ITEM 7.01. REGULATION FD DISCLOSURE.

On September 28, 2005, representatives of Newmont Mining Corporation, a Delaware corporation (Newmont), are scheduled to make a presentation to analysts and investors at the Denver Gold Forum 2005 conference in Denver, Colorado (the Conference). At the Conference, Wayne Murdy, Chairman and Chief Executive Officer of Newmont, will discuss the information included in the presentation materials attached as Exhibit 99.1 to this Current Report. As part of this presentation, Newmont will, among other things, confirm guidance for its fiscal year 2005 consolidated gold sales of 8.4 - 8.5 million ounces (6.5 - 6.6 million equity ounces) at consolidated costs applicable to sales of \$230 - \$240 per ounce. Newmont is in the process of re-evaluating its mine planning and will not provide at this time any guidance for fiscal year 2006 and beyond, which Newmont expects to provide at a later time. Risks to current guidance include labor availability and ground conditions at Nevada's underground operations.

The information, including the exhibit attached hereto, in this Current Report is being furnished and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section. The information in this Current Report shall not be incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933, as amended, except as otherwise stated in such filing.
