Documents containing the information called for in this Part I will be sent or given to employees, officers, directors or others as specified by Rule 428(b)(1) under the Securities Act of 1933, as amended.

PART II. INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The following documents previously filed with or furnished to the SEC by the undersigned Registrant are hereby incorporated by reference in this Registration Statement:

- (1) the Registrant's annual report on Form 40-F for the fiscal year ended December 31, 2006;
- (2) the Registrant's current report on Form 6-K furnished to the SEC on March 22, 2007 (film no. 07710813); and
- (3) the description of the common shares of the Registrant, no par value (the "Common Shares"), contained in the Registration Statement on Form 8-A12B filed by the Registrant with the SEC on January 29, 2003, including any amendment or report filed for the purpose of updating such description.

In addition, all Annual Reports on Form 40-F filed by the Registrant pursuant to the Securities Exchange Act of 1934 (the "Exchange Act"), as amended, certain current reports on Form 6-K furnished by the Registrant (which indicate on their cover pages that they are incorporated herein by reference), after the date of this Registration Statement and prior to the filing of a post-effective amendment to this Registration Statement that indicates that all securities have been sold or that deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be a part hereof from the date of filing or furnishing of such documents or reports, to the extent not superseded by documents or reports subsequently filed or furnished.

For purposes of this Registration Statement, any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed or furnished document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities.

The Common Shares are registered under the Exchange Act.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 136 of the Business Corporation Act (Ontario) (the “Act”) provides that a corporation may indemnify a director or officer of the corporation, a former director or officer of the corporation or a person who acts or acted at the corporation’s request as a director or officer of a body corporate of which the corporation is or was a shareholder or creditor, and his or her heirs and legal representatives (collectively, the “Indemnified Party”), against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by the Indemnified Party in respect of any civil, criminal or administrative action or proceeding (collectively, the “Action”) to which he or she is made a party by reason of being or having been a director or officer of such corporation or body corporate, if: (a) he or she acted honestly and in good faith with a view to the best interests of the corporation; and (b) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, he or she had reasonable grounds for believing that his or her conduct was lawful.

Section 136 of the Act also provides that a corporation may, with the approval of the court, indemnify an Indemnified Party in respect of an action by or on behalf of the corporation or body corporate to procure judgment in its favor (a “Derivative Action”), to which such person has been made a party by reason of being or having been a director or an officer of the corporation or body corporate against all costs, charges and expenses reasonably incurred by such person in connection with such Derivative Action if he or she fulfills the conditions set forth in clauses (a) and (b) of the paragraph above. If an Indemnified Party is substantially successful on the merits in his or her defense of an Action or Derivative Action and fulfills the conditions set forth in clauses (a) and (b) of the paragraph above, the Indemnified Party is entitled to indemnification from the corporation in respect of all costs, charges and expenses reasonably incurred by him or her in connection with the defense of such Action or Derivative Action to which he or she has been made a party by reason of being a director or officer of the corporation or body corporate.

The Bylaws of the Registrant provide that an Indemnified Party shall at all times be indemnified by the Registrant in every circumstance where the Act so permits or requires. The Bylaws further provide that, subject to limitations in the Act regarding indemnities in respect of Derivative Actions, every person who at any time is or has been a director or officer of the Registrant or properly incurs or has properly incurred any liability on behalf of the Registrant or who at any

time acts or has acted at the Registrant's request (in respect of the Registrant or any other person), and his or her heirs and legal representatives, shall at all times be indemnified by the Registrant against all costs, charges and expenses, including an amount paid to settle an action or satisfy a fine or judgment, reasonably incurred by him or her in respect of or in connection with any civil, criminal or administrative action, proceeding or investigation (apprehended, threatened, pending, under way or completed) to which he or she is or may be made a party or in which he or she is or may become otherwise involved by reason of being or having been such a director or officer or by reason of so incurring or having so incurred such liability or by reason of so acting or having so acted (or by reason of anything alleged to have been done, omitted or acquiesced in by him or her in any such capacity or otherwise in respect of any of the foregoing), and all appeals therefrom, if: (a) he or she acted honestly and in good faith with a view to the best interests of the Registrant; and (b) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, he or she had reasonable grounds for believing his or her conduct was lawful. The Bylaws further provide that the above described indemnification provisions shall not affect any other right to indemnification to which any person may be or become entitled by contract or otherwise, and no settlement or plea of guilty in any action or proceeding shall alone constitute evidence that a person did not meet a condition set out in clause (a) or (b) above or any corresponding condition in the Act. The Bylaws also provide that the persons described above shall not be liable for any damage, loss, cost or liability sustained or incurred by the Registrant, except where so required by the Act, if such person acted honestly and in good faith with a view to the best interests of the Registrant.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

See the Exhibit Index.

Item 9. Undertakings.

1. The undersigned Registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (i) to include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and
 - (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;
-

provided, however, that paragraphs (1)(a)(i) and (1)(a)(ii) do not apply if information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
