PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

GENERAL INFORMATION

The Board of Directors of Charlotte Russe Holding, Inc., a Delaware corporation, is soliciting the enclosed proxy card from our stockholders. The proxy will be used at our Annual Meeting of Stockholders to be held at 9:00 a.m. on Tuesday, February 7, 2006 at our corporate offices, 4645 Morena Boulevard, San Diego, California 92117.

This proxy statement contains important information regarding our annual meeting. Specifically, it identifies the proposals on which you are being asked to vote, provides information that you may find useful in determining how to vote, and describes voting procedures.

We use several abbreviations in this proxy statement. We refer to our company as Charlotte Russe or the Company. We call our Board of Directors the Board. References to fiscal 2005 mean our 2005 fiscal year, which began on September 26, 2004 and ended on September 24, 2005.

Who May Attend and Vote?

Our Board of Directors is sending this proxy statement on or about January 10, 2006 to all of our stockholders as of the record date, December 30, 2005. Stockholders who owned Charlotte Russe common stock at the close of business on December 30, 2005 are entitled to attend and vote at the annual meeting. On the record date, we had approximately 22,377,734 shares of our common stock issued and outstanding each of which is entitled to one vote. We had 22 record stockholders as of the record date, and we believe our common stock is held by more than 3,500 beneficial owners.

How Do I Vote?

As a stockholder, you have the right to vote on certain business matters affecting our company. The two proposals that will be presented at the annual meeting, and upon which you are being asked to vote, are discussed in the sections entitled Proposal One and Proposal Two. Each share of Charlotte Russe common stock you own entitles you to one vote. The enclosed proxy card indicates the number of shares you own.

By signing and returning the proxy card according to the enclosed instructions, you are enabling the individuals named on the proxy card (known as proxies) to vote your shares at the meeting in the manner you indicate. We encourage you to sign and return the proxy card even if you plan to attend the meeting. In this way, your shares will be voted even if you are unable to attend the meeting. If you attend the meeting, you may deliver your completed proxy card in person or fill out and return a ballot that will be supplied to you. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a statement or letter from the nominee authorizing you to vote the shares you beneficially own and indicating that you are the beneficial owner of the shares on December 30, 2005, the record date of the meeting.

What Does the Board of Directors Recommend?

If you submit the proxy card but do not indicate your voting instructions, the persons named as proxies on your proxy card will vote in accordance with the recommendations of the Board of Directors. The Board recommends that you vote:

FOR the six nominees for director identified in Proposal One; and

FOR the proposal to increase by 1,000,000 shares the aggregate number of shares available for grant under the Company's 1999 Equity Incentive Plan identified in Proposal Two.

Table of Contents

What Vote Is Required for The Proposals?

Consistent with Delaware law and the Company's by-laws, the holders of a majority of the shares entitled to vote on a particular matter, present in person or represented by proxy, constitutes a quorum as to such matter. The six nominees for directors who receive the greatest number of votes properly cast (known as a plurality of the votes) will be elected as directors. The affirmative vote of the majority of votes cast is required for the increase in the number of shares available under the 1999 Equity Incentive Plan. Funds affiliated with Apax Partners, L.P., which own an aggregate of 5,719,829 shares, intend to vote for both proposals and each nominee recommended by the Board of Directors.

Shares represented by proxies that indicate an abstention or a broker non-vote (that is, shares represented at the Annual Meeting held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) will be counted as shares that are present and entitled to vote on the matter for purposes of determining the presence of a quorum. Shares indicating an abstention and shares indicating a broker non-vote, however, will not constitute votes cast at the meeting and thus will have no effect on the outcome.

May I Change My Vote After I Return My Proxy Card?

Yes. Any stockholder has the right to revoke his or her proxy at any time before it is voted by: (1) attending the meeting and voting in person; (2) by filing with our Secretary a written instrument revoking the proxy; or (3) delivering to our Secretary another newly executed proxy bearing a later date.

Information Concerning the Board of Directors and Its Committees

During fiscal 2005, our Board of Directors held eight meetings. A majority of our Board of Directors of the Company are independent directors as defined in Rule 4200(a)(15) of the listing standards of the National Association of Securities Dealers (NASD). Specifically, four of the six directors are independent, including Messrs. Del Rossi, Karp, Mogil and Rivers. During part of fiscal 2005, both Messrs. David Oddi and Thomas Gould served on our Board of Directors and each also qualified as being independent directors during their tenure. The Board of Directors has two standing committees: the Audit Committee and the Compensation Committee. Each of our directors attended at least 75% of the aggregate of the meetings of the Board of Directors and of each committee of which he is a member. Although the Company does not have a formal policy regarding attendance by the Board of Directors at the annual meetings of the Company, all members of the Board of Directors attended the 2005 Annual Meeting.

The Audit Committee, which currently consists of Messrs. Del Rossi, Mogil and Rivers, held thirteen meetings during fiscal 2005. Mr. Gould was a member of this Committee until his retirement from the Board of Directors in October 2005. The Board of Directors has determined that all audit committee members qualify as audit committee financial experts as defined by Item 401(h) of Regulation S-K and are independent as defined in the NASD listing standards. The Audit Committee currently assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of the financial reports of the Company, its financial policies, procedures and reporting process, the audit process, and the Company's system of financial and operating controls. A copy of the charter of the Audit Committee can be found on the Internet on Company's website at www.charlotte-russe.com. The Audit Committee's activities during fiscal 2005 are described in the section entitled Report of the Audit Committee.

The Compensation Committee, which currently consists of Messrs. Karp and Rivers, held six meetings during fiscal 2005. Mr. Oddi was a member of this committee until his resignation from the Board of Directors in April 2005. The duties of the Compensation Committee are (i) to exercise the power of the Board of Directors with respect to the administration of, and grant of awards under, the Company's 1999 Equity Incentive Plan and (ii) to review and establish compensation practices and policies for the officers of the Company.

The Company does not currently have a standing Nominating Committee, nor does it have a charter for a Nominating Committee. The Board of Directors believes that a formal Nominating Committee is not necessary because its size and composition allow it to adequately identify and evaluate qualified candidates for directors. All potential nominees are considered by the entire Board of Directors. The Company does not have a formal policy for consideration of director candidates recommended by stockholders because the Board of Directors believes it can consider any such stockholder-recommended candidates on an *ad hoc* basis. The procedure for suggesting a potential nominee for director is described under the caption Stockholder Proposals, Etc. later in this proxy statement. The Board of Directors will evaluate stockholder-recommended candidates under the same criteria as internally generated candidates. Although the Board does not currently have formal minimum criteria for nominees, substantial relevant business and industry experience would generally be considered important qualifying criteria.

Our non-employee directors currently receive an annual fee of \$15,000 plus \$500 for each board of director meeting and telephonic meeting attended. Audit Committee members receive \$1,000 for each committee meeting attended and \$500 for each telephonic meeting attended. The Audit Committee chairman receives an additional \$2,000 annual fee. Any director may waive these fees, and in fiscal 2005, Messrs. Karp and Oddi waived them. Directors who are employees of the Company are not entitled to any fees or additional compensation for service as members of the Board of Directors or any of its committees. All directors are reimbursed for reasonable travel and other expenses of attending meetings of the Board of Directors and committees of the Board of Directors. In addition, each non-employee director is eligible to participate in the 1999 Equity Incentive Plan. In fiscal 2005, Messrs. Del Rossi, Gould, and Mogil each received options to purchase 2,500 shares of common stock, and Mr. Rivers received options to purchase 10,000 shares of common stock.

Aggregated Option Exercises in Last Fiscal Year and Fiscal Year-End Option Values

The following table summarizes for each of our executive officers (i) the total number of shares received upon exercise of stock options during the fiscal year ended September 24, 2005, (ii) the aggregate dollar value realized upon such exercise, (iii) the total number of unexercised options, if any, held at September 24, 2005 and (iv) the value of unexercised in-the-money options, if any, held at September 24, 2005. In-the-money options are options where the fair market value of the underlying securities exceeds the exercise or base price of the option. The aggregate value realized upon exercise of a stock option is the difference between the aggregate exercise price of the option and the fair market value of the underlying stock on the date of exercise. The value of unexercised, in-the-money options at fiscal year-end is the difference between the exercise price of the option and the closing sale price of a share of common stock on September 24, 2005, which was \$13.93. With respect to unexercised, in-the-money options, actual gains, if any, realized on exercise will depend on the value of the common stock on the date of exercise.

The incentive bonus will be based on a percentage of up to 0.75% of the Company's earnings before interest, taxes, depreciation and amortization, depending on the growth in such earnings. If Mr. Hoffman's employment is terminated without cause or Mr. Hoffman resigns his position as a consequence of material breach of the employment agreement, he will be entitled to one year of his base salary at the time of termination, payable in 12 equal monthly installments.

We have entered into an at-will employment agreement with Mr. Carter under which he will receive an annual base salary, as adjusted, of \$318,000. He is entitled to participate in the management bonus program and the benefit programs offered to employees of the Company. Compensation Committee Report

The Compensation Committee of the Board of Directors is currently composed of two outside directors, Messrs. Karp and Rivers. The Compensation Committee is responsible for setting and administering the policies governing executive officer compensation, including cash compensation and stock ownership programs. The goals of the Company's compensation policy are to attract and retain executive officers who contribute to the Company's overall success, by offering compensation that is competitive in the retail apparel industry for similarly sized companies, to motivate executives to achieve business objectives and to reward them for their achievements. The Company generally uses salary, incentive compensation and stock options to meet these goals.

Salary. The Compensation Committee sets the salary for the Company's Chief Executive Officer within the range of salary that is competitive for similar positions in comparable companies in the retail apparel industry, based in part on a review of industry salary surveys and other publicly available information. The Committee uses the median of the range of base salaries for comparable companies as a target for the Chief Executive Officer's base salary level, and adjusts this amount based on the Chief Executive Officer's experience, tenure, performance and level of equity ownership in the Company.

Incentive Compensation. The Company has developed an incentive bonus program under which the Company's employees are eligible to receive incentive cash bonuses equal to a percentage of their base salary based on annual performance goals set by the Compensation Committee. The Company's Chief Executive Officer approves which employees will be eligible to participate in the incentive bonus program. Generally, bonuses are intended to reward the employees when the Company achieves its business objectives. The Chief Executive Officer is entitled to bonuses in accordance with his employment contract.

Equity Compensation. The Compensation Committee believes that employee equity ownership provides additional motivation to maximize value for the Company's stockholders. Since stock options are granted at market price, the value of the stock options is wholly dependent on an increase in the price of the Company's common stock. The Compensation Committee believes, therefore, that the stock options align the interests of the employees with those of the stockholders. In general, awards to employees are made taking into account the anticipated contributions by such employees in helping the Company achieve its strategic goals and objectives.

PROPOSAL TWO : INCREASE SHARES AVAILABLE UNDER 1999 EQUITY INCENTIVE PLAN

Our Board of Directors and stockholders approved the 1999 Equity Incentive Plan in July 1999. A total of 2,250,000 shares have been reserved for issuance under the plan. By the terms of the plan, the Compensation Committee may amend the 1999 Equity Incentive Plan, provided that any amendment approved by the Compensation Committee which requires stockholder approval in order to ensure favorable federal income tax treatment for any incentive stock options under Internal Revenue Code Section 422, is subject to obtaining the approval of our stockholders. The Compensation Committee voted to approve amendments to the Plan to increase by 1,000,000 shares the aggregate number of shares of common stock for which stock options may be granted under the Plan. The Compensation Committee believes that the increase is advisable to give us the flexibility needed to attract, retain and motivate our employees.

Summary of 1999 Equity Incentive Plan

Our Board of Directors and stockholders adopted the 1999 Equity Incentive Plan, effective upon the completion of our initial public offering. The 1999 Equity Incentive Plan, which is administered by the Compensation Committee, provides for the grant of a variety of stock and stock-based awards and related benefits, including stock options, restricted and unrestricted shares, deferred stock performance awards and rights to receive cash or shares with respect to an increase in value of our common stock. The 1999 Equity Incentive Plan's eligibility criteria are intended to encompass those employees, officers, directors and consultants who are in a position to make a significant contribution to the success of Charlotte Russe.

The 1999 Equity Incentive Plan permits the grant of options that qualify as incentive stock options and nonqualified options. The Compensation Committee of the Board of Directors determines the option exercise price of each incentive stock option. In the case of incentive stock options, however, the exercise price may not be less than 100% of the fair market value of the shares on the date of grant.

In general, and except as otherwise determined by the Compensation Committee, all rights under awards granted pursuant to the 1999 Equity Incentive Plan to which the participant has not become irrevocably entitled will terminate upon termination of the participant's employment, consulting or service relationship with us. No award granted under the 1999 Equity Incentive Plan, other than an award in the form of an outright transfer of cash or unrestricted stock, may be transferred other than by will or by the laws of descent and distribution. During a person's lifetime an award requiring exercise may be exercised only by the participant, or in the event of the participant incapacity, the person legally appointed to act on the participant's behalf.

Subject to adjustment for stock splits and similar events, the total number of shares of common stock that can be issued under the 1999 Equity Incentive Plan is 2,250,000. If this Proposal Two is adopted, the total number of shares of common stock that can be issued under the plan will be 3,250,000 shares. The maximum number of shares of common stock as to which options or stock appreciation rights may be granted to any participant in any one calendar year is 200,000. There are currently options to acquire 1,771,200 shares of our common stock outstanding under the 1999 Equity Incentive Plan.

Recommendations: The Board of Directors recommends that you vote FOR approval of Proposal Two.
