(e) Not applicable.

ITEM 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

In connection with the Merger, IDX and the Company entered into a Stock Rights and Restriction Agreement, dated as of January 8, 2001 (the "Stock Rights and Restriction Agreement"), pursuant to which the shares of Common Stock are subject to certain restrictions. On September 30, 2001 the Company, IDX and IIC entered into a Joinder (the "Joinder"), pursuant to which IIC was added as a party to, and became bound by the terms of, the Stock Rights and Restrictions Agreement.

Pursuant to the Stock Rights and Restrictions Agreement, the Reporting Persons have complete discretion to vote the shares of Common Stock of the Company, unless the matter to be voted on constitutes a business combination, involves the acquisition of 50% or more of the outstanding stock of the Company, involves the issuance of Common Stock by the Company for cash or involves any

Also, pursuant to the Stock Rights and Restrictions Agreement, the Reporting Persons have agreed not to transfer any of the shares of Common Stock of the Company without the prior written consent of a majority of the directors of the Company who were directors of the Company prior to January 8, 2001 (or who were elected by such directors), except under certain limited circumstances set forth in the Stock Rights and Restrictions Agreement.

Pursuant to the Stock Rights and Restrictions Agreement, so long as the Reporting Persons own 25% of the shares of Common Stock of the Company which it owned immediately following the Merger, the Reporting Persons are entitled to designate one individual to the Company's board of directors. The Reporting Persons' initial designee to the Company's board is Mr. Richard E. Tarrant. Mr. Tarrant also executed the Stock Rights and Restrictions Agreement, in his individual capacity, for the purpose of agreeing not to transfer any shares of Common Stock of the Company owned by him for a period of six months following the effectiveness of the Merger.
