Item 5. Other Events and Regulation FD Disclosure

On October 27, 2003, Lakeland Bancorp, Inc.'s wholly owned subsidiary, Lakeland Bank ("Lakeland"), and American Motorists Insurance Company and its affiliated companies (collectively, "AMICO"), finalized a Settlement Agreement pertaining to certain pending litigation. As has been previously disclosed, the litigation concerns various leases that Lakeland purchased from Commercial Money Center, Inc. ("CMC"), which has filed for bankruptcy protection, and the surety bonds issued by AMICO and two other surety companies to guarantee the income stream of those leases.

Pursuant to the Settlement Agreement, Lakeland received \$2.2 million from AMICO in full settlement of all claims which Lakeland has against AMICO under the bonds issued by AMICO to guarantee the income stream on certain of the leases that Lakeland purchased from CMC. In addition, Lakeland will retain all payments previously made by AMICO under AMICO's "reservation of rights," and AMICO has released and waived any rights it may have to seek recoupment of such payments from Lakeland. Lakeland and AMICO have each released the other from any

and all claims either party may have had against the other pertaining to the surety bonds issued by AMICO in connection with those leases purchased by Lakeland from CMC on which the income stream was guaranteed by the AMICO bonds.

One factor Lakeland considered in deciding to enter into the Settlement Agreement is the financial condition of the members of Kemper Insurance Companies, which includes AMICO. A.M. Best's rating of Kemper Insurance Companies, which was A at the time Lakeland purchased the surety bonds on the lease pools in September 2001, was downgraded to B+ in December 2002 and to D in June 2003.

In the third quarter of 2003, Lakeland wrote down the carrying value of the leases purchased by Lakeland from CMC on which the income stream was guaranteed by the AMICO bonds to the anticipated amount of the settlement. Thus, for financial statement purposes, the collection of the settlement amount will not result in any further charge to Lakeland's allowance for loan and lease losses. The settlement will also have the effect of reducing Lakeland's non performing loans by \$1.9 million.

The Settlement Agreement between Lakeland and AMICO does not affect the pending litigation between Lakeland and the other two surety companies. Lakeland continues to believe that it has substantial and meritorious positions and claims and is continuing to pursue all rights and remedies against the remaining two surety companies.
