EXPLANATORY NOTE

This Amendment on Form 10-Q/A constitutes Amendment No. 1 to our Quarterly Report on Form 10-Q for the quarter ended March 31, 2004, which was originally filed with the SEC on May 7, 2004 (the Original Report). We are hereby amending and restating Item 4 as it appeared in the Original Report.

This Amendment only amends Item 4 of the Original Report as specified above. It does not affect the original financial statements and footnotes or other disclosures filed in the Original Report and does not reflect events occurring after the original filing date of May 7, 2004.

Item 4 CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures. Effective as of the end of the period covered by this report, an evaluation was carried out under the supervision and with the participation of our management, including our Chief Executive Officer and our Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act). This evaluation included consideration of our establishment of a disclosure committee and the various processes carried out under the direction of this committee in an effort to ensure that information required to be disclosed in our SEC reports is recorded, processed, summarized and reported within the time periods specified by the SEC. Based on this evaluation, our CEO and CFO concluded that our disclosure controls and procedures are effective at the reasonable assurance level and designed to ensure that the information required to be disclosed in our SEC reports is recorded, processed, summarized and reported within the requisite time periods. While our disclosure controls and procedures provide reasonable assurance that the appropriate information will be available on a timely basis, this assurance is subject to limitations inherent in any control system, no matter how well it may be designed or administered.

Changes in Internal Controls. There was no change in our internal controls over financial reporting (as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act) identified in connection with the evaluation of our internal controls performed during the first quarter 2004 that has materially affected, or is reasonably likely to materially affect, our internal controls over financial reporting.
