as defined in Section 4(c)(i)). The Company shall deliver Common Stock certificates to the Holder prior to the Fifth (5th) Trading Day after a Conversion Date.

(ii) Notwithstanding anything to the contrary contained herein, if on any Conversion Date: (1) the number of shares of Common Stock at the time authorized, unissued and unreserved for all purposes, or held as treasury stock, is insufficient to pay principal and interest hereunder in shares of Common Stock; (2) the Common Stock is not listed or quoted for trading on the a Primary Market; or (3) the Company has failed to timely satisfy a conversion; then, at the option of the Holder, the Company, in lieu of delivering shares of Common Stock pursuant to Section 4(a)(i), shall deliver, within three (3) Trading Days of each applicable Conversion Date, an amount in cash equal to the product of the outstanding principal amount to be converted divided by the applicable Conversion Price, and multiplied by the highest Closing Bid Price of the stock from date of the conversion notice till the date that such cash payment is made.

Further, if the Company shall not have delivered any cash due in respect of conversion of this Debenture by the fifth (5th) Trading Day after the Conversion Date, the Holder may, by notice to the Company, require the Company to issue shares of Common Stock pursuant to Section 4(c), except that for such purpose the Conversion Price applicable thereto shall be the lesser of the Conversion Price on the Conversion Date and the Conversion Price on the date of such Holder demand. Any such shares will be subject to the provisions of this Section.

(iii) The Holder shall effect conversions by delivering to the Company a completed notice in the form attached hereto as Exhibit A (a "Conversion Notice"). The date on which a Conversion Notice is delivered is the "Conversion Date." Unless the Holder is converting the entire principal amount outstanding under this Debenture, the Holder is not required to physically surrender this Debenture to the Company in order to effect conversions. Conversions hereunder shall have the effect of lowering the outstanding principal amount of this Debenture plus all accrued and unpaid interest or such principal amount in an amount equal to the applicable conversion. The Holder and the Company shall maintain records showing the principal amount converted and the date of such conversions.

#### (b) Certain Conversion Restrictions.

(i) The Company shall not effect any conversions of this Debenture and the

## Edgar Filing: KRONOS ADVANCED TECHNOLOGIES INC - Form 424B3

Holder shall not have the right to convert any portion of this Debenture or receive shares of Common Stock as payment of interest or principal hereunder to the extent that after giving effect to such conversion or receipt of such interest or principal payment, the Holder, together with any affiliate thereof, would beneficially own (as determined in accordance with Section 13(d) of the Exchange Act and the rules promulgated thereunder) in excess of 4.99% of the number of shares of Common Stock outstanding immediately after giving effect to such conversion or receipt of shares as payment of interest. Since the Holder will not be obligated to report to the Company the number of shares of Common Stock it may hold at the time of a conversion hereunder, unless the conversion at issue would result in the issuance of shares of Common Stock in excess of 4.99% of the then outstanding shares of Common Stock without regard to any other shares which may be beneficially owned by the Holder or an affiliate thereof, the Holder shall have the authority and obligation to determine whether the restriction contained in this Section will limit any particular conversion hereunder and to the extent that the Holder determines that the limitation contained in this Section applies, the determination of which portion of the principal amount of this Debenture is convertible shall be the responsibility and obligation of the Holder. If the Holder has delivered a Conversion Notice for a interest or principal amount of this Debenture that, without regard to any other shares that the Holder or its affiliates may beneficially own, would result in the issuance in excess of the permitted amount hereunder, the Company shall notify the Holder of this fact and shall honor the conversion for the maximum interest or principal amount permitted to be converted on such Conversion Date in accordance with the periods described in Section 4(a)(i) and, any principal amount tendered for conversion in excess of the permitted amount hereunder shall remain outstanding under this Debenture. The provisions of this Section may be waived by a Holder (but only as to itself and not to any other Holder) upon not less than 65 days prior notice to the Company. Other Holders shall be unaffected by any such waiver.

### (c) Conversion Price and Adjustments to Conversion Price.

(i) The conversion price in effect on any Conversion Date shall be equal to \$0.0075 per share (the "Conversion Price"). The Conversion Price may be adjusted pursuant to the terms of this Debenture.

(ii) If the Company, at any time while this Debenture is outstanding, shall (a) pay a stock dividend or otherwise make a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in shares of Common Stock, (b) subdivide outstanding shares of Common Stock into a larger number of shares, (c) combine (including by way of reverse stock split) outstanding shares of Common Stock into a smaller number of shares, or (d) issue by reclassification of shares of the Common Stock any shares of capital stock of the Company, then the Conversion Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding treasury shares, if any) outstanding before such event and of which the denominator shall be the number of shares of Common Stock outstanding after such event. Any adjustment made pursuant to this Section shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

(iii) If the Company, at any time while this Debenture is outstanding, shall issue rights, options or warrants to all holders of Common Stock (and not to the Holder) entitling them to subscribe for or purchase shares of Common Stock at a price per share less than the Conversion Price except to officers, employees and directors of the Company, then the Conversion Price shall be multiplied by a fraction, of which the denominator shall be the number of shares of the Common Stock (excluding treasury shares, if any) outstanding on the date of issuance of such rights or warrants (plus the number of additional shares of

## Edgar Filing: KRONOS ADVANCED TECHNOLOGIES INC - Form 424B3

Common Stock offered for subscription or purchase), and of which the numerator shall be the number of shares of the Common Stock (excluding treasury shares, if any) outstanding on the date of issuance of such rights or warrants, plus the number of shares which the aggregate offering price of the total number of shares so offered would purchase at the Conversion Price. Such adjustment shall be made whenever such rights or warrants are issued, and shall become effective immediately after the record date for the determination of stockholders entitled to receive such rights, options or warrants. However, upon the expiration of any such right, option or warrant to purchase shares of the Common Stock the issuance of which resulted in an adjustment in the Conversion Price pursuant to this Section, if any such right, option or warrant shall expire and shall not have been exercised, the Conversion Price shall immediately upon such expiration be recomputed and effective immediately upon such expiration be increased to the price which it would have been (but reflecting any other adjustments in the Conversion Price made pursuant to the provisions of this Section after the issuance of such rights or warrants) had the adjustment of the Conversion Price made upon the issuance of such rights, options or warrants been made on the basis of offering for subscription or purchase only that number of shares of the Common Stock actually purchased upon the exercise of such rights, options or warrants actually exercised.

(iv) If the Company or any subsidiary thereof, as applicable, at any time while this Debenture is outstanding, shall issue shares of Common Stock or rights, warrants, options or other securities or debt that are convertible into or exchangeable for shares of Common Stock ("Common Stock Equivalents") entitling any Person to acquire shares of Common Stock, at a price per share less than the Conversion Price (if the holder of the Common Stock or Common Stock Equivalent so issued shall at any time, whether by operation of purchase price adjustments, reset provisions, floating conversion, exercise or exchange prices or otherwise, or due to warrants, options or rights per share which is issued in connection with such issuance, be entitled to receive shares of Common Stock at a price per share which is less than the Conversion Price, such issuance shall be deemed to have occurred for less than the Conversion Price), then, at the sole option of the Holder, the Conversion Price shall be adjusted to mirror the conversion, exchange or purchase price for such Common Stock or Common Stock Equivalents (including any reset provisions thereof) at issue. Such adjustment shall be made whenever such Common Stock or Common Stock Equivalents are issued. The Company shall notify the Holder in writing, no later than one (1) business day following the issuance of any Common Stock or Common Stock Equivalent subject to this Section, indicating therein the applicable issuance price, or of applicable reset price, exchange price, conversion price and other pricing terms. No adjustment under this Section shall be made as a result of issuances of Excluded Securities.

(v) If the Company, at any time while this Debenture is outstanding, shall distribute to all holders of Common Stock (and not to the Holder) evidences of its indebtedness or assets or rights or warrants to subscribe for or purchase any security, then in each such case the Conversion Price at which this Debenture shall thereafter be convertible shall be determined by multiplying the Conversion Price in effect immediately prior to the record date fixed for determination of stockholders entitled to receive such distribution by a fraction of which the denominator shall be the Closing Bid Price determined as of the record date mentioned above, and of which the numerator shall be such Closing Bid Price on such record date less the then fair market value at such record date of the portion of such assets or evidence of indebtedness so distributed applicable to one outstanding share of the Common Stock as determined by the Board of Directors in good faith. In either case the adjustments shall be described in a statement provided to the Holder of the portion of assets or evidences of indebtedness so distributed or such subscription rights applicable to one share of Common Stock. Such adjustment

## Edgar Filing: KRONOS ADVANCED TECHNOLOGIES INC - Form 424B3

shall be made whenever any such distribution is made and shall become effective immediately after the record date mentioned above.

(vi) In case of any reclassification of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is converted into other securities, cash or property, the Holder shall have the right thereafter to, at its option, (A) convert the then outstanding principal amount, together with all accrued but unpaid interest and any other amounts then owing hereunder in respect of this Debenture into the shares of stock and other securities, cash and property receivable upon or deemed to be held by holders of the Common Stock following such reclassification or share exchange, and the Holder of this Debenture shall be entitled upon such event to receive such amount of securities, cash or property as the shares of the Common Stock of the Company into which the then outstanding principal amount, together with all accrued but unpaid interest and any other amounts then owing hereunder in respect of this Debenture could have been converted immediately prior to such reclassification or share exchange would have been entitled, or (B) require the Company to prepay the outstanding principal amount of this Debenture, plus all interest and other amounts due and payable thereon. The entire prepayment price shall be paid in cash. This provision shall similarly apply to successive reclassifications or share exchanges.

(vii) Whenever the Conversion Price is adjusted pursuant to Section 4 hereof, the Company shall promptly mail to the Holder a notice setting forth the Conversion Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment.

(viii) If (A) the Company shall declare a dividend (or any other distribution) on the Common Stock; (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Common Stock; (C) the Company shall authorize the granting to all holders of the Common Stock rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights; (D) the approval of any stockholders of the Company shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Company is a party, any sale or transfer of all or substantially all of the assets of the Company, of any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property; or (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company; then, in each case, the Company shall cause to be filed at each office or agency maintained for the purpose of conversion of this Debenture, and shall cause to be mailed to the Holder at its last address as it shall appear upon the stock books of the Company, at least twenty (20) calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Stock of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange, provided, that the failure to mail such notice or any defect therein or in the mailing thereof shall not affect the validity of the corporate action required to be specified in such notice. The Holder is entitled to convert this Debenture during the 20-day calendar period commencing the date of such notice to the effective date of the event triggering such notice.

## Edgar Filing: KRONOS ADVANCED TECHNOLOGIES INC - Form 424B3

(ix) In case of any (1) merger or consolidation of the Company or any subsidiary of the Company with or into another Person, or (2) sale by the Company or any subsidiary of the Company of more than one-half of the assets of the Company in one or a series of related transactions, a Holder shall have the right to (A) exercise any rights under Section 2(b), (B) convert the aggregate amount of this Debenture then outstanding into the shares of stock and other securities, cash and property receivable upon or deemed to be held by holders of Common Stock following such merger, consolidation or sale, and such Holder shall be entitled upon such event or series of related events to receive such amount of securities, cash and property as the shares of Common Stock into which such aggregate principal amount of this Debenture could have been converted immediately prior to such merger, consolidation or sales would have been entitled, or (C) in the case of a merger or consolidation, require the surviving entity to issue to the Holder a convertible Debenture with a principal amount equal to the aggregate principal amount of this Debenture then held by such Holder, plus all accrued and unpaid interest and other amounts owing thereon, which such newly issued convertible Debenture shall have terms identical (including with respect to conversion) to the terms of this Debenture, and shall be entitled to all of the rights and privileges of the Holder of this Debenture set forth herein and the agreements pursuant to which this Debentures were issued. In the case of clause (C), the conversion price applicable for the newly issued shares of convertible preferred stock or convertible Debentures shall be based upon the amount of securities, cash and property that each share of Common Stock would receive in such transaction and the Conversion Price in effect immediately prior to the effectiveness or closing date for such transaction. The terms of any such merger, sale or consolidation shall include such terms so as to continue to give the Holder the right to receive the securities, cash and property set forth in this Section upon any conversion or redemption following such event. This provision shall similarly apply to successive such events.

### (d) Other Provisions.

(i) The Company shall at all times reserve and keep available out of its authorized Common Stock the full number of shares of Common Stock issuable upon conversion of all outstanding amounts under this Debenture; and within three (3) Business Days following the receipt by the Company of a Holder's notice that such minimum number of Underlying Shares is not so reserved, the Company shall promptly reserve a sufficient number of shares of Common Stock to comply with such requirement.

(ii) All calculations under this Section 4 shall be rounded up to the nearest \$0.0001 or whole share.

(iiii) The Company covenants that it will at all times reserve and keep available out of its authorized and unissued shares of Common Stock solely for the purpose of issuance upon conversion of this Debenture and payment of interest on this Debenture, each as herein provided, free from preemptive rights or any other actual contingent purchase rights of persons other than the Holder, not less than such number of shares of the Common Stock as shall (subject to any additional requirements of the Company as to reservation of such shares set forth in this Debenture or in the Transaction Documents) be issuable (taking into account the adjustments and restrictions set forth herein) upon the conversion of the outstanding principal amount of this Debenture and payment of interest hereunder. The Company covenants that all shares of Common Stock that shall be so issuable shall, upon issue, be duly and validly authorized, issued and fully paid and nonassessable.

(iv) Upon a conversion hereunder the Company shall not be required to issue stock certificates representing fractions of shares of the Common Stock, but may if otherwise permitted, make a cash payment in respect of any final fraction of

## Edgar Filing: KRONOS ADVANCED TECHNOLOGIES INC - Form 424B3

a share based on the Closing Bid Price at such time. If the Company elects not, or is unable, to make such a cash payment, the Holder shall be entitled to receive, in lieu of the final fraction of a share, one whole share of Common Stock.

(v) The issuance of certificates for shares of the Common Stock on conversion of this Debenture shall be made without charge to the Holder thereof for any documentary stamp or similar taxes that may be payable in respect of the issue or delivery of such certificate, provided that the Company shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of any such certificate upon conversion in a name other than that of the Holder of such Debenture so converted and the Company shall not be required to issue or deliver such certificates unless or until the person or persons requesting the issuance thereof shall have paid to the Company the amount of such tax or shall have established to the satisfaction of the Company that such tax has been paid.

(vi) Nothing herein shall limit a Holder's right to pursue actual damages or declare an Event of Default pursuant to Section 2 herein for the Company's failure to deliver certificates representing shares of Common Stock upon conversion within the period specified herein and such Holder shall have the right to pursue all remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief, in each case without the need to post a bond or provide other security. The exercise of any such rights shall not prohibit the Holder from seeking to enforce damages pursuant to any other Section hereof or under applicable law.

(vii) In addition to any other rights available to the Holder, if the Company fails to deliver to the Holder such certificate or certificates pursuant to Section 4(a)(i) by the fifth (5th) Trading Day after the Conversion Date, and if after such fifth (5th) Trading Day the Holder purchases (in an open market transaction or otherwise) Common Stock to deliver in satisfaction of a sale by such Holder of the Underlying Shares which the Holder anticipated receiving upon such conversion (a "Buy-In"), then the Company shall (A) pay in cash to the Holder (in addition to any remedies available to or elected by the Holder) the amount by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the Common Stock so purchased exceeds (y) the product of (1) the aggregate number of shares of Common Stock that such Holder anticipated receiving from the conversion at issue multiplied by (2) the market price of the Common Stock at the time of the sale giving rise to such purchase obligation and (B) at the option of the Holder, either reissue a Debenture in the principal amount equal to the principal amount of the attempted conversion or deliver to the Holder the number of shares of Common Stock that would have been issued had the Company timely complied with its delivery requirements under Section 4(a)(i). For example, if the Holder purchases Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted conversion of Debentures with respect to which the market price of the Underlying Shares on the date of conversion was a total of \$10,000 under clause (A) of the immediately preceding sentence, the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In.

(viii) The Company has made available to the Holder the Company's Form 10-QSB for the quarter ended September 30, 2006, including, without limitation, the financial statements of the Company contained therein.

Section 5. Notices. This Debenture is a direct obligation of the Company. This Debenture ranks pari passu with all other Debentures now or hereafter issued under the terms set forth herein.
