SOLICITATION OF PROXIES

This Proxy Statement (first mailed to stockholders on or about April 23, 2007) is furnished in connection with the solicitation of proxies by Citadel Broadcasting Corporation (the Company) for use at the Company's 2007 Annual Meeting of Stockholders, to be held on Tuesday, May 22, 2007, at 8:30 a.m., eastern time, at the New York Marriott East Side Hotel, 525 Lexington Avenue, Aftor Room, New York, NY 10017, and at any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. Each valid proxy received in time will be voted at the meeting according to the choice specified, if any. A proxy may be revoked at any time before the proxy is voted, as outlined below.

The Company's Annual Report on Form 10-K for the year ended December 31, 2006 accompanies this Proxy Statement but does not form a part of the proxy soliciting material.

The Board of Directors has fixed the close of business on March 30, 2007 as the record date for the Annual Meeting. If your shares of common stock of the Company are registered directly in your name on the records of Computershare Investor Services, you are considered a stockholder of record and will receive your proxy soliciting material from the Company. If your shares are held through a broker, bank or other financial institution, you are considered the beneficial owner of shares held in street name and will receive your proxy soliciting material from your broker, bank or other institution. If you hold your shares in street name, you are generally entitled to provide voting instructions to the registered holder.

The shares of common stock of the Company represented by valid proxies that we receive in time for the Annual Meeting will be voted as specified in such proxies. Valid proxies include all properly executed, written proxy cards received pursuant to this solicitation that are not later revoked. Voting your proxy will not limit your right to vote at the Annual Meeting if you later decide to attend in person. Executed but unvoted proxies will be voted:

FOR Proposal 1 the election of the Board of Directors' nominees for Class I directors;

FOR Proposal 2 the approval of the material terms of the performance objectives that may apply to performance-based awards under the Citadel Broadcasting Corporation Amended and Restated 2002 Long-Term Incentive Plan (the Long-Term Incentive Plan) and related modifications to the Long-Term Incentive Plan;

FOR Proposal 3 the increase in the number of shares available for issuance under the Long-Term Incentive Plan by 8,000,000 shares;

FOR Proposal 4 the approval of the adoption of the Citadel Broadcasting Corporation Senior Executive Annual Bonus Plan; and

FOR Proposal 5 the ratification of Deloitte & Touche LLP as the Company's independent registered public accountants for the year ending December 31, 2007.

If any other matters properly come before the Annual Meeting, the persons named on the proxies will, unless the stockholder otherwise specifies in the proxy, have the discretion to vote upon such matters in accordance with their best judgment.

On March 16, 2007, the compensation committee of the Board of Directors approved target bonuses and performance goals for our Chief Executive Officer under the Citadel Broadcasting Corporation Senior Executive Annual Bonus Plan. The effectiveness of these actions is contingent on the Company's receipt of stockholder approval to adopt the Citadel Broadcasting Corporation Senior Executive Annual Bonus Plan, as described in Proposal 4 in this Proxy Statement.

Table of Contents

VOTING SECURITIES

The Company has one class of outstanding voting securities, common stock, par value \$0.01 per share. As of March 30, 2007, there were 112,383,856 shares of common stock of the Company outstanding, net of shares held in treasury. Only stockholders of record of common stock of the Company at the close of business on March 30, 2007, which the Board of Directors has fixed as the record date, are entitled to vote at the Annual Meeting.

Each share of common stock of the Company is entitled to one vote. The presence in person or by proxy of holders of a majority of the voting power of the shares of common stock of the Company outstanding and entitled to vote at the meeting on the record date will constitute a quorum, permitting the stockholders to act on Proposal 1 regarding the election of directors; Proposal 2 regarding approval of the material terms of the performance objectives that may apply to performance-based awards under the Long-Term Incentive Plan and other related modifications to the Long-Term Incentive Plan; Proposal 3 regarding approval of the increase in the number of shares available for issuance under the Long-Term Incentive Plan; Proposal 4 regarding approval of the adoption of the Citadel Broadcasting Corporation Senior Executive Annual Bonus Plan; Proposal 5 regarding the ratification of the appointment of our independent registered public accountants for the year ending December 31, 2007; and other business matters properly brought before the Annual Meeting.

The vote of a plurality of the shares of the common stock of the Company present in person or by proxy at the Annual Meeting is required to elect each of the Class I director nominees. Abstentions and broker non-votes in connection with the election of directors have no effect on such election since directors are elected by a plurality of the votes cast at the meeting.

For all other business matters, including the matters set forth in Proposals 2, 3, 4 and 5 in this Proxy Statement, the affirmative vote of the holders of a majority of the voting power of the shares of common stock of the Company entitled to vote at the meeting and constituting a quorum is required to pass the proposal. Abstentions with respect to these other matters will be considered a vote against the proposal and broker non-votes will have no effect on such matters since these votes will not be considered present and entitled to vote for this purpose. Broker non-votes will, however, be considered as present for determining whether a quorum is present at the meeting. A broker non-vote occurs when the nominee of a beneficial owner with the power to vote on at least one matter does not vote on another matter because the nominee does not have the discretionary voting power and has not received instructions from the beneficial owner with respect to such matter.

VOTING BY PROXY

If a stockholder is a corporation or a partnership, a duly authorized person must sign the accompanying proxy card in the full corporate or partnership name. If the proxy card is signed pursuant to a power of attorney or by an executor, administrator, trustee or guardian, the signer's full title must be given and a certificate or other evidence of appointment must be furnished. If shares are owned jointly, each joint owner must sign the proxy card.

Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with the Secretary of the Company either a notice of revocation or a duly executed proxy bearing a later date. In addition, the powers of the proxy holders will be suspended if you attend the meeting in person and vote, although attendance at the meeting will not by itself revoke a previously granted proxy.

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board's recommendation is set forth together with the description of each item in this Proxy Statement. In summary, the Board recommends a vote:

FOR Proposal 1 the election of the Board of Directors nominees for Class I directors;

Table of Contents

FOR Proposal 2 the approval of the material terms of the performance objectives that may apply to performance-based awards under the Long-Term Incentive Plan and related modifications to the Long-Term Incentive Plan;

FOR Proposal 3 the increase in the number of shares available for issuance under the Long-Term Incentive Plan by 8,000,000 shares;

FOR Proposal 4 the approval of the adoption of the Citadel Broadcasting Corporation Senior Executive Annual Bonus Plan; and

FOR Proposal 5 the ratification of Deloitte & Touche LLP as the Company's independent registered public accountants for the year ending December 31, 2007.

Company management is not aware of any matters, other than those specified above, that will be presented for action at the Annual Meeting, but if any other matters do properly come before the meeting, the proxy holders will vote as recommended by the Board of Directors, or, if no recommendation is given, in their own discretion.

As of March 30, 2007, Forstmann Little partnerships held approximately 68% of the combined voting power of the outstanding common stock of the Company. Accordingly, Forstmann Little partnerships will have sufficient voting power to elect all members of the Board of Directors and to control substantially all other actions that may come before the 2007 Annual Meeting.

- (1) A person or group of persons is deemed to have beneficial ownership of any shares of common stock of the Company when a person or persons has the right to acquire them (for example, upon exercise of an option) within 60 days of the date as of which the information is provided. For purposes of computing the percentage of outstanding shares of common stock of the Company held by each person or group of persons named above, any shares which a person or persons have the right to acquire within 60 days after the date of this proxy statement are deemed to be outstanding but are not deemed to be outstanding for the purpose of computing the percentage ownership of any other person. As a result, the percentage of outstanding shares of any person as shown in the table does not necessarily reflect the person's actual voting power at any particular date.
- (2) These securities are owned by four investment companies and certain other commingled group trusts and separate accounts (the Funds). As reported in the Schedule 13G filed with the SEC on February 2, 2007, and amended on February 9, 2007, Dimensional Fund Advisors LP (f/k/a Dimensional Fund Advisors Inc.) (Dimensional) serves as an investment adviser or manager with investment (dispositive) and/or voting power over the securities held by the Funds. For purposes of the reporting requirements of the Exchange Act, Dimensional may be deemed to be a beneficial owner of such securities; however, Dimensional expressly disclaims that it is, in fact, the beneficial owner of such securities. The address of Dimensional is 1299 Ocean Avenue, Santa Monica, California 90401.
- (3) The general partner of Forstmann Little & Co. Equity Partnership-VI, L.P., a Delaware limited partnership (Equity-VI), and Forstmann Little & Co. The general partners of FLC XXXIII are Theodore J. Forstmann, Winston W. Hutchins and Chris Davis. Accordingly, each of the individuals named above, other than Ms. Davis for the reasons described below, may be deemed the beneficial owners of shares owned by Equity-VI, Equity-VII, MBO-VII and MBO-VIII and, for purposes of this table, beneficial ownership is included. Ms. Davis does not have any voting or investment power with respect to, or any economic interest in, the shares of common stock of the Company held by Equity-VI, Equity-VII, MBO-VII or MBO-VIII; and, accordingly, Ms. Davis is not deemed to be a beneficial owner of these shares. Messrs. Theodore J. Forstmann and J. Anthony Forstmann are brothers. Mr. Miles is a member of the Forstmann Little advisory board and is an investor in certain affiliated partnerships of Forstmann Little & Co., which give him an economic interest in certain portfolio investments, including the Company. Messrs. J. Anthony Forstmann, Michael A. Miles and Farid Suleman are special limited partners of Forstmann Little & Co. Wayne T. Smith is a limited partner in Equity VI and Equity VII, which gives him an economic interest, but no voting or investment power, in the shares of common stock of the Company held by those entities. Accordingly, Mr. Smith is not deemed to be a beneficial owner of these shares except to the extent of any pecuniary interest therein. During her tenure as a director of the Company until her resignation in November 2006, Sandra J. Horbach was a limited partner in FLC XXXII and FLC XXXIII, which gave her an economic interest in certain portfolio investments, including the Company, but no voting or investment power with respect to the shares of common stock of the Company held by Equity-VI, Equity VII, MBO-VII or MBO-VIII. Accordingly, Ms. Horbach was not deemed to be a beneficial owner of these shares except to the extent of any pecuniary interest therein. None of the other limited partners in each of FLC XXXII, FLC XXXIII, Equity-VI, Equity-VII, MBO-VII and MBO-VIII is otherwise affiliated with the Company or Forstmann Little & Co. The address of FLC XXXII, FLC XXXIII, Equity-VI, Equity-VII, MBO-VII and MBO-VIII, and for J. Anthony Forstmann, Theodore J. Forstmann, Winston W. Hutchins, Chris Davis, Michael A. In connection with the merger agreement between Citadel and Disney (the ABC Radio Merger Agreement), the principal Citadel stockholders (Equity-VI, Equity-VII, MBO-VII and MBO-VIII) entered into the support agreement. In connection therewith, Disney filed a Schedule 13D with the SEC on February 15, 2006 in which Disney stated that neither the filing of the statement nor any of its

Table of Contents

contents shall be deemed to constitute an admission by Disney that it is the beneficial owner of any of the shares of common stock of the Company referred to therein for purposes of the Exchange Act, or for any other purpose, and Disney expressly disclaimed such beneficial ownership.

- (4) Includes 225,000 shares subject to options that are currently exercisable or exercisable within 60 days of the date as of which this information is provided. Stockholder's Agreements

In June 2001, 15 employees (together with two entities controlled by an employee) were awarded the right to purchase, and actually purchased, shares of common stock of the Company. These members of our management entered into stockholder's agreements relating to these shares of common stock of the Company, which, among other things, restrict the transfer of the shares of common stock. The stockholder's agreements are substantially identical and are summarized below. As of March 30, 2007, the Company has an aggregate amount of 1,262,759 shares of common stock of the Company subject to stockholder's agreements.

Mr. Taylor, one of the Company's named executive officers in fiscal year 2005 who resigned at the end of the third quarter of 2005 and rejoined the Company a year later, was among these 15 employees and purchased 88,785 shares of common stock of the Company for approximately \$6.76 per share. In accordance with the terms of Mr. Taylor's stockholder's agreement, upon his departure from the Company in 2005 (Mr. Taylor rejoined the Company in 2006), the Company purchased from him 17,757 shares of common stock of the Company. The remainder of Mr. Taylor's shares purchased in June 2001 (i.e., 52,690 shares) remain subject to the transfer and other restrictions contained in his stockholder's agreement. In addition, at the time of his appointment as Chief Executive Officer, Mr. Suleman purchased 1,143,000 shares of class B common stock of the Company at a purchase price of \$3.50 per share, which shares were converted into 592,074 shares of common stock of the Company in connection with the Company's initial public offering. In May 2003, Judith A. Ellis, the Company's Chief Operating Officer, was awarded the right to purchase, and actually purchased, a total of 48,899 shares of common stock of the Company for approximately \$10.23 per share. The price paid for these shares was based upon the estimated fair value of the shares on the date of purchase.

The stockholder's agreements provide that the stockholder may participate proportionately in any sale by the Forstmann Little partnerships of their shares of common stock of the Company to a third party. In addition, the stockholder may, and may be required to (if determined by the Board of Directors), participate proportionately in a public offering of shares of common stock of the Company by the Forstmann Little partnerships, by selling the same percentage of his or her shares that the Forstmann Little partnerships are selling of their shares. If the Forstmann Little partnerships sell their common stock of the Company to a third party, the

Table of Contents

Forstmann Little partnerships may require the stockholder to sell a proportionate amount of his or her shares and, if stockholder approval of the transaction is required, to vote his or her shares in favor of the sale. The provisions described in this paragraph are expected to be terminated prior to the closing of the transactions pursuant to which the Company will combine with the ABC Radio businesses, in accordance with the terms of the ABC Radio Merger Agreement.

The purchase price for these shares is the stockholder's cost. If a stockholder engages in prohibited or competitive activities, or criminal acts, or grossly or willfully neglects his or her duties, we have the option to purchase any shares of common stock of the Company held by the stockholder that are subject to the terms of a stockholder's agreement. The purchase price for these shares is the lesser of the stockholder's cost or the book value per share.

If a stockholder's employment is terminated without cause, a stockholder may require the Company to purchase all, but not less than all, of the shares of common stock of the Company held by the stockholder that are subject to the terms of a stockholder's agreement. The purchase price for these shares is the stockholder's cost, except that in the case of the repurchase of vested shares from a stockholder terminated by reason of death, permanent disability or adjudicated incompetency, the purchase price is fair value.

Many, if not all, of the above-referenced stockholder agreements are expected to be terminated or amended in part prior to the closing of the Company's proposed merger with the ABC Radio businesses.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") requires the Company's executive officers and directors and persons who own more than 10% of the common stock of the Company to file reports of ownership and changes in ownership of common stock of the Company with the Securities and Exchange Commission (the "SEC") and the New York Stock Exchange (the "NYSE"). Based solely on a review of copies of such reports and written representations from the reporting persons, the Company believes that during the year ended December 31, 2006, its executive officers, directors and greater than 10% stockholders filed on a timely basis all reports due under Section 16(a) of the Exchange Act.

Policies and Procedures for Review, Approval or Ratification of Related Transactions

Our directors and executive officers (and other employees) are expected to adhere to the Company's Code of Business Conduct and Ethics. Our Code of Business Conduct and Ethics is available free of charge on the Company's website at <http://www.citadelbroadcasting.com/invest/corpgovern.cfm>, and then click on the link to the Code of Business Conduct and Ethics. In the event that any action arises or is proposed that would require a waiver of or a deviation from our Code of Business Conduct and Ethics, or in the event that any actual or potential conflict of interest arises involving any of our directors or executive officers, our policy requires that the matter be reported to the Company's Board of Directors. In the event of such conflicts, the director or directors involved, if any, shall recuse themselves from any decision affecting their personal interests, and the matters are discussed and determined by the remaining uninterested directors. In the event of a conflict or concern involving our Chief Executive Officer, the uninterested non-management members of the Board discuss and determine any such matters.

Certain Relationships and Related Transactions

In June 2001, the Company was capitalized by four partnerships affiliated with Forstmann Little & Co. and members of the Company's management to acquire Citadel Communications Corporation, which was then a publicly owned company. The Company financed the acquisition by issuing its common stock to the Forstmann Little partnerships and members of management, by incurring indebtedness under a new credit facility and by issuing an aggregate of \$500.0 million of subordinated debentures to two of the Forstmann Little partnerships. These partnerships immediately distributed the subordinated debentures to their respective limited partners. The subordinated debentures were general senior subordinated obligations, were not subject to mandatory redemption and were to mature in three equal annual installments beginning June 26, 2012, with the final payment due on June 26, 2014. The debentures bore interest at a fixed rate of 6%, payable semi-annually in June and December each year. On February 18, 2004, the Company prepaid all of the outstanding subordinated debentures with the net proceeds from the offering by the Company of 9,630,000 shares of common stock and the issuance of \$330.0 million of convertible subordinated notes.

Each of the four Forstmann Little partnerships has a contractual right, for so long as it holds any shares of common stock of the Company, to designate a nominee for election to the Company's Board of Directors, and the Company is obligated to solicit proxies in favor of each of these four nominees and to use reasonable efforts to cause each of these four nominees to be elected. The contractual rights to designate a nominee for election to the Company's Board of Directors described in this paragraph are expected to be terminated prior to the closing of the transactions pursuant to which the Company will combine with the ABC Radio businesses, in accordance with the terms of the ABC Radio Merger Agreement.

The Company has also granted to the Forstmann Little partnerships six demand rights to cause the Company to file a registration statement under the Securities Act covering resales of all shares of common stock of the Company held by the Forstmann Little partnerships, and to cause the registration statement to become effective. The registration rights agreement also grants piggyback registration rights permitting the Forstmann Little partnerships to include their registrable securities in a registration of securities by the Company. Under the agreement, the Company will pay the expenses of these registrations.

Certain of our executive officers are party to stockholder's agreements with the Company that, among other things, provide for certain rights and obligations in connection with certain sales of stock by the Forstmann Little partnerships. These agreements are discussed in Stockholder's Agreements in this Proxy Statement.

The Company reimburses Forstmann Little & Co. and its affiliates for expenses paid on the Company's behalf and receives reimbursements from Forstmann Little & Co. for expenses paid on its behalf, including travel and related expenses, and office and other miscellaneous expenses. For the years ended December 31, 2004,

Table of Contents

2005 and 2006, the Company reimbursed Forstmann Little & Co. and its affiliates a net amount of approximately \$1.7, \$2.2 and \$1.9 million, respectively. Forstmann Little & Co. also provided use of office space to certain of the Company's executive officers and employees at no cost through December, 15, 2006.

FL Aviation Corp., an affiliate of Forstmann Little & Co., operates and maintains the Company's corporate aircraft at cost. In connection therewith, the Company reimburses all costs incurred by FL Aviation Corp. in operating the aircraft.

The Company's Chairman and Chief Executive Officer, Farid Suleman, is a special limited partner of Forstmann Little & Co. Mr. Suleman was paid approximately \$1.1, \$0.6 and \$0.3 million for the years ending December 31, 2004, 2005 and 2006, respectively, for providing advice and consulting services to Forstmann Little & Co. as a special limited partner. Mr. Suleman has the right to invest in Forstmann Little & Co. portfolio investments from time to time. Mr. Suleman has informed us that he has not invested in the Forstmann Little partnerships' investments.

Certain of our current and former directors and officers have or have had relationships with Forstmann Little & Co. Theodore J. Forstmann, a member of the Company's Board of Directors, is the senior partner of Forstmann Little & Co. Two of our other directors, Mr. Forstmann's brother, J. Anthony Forstmann, and Michael A. Miles, as well as our Chairman and Chief Executive Officer, Farid Suleman, are special limited partners of Forstmann Little & Co. Mr. Miles also serves on the Forstmann Little advisory board and is an investor in certain portfolio companies of Forstmann Little. Another of our directors, Wayne T. Smith is, and one of our former directors, Sandra J Horbach, was a limited partner of two of the funds that own shares of common stock of the Company. Mr. Smith also is a director of 24 Hour Fitness Worldwide, Inc., a majority of the stock of which is controlled by certain affiliated partnerships of Forstmann Little & Co. As a result of their relationships with Forstmann Little & Co., Messrs. Theodore Forstmann, J. Anthony Forstmann and Smith have, and Ms. Horbach had, an economic interest in certain of the Forstmann Little & Co. partnerships and their portfolio investments, including Citadel. Of those directors, however, only Mr. Theodore Forstmann has any voting or investment power over the shares of common stock of the Company. Another director, Herbert J. Siegel, serves as a director of IMG Worldwide, Inc., a majority of the stock of which is controlled by certain affiliated partnerships of Forstmann Little & Co. In addition, another former director, David Checketts, is a director of IMG worldwide, Inc. and may perform consulting and provide other services to IMG from time to time. As a result of these relationships, when conflicts between the interests of the Forstmann Little partnerships and the interests of our other stockholders arise, these directors and officers may not be disinterested. Under Delaware law, although our directors and officers have a duty of loyalty to us, transactions that we enter into in which a director or officer has a conflict of interest are generally permissible so long as the material facts as to the director's or officer's relationship or interest as to the transaction are disclosed to our Board of Directors and a majority of our disinterested directors approves the transaction, or the transaction is otherwise fair to us.

On February 18, 2004, the Company completed a public offering of 29,630,000 shares of its common stock at \$19.00 per share, including 9,630,000 primary shares sold by the Company and 20,000,000 shares sold by certain of the Company's stockholders. The 20,000,000 shares included 19,856,626 and 18,338 shares of common stock of the Company sold by Forstmann Little & Co. and its affiliates and Randy Taylor, an executive officer of the Company, respectively.

Randy L. Taylor, an executive officer of the Company, was indebted to the Company since June 2001 under a promissory note which bore an annual interest rate of 5.02%. This note was delivered to the Company by Mr. Taylor in partial payment for his purchase of common stock of the Company. The promissory note was secured by the 88,785 shares of common stock of the Company to which it relates. On February 18, 2004, Mr. Taylor repaid \$304,466 of his note using proceeds of the sale of 18,338 shares of common stock of the Company, and in July 2004, Mr. Taylor repaid an additional \$75,000. In the third quarter 2005, Mr. Taylor repaid in full all outstanding amounts owed under the promissory note.

CORPORATE GOVERNANCE

Companies listed on the NYSE must comply with certain standards regarding corporate governance, as codified in Section 303A of the Listed Company Manual of the NYSE, with some exceptions. A company of which more than 50% of the voting power is held by an individual, a group or another company need not comply with the requirements of Sections 303A.01 Independent Directors, 303A.04 Nominating/Corporate Governance Committee or 303A.05 Compensation Committee. Since four of the Company's stockholders, Forstmann Little & Co. Equity Partnership-VI, L.P., Forstmann Little & Co. Equity Partnership-VII, L.P., Forstmann Little & Co. Subordinated Debt and Equity Management Buyout Partnership-VII, L.P. and Forstmann Little & Co. Subordinated Debt and Equity Management Buyout Partnership-VIII, L.P., which are affiliates of each other, control 68% of the combined voting power of the common stock of the Company, the Company has elected to avail itself of the above exemptions from these three requirements. Accordingly, the Company's Board of Directors has standing compensation and audit committees, but not a nominating/corporate governance committee. Should the Company's proposed merger with the ABC Radio business close, then the Company will no longer be able to avail itself of the above exemptions, and in such case, the Company shall establish a Nominating/Corporate Governance Committee as required by NYSE Section 303A.04 and comply with the requirements of Sections 303A.01 Independent Directors and 303A.05 Compensation Committee.

The Board has affirmatively determined that Charles P. Rose, Jr., at least two of the members of the compensation committee, Michael A. Miles and Herbert J. Siegel, and all four members of the audit committee, Katherine Brown, Michael A. Miles, Michael J. Regan and Wayne T. Smith, qualify as independent under the NYSE's and SEC's corporate governance rules, and that our Chairman and Chief Executive Officer, Farid Suleman, does not qualify as independent under either set of rules. In making its determination regarding the independence of each of those directors under applicable NYSE and SEC rules, the Board of Directors considered each of the relationships identified under Certain Relationships and Related Transactions in this Proxy Statement and, with respect to the members of the audit committee and compensation committee, discussed under The Audit Committee and The Compensation Committee below. With respect to each person identified as independent, the Board of Directors determined that those relationships do not affect the individual's independence because, as applicable, he or she has not made any commitment to the affiliated partnerships of Forstmann Little & Co. and none of the rights of an advisory board member or of a special limited partner or of service on the board of directors of a Forstmann Little & Co. affiliate are contingent in any way on or affected by his or her continued service as a director or member of our Board of Directors.

The Company has undertaken a review of its corporate governance policies and taken the following measures to comply with the rules and regulations of the SEC and NYSE regarding corporate governance practices:

Adopted governance guidelines for the Board of Directors.

Adopted procedures for our non-management directors to meet in executive sessions.

Adopted a Code of Business Conduct and Ethics that is applicable to all of our directors, officers and employees.

Adopted a Supplemental Code of Ethics for Principal Executives and Senior Financial Officers that is applicable to our chief executive officer, chief operating officer, principal financial officer, senior vice president of financial administration and principal accounting officer.

Adopted a policy on reporting of improper financial practices to address accounting or auditing concerns.

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

Adopted an Audit Committee Charter, incorporating the applicable requirements of Sarbanes-Oxley, the NYSE and the related regulations.

Adopted a Compensation Committee Charter, incorporating the applicable requirements of Sarbanes-Oxley, the NYSE and the related regulations.

Adopted a Securities Trading Policy to ensure that persons subject to the reporting requirements of Section 16 of the Exchange Act will be able to comply with all applicable filing requirements in a timely manner.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

During the year ended December 31, 2006, the Board of Directors met 13 times. During 2006, each director attended at least 75% of the total number of meetings of the Board of Directors, except for Messrs. Charles Rose and Theodore J. Forstmann who each attended 9 and 8 meetings, respectively. Mr. David Checketts and Ms. Sandra Horbach resigned from the Board of Directors during 2006 and Mr. Wayne Smith was appointed to the Board of Directors effective May 1, 2006. Since Mr. Smith's appointment to the Board of Directors, he has attended at least 75% of the total meetings that had occurred subsequent to the appointment date.

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

As discussed above under the heading, Corporate Governance, the Company has elected to avail itself of the exemptions from the NYSE corporate governance rules under Section 303A available to listed companies of which more than 50% of the voting power is held by an individual, a group or another company. Accordingly, during the year ended December 31, 2006, the Board had two standing committees, the audit committee and the compensation committee, and did not have any other standing committees.

The Board does not have a formal nominating/governance committee. From time to time, Messrs. Theodore Forstmann and Farid Suleman have assisted the Board in identifying and recruiting qualified Board members consistent with the principles and director qualifications set forth in the Company's Corporate Governance Guidelines. In addition, as discussed at page 53 of this Proxy Statement, stockholders may propose nominees for consideration by the Board by timely submitting names and supporting information to the Chairman of the Board or to the Company's Secretary.

The Board has not designated a presiding director of executive sessions held on a regular basis by non-management directors. Instead, a presiding director is selected at the time of such sessions by the other non-management directors present.

Table of Contents

The Company does not have a policy regarding Board members' attendance at the annual meeting of stockholders. The 2006 annual meeting was attended by Messrs. Farid Suleman and Michael Miles.

The Audit Committee

The Company has a separately-designated standing audit committee. The Board of Directors has adopted a written audit committee charter. The charter is available on the Company's website at www.citadelbroadcasting.com or upon the request of the stockholder by writing to the Company's Secretary at 7201 West Lake Mead Boulevard, Suite 400, Las Vegas, NV 89128.

The audit committee provides assistance to the Company's Board of Directors in fulfilling its legal and fiduciary obligations in matters involving the Company's accounting, auditing, financial reporting, internal control and legal compliance function. The audit committee also oversees the audit efforts of the Company's independent registered public accountants and takes those actions it deems necessary to satisfy itself that the accountants are independent of management.

The audit committee is primarily responsible for oversight of the integrity of the financial reporting process and financial statements of the Company. In general, the audit committee is responsible for oversight of the financial statements and disclosure matters, oversight of the Company's relationship with the independent accountants, oversight of the Company's internal audit function and oversight of compliance responsibilities. As part of these responsibilities, the audit committee, among other things:

appoints, retains and replaces the independent registered public accountants for the Company;

reviews the compensation of and services performed by the independent registered public accountants, including non-audit services (if any);

reviews and discusses the preparation of quarterly and annual financial reports with the Company's management and its independent registered public accountants;

discusses with its independent registered public accountants the matters required by Statement on Auditing Standards No. 61, *Codification of Standards on Auditing Standards* (SAS 61) and evaluating the independence of the accountants in accordance with Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*;

reviews and discusses major issues regarding the Company's accounting principles with management and financial statement presentations and major issues as to the adequacy of the Company's internal controls;

reviews and discusses the initial adoption of, and all significant changes to, critical accounting policies and practices used by the Company with the independent registered public accountants;

evaluates the qualifications, performance and independence of the independent registered public accountants;

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

reviews the significant reports to management prepared by the internal auditing department and any management responses; and

reviews reports and disclosures of insider and affiliated party transactions.

The members of the audit committee in 2006 initially were Michael A. Miles, David W. Checketts and Katherine Brown. Effective March 27, 2006, Mr. Checketts resigned from our Board of Directors, and the Board of Directors appointed Wayne T. Smith to replace Mr. Checketts on the Board and, effective May 1, 2006, to serve as a member of the audit committee. As of February 28, 2007, Michael J. Regan was appointed to the Board and to serve as a member of the audit committee.

The Board of Directors has considered the independence of each of the members of the audit committee and determined that each of them qualifies as independent under rules of the NYSE and the SEC. The Board of

Table of Contents

Directors made this determination after considering the following relationships and assessing the potential effect of these relationships on the independence of the named director:

Ms. Brown, in January 2007, became a Managing Director of Banc of America Securities, LLC and responsible for covering a portfolio of media companies. Bank of America is one of the syndication agents for the current credit facility of Citadel Broadcasting Company, a wholly-owned subsidiary of the Company, and as a lender in the credit facility, Bank of America's total commitment thereunder is approximately 10%.

Mr. Miles is a member of the Forstmann Little advisory board and an investor in certain affiliated partnerships of Forstmann Little & Co., which give him an economic interest in certain portfolio investments, including the Company.

Mr. Miles is a special limited partner of Forstmann Little & Co.

Mr. Smith is a limited partner in two of the partnerships of Forstmann Little & Co., which gives him an economic interest in certain portfolio investments, including the Company.

Mr. Smith is a director of 24 Hour Fitness Worldwide, Inc., a majority of the stock of which is controlled by certain affiliated partnerships of Forstmann Little & Co.

Mr. Smith is the Chairman of the Board, President and CEO of Community Health Systems, Inc. (CHS), a majority of the stock of which was controlled by certain affiliated partnerships of Forstmann Little & Co. until their sale of their interest in CHS in 2004.

The Board of Directors has determined that the relationships discussed above do not affect the independence of Ms. Brown because the Company's relationship with Bank of America was established prior to Ms. Brown's employment there, and her duties for Banc of America are not contingent in any way on or affected by her continued service as director or member of our audit committee.

The Board of Directors has determined that the relationships discussed above do not affect the independence of Mr. Miles because he has not made any commitment to the affiliated partnerships of Forstmann Little & Co. and none of the rights of an advisory board member or a special limited partner of Forstmann Little & Co. are contingent in any way on or affected by his continued service as a director or member of our audit committee nor do his duties as an advisory board member and special limited partner of Forstmann Little & Co. conflict with his duties as a member of the audit committee.

The Board of Directors has determined that the relationships discussed above do not affect the independence of Mr. Smith because none of the rights of a limited partner of the affiliated partnerships of Forstmann Little & Co. or his duties as the Chairman, President and CEO of CHS or as a director of 24 Hour Fitness Worldwide, Inc. are contingent in any way on or affected by his continued service as a director or member of our audit committee nor conflict with his duties as a director or member of the audit committee.

The Board of Directors is not aware of any other relationships involving the audit committee and the Company that required an assessment of materiality by the Board. The Board, in its business judgment, has determined that each of the audit committee members is financially literate. In addition, the Board of Directors has determined that Mr. Miles and Mr. Regan each is an audit committee financial expert as defined under the applicable rules of the SEC.

During 2006, the audit committee held 9 meetings, including four meetings to review quarterly results with the independent registered public accountants. Each director who was a member of the audit committee during 2006 attended all of the meetings of the committee, except for Ms. Katherine Brown and Mr. Michael Miles, who attended 8 and 7 of the 9 meetings, respectively.

Report of the Audit Committee

The audit committee reviewed and discussed with both management and its independent registered public accountants all financial statements, including a discussion of any significant transactions or issues, prior to their

filing with the SEC. In connection with the December 31, 2006 financial statements, the audit committee (1) reviewed and discussed the audited financial statements with management, including any significant transactions or issues; and (2) discussed with the independent registered public accountants the matters required by SAS 61, as amended. The audit committee also discussed with Deloitte & Touche LLP (D&T) their independence, including a consideration of the compatibility of non-audit services with such independence, and received from D&T written disclosures and the letter from D&T required by Independent Standards Board Standard No. 1, *Independence Discussions with Audit Committees*. Based upon these reviews and discussions, the audit committee has recommended that the Board of Directors include the audited financial statements in the Company's Annual Report filed with the Securities and Exchange Commission on Form 10-K for the fiscal year ended December 31, 2006.

This report is respectfully submitted by the Audit Committee of the Board of Directors.

The Compensation Committee

The Board of Directors established a compensation committee on February 24, 2005. The compensation committee has a written charter that is available to the public on the Company's website at www.citadelbroadcasting.com or upon request of the stockholder by writing to the Company's Secretary at 7201 West Lake Mead Boulevard, Suite 400, Las Vegas, NV 89128.

The compensation committee is responsible for discharging the Board's duties and responsibilities relating to compensation of the Company's directors and executive officers and overseeing the Company's various employee welfare and benefits plans. These duties include discussing, reviewing and determining the compensation of the Company's Chief Executive Officer and other senior executives, reviewing and recommending compensation plans for the Company, modifying existing compensation plans, making awards under such plans and performing such other functions as are designated in the compensation committee charter or commonly performed by compensation committees. The role of the compensation committee and the Company's processes and procedures relative to the determination of executive compensation is discussed further under "Compensation Discussion and Analysis" below.

Three members of the Board currently serve on the compensation committee: Michael A. Miles, chairperson, Theodore J. Forstmann and Herbert J. Siegel. Sandra A. Horbach previously served as chairperson of the compensation committee until her resignation in November 2006, and Mr. Miles was not a member of the compensation committee in 2006. Although the Company continues to avail itself of the exemptions from the NYSE corporate governance rules under Section 303A available to listed companies of which more than 50% of the voting power is held by an individual, a group or another company, the Board has considered the independence of each of the members of the compensation committee and determined that Ms. Horbach, Mr. Miles and Mr. Siegel qualify as independent directors under the rules of the NYSE. The Board of Directors has made the determination after considering the following relationships and assessing the potential effect of these relationships on the independence of the named director:

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

Mr. Miles is a member of the Forstmann Little advisory board and an investor in certain affiliated partnerships of Forstmann Little & Co., which give him an economic interest in certain portfolio investments, including the Company.

Mr. Miles is a special limited partner of Forstmann Little & Co.

Ms. Horbach had an economic interest in certain Forstmann Little & Co. partnerships and their portfolio investments, including the Company.

Table of Contents

Mr. Siegel serves as a director of IMG Worldwide, Inc., a majority of the stock of which is controlled by certain affiliated partnerships of Forstmann Little & Co.

The Board of Directors has determined that the relationships discussed above do not affect the independence of Mr. Miles because he has not made any commitment to the affiliated partnerships of Forstmann Little & Co. and none of the rights of an advisory board member or a special limited partner of Forstmann Little & Co. are contingent in any way on or affected by his continued service as a director or member of our compensation committee nor do his duties as an advisory board member and special limited partner of Forstmann Little & Co. conflict with his duties as a member of the compensation committee.

The Board of Directors has determined that the relationships discussed above do not affect the independence of Ms. Horbach because her economic interest in certain Forstmann Little & Co. partnerships and their portfolio investments, including the Company, is not contingent upon nor does it conflict with her duties or interests as a member of the compensation committee.

The Board of Directors has determined that the relationships discussed above do not affect the independence of Mr. Siegel because his duties and relationship as a director of IMG Worldwide, Inc., a majority of the stock of which is controlled by certain affiliated partnerships of Forstmann Little & Co., is not contingent upon nor does it conflict with his duties or interests as a member of the compensation committee.

The Board of Directors is not aware of any other relationships involving the compensation committee and the Company that required an assessment of materiality by the Board. The compensation committee met 4 times during the fiscal year ending December 31, 2006, and each director who is a member of the compensation committee attended all the meetings.

Compensation Committee Interlocks and Insider Participation

During the last completed fiscal year, which ended on December 31, 2006, the compensation committee was comprised of Sandra A. Horbach, Theodore J. Forstmann and Herbert J. Siegel. None of those members is or has been an officer or employee of the Company, and no executive officer of the Company served on the compensation committee or board of any entity that employed any member of the Company's compensation committee or Board of Directors. Page 11 of this proxy statement includes a description of the relationships of each of these directors to Forstmann Little & Co., and of Forstmann Little & Co. to the Company. Sandra A. Horbach resigned from the board and the compensation committee effective November 6, 2006 and thereafter Michael A. Miles took over as the chairman of the compensation committee.

Report of the Compensation Committee

We have reviewed and discussed the Compensation Discussion and Analysis contained in this Proxy Statement with management. Based on our review and discussion with management, we have recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and in The Company's Annual Report on Form 10-K for the year ended December 31, 2006.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

Compensation Discussion and Analysis

The Company's compensation committee (for purposes of this analysis, the Committee) is appointed by the Board of Directors (the Board) and has responsibility for establishing, implementing and monitoring adherence with the Company's compensation philosophy. The Committee strives to ensure that the total compensation paid to the Company's executive officers is fair, reasonable and competitive.

Throughout this proxy statement, we refer to the individuals who served during calendar 2006 as the Company's Chief Executive Officer (CEO), Chief Operating Officer (COO), and Chief Financial Officer (CFO), or in a similar capacity, as well as the other individuals included in the *Summary Compensation Table* as the Company's named executive officers.

Executive Compensation Program's Philosophy and Objectives

The Company's executive compensation program seeks to closely align compensation paid to our named executive officers with the performance of the Company on both a short-term and long-term basis and to use compensation to assist the Company in attracting and retaining key executives critical to our long-term success. To that end, our executive compensation program strives to attract, motivate and retain high-quality executives by providing total compensation that, in the Committee's view, is performance-based and competitive with the various labor markets and industries in which the Company competes for talent.

What the Executive Compensation Program Is Designed to Reward

The Company's compensation program seeks to align named executive officers' incentives with stockholder value creation by rewarding the achievement of measurable corporate and individual performance objectives through annual and long-term cash and stock incentives.

How the Company Structures a Named Executive Officer's Total Compensation

Role of the Committee, Named Executive Officers and Outside Advisors

The Committee approves all compensation and awards to our named executive officers. Generally, on its own initiative, the Committee reviews the performance and compensation of the CEO, COO, and CFO and, following discussions with those individuals and on the recommendation of the CEO (except in the case of his own compensation), and, where it deems appropriate, with an outside advisor, establishes their compensation levels. For the remaining named executive officers, the CEO makes recommendations to the compensation committee that generally, after a review of such recommendations and with minor adjustments are approved.

The Committee has retained an independent third party firm as its compensation consultant to assist in the continual development and evaluation of compensation policies and the Committee's determinations of compensation awards. The role of outside consultant is to provide independent, third-party advice and expertise in executive compensation issues. The outside consultant, however, is not consulted by the Committee on all executive compensation issues, but is utilized in the discretion of the Committee as it deems it to be appropriate.

Total Compensation

The Committee's goal is to award compensation that is reasonable and consistent with the Company's philosophy and objectives regarding executive compensation when all elements of potential compensation are considered, while remaining competitive to be able to retain high level talent. In making decisions with respect to any element of a named executive officer's compensation, the Committee considers the total compensation that may be awarded to the named executive officer, including the following principal components, each of which is discussed in more detail below: annual base salary; annual incentive bonus, the amount of which is dependent on

Table of Contents

Company and individual performance during the prior calendar year; and long-term incentive compensation, currently in the form of stock options, shares of restricted stock or restricted stock units, that are awarded based on the prior year's performance, forward-looking incentives and other factors described below, and are designed to align named executive officers' interests with those of stockholders by rewarding outstanding performance and providing long-term incentives.

In addition, in reviewing and approving compensation arrangements and/or employment agreements for named executive officers, the Committee considers the other benefits that the Company grants to the named executive officer and/or to which the named executive officer is entitled by the agreement, including welfare benefits and compensation payable upon termination of employment with the Company under a variety of circumstances.

Peer Group Analyses

In making compensation decisions with respect to the total compensation opportunity provided to the Company's named executive officers, the Committee considers the competitive market for these executives and compensation levels provided by comparable companies and seeks to provide compensation that is in the competitive range of compensation observed in the marketplace. The Committee reviews the compensation practices at companies with which it competes for talent, including businesses engaged in activities similar to those of the Company, specifically major radio broadcast and communications companies, as well as publicly held businesses with revenue, market capitalization and number of employees comparable to the Company. For example, in calendar year 2006, to assess the competitiveness of our CEO's compensation, the Committee reviewed market data selected and assembled by an outside consultant from the most recent proxy filing for many of the Company's peers. The major compensation elements that were examined in that proxy analysis include: base salary; actual total cash compensation (base salary plus annual bonus); and total direct compensation (base salary plus annual bonus plus the expected value of long-term incentives). In this analysis, the Committee compared the 2006 compensation arrangement of our CEO with the most recent proxy information available, which in most cases included peer company's executives' compensation received through calendar 2005.

The Committee does not attempt to set each compensation element for each executive within a particular range related to levels provided by industry peers. Instead, the Committee uses market comparisons as one factor in making compensation decisions.

Other Factors

Other factors considered when making individual compensation decisions for named executive officers include individual contribution and performance, reporting structure, complexity and importance of role and responsibilities, leadership, and growth potential. In the case of our named executive officers who have served the Company for more than a year, the Committee also considers (a) the performance of the Company during the year(s) during which he or she has held his or her position and (b) the anticipated level of difficulty of replacing him or her with someone of comparable experience and skill.

Policy Regarding Tax Deduction for the Company

When consistent with the compensation philosophy discussed above, the Committee seeks to structure its compensation programs such that compensation paid thereunder will be tax deductible by the Company to the maximum extent possible. Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public corporations for compensation over \$1,000,000.00 paid for any calendar year to the

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

corporation's CEO and four other most highly compensated executive officers as of the end of the calendar year. However, the statute exempts qualifying performance-based compensation from the deduction limit if certain requirements are met, including if the compensation is paid pursuant to qualified performance-based compensation plans approved

Table of Contents

by the Company's stockholders. The Committee designs certain components of named executive officer compensation to permit full deductibility. To this end, in March 2007, the Committee approved the Company's

2007 Senior Executive Annual Bonus Plan, subject to stockholder approval at the upcoming Annual Meeting of Stockholders. We discuss this plan in more detail in Proposal 4 Adoption of Citadel Broadcasting Corporation Senior Executive Annual Bonus Plan. If the stockholders approve this plan, then in order for the bonuses to be paid to those named executive officers who are participants under plan and whose aggregate salary and bonus would exceed \$1 million, certain performance target(s) set for each calendar year will need to be met. The Committee believes, however, that shareholder interests are best served by not restricting the Committee's discretion and flexibility in crafting compensation programs and in making certain compensation awards, even though such programs or awards may result in certain non-deductible compensation expenses. Accordingly, the Committee has also approved elements of compensation for certain named executive officers that are not fully deductible, and reserves the right (including but not limited to under the 2007 Senior Executive Annual Bonus Plan) to do so in the future in appropriate circumstances.

Elements of Compensation, Why the Company Chooses to Pay Each Element and the Company's 2006 Practices

The Company's practices with respect to each of the three key compensation elements identified above, as well as other elements of compensation, are set forth below, followed by a discussion of the specific factors considered in determining key elements of our named executive officers' calendar year 2006 compensation. The Committee intends to review each aspect of our compensation programs annually to ensure that their key elements continue to meet the objectives described above.

Base Salary

Purpose. In general, the level of base salary is intended to provide appropriate base pay to our named executive officers, taking into account the competitive employment market for comparable positions, each individual's job responsibilities, each individual's historical contribution to our success and unique value and, when appropriate, the recommendations of our CEO.

Considerations. Minimum salaries for four of the six named executive officers are determined by employment agreements for those officers. Where not specified by contract, salaries are generally reviewed annually. The minimum salaries specified in the employment agreements, the amount of any increase over these minimums and salaries for named executive officers whose salaries are not specified in an agreement are determined by the Committee based on a variety of factors, including: the nature and responsibility of the position; the expertise of the individual executive and the individual's contributions and importance to us; the nature and extent of the individual's other forms of compensation; the individual's historical compensation; the competitiveness of the market for the executive's services and, to the extent available, salary norms for persons in comparable positions at comparable companies; and the recommendations of the CEO (except in the case of his own compensation).

Determinations as to appropriate base salaries of our named executive officers historically have been largely subjective and do not depend upon the application of a particular formula or the use of designated benchmarks. In setting salaries, the Committee considers the importance of linking a high proportion of named executive officers' compensation to performance in the form of the annual bonus, which is tied to both Company performance measures and individual performance, as well as long-term stock-based compensation, which is tied to Company stock price performance and performance compared to an external peer group.

Calendar Year 2006 Decisions. Among the named executive officers, all but Ms. Ellis and Ms. Stratford are employed pursuant to agreements described under *Employment Agreements* below. Mr. Freedline, Ms. Orr and Mr. Taylor commenced employment with the Company during calendar year 2006. The establishment of their

Table of Contents

salaries was based on the factors described above. None of the named executive officers' base salaries was modified during calendar year 2006. Mr. Suleman's base salary increased from \$1 million to \$1.25 million in September 2005.

Annual Bonus Incentives for Named Executive Officers

Purpose. The compensation program generally provides for an annual bonus that is performance linked. The objective of the program is to compensate named executive officers based on the achievement of specific goals that are intended to correlate closely with growth of long-term shareholder value.

Considerations. Cash bonuses are generally paid based on the achievement of individual objectives that are also considered along with the Company's performance as a whole. In certain cases, bonuses (either a minimum

amount or specified percentage of base salary) have been guaranteed based on the compensation package negotiated at the time of employment, in all cases subject to the final discretion of the Board or Committee. The Committee establishes a target bonus amount for each named executive officer. Target bonuses vary in relation to each individual's responsibilities. The target bonus takes into account all factors that the Committee deems relevant, which may include (but is not limited to) a review of peer group compensation both within the radio broadcasting industry and more broadly, and the Committee's assessment of the aggressiveness of the level of growth reflected in the Company's annual operating plan. The individual performance measures enable the Committee to play a more proactive role in identifying performance objectives and accomplishments beyond purely financial measures, including, for example, exceptional performance of each named executive officer's functional responsibilities as well as leadership, creativity and innovation, collaboration, diversity initiatives, growth initiatives and other activities that are critical to driving long-term value for stockholders. With respect to all of the named executive officers, other than those guaranteed by contract, the Committee retains discretion, in appropriate circumstances, to grant a lower bonus or no bonus at all. All named executive officers are eligible for consideration by the Committee for annual bonuses based upon the named executive officer's performance.

Calendar Year 2006 Decisions. For calendar year 2006, the Committee considered each of the following measures: the named executive officer's performance; extraordinary events and achievements during the year, including the Company's entry into the ABC Radio Merger Agreement and subsequent amendment thereto, with Disney; operating income; economic profit (net operating profit after tax, minus a charge for capital employed in the business, based on the cost of capital); earnings per share; and the recommendation of the CEO (except in the case of his own compensation).

In setting these measures and determining the extent to which they were satisfied, the Committee excluded the impact of items (such as impairment of or gain or loss on sales of assets acquired in earlier periods) that it believed were not driven by the current performance of the Company, other named executive officers' performance or that, in the Committee's judgment, otherwise had a distorting positive or negative impact relative to the performance of Company executives. No bonus was paid to Mr. Suleman, in calendar 2006, as he removed himself from consideration to receive such a bonus, and his decision was accepted by the Committee.

As a result of these determinations, the Committee awarded the bonus amounts set forth in the *Summary Compensation Table*.

Consistent with our approach described above for establishing target bonuses, we established the target bonus levels for our CEO, CFO and COO at \$1 to \$2 million, \$300,000 to \$400,000 and \$200,000, respectively, to be earned as of December 31, 2006, and \$1 to \$2 million, \$500,000 and \$200,000, respectively, to be earned as of December 31, 2007. Whether or not these 2007 bonuses are awarded will be determined by the Committee based upon a number of factors, including but not limited to the named executive officer's individual performance, the

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

performance of the Company, and any contractual obligations of the Company. In addition, in order for 2007 bonus earned by the CEO to be subject to Section 162(m) and be deductible by the Company, in March 2007, the Committee approved the Company's 2007 Senior Executive Annual Bonus Plan, subject to

Table of Contents

stockholder approval at the upcoming Annual Meeting of Stockholders. If the stockholders approve this plan, then in order for the CEO's bonus to be paid certain performance target(s) set for each performance period will need to be met. These additional requirements would apply to bonuses to be paid for calendar year 2007 and subsequent periods. In the event that the Section 162(m) performance target for any performance period is not met, then no bonus will be paid to the CEO. However, as noted above under *Policy Regarding Tax Deduction for the Company*, the Committee will retain the right to award bonuses outside of these plans in appropriate circumstances, including bonuses that may not be deductible by the Company in part or in full. We describe the 2007 Senior Executive Annual Bonus Plan in more detail in Proposal 4 Adoption of Citadel Broadcasting Corporation Senior Executive Annual Bonus Plan.

Each year the Committee shall determine the participants who will participate in the Senior Executive Annual Bonus Plan for that year, and for 2007, the Committee has determined to limit participation to Mr. Suleman.

Long-term Incentive Compensation

Purpose. The long-term incentive program provides a periodic award (typically annual) that is performance based. The objective of the program is to align compensation for our named executive officers over a multi-year period directly with the interests of stockholders of the Company by motivating and rewarding creation and preservation of long-term shareholder value. We also utilize long-term incentive awards as a means of furthering the objectives of our business plans and long-term Company goals, tying executive compensation to Company performance and attracting and retaining talented leadership.

Considerations. The Committee determines the number of incentive awards granted to our named executive officers on an individual, discretionary basis. The level of long-term incentive compensation generally is determined based on any contractual requirements, total compensation provided to named executive officers, the goals of the compensation program described above, discussions with outside advisors, market data on total compensation packages, the value of long-term incentive grants at targeted external companies, total shareholder return, share usage and shareholder dilution and, except in the case of the awards to Mr. Suleman, the recommendations of Mr. Suleman. With the exception of new hires, the Committee generally makes awards during the first quarter of the year to maximize the time period for the incentives associated with the awards. The Committee schedule is generally determined well in advance, and the proximity of any awards to earnings announcements or other market events is coincidental.

Equity Awards and Related Tax and Accounting Considerations. Historically, the primary form of equity compensation that we awarded consisted of non-qualified stock options. We selected this form because of the favorable accounting and tax treatments. Beginning in 2006, however, the accounting for stock options changed as a result of Statement of Financial Accounting Standards No. 123R, making the accounting treatment of stock options less attractive. As a result, we assessed the desirability of granting shares of restricted stock to our named executive officers and concluded that restricted stock likely would be an equal if not greater motivating form of incentive compensation while permitting us to issue fewer shares, thereby reducing potential dilution. Accordingly, the Company's long-term incentive compensation in 2006 consisted of a mix of stock option awards and restricted stock grants. In addition, we made one grant of restricted stock units to Mr. Suleman. These vehicles, each of which is described in more detail below, reward shareholder value creation in slightly different ways. Stock options (which have exercise prices equal to the market price at the date of grant) reward named executive officers only if the stock price increases. Restricted stock and restricted stock units are impacted by all stock price changes, so the value to named executive officers is affected by both increases and decreases in stock price.

Stock Options. The long-term incentive program calls for stock options to be granted with exercise prices of not less than fair market value of the Company's stock on the date of grant. With rare exceptions made by the Committee, the stock options we grant vest ratably over four years, based on continued employment. The

Table of Contents

Committee will not grant stock options with exercise prices below the fair market value on the date of grant, and will not reduce the exercise price of stock options (except in connection with adjustments to reflect recapitalizations, stock or extraordinary dividends, stock splits, mergers, spin-offs and similar events permitted by the relevant plan) without shareholder approval. New option grants to named executive officers normally have a term of ten years.

Unless otherwise set forth in a named executive officer's notice of stock option grant, if there is any change in the stock subject to an option or in the corporate structure of the Company, through merger, consolidation, division, share exchange, combination, reorganization, recapitalization, stock dividend, stock split, spinoff, split up, extraordinary dividend, dividend in kind or other similar change in the corporate structure or distribution to stockholders, a reclassification, or any similar occurrence, the terms of this option (including, without limitation, the number and kind of shares subject to the option and the exercise price) may be adjusted by the Committee in its sole discretion pursuant to the terms of the Citadel Broadcasting Corporation Amended and Restated 2002 Stock Option and Award Plan (also referred to from time to time by the Company as the Amended and Restated 2002 Long Term Incentive Plan) (as amended from time to time, the Plan).

With respect to the special distribution (the Special Distribution) to be paid by the Company in connection with the transactions contemplated by the ABC Radio Merger Agreement, the Committee, in conjunction with the Company's senior management, has determined that, except as required pursuant to an existing agreement, all outstanding options granted prior to the record date for the Special Distribution shall not be adjusted in any way. However, the options awarded to Mr. Freedline, CFO, as of May 24, 2006, shall be adjusted in accordance with the terms of his employment agreement with the Company.

Restricted Stock. Restricted stock awards may be either time based or both time based and performance based. For time-based stock to be earned, the named executive officer must be continuously employed with us through the applicable vesting date. For performance-based stock to be earned, the named executive officer and/or Company must achieve certain performance goals within the particular vesting period covered by the award in addition to being continuously employed with the Company through the applicable vesting date. The performance goals were approved by our stockholders at the 2006 annual meeting of stockholders, and awards that are dependent upon those performance goals are not subject to the adverse tax consequences described above relating to Section 162(m) of the Internal Revenue Code. Proposal 2 contained in this proxy statement includes additional performance goals that, if approved by our stockholders, can be used in connection with the grant of performance-based stock awards.

The awards made in 2006 were both performance based and time based. These awards vested in two equal tranches annually. For these awards, the performance goals for our CEO, COO and Senior Vice President Finance and Administration related to the Company's attainment of revenue-related performance objectives during the applicable twelve-month period. Specifically, for the twelve-month restricted period, the revenue growth of the Company on a consolidated basis must equal or exceed revenue growth in the radio broadcasting industry for the same twelve-month period as reported by Miller, Kaplan, Arase & Co. LLP, Certified Public Accountants (or another comparable source), as adjusted by the Committee (Performance Goal) for comparable results in the event of any significant merger, acquisition or disposition (including the proposed merger and other transactions contemplated by the ABC Radio Merger Agreement). After the end of the twelve-month period, the Committee determined that the performance goals for Section 162(m) compliance set for the twelve-month period under the performance-based awards granted to these named executive officers in 2006 had been met. As a result, the Committee certified the following:

(a) the Performance Goal with respect to 416,667 shares under Tranche A of the CEO's grant of 1,250,000 shares of Restricted Stock and 565,997 shares under Tranche A of the CEO's grant of 1,131,994 Performance Shares has been satisfied;

(b) the Performance Goal has been satisfied with respect to 50,000 shares of Restricted Stock of the 3/16/06 grant to Judy Ellis, COO, of 100,000 shares of Restricted Stock; and

Table of Contents

(c) the Performance Goal has been satisfied with respect to 12,500 shares of Restricted Stock of the 3/16/06 grant to Patricia Stratford, Senior Vice President-Finance and Administration of 25,000 shares of Restricted Stock.

On March 16, 2007, the Committee approved an additional grant of 100,000 shares of performance-based restricted stock to the Company's COO, subject to the satisfaction of performance goals, which relate to the Company's attainment of the same revenue-related performance objectives during the applicable twelve-month period as the goals to which the grants made in 2006 were subject. Specifically, for the twelve-month restricted period, the revenue growth of the Company on a consolidated basis must equal or exceed revenue growth in the radio broadcasting industry for the same twelve-month period as reported by Miller, Kaplan, Arase & Co. LLP, Certified Public Accountants (or another comparable source), as adjusted by the Committee (Performance Goal) for comparable results in the event of any significant merger, acquisition or disposition (including the proposed merger and other transactions contemplated by the ABC Radio Merger Agreement. After the end of the twelve-month period, the Committee shall determine whether or not the performance goals for Section 162(m) compliance set for the twelve-month period under the performance-based awards were met for 2007. This grant to Ms. Ellis shall vest over a three-year period, subject to the performance criteria outlined above and Ms. Ellis' continuous employment with the Company through the applicable vesting date. Also as of the date of this proxy statement, in 2007, the Committee has made grants of time-based restricted stock to Ms. Orr and Ms. Stratford of 25,000 shares each, subject to three year time vesting, and a grant of time-based restricted stock to Mr. Taylor of 7,500 shares, which is also subject to three-year time vesting.

Restricted Stock Units. We have only made one grant of restricted stock units as long-term incentive compensation, which was to Mr. Suleman in March 2006. That grant was approved by our stockholders at the 2006 annual meeting and replaced certain fully vested stock options held by Mr. Suleman. Those restricted stock units were fully vested with deferred distribution dates. The Committee may consider making additional grants of restricted stock units in the future, which grants likely would be unvested at the date of grant and would have scheduled vesting and distribution dates. In addition, in connection with the closing of the merger with ABC Radio, we will be assuming certain restricted stock units that Disney granted as long-term incentive compensation to its ABC Radio employees, and those restricted stock units shall vest in accordance with the previously established terms upon which they were granted by Disney.

Calendar Year 2006 Decisions. In calendar 2006, the Committee awarded long-term compensation for named executive officers pursuant to the program described above resulting in the awards of stock options and restricted stock units identified in the Summary Compensation Table and the Grants of Plan-Based Awards Table. In determining the annual grants of long-term incentive awards, the Committee considered the factors described above. In addition as described and for the reasons enumerated above, in calendar 2006, the Company increasingly granted time-based and performance-based restricted stock in lieu of stock options, and made one grant of restricted stock units to Mr. Suleman.

The Company has continued this practice to date in 2007, granting Ms. Ellis 100,000 shares of performance-based restricted stock, Ms. Stratford and Ms. Orr each 25,000 shares of time-based restricted stock, and Mr. Taylor 7,500 shares of time-based restricted stock, each grant of which is discussed in more detail above.

Also in calendar 2006, the Committee approved the payment to Mr. Suleman's gross-up for the tax differential between ordinary income and dividend income rates (Additional Tax) during the years ended December 31, 2006, 2007 and 2008, in respect of dividends and distributions, if any, Mr. Suleman receives in respect of any unvested portion of the 1,131,994 performance-vesting shares of restricted stock granted to Mr. Suleman as of March 16, 2006, which vest annually in two equal installments beginning on March 16, 2007, and the shares of the Company common stock underlying his undistributed restricted stock units (collectively, Undelivered Shares). The amount of such payment for 2006 was set at \$807,317, and for 2007 and 2008 will be calculated as the product of 0.3738 and the aggregate amount of any such dividends received in respect of the

Table of Contents

Undelivered Shares. The gross up was authorized to be paid to Mr. Suleman in either cash or common stock, at the option of the Company, and for 2006, the Company has elected to settle the gross up obligation in stock.

Stock Ownership. Although the Company has chosen to award restricted and unrestricted stock, options to acquire stock and other forms of equity awards to its named executive officers and other employees, the Company does not have equity or other security ownership requirements. As persons with access to material non-public information regarding the Company, our named executive officers like all of our employees and directors are restricted in their ability to trade our securities in accordance with applicable law, our Company's securities trading policy and the guidelines contained in our Code of Business Ethics, which is available at <http://www.citadelbroadcasting.com/invest/corpgovern.cfm>, then click on Code of Business Conduct and Ethics. In addition, Messrs. Suleman and Taylor and Ms. Ellis each are party to a stockholder's agreement with the Company with respect to purchases of our common stock that they made prior to our initial public offering. These agreements contain restrictions on, among other things, the employee's ability to transfer those shares of common stock, and also require the Company to buy back certain unvested shares upon termination of the employee's employment with the Company. We describe these stockholders agreements in more detail under Stockholder's Agreements.

Benefits and Perquisites

The Company provides named executive officers with perquisites and other benefits that the Company and the Committee believe are reasonable and consistent with the overall executive compensation program to better enable the Company to attract and retain superior employees for key positions. The Committee periodically reviews the level of perquisites and other personal benefits provided to named executive officers. With limited exceptions, named executive officers receive perquisites and benefits that are substantially the same as those offered to other officers of the Company. The Company may also make available to its CEO and COO use of the corporate aircraft for business purposes. On occasion, the corporate aircraft may be used by the CEO for personal purposes; however, the cost of such use is reimbursed by the CEO to the Company. In addition, the CEO and COO are provided with use of Company vehicles and/or parking for business use.

Named executive officers also participate in our other benefit plans on the same terms as other employees. These plans include medical, vision and dental insurance, life and disability insurance, and flexible spending accounts relating to health care and dependents. Named executive officers also participate in the Company's 401(k) retirement savings plan, which is discussed below under Severance, Retirement and Change in Control Benefits and on a case-by-case basis are reimbursed for work-related transportation costs. For additional information on the benefits and/or perquisites available to named executive officers, see the text following the *Summary Compensation Table* below.

Severance, Retirement and Change in Control Benefits

Most employees of the Company are employees at-will, and we do not have a company-wide severance policy. Generally, unless an employee and the Company have entered into an employment agreement that provides differently, when a person's employment with the Company terminates, any vested but unexercised stock options must be exercised within 60 days of termination or they are forfeited, any unvested restricted stock is forfeited, and with certain exceptions that person is entitled to be paid for any earned but unpaid salary and any earned but unused vacation.

Our senior management and other employees have built the Company into the successful enterprise that it is today, and we believe that it is important to protect them in the event of a change in control and provide them benefits under certain other circumstances if their employment with the Company is terminated. Further, it is our belief that the interests of stockholders will be best served if the interests of our senior management are aligned with them, and providing change in control benefits increases the likelihood that senior management will pursue

potential change in control transactions, if any, that may be in the best interests of our stockholders. Relative to

the overall value of the Company, these potential change in control benefits are minor. Therefore, it has been our practice to negotiate change in control benefits with our senior officers if they have requested such benefit. Three of the Company's named executive officers, Mr. Freedline (CFO), Mr. Taylor (vice president finance and principal accounting officer) and Ms. Orr (vice president, general counsel, and secretary) have entered into employment agreements with the Company that include severance and change in control provisions in the event of termination of such individual's employment with the Company. The components of any change in control benefits have been negotiated on an individual and discretionary basis and are based on a myriad of considerations, including the nature and responsibility of the individual's position, the expertise of the individual executive and the individual's contributions and importance to us, the competitiveness of the market for the executive's services and, to the extent available, change in control norms for persons in comparable positions at comparable companies, and the recommendations of the CEO. The change in control agreements we currently have in place with named executive officers are described below in the narrative entitled, "Employment Agreements, Termination of Employment and Change-in-Control Arrangements."

Employment Agreements, Termination of Employment and Change-in-Control Arrangements

Among the named executive officers, all but Mesdames. Ellis and Stratford are employed pursuant to agreements or other written arrangements, which we have described below.

Mr. Suleman's Employment Arrangements

Farid Suleman joined the Company in March 2002. The key terms of his employment were governed by a letter, dated February 15, 2002, from Theodore J. Forstmann of Forstmann Little & Co. to Mr. Suleman. Such terms were modified by the compensation committee of the Board of Directors effective September 20, 2005 and are currently the following:

Mr. Suleman's annual salary is \$1.25 million per year and is subject to annual review and adjustment by the compensation committee;

Mr. Suleman is eligible to receive an annual bonus of between \$1 million and \$2 million, the actual value of which is to be set by the compensation committee and to be payable either in cash or in the form of warrants to purchase our common stock, at the option of the compensation committee, in both cases in accordance with past practices, and generally is based on the Company's overall performance during the last fiscal year. If the bonus is paid in the form of warrants to purchase shares of common stock of the Company, the warrants will be valued, as determined by the compensation committee, on the date of payment. The warrants will be fully vested at the time of payment and will have a ten-year term. In the event the stockholders approve the adoption of the Citadel Broadcasting Corporation Senior Executive Annual Bonus Plan contained in Proposal 4 of this Proxy Statement, Mr. Suleman's annual bonus will be administered under that Plan;

Mr. Suleman received options and purchased shares of common stock of the Company in connection with his appointment as Chief Executive Officer, as described below;

Mr. Suleman is eligible to receive grants of long-term incentive compensation awards under the Long-Term Incentive Plan; and

Mr. Suleman is entitled to the Company's standard employee benefit package.

On April 23, 2002, the Company granted to Mr. Suleman options to purchase 4,150,000 shares of common stock of the Company in connection with his becoming the Company's Chief Executive Officer. These options have a term of ten years and have a per share exercise price of \$3.50. The \$3.50 exercise price was determined by negotiations between the Company and Mr. Suleman and was not based on fair market value. While such options are outstanding, Mr. Suleman may exercise the options for purposes of proportionately participating in the sale of shares of common stock of the Company by the Forstmann Little partnerships or in a change of control of the Company in which the Forstmann Little partnerships cease to own any shares of voting stock. Mr. Suleman's stock option agreement also provides that, if there is a sale of shares of the common stock of the Company by the Forstmann Little partnerships or a change of control of the Company in which Forstmann Little partnerships cease to own any shares of voting stock, Mr. Suleman may be required by the Company to proportionately exercise his options and participate in the sale of shares by the Forstmann Little partnerships. These provisions related to Mr. Suleman's exercise of the options in connection with sales by the Forstmann Little partnerships are expected to be terminated prior to the closing of the transactions pursuant to which the Company will combine the ABC Radio businesses with the Company, in accordance with the terms of the ABC Radio Merger Agreement. The Company has the option to purchase, at their fair value, all of the shares of common stock of the Company purchased by Mr. Suleman upon exercise of his options after his termination of employment. On March 16, 2006, the compensation committee approved the cancellation of these fully vested options and the issuance to Mr. Suleman in their place of 2,868,006 fully vested restricted stock units with a

deferred distribution date.

The Company has made three grants of long-term incentive compensation awards under the Long-Term Incentive Plan to Mr. Suleman: effective March 26, 2004, the Company granted to Mr. Suleman the option to

Table of Contents

purchase 400,000 shares of common stock of the Company at an exercise price of \$16.94 per share; effective February 24, 2005, the Company granted to Mr. Suleman the option to purchase 450,000 shares of common stock of the Company at an exercise price of \$13.64 per share; and effective September 20, 2005, the Company granted to Mr. Suleman 1,250,000 shares of restricted stock, which vest in three annual portions, beginning on September 20, 2006. On March 16, 2006, the compensation committee of the Company's Board of Directors approved the modification of the vesting terms of the 1,250,000 shares of restricted stock to subject them to additional criteria based on the Company's attainment of certain revenue-related performance objectives and to extend the applicable vesting dates to January 1, 2007, October 1, 2007 and October 1, 2008. The compensation committee also granted to Mr. Suleman, subject to receipt of the same stockholder approval, 1,131,994 performance-vesting restricted shares, which are subject to the Company's attainment of certain revenue-related performance objectives and Mr. Suleman's continued employment, and vest in two equal installments beginning on March 16, 2007. Also on March 16, 2006, the compensation committee approved the cancellation of Mr. Suleman's option to purchase 400,000 shares of common stock of the Company granted to him on March 26, 2004. The Company obtained stockholder approval at the annual meeting of stockholders of the Company on May 24, 2006 for these modifications, grants, and cancellations.

On December 11, 2006, the compensation committee approved the payment to Mr. Suleman of a gross-up for the tax differential between ordinary income and dividend income rates (Additional Tax) during the years ended December 31, 2006, 2007 and 2008, in respect of dividends, if any, Mr. Suleman receives in respect of any unvested portion of the 1,131,994 performance-vesting shares of restricted stock granted to Mr. Suleman as of March 16, 2006, which vest annually in two equal installments beginning on March 16, 2007, and the shares of the Company common stock underlying his undistributed restricted stock units (collectively, Undelivered Shares). The value of such payment for 2006 was set at \$807,317, and for 2007 and 2008 will be calculated as the product of 0.3738 and the aggregate amount of any such dividends received in respect of the Undelivered Shares. The gross up was authorized to be paid to Mr. Suleman in either cash or common stock, at the option of the Company, and for 2006, the Company has elected to settle the gross up obligation in stock.

Mr. Freedline's Employment Agreement

Subject to certain terms and conditions contained in Mr. Freedline's employment agreement, Mr. Freedline will be employed by the Company for the period beginning on May 26, 2006 and ending on May 25, 2009.

Mr. Freedline's employment agreement provides that he will receive an annual base salary of \$500,000. This base salary will be reviewed at least annually and may be increased by the compensation committee, but may not be decreased without Mr. Freedline's consent. Mr. Freedline will be eligible to receive an annual incentive bonus during the term of his employment, which will be subject to the review of Mr. Freedline's performance by the compensation committee. Mr. Freedline's target incentive bonus opportunity will be \$400,000 for the year ending December 31, 2006 (80% of current year's base salary) and, for each subsequent calendar year, will not be less than one year of base salary at the highest rate in effect during such year.

In connection with the commencement of his employment and pursuant to his employment agreement, Mr. Freedline was granted two initial equity incentive awards under the Company's Long-Term Incentive Plan: (1) 100,000 shares of time-vesting restricted stock and (2) an option to purchase 150,000 shares of Citadel common stock at the closing trading price of a share of Citadel common stock on the New York Stock Exchange on May 26, 2006, the day on which such options were granted. Each of these awards will vest in one-third installments on each of May 25, 2007, 2008 and 2009, subject to Mr. Freedline's continuous employment with the Company through the applicable vesting date. The vesting of these awards will accelerate under certain circumstances described in the Agreement if there is a Change in Control of the Company. The nonvested stock grant is subject to the terms and conditions of a restricted stock agreement that do not differ materially from the terms and conditions included in the Company's form of restricted stock agreement for executive officers. During the vesting period of the nonvested stock, Mr. Freedline will have all of the rights of a stockholder with respect to such shares (except for the right to transfer the shares), including the right to vote the shares and to

Table of Contents

receive all dividends or other distributions paid or made with respect to the shares. The options granted to Mr. Freedline prior to the ex-dividend date of the special dividend that the Company will pay to its stockholders pursuant to the ABC Radio Merger Agreement in connection with the Company's expected business combination with the ABC Radio businesses will be adjusted to preserve the fair market value of such options as a result of the payment of the special dividend. Mr. Freedline will be eligible to receive additional equity grants of comparable value and on comparable terms in each of the second and third years of his employment with the Company.

During the term of his employment, Mr. Freedline also will receive employee benefits and be eligible to participate in all employee benefit plans of the Company in a manner commensurate with other senior executive officers of the Company, other than the Company's Chief Executive Officer.

Mr. Freedline is party to a consulting agreement with his former employer under which he has agreed to provide consulting services of limited scope relating to such former employer's business during his period of service with such employer and its predecessors. Mr. Freedline may continue to perform services under the consulting agreement so long as they do not interfere with his performing services for the Company or result in any conflict of interest.

The Company has agreed to indemnify Mr. Freedline (and to gross him up for taxes resulting from the indemnity payment), if, under certain circumstances described in the Agreement, (1) an excise tax under Section 280G of the Internal Revenue Code is imposed on amounts paid to him in connection with a Change in Control or (2) additional tax or interest under Section 409A of the Internal Revenue Code is imposed on or in respect of a payment or benefit received by him, so that, in either case, he will be in the same tax position as if such excise tax or additional tax or interest had not been imposed.

Mr. Freedline's employment agreement provides that in the event that his employment terminates at the end of the term of the agreement, Mr. Freedline would be entitled to: (1) the vesting of 50% of all nonvested equity awards held by him as of the date of such termination and (2) a lump sum payment equal to the sum of: (a) any accrued obligations owing to Mr. Freedline and (b) a pro rata bonus amount. In the event that his employment ends as a result of his death or disability, Mr. Freedline (or his estate) would be entitled to: (1) a lump sum payment equal to the sum of: (a) any accrued obligations owing to Mr. Freedline and (b) a pro rata bonus amount; (2) continued medical, dental, life insurance, disability and other welfare benefits for one year or the value of such benefits in cash if Mr. Freedline is not permitted by the Company's plans at the time of termination to receive such benefits; and (3) if such termination occurs on or after November 26, 2007, all nonvested equity awards held by Mr. Freedline as of the date of such termination shall become vested upon such termination; otherwise, all nonvested equity awards held by Mr. Freedline as of the date of such termination shall be canceled upon such termination.

No severance benefits (other than accrued salary, benefits and other obligations) are payable in the event of the termination of Mr. Freedline's employment by the Company for Cause or by Mr. Freedline without Good Reason. In the event the Company terminates Mr. Freedline's employment without Cause (as defined in the agreement) or if Mr. Freedline resigns with Good Reason (as defined in the agreement) (including, but not limited to, because of a reduction in his base salary or material reduction or discontinuance of any material benefit plan, the failure to award his incentive bonus under certain circumstances, the failure to award his additional equity grants, certain changes in his position, duties or responsibilities and certain relocations of his principal place of employment), Mr. Freedline would be entitled to: (1) a lump sum payment equal to the sum of: (a) any accrued obligations owing to Mr. Freedline, (b) a pro rata bonus amount, (c) one year of base salary at the rate then in effect, and (d) (i) if Mr. Freedline is terminated without Cause or Mr. Freedline terminates for Good Reason other than as a result of a failure by the Company to award an incentive bonus in an amount equal to at least (x) \$300,000 for the year ended December 31, 2006 or (y) 75% of the target incentive bonus opportunity for any year ending after December 31, 2006, the greater of (A) 100% of the target incentive bonus opportunity for

Table of Contents

the year in which the termination occurs or (B) 100% of the incentive bonus awarded to Mr. Freedline in respect of the most recent year for which an incentive bonus has been awarded; provided, that if the year referred to in clause (B) ended on December 31, 2006, then the amount referred to in such clause will be 125% of the incentive bonus awarded in respect of the year ended on December 31, 2006, or (ii) if Mr. Freedline terminates for Good Reason as a result of a failure by the Company to award an incentive bonus in an amount equal to at least \$300,000 for the year ended December 31, 2006, 75% of the target incentive bonus opportunity for the year ending December 31, 2007, or (iii) if Mr. Freedline terminates for Good Reason as a result of a failure by Citadel to award an incentive bonus in an amount equal to at least 75% of the target incentive bonus opportunity for any year ending after December 31, 2006, 100% of the greater of (x) the incentive bonus awarded for the most recently completed year or (y) the incentive bonus awarded for the year immediately preceding the most recently completed year, provided, that if the year referred to in clause (y) ended on December 31, 2006, then the amount referred to in such clause will be equal to 125% of the incentive bonus awarded in respect of the year ended on December 31, 2006; (2) continued medical, dental, life insurance, disability and other welfare benefits for one year or the value of such benefits in cash if Mr. Freedline is not permitted by the Company's plans at the time of termination to receive such benefits; and (3) accelerated vesting of any nonvested equity awards granted under the Agreement and held by Mr. Freedline on the date of termination.

In the event the Company terminates Mr. Freedline's employment without Cause or Mr. Freedline resigns with Good Reason in connection with a Change in Control (as defined in the Long Term Incentive Plan, but excluding any effects of the merger under the ABC Radio Merger Agreement), (i) at the request of any third party participating in or causing a Change in Control or (ii) within one year following a Change in Control, Mr. Freedline would be entitled to: (1) a lump sum payment equal to the greater of (x) such amount he would otherwise be entitled to upon a termination without Cause or with Good Reason and (y) the sum of: (a) any accrued obligations owing to Mr. Freedline, (b) a pro rata bonus amount, (c) base salary at the rate then in effect for the remainder of the term of the Agreement, and (d) an amount equal to the product of (x) the number of days remaining in the term of Mr. Freedline's employment divided by 365, multiplied by (i) the greater of (A) 100% of the target incentive bonus opportunity for the year in which the termination occurs or (B) 100% of the incentive bonus awarded to Mr. Freedline in respect of the most recent year for which an incentive bonus has been awarded; provided, that if the year referred to in clause (B) ended on December 31, 2006, then the amount referred to in such clause will be 125% of the incentive bonus awarded in respect of the year ended on December 31, 2006.

Mr. Freedline's employment agreement defines "Cause" to mean (i) Mr. Freedline's willful and continued failure to perform substantially his duties with the Company (other than any such failure resulting from Mr. Freedline's disability or any such failure subsequent to his being delivered notice of the Company's intent to terminate his employment without Cause or delivering to the Company a notice of his intent to terminate for Good Reason) after a written demand for substantial performance is delivered to Mr. Freedline by the Board, the Committee or the Company's CEO which specifically identifies the manner in which the Board, the Committee or the CEO believes Mr. Freedline has not substantially performed his duties and Mr. Freedline, after a period of no less than thirty days as set forth in the Company's notice, has failed to cure such failure; (ii) Mr. Freedline's willful dishonesty or misconduct in the performance of his duties that could reasonably be expected to cause a material harm to the Company or any of its subsidiaries; (iii) Mr. Freedline's involvement in a transaction in connection with the performance of his duties to the Company or any of its subsidiaries which has not been disclosed to the Board or Company and which is adverse to the interests of the Company or its subsidiaries and which is engaged in for personal profit (whether for the benefit of Mr. Freedline or any other person or entity related to Mr. Freedline or with respect to which Mr. Freedline has a material interest); or (iv) Mr. Freedline's conviction (by a court of competent jurisdiction) of, or a plea of nolo contendere to, any crime that constitutes a felony under federal, state or local law (other than a motor vehicle violation for which no custodial penalty is imposed). For purpose of the definition of Cause set forth above, no act or failure to act shall be considered "willful" unless done or omitted to be done by Mr. Freedline in bad faith and without reasonable belief that Mr. Freedline's action was in the best interests of the Company and its subsidiaries. Any act, or failure to act, based upon authority given pursuant to a resolution duly adopted by the Board or based upon the advice of

Table of Contents

counsel for the Company shall be conclusively presumed to be done, or omitted to be done, by Mr. Freedline in good faith and in the best interests of the Company.

Good Reason generally is defined in Mr. Freedline's agreement to mean without his express written consent: (i) a reduction in his base salary or a material reduction or discontinuance of any material benefit plan; (ii) a failure to award an incentive bonus to Mr. Freedline in an amount equal to at least 75% of his target bonus opportunity specified in his employment agreement for any performance year ending after December 31, 2006; (iii) a failure to award an incentive bonus to Mr. Freedline in an amount equal to at least \$300,000 for the performance year ending December 31, 2006; (iv) a failure on the part of the Company to grant or cause to be granted to Mr. Freedline (A) the initial equity award agreed to in his employment agreement or (B) on or prior to each anniversary of the effective date of the agreement, a subsequent equity award that has a combined restricted stock and stock option value equal to at least \$1 million as of the date of grant and in the same proportions of the restricted stock and stock options initially granted to him pursuant to the employment agreement on the date it was granted; (v) any change in the position, duties, responsibilities (including reporting responsibilities) or status of Mr. Freedline that is inconsistent and adverse to Mr. Freedline in any material respect with Mr. Freedline's position, duties, responsibilities or status with or to the Company as a public company as of the effective date of the agreement (including Mr. Freedline not serving as the Chief Financial Officer of the public parent company); (vi) a requirement by the Company that Mr. Freedline be based in an office that is located more than 25 miles from his principal place of employment as of the effective date; or (vii) any material failure on the part of the Company to comply with and satisfy the terms of the agreement.

Because of the so-called parachute tax imposed by Internal Revenue Code 280G, we have agreed to reimburse Mr. Freedline for any taxes imposed as a result of change in control benefits.

Assuming a termination date of December 31, 2006, Mr. Freedline would have been entitled to receive:

- (i) If termination was by us for Cause or by Mr. Freedline without Good Reason, then the officer would have been entitled to receive only any accrued obligations owing to Mr. Freedline as of the date of termination and all unvested equity awards would be forfeited.

Table of Contents**PROPOSAL 1 ELECTION OF CLASS I DIRECTORS**

The Board of Directors recommends that you vote FOR the election of the three nominees to serve as Class I directors on the Company's Board of Directors.

Board of Directors

The Company's Board of Directors is currently composed of nine directors.

The Company's amended and restated certificate of incorporation provides for a classified Board of Directors consisting of three classes. Each class consists, as nearly as possible, of one-third of the total number of directors constituting the entire Board. At each annual meeting of stockholders, successors to the class of directors whose term expires at that annual meeting will be elected for a three-year term and until their respective successors are elected and qualified. A director may only be removed with cause by the affirmative vote of the holders of a majority of the outstanding shares of capital stock entitled to vote in the election of directors, voting together as a single class. Each of the four Forstmann Little partnerships has a contractual right, for so long as it holds any shares of our common stock, to designate a nominee for election to the Company's Board of Directors, and the Company is obligated to solicit proxies in favor of each of these four nominees and to use reasonable efforts to cause each of these four nominees to be elected. The nominees of the Forstmann Little partnerships are Theodore J. Forstmann, J. Anthony Forstmann and former director Sandra A. Horbach, of whom only J. Anthony Forstmann is a Class I director whose term of office will terminate on the date of the 2007 annual meeting of stockholders and is accordingly standing for re-election at the meeting.

Nominees

Upon the recommendation of the Board of Directors, the following three directors listed in the table below are nominated for election to serve as Class I directors for a term of three years expiring at the annual meeting of stockholders in 2010 or when their respective successors are elected and qualified. If any of the nominees are unable to serve or refuse to serve as directors, an event which the Board does not anticipate, the proxies will be voted in favor of such other person(s), if any, as the Board of Directors may designate. A plurality of the votes cast at the Annual Meeting will elect each Class I director. Stockholders may not grant a proxy for a greater number of persons than three, which is the number of nominees identified herein.

The compensation committee of our Board of Directors recommends that you vote **FOR** the approval of the material terms of the performance objectives that may apply to performance-based awards under the Long-Term Incentive Plan and related modifications to the Long-Term Incentive Plan, as described in this Proposal 2.

Description of Proposal

At the meeting, you will be asked to approve the material terms of the performance objectives that may apply to performance-based awards under the Long-Term Incentive Plan and related modifications to the Long-Term Incentive Plan.

Under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Internal Revenue Code), the Company generally may not, for federal income tax purposes, deduct from its income the compensation paid during a taxable year to a person who, on the last day of such year, is the chief executive officer (or person acting in that capacity) or among the four other highest compensated executive officers of the Company and its subsidiaries (each such person, a covered executive), to the extent such compensation exceeds \$1 million. This limitation, however, does not apply to certain performance-based compensation paid to a covered executive if the material terms of the performance objectives under which such compensation is determined and paid are disclosed to and approved by the stockholders of the Company.

The compensation committee recommends that you vote **FOR** the approval of the material terms of the performance objectives that may apply to performance-based awards under the Long-Term Incentive Plan, as described in this Proposal 2.

Summary of the Material Terms of Performance Awards and Performance Objectives

The following is a summary of the material terms of the performance objectives that may apply to performance-based awards under the Long-Term Incentive Plan. The statements made herein concerning the terms and provisions of the Long-Term Incentive Plan are summaries and do not purport to be a complete recitation of the Long-Term Incentive Plan provisions. Such statements are qualified in their entirety by express reference to the full text of the Long-Term Incentive Plan. A copy of the Long-Term Incentive Plan as proposed to be amended and restated by this Proposal 2 and by Proposal 3 of this Proxy Statement is attached hereto as Appendix A and is incorporated by reference herein. Use of Performance Objectives under Awards. The purpose of the Long-Term Incentive Plan and the use of performance-based awards is to strengthen the Company and our subsidiaries by providing an incentive to our employees, officers, consultants and directors and thereby encouraging them to devote their abilities and industry to the success of the Company's business enterprise. Our compensation committee believes that our growth is dependent upon our ability to attract, employ and retain employees, officers, consultants and directors of outstanding

ability who will dedicate their maximum productive efforts toward the advancement of the Company. The compensation committee has found that granting incentive awards has been highly effective in recruiting and retaining competent personnel and directors. Performance-based compensation will be awarded if the compensation committee determines that such awards are in the best interest of the Company and its stockholders. Performance objectives for awards will be determined by the compensation committee and will be designed to support the Company's business strategy and to align employees' interests with stockholder interests.

Employees (including future employees who have received a formal written offer of employment), officers, consultants, independent contractors and directors of the Company and our subsidiaries generally will be eligible to receive performance share awards, performance unit awards and other awards the vesting of which is contingent on the attainment of specified performance objectives. In making its selection and in determining the form and amount of awards, the compensation committee may give consideration to the functions and responsibilities of the eligible person, his or her past, present and potential contributions to the Company and such other factors as the compensation committee deems relevant.

In this regard, if an applicable award is denominated in dollars instead of shares, the maximum amount that can be paid out in respect of any such award granted in any 12-month period is the cash value of 5,000,000 shares.

Securities Authorized for Issuance. Currently, 10,000,000 shares of common stock, par value \$0.01, of the Company have been reserved for issuance in connection with the grant of awards under the Long-Term Incentive Plan, subject to adjustment in the event of a stock split, recapitalization or other similar change affecting the common stock of the Company. If the matter put before the stockholders in Proposal 3 is approved, that number will increase to 18,000,000 shares reserved for issuance. As of March 30, 2007, outstanding restricted stock awards and options to purchase shares of common stock of the Company, in the aggregate, represent 6,690,820 shares of common stock of the Company. As a result, assuming proposal 3 is approved, then the shares of the Company's common stock would remain available for future issuance under the Long-Term Incentive Plan would be increased by 8,000,000 shares. The closing price of a share of the Company's common stock as reported on the NYSE on April 17, 2007 was \$9.69. The securities authorized for issuance under the Long-Term Incentive Plan are described in tabular format on page 45 of this Proxy Statement.

Performance Awards. The committee, in its discretion, may grant performance-based awards to eligible individuals, the terms and conditions of which shall be set forth in an agreement between the Company and the grantee. Each agreement shall specify the number of performance shares or performance units to which it relates, the performance objectives which must be satisfied in order for the performance shares or performance units to vest and the time period within which such performance objectives must be satisfied.

Performance Shares. Performance shares are restricted shares of common stock of the Company the vesting of which is contingent upon achievement of performance conditions established by the committee. Unless the committee determines otherwise, and as set forth in each agreement, the grantee of a performance share shall have all of the rights of a stockholder with respect to such share (except for the right to transfer the share), including the right to vote the share and to receive all dividends or other distributions paid or made with respect to the share.

Performance shares vest upon the attainment of specified performance objectives within a specified performance cycle (generally at least a 12-month period), provided the grantee has remained employed by the Company or one of its subsidiaries through a specified date. Until such vesting date, the performance shares will be held in escrow and will not be delivered to the grantee. During such time, the performance shares may not be sold, transferred or otherwise disposed of and may not be pledged or otherwise hypothecated, nor will they be delivered to the grantee. The committee may also impose other restrictions and conditions on the performance shares, if any, as it deems appropriate.

Performance Units. Performance units may be denominated in shares or a specified dollar amount. Contingent upon the attainment of specified performance objectives within the performance cycle, performance

Table of Contents

units represent the right to receive payment as provided the Long-Term Incentive Plan of (a) in the case of share-denominated performance units, a share of Citadel common stock or the fair market value of a share of Citadel common stock on a date specified by the committee, (b) in the case of dollar-denominated performance units, the specified dollar amount or (c) a percentage (which may be more than 100%) of the amount described in clause (a) or (b) depending on the level of performance objective attainment; provided that the committee may at the time the performance unit is granted specify a maximum amount payable in respect of a vested performance unit. Payment to grantees in respect of vested performance units shall be made as provided in the grant agreement. Unless the committee determines otherwise, and as set forth in each agreement, the grantee of a performance unit shall have all of the rights of a stockholder with respect to the shares underlying such unit to receive all dividends or other distributions paid or made with respect to such shares.

Performance Objectives that May be Applied under the Long-Term Incentive Plan. Awards intended to qualify as performance-based compensation under Section 162(m) will be subject to performance objectives. Performance objectives for performance awards may be expressed in terms of earnings per share, net income, revenue growth, market share, ratings, rank, market valuation, broadcast cash flow, cash flow per share, adjusted earnings before interest, taxes and depreciation, share price, pre-tax profits, net earnings, return on equity or assets, sales, any combination of the foregoing or, with respect to performance awards payable prior to the end of the transition period (defined in the Plan), such other criteria as the committee may determine. Performance objectives may be in respect of the performance of the Company, any of its subsidiaries, any of its divisions or any combination thereof. Performance objectives may be absolute or relative (to prior performance of the Company or to the performance of one or more other entities or external indices) and may be expressed in terms of a progression within a specified range. The foregoing criteria shall have any reasonable definitions that the committee may specify, which may include or exclude any or all of the following items: extraordinary, unusual or non-recurring items; effects of accounting changes; effects of currency fluctuations; effects of financing activities (e.g., effect on earnings per share of issuing convertible debt securities); expenses for restructuring, productivity initiatives or new business initiatives; non-operating items; acquisition and merger expenses; effects of divestitures and/or mergers and other items identified by the committee in its discretion. Any such performance criterion or combination of such criteria may apply to the award opportunity in its entirety or to any designated portion or portions of the award opportunity, as the committee may specify.

The performance objectives with respect to a performance period will be established in writing by the committee by the earlier of (x) the date on which a quarter of the performance period has elapsed or (y) the date which is ninety (90) days after the commencement of the performance period, and in any event while the performance relating to the performance objectives remain substantially uncertain. At the time of the granting of a performance award, or at any time thereafter, in either case to the extent permitted under Section 162(m) and the regulations thereunder, without adversely affecting the treatment of the performance award as performance-based compensation, the committee may provide for the manner in which performance will be measured against the performance objectives (or may adjust the performance objectives) to reflect the impact of specified corporate transactions, accounting or tax law changes and other extraordinary or nonrecurring events. Prior to the vesting, payment, settlement or lapsing of any restrictions with respect to any performance award that is intended to constitute performance-based compensation made to a grantee who is subject to Section 162(m), the committee must certify in writing that the applicable performance objectives have been satisfied to the extent necessary for such award to qualify as performance-based compensation.

Summary of Certain Other Material Terms Contained in the Long-Term Incentive Plan

The following is a summary of certain other material provisions of the Long-Term Incentive Plan. The statements made herein concerning terms and provisions of the Long-Term Incentive Plan are summaries and do not purport to be a complete recitation of the Long-Term Incentive Plan provisions. Such statements are qualified in their entirety by express reference to the full text of the Long-Term Incentive Plan. A copy of the Long-Term Incentive Plan is attached hereto as Appendix A and is incorporated by reference herein. Copies of the Long-

Term Incentive Plan also are available by writing or telephoning us at the following address: Corporate Secretary, City Center West, Suite 400, 7201 West Lake Mead Blvd., Las Vegas, Nevada 89128, (702) 804-5200.

Purpose of the Company's Long-Term Incentive Plan. The purpose of the Long-Term Incentive Plan is to strengthen the Company and its subsidiaries by providing an incentive to its employees, officers, consultants and directors and thereby encouraging them to devote their abilities and industry to the success of the Company's business enterprise. The Company's compensation committee believes that its growth is dependent upon its ability to attract, employ and retain employees, officers, consultants and directors of outstanding ability who will dedicate their maximum productive efforts toward the advancement of the Company. The compensation committee has found that granting incentive awards has been highly effective in recruiting and retaining competent personnel and directors. The growing competition among companies for capable employees, officers, consultants and directors makes it necessary for the Company to maintain a strong and competitive incentive program.

Eligibility and Participation. Employees (including future employees who have received a formal written offer of employment), officers, consultants, independent contractors and directors of the Company and its subsidiaries generally will be eligible to receive incentive and nonqualified stock options, stock appreciation rights, restricted stock, phantom stock, performance awards and other stock-based awards to receive up to the aggregate number of shares of the Company common stock authorized for issuance under the Long-Term Incentive Plan. In making its selection and in determining the form and amount of awards, the committee may give consideration to the functions and responsibilities of the eligible person, his or her past, present and potential contributions to the Company and such other factors as the committee deems relevant.

As of March 30, 2007, there were nine members of the Company's Board of Directors. As of March 30, 2007, the Company and its subsidiaries employed approximately 3,480 full-time and part-time employees, all of whom are eligible to receive awards under the Long-Term Incentive Plan.

Awards under the Company's Long-Term Incentive Plan. Awards under the Long-Term Incentive Plan may be in the form of any one or more of the following: (i) incentive stock options qualifying under section 422 of the Internal Revenue Code and non-qualified stock options; (ii) stock appreciation rights; (iii) performance awards; (iv) restricted stock and restricted stock units; (v) phantom shares and (vi) other share-based awards on terms and conditions established by the committee.

It is not presently possible to determine the dollar value of award payments that may be made, or the individuals who may be selected for such awards, in the future under the Long-Term Incentive Plan.

Shares Subject to the Company's Long-Term Incentive Plan. Currently, 10,000,000 shares of the Company common stock, par value \$0.01, have been reserved for issuance in connection with the grant of awards under the Long-Term Incentive Plan, subject to adjustment in the event of a stock split, recapitalization or other similar change affecting the common stock of the Company. If the matter put before the stockholders in Proposal 3 is approved, that number will increase to 18,000,000 shares reserved for issuance. As of March 30, 2007, outstanding restricted stock awards and options to purchase shares of common stock of the Company, in the aggregate, represent 6,690,820 shares of common stock of the Company. As a result, assuming proposal 3 is approved, the number of shares of common stock that would remain available for future issuance under the Long-Term Incentive Plan would be increased by 8,000,000.

Upon the settlement of an option or award, the number of shares available for granting of further options and awards will be reduced by the number of shares of common stock delivered in respect of such option or award. Whenever any outstanding option or award or portion thereof expires, is canceled, is settled in cash or is otherwise terminated for any reason without having been exercised or payment having been made in

respect of the entire option or award, the shares allocable to the expired, canceled, settled or otherwise terminated portion of the option or award may again be the subject of options or awards granted the Long-Term Incentive Plan.

Table of Contents

Stock Options and Terms. The number of options to purchase shares of Citadel common stock that may be granted and the timing of grants to eligible persons under the Long-Term Incentive Plan are subject to the discretion of the committee that administers the Long-Term Incentive Plan, provided that no one individual may receive options covering more than 5,000,000 shares in any 12-month period. The committee will determine, among other things, the persons to whom options will be granted, the types of options granted, the number of shares subject to options and the exercise price. The committee also determines the term of each option, the restrictions or limitations thereof and the manner in which each option may be exercised. Other than the services to be rendered by option recipients, it is not expected that the Company will receive any consideration in exchange for the grant of options. Options granted under the Long-Term Incentive Plan will expire not later than the tenth anniversary of the date of grant (the fifth anniversary in the case of incentive stock options granted to stockholders who own more than 10% of the outstanding common stock of the Company), except that upon the death of the optionee prior to the expiration of the option, an option may be exercised for up to one year following the date of the optionee's death.

The nonqualified stock options granted under the Long-Term Incentive Plan must have an exercise price that is no less than 100% of the common stock's fair market value at the date of grant (110% in the case of incentive stock options granted to stockholders who own more than 10% of the outstanding Citadel common stock) as determined by the committee or as otherwise set forth in the Long-Term Incentive Plan. As of March 30, 2007, the outstanding options granted under the Long-Term Incentive Plan have exercise prices ranging from \$9.30 to \$20.20 and expiration dates from October 25, 2012 to September 7, 2016.

Each option generally will become exercisable in such portions and at such times as may be designated by the committee. The stock options that have been granted as of the date hereof generally vest ratably over a four-year period commencing one year after the date of grant. The Long-Term Incentive Plan provides that the committee may provide for the exercise of an option by a variety of methods, including payment in cash or shares of Citadel common stock or a combination of cash and shares of Citadel common stock. The Long-Term Incentive Plan does not, however, permit an option holder to defer the issuance of shares upon the exercise of a non-qualified option. To the extent not exercised, vested portions of the option will accumulate and be exercisable, in whole or in part, at any time after becoming exercisable, but not later than the date the option expires. The committee may accelerate the exercisability of any option or portion thereof at any time.

Stock Appreciation Rights. The committee may, in its discretion, grant stock appreciation rights in accordance with the Long-Term Incentive Plan, the terms and conditions of which will be set forth in an agreement with the grantee provided that no one individual may receive stock appreciation rights covering more than 5,000,000 shares in any 12-month period. No stock appreciation right may be issued unless the exercise price of such right is at least equal to the fair market value of the underlying shares on the date of grant and the right does not provide for the deferral of compensation other than deferral of recognition of income until the exercise of the right. Further, stock appreciation rights may only be settled in shares of the Company's common stock.

Restricted Stock. The committee may grant awards to eligible individuals of restricted stock, which will be evidenced by an agreement between the Company and the grantee. Each agreement will contain such restrictions, terms and conditions as the committee may, in its discretion, determine. Further, without limiting the generality of the foregoing, such agreements may require that an appropriate legend be placed on share certificates. Each agreement may also contain such vesting dates as the committee may, in its discretion, determine. Unless the committee determines otherwise, and as set forth in each agreement, the grantee of restricted stock shall have all of the rights of a stockholder with respect to such shares (except for the right to transfer the shares), including the right to vote the shares and to receive all dividends or other distributions paid or made with respect to the shares.

Phantom Stock Awards. The committee may, in its discretion, grant shares of phantom stock to any eligible individual. Such phantom stock will be subject to the terms and conditions established by the committee and set forth in the applicable agreement. Upon the vesting of a phantom stock award, the grantee will be entitled

Table of Contents

to receive a cash payment in respect of each share of phantom stock which shall be equal to the fair market value of a share as of the date the phantom stock award was granted, or such other date as determined by the committee at the time the phantom stock award was granted. The committee may, at the time a phantom stock award is granted, provide a limitation on the amount payable in respect of each share of phantom stock. In lieu of a cash payment, the committee may settle phantom stock awards with shares equal in number to the shares of phantom stock awarded to the participant.

Other Share-based Awards. The committee may grant a share award to any eligible individual on such terms and conditions as the committee may determine in its sole discretion. Share awards may be made as additional compensation for services rendered by the eligible individual or may be in lieu of cash or other compensation to which the eligible individual is entitled.

Effect of Certain Transactions. The committee may, at the time an option or award is granted or at any time thereafter, determine the effect of a change in control, as such term is used in the Long-Term Incentive Plan, on the option or award. In addition, in the event of the liquidation or dissolution of, or a merger or consolidation of the Company, the Long-Term Incentive Plan and the options and awards issued thereunder will continue in effect in accordance with their respective terms, except that, following such a transaction, either (i) each outstanding option or award will be treated as provided for in the agreement entered into in connection with the transaction or (ii) if not so provided in such agreement, each optionee and grantee will be entitled to receive in respect of each share subject to any outstanding options or awards, as the case may be, upon exercise of any option or payment or transfer in respect of any award, the same number and kind of stock, securities, cash, property or other consideration that each holder of a share was entitled to receive in the transaction in respect of a share; provided, however, that such stock, securities, cash, property, or other consideration will remain subject to all of the conditions, restrictions and performance criteria which were applicable to the options and awards prior to such transaction.

Plan Amendment and Termination. The Long-Term Incentive Plan may be amended, suspended or terminated at any time by the committee, but no amendment that would increase the maximum number of shares that may be subject to options or that may be awarded to a person or that would modify requirements as to eligibility for participation in the Long-Term Incentive Plan will be effective without approval of the stockholders, in accordance with the Internal Revenue Code; and no material revision will be effective without stockholder approval in accordance with the regulations of the SEC and NYSE. No amendment to the Long-Term Incentive Plan may, without the consent of the grantee, alter or impair any grant previously made under the Long-Term Incentive Plan. The Long-Term Incentive Plan will remain in effect until all shares of Citadel common stock reserved for issuance have been purchased or otherwise delivered, except that no awards may be granted under the Long-Term Incentive Plan later than 10 years after its effective date of June 4, 2002.

In addition, the compensation committee approved the cancellation of Mr. Suleman's option to purchase 400,000 shares of common stock of the Company at an exercise price of \$16.94 granted to him under the Plan on March 26, 2004 and approved the grant of 1,131,994 shares of performance-based restricted stock that will vest over a two-year period subject to certain performance objectives.
- (2) Included in the amount above is 10,000 shares awarded to Ms. Horbach during 2006 which were forfeited on November 6, 2006, the date of her resignation from the Board of Directors.

Certain United States Federal Income Tax Consequences under the Company's Long-Term Incentive Plan. The following is a brief description of certain federal income tax consequences to the Company and recipients of awards under the Long-Term Incentive Plan. This description is based on the Internal Revenue Code, the Treasury regulations promulgated thereunder, judicial authority, published administrative positions of the Internal Revenue Service and other applicable authorities, all as in effect on the date of this proxy statement, and all of which are subject to change, possibly on a retroactive basis.

Incentive Stock Options. Generally the option holder is not taxed and the Company is not entitled to a deduction on either the grant or the exercise of an incentive stock option, so long as the requirements of section 422 of the Internal Revenue Code continue to be met. If the option holder meets the employment requirements and does not dispose of the shares of common stock of the Company acquired upon exercise of an incentive stock option until at least (1) one year after transfer of the shares pursuant to the exercise of the option and (2) two years after the date the option was granted, gain or loss realized on sale of the shares will be treated as long term capital gain or loss. However, the excess of the fair market value of the shares of stock as of the date of exercise over the exercise price is a tax preference item for the purposes of determining the option holder's alternative minimum tax. If the shares are disposed of before those periods expire, which is called a disqualifying disposition, the option holder will be required to recognize ordinary income in an amount equal to the lesser of (1) the excess, if any, of the fair market value of the common stock of the Company on the date of exercise over the exercise price or (2) if the disposition is a taxable sale or exchange, the amount of gain realized on the disposition. The Company will not be entitled to a deduction as a result of the grant of an incentive stock option, the exercise of an incentive stock option or the sale of incentive stock option shares after exercise unless there has been a disqualifying disposition of the shares. Upon a disqualifying disposition, the Company will generally be entitled, at that time, to a deduction in an amount equal to the amount of ordinary income recognized by the employee.

Table of Contents

Non-Qualified Stock Options. The grant of non-qualified stock options under the Long-Term Incentive Plan will not result in the recognition of any taxable income by the participants. A participant will recognize compensation income on the date of exercise of the non-qualified stock option equal to the difference between (i) the fair market value of the acquired shares of common stock of the Company on the date the shares were acquired, and (ii) the exercise price (equal to the fair market value of the common stock of the Company on the date of grant) of the option. The tax basis of these shares for purposes of a subsequent sale includes the option price paid and the ordinary income reported on exercise of the option; the holding period of these shares begins on the day following the date of exercise. The compensation income recognized on exercise of the option by an employee is subject to withholding of federal and state income tax and employment tax. Generally, the Company will be entitled to a deduction in the amount reportable as compensation income by the participant on the exercise of a non-qualified stock option.

Limits on Deductibility. Section 280G. Awards made under the Long-Term Incentive Plan may provide for accelerated vesting and/or accelerated payment in the event of a change of control of the Company. If there is a change of control of the Company, amounts paid under the Long-Term Incentive Plan may be characterized as parachute payments under section 280G of the Internal Revenue Code. An employee will be subject to a 20% excise tax on any excess parachute payment pursuant to Internal Revenue Code section 4999 and the Company will be denied a deduction with respect to such excess parachute payment pursuant to Internal Revenue Code section 280G. An employee generally is deemed to have received a parachute payment if such employee receives compensation that (1) is contingent upon a change in the ownership or control of the Company and (2) exceeds, in the aggregate, an amount equal to three times the employee's base amount. The base amount generally is the average of the annual compensation of such employee for the five years preceding the change in ownership or control. An excess parachute payment with respect to any employee is the excess of the total parachute payments to such person over such person's base amount.

Section 162(m). In addition, compensation in excess of \$1 million (including amounts treated as compensation as described above) paid to the Company's Chief Executive Officer (or person acting in that capacity) and the Company's four other most highly paid executive officers will not be deductible unless the compensation is payable on the achievement of certain performance objectives or meets certain other exceptions under section 162(m) of the Internal Revenue Code.

The discussion set forth above is intended only as a summary and does not purport to be a complete enumeration or analysis of all potential tax considerations under the Long-Term Incentive Plan.

PROPOSAL 3 APPROVAL OF THE INCREASE IN THE NUMBER OF SHARES AVAILABLE FOR ISSUANCE UNDER THE LONG-TERM INCENTIVE PLAN

Our Board of Directors recommends that you vote FOR the approval of the amendment described in this Proposal 3 to increase the number of shares available for issuance under the Citadel Broadcasting Corporation Long-Term Incentive Plan.

Description of Proposal

At the meeting, you will be asked to approve the increase by 8,000,000 of the number of shares of our common stock reserved for issuance under the Long-Term Incentive Plan.

As currently in effect, 10,000,000 shares of common stock have been reserved for issuance in connection with the grant of options and other awards under the Long-Term Incentive Plan. As of March 30, 2007, outstanding restricted stock awards and options to purchase shares of common stock of the Company, in the aggregate, represent 6,690,820 shares of common stock of the Company. As a result, as of March 30, 2007, 2,219,766 shares of common stock remain available for future issuance under the Long-Term Incentive Plan. The securities authorized for issuance under the Long-Term Incentive Plan are described in tabular format on page 45 of this Proxy Statement. On April 17, 2007, the closing price of the Company's common stock as reported on the NYSE was \$9.69. The Long-Term Incentive Plan is intended to promote the long-term interest of the Company by aligning employee financial interests with long-term stockholder value.

The Board of Directors believes that the additional 8,000,000 shares will allow us to continue our long-term incentive program and to achieve the purpose of the Long-Term Incentive Plan. Generally, we expect to award stock options, restricted stock and other awards under the Long-Term Incentive Plan at levels based upon criteria that are comparable to the levels and criteria used in connection with past grants under the Long-Term Incentive Plan. The Board of Directors believes that the proposed increase in the number of shares available for issuance under the Long-Term Incentive Plan is necessary to continue the effectiveness of the Long-Term Incentive Plan in attracting, motivating and retaining outside directors, officers and key employees with appropriate experience and ability to increase the grantees' alignment of interest with the Company's stockholders. Should the stockholders approve the proposed amendment to the Long-Term Incentive Plan, the total number of shares of our common stock available for future grants under the Long-Term Incentive Plan would be approximately 11 million shares, not including shares underlying outstanding grants.

For a description of the material terms of the Long-Term Incentive Plan, please see the description included in Proposal 2, which is incorporated by reference into this Proposal 3. A copy of the Long-Term Incentive Plan as proposed to be amended and restated by this Proposal 2 and by Proposal 3 of this Proxy Statement is attached hereto as Appendix A and is incorporated by reference herein. Copies of the Long-Term Incentive Plan also as proposed to be amended and restated by this Proposal 2 and by Proposal 3 of this Proxy Statement are available by writing or telephoning us at the following address: Corporate Secretary, City Center West, Suite 400, 7201 West Lake Mead Blvd., Las Vegas, Nevada 89128, (702) 804-5200.

PROPOSAL 4 ADOPTION OF CITADEL BROADCASTING CORPORATION

SENIOR EXECUTIVE ANNUAL BONUS PLAN

The compensation committee of our Board of Directors recommends that you vote **FOR** the approval of the Senior Executive Annual Bonus Plan (the Annual Bonus Plan), as described in this Proposal 4.

Description of Proposal

At the meeting, you will be asked to approved the Annual Bonus Plan. The Annual Bonus Plan is a cash-based incentive compensation program intended to provide performance-based compensation (within the contemplation of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Internal Revenue Code)) to certain of our senior executives.

Under Section 162(m) of the Internal Revenue Code, the Company generally may not, for federal income tax purposes, deduct from its income the compensation paid during a taxable year to a person who, on the last day of such year, is the chief executive officer (or person acting in that capacity) or among the four other highest compensated executive officers of the Company and its subsidiaries (each such person, a covered executive), to the extent such compensation exceeds \$1 million. This limitation, however, does not apply to certain performance-based compensation paid to a covered executive if the material terms of the performance objectives under which such compensation is determined and paid are disclosed to and approved by the stockholders of the Company.

The compensation committee of our Board of Directors recommends that you vote **FOR** the approval of the Annual Bonus Plan, as described in this Proposal 4.

Summary of the Material Terms of the Annual Bonus Plan

The compensation committee approved a new performance-based plan (the Annual Bonus Plan) for named executive officers of the Company. Key terms of the new plan are summarized below. The full text is set forth in Appendix B of this Proxy Statement.

The purpose of the Annual Bonus Plan is to reward, through additional cash compensation, eligible employees for their significant contributions toward improved profitability and growth of the Company by providing performance incentives in a manner that preserves, for tax purposes, the Company's ability to deduct that compensation. The Annual Bonus Plan is structured to satisfy the requirements for performance-based compensation within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code) and related Internal Revenue Service regulations. Section 162(m) requires that certain material terms of the Annual Bonus Plan, including the eligibility, business criteria and maximum amounts payable, be approved by the Company's stockholders.

The Annual Bonus Plan will be administered by the compensation committee or such other committee as appointed by the Board (the Committee), which is charged with responsibility for designating eligible participants (Participants) and establishing specific Performance Goals

for each Participant. The number of employees who may be designated as Participants with respect to a particular performance period is not determinable, but it is expected that this number would not exceed six (6). No later than 90 days after the commencement of the twelve (12) month performance period established by the Company (the Determination Date), the Committee will establish, in writing, the method for computing the amount of compensation which will be payable under the Annual Bonus Plan to each Participant in the Annual Bonus Plan for such year if the performance goals established by the Committee for such year are attained in whole or in part and if the Participant s employment by the Company or a subsidiary continues without interruption during that year as permitted by the Annual Bonus Plan. Such method will be stated in terms of an objective formula or standard that precludes discretion to increase the amount of the award that would otherwise be due upon attainment of the goals and may be different for each Participant.

Table of Contents

The Performance Goals will be based on any of the following performance criteria, either alone or in any combination, on a consolidated or individual business, operating unit or divisional level, or any combination thereof, and which shall include or exclude discontinued operations, acquisition expenses and restructuring expenses, as the Committee may determine: earnings per share; net income; revenue growth; market share; ratings; rank; market valuation; broadcast cash flow; free cash flow per share; adjusted earnings before interest, taxes and depreciation; completion of acquisitions, and business expansion.

The Performance Goals must be established while the performance relative to the target remains substantially uncertain within the meaning of Section 162(m). The foregoing criteria shall have any reasonable definitions that the Committee may specify, which may include or exclude any or all of the following items: extraordinary, unusual or non-recurring items; effects of accounting changes; effects of currency fluctuations; effects of financing activities (e.g., effect on earnings per share of issuing convertible debt securities); expenses for restructuring, productivity initiatives or new business initiatives; non-operating items; acquisition and merger expenses; and effects of divestitures and/or mergers. Any such performance criterion or combination of such criteria may apply to the Participant's award opportunity in its entirety or to any designated portion or portions of the award opportunity, as the Committee may specify.

The maximum amount of compensation that may be paid under the Annual Bonus Plan to any Participant for any year is \$5,000,000. Awards will be paid under the Annual Bonus Plan for any year solely on account of the attainment of the Performance Goals established by the Committee with respect to such year. Awards may also be, but are not required to be, contingent upon the Participant remaining employed by the Company or a subsidiary of the Company during such Annual Bonus Plan year. The Board may amend, modify or terminate the Annual Bonus Plan at any time and the Annual Bonus Plan will remain in effect until terminated by the Board.

On a year-to-year basis, the benefits or amounts that will be allocated to Participants are not determinable. The benefits or amounts that would have been allocated to Participants under the Annual Bonus Plan for 2006 would have been \$0 in light of Mr. Suleman's election to remove himself from consideration to receive such a bonus for calendar year 2006. In addition, the Company's by-laws provide that stockholders seeking to bring business before an annual meeting of stockholders or to nominate candidates for election as directors at an annual meeting of stockholders, must provide timely notice thereof in writing to the Secretary of the Company. To be timely, a stockholder's notice generally must be delivered to or mailed and received at the principal executive office of the Company, not less than 45 days nor more than 75 days prior to the first anniversary of the date on which the Company first mailed its proxy materials for the preceding year's annual meeting of the stockholders. OTHER MATTERS

The expenses of printing and mailing proxy material, including expenses involved in forwarding materials to beneficial owners of stock, will be paid by the Company. No solicitation other than by mail is contemplated. The Company will reimburse brokers, banks, institutions and others holding common stock of the Company as nominees for their expenses in sending proxy solicitation material to the beneficial owners of such common stock of the Company and obtaining their proxies.

APPENDIX A

**CITADEL BROADCASTING CORPORATION
AMENDED AND RESTATED 2002 STOCK OPTION AND AWARD PLAN**

(As Proposed to be Amended and Restated May 22, 2007)

1. PURPOSE.

The purpose of this Plan is to strengthen Citadel Broadcasting Corporation, a Delaware corporation (the Company) and its Subsidiaries, by providing an incentive to its employees, officers, consultants and directors and thereby encouraging them to devote their abilities and industry to the success of the Company's business enterprise. It is intended that this purpose be achieved by extending to employees (including future employees who have received a formal written offer of employment), officers, consultants and directors of the Company and its Subsidiaries an added long-term incentive for high levels of performance and unusual efforts through the grant of Options and Awards (as each term is herein defined).

2. DEFINITIONS.

For purposes of the Plan:

2.1. **Affiliate** means any entity, directly or indirectly, controlled by, controlling or under common control with the Company or any corporation or other entity acquiring, directly or indirectly, all or substantially all the assets and business of the Company, whether by operation of law or otherwise.

2.2. **Agreement** means the written agreement between the Company and an Optionee or Grantee evidencing the grant of an Option or Award and setting forth the terms and conditions thereof.

2.4. **Board** means the Board of Directors of the Company.

(b) in all other cases, (i) intentional failure to perform reasonably assigned duties, (ii) dishonesty or willful misconduct in the performance of duties, (iii) involvement in a transaction in connection with the performance of duties to the Company or any of its Subsidiaries which transaction is adverse to the interests of the Company or any of its Subsidiaries and which is engaged in for personal profit or (iv) willful violation of any law, rule or regulation in connection with the performance of duties (other than traffic violations or similar offenses); PROVIDED, HOWEVER, that following a Change in Control clause (i) of this Section 2.5(b) shall not constitute Cause.

2.6. Table of Contents

2.7. A Change in Control shall mean the occurrence of any of the following:

(a) An acquisition (other than directly from the Company) of any voting securities of the Company (the Voting Securities) by any Person (as the term person is used for purposes of Section 13(d) or 14(d) of the Exchange Act), other than any of the Forstmann Little Partnerships or any of their Affiliates, immediately after which such Person has Beneficial Ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of more than fifty percent (50%) of the then-outstanding Shares or the combined voting power of the Company's then-outstanding Voting Securities; PROVIDED, HOWEVER, that in determining whether a Change in Control has occurred pursuant to this Section 2.7(a), the acquisition of Shares or Voting Securities in a Non-Control Acquisition (as hereinafter defined) shall not constitute a Change in Control. A

Non-Control Acquisition shall mean an acquisition by (i) an employee benefit plan (or a trust forming a part thereof) maintained by (A) the Company or (B) any corporation or other Person the majority of the voting power, voting equity securities or equity interest of which is owned, directly or indirectly, by the Company (for purposes of this definition, a Related Entity), (ii) the Company or any Related Entity, or (iii) any Person in connection with a Non-Control Transaction (as hereinafter defined);

(b) The individuals who, as of immediately following the completion of the Initial Public Offering, are members of the Board (the Incumbent Board), cease for any reason to constitute at least a majority of the members of the Board or, following a Merger (as hereinafter defined), the board of directors of (x) the corporation resulting from such Merger (the Surviving Corporation), if fifty percent (50%) or more of the combined voting power of the then-outstanding voting securities of the Surviving Corporation is not Beneficially Owned, directly or indirectly, by another Person (a Parent Corporation) or (y) if there is one or more than one Parent Corporation, the ultimate Parent Corporation; PROVIDED, HOWEVER, that, if the election, or nomination for election by the Company's common stockholders, of any new director was approved by a vote of at least two-thirds of the Incumbent Board, such new director shall, for purposes of the Plan, be considered a member of the Incumbent Board; and PROVIDED, FURTHER, HOWEVER, that no individual shall be considered a member of the Incumbent Board if such individual initially assumed office as a result of an actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board (a Proxy Contest), including by reason of any agreement intended to avoid or settle any Proxy Contest; or

(c) The consummation of:

(i) A merger, consolidation or reorganization (1) with or into the Company or a direct or indirect subsidiary of the Company or (2) in which securities of the Company are issued (a Merger), unless such Merger is a Non-Control Transaction. A Non-Control Transaction shall mean a Merger in which:

Notwithstanding the foregoing, a Change in Control shall not be deemed to occur solely because any Person (the Subject Person) acquired Beneficial Ownership of more than the permitted amount of the then outstanding Shares or Voting Securities as a result of the acquisition of Shares or Voting Securities by the Company which, by reducing the number of Shares or Voting Securities then outstanding, increases the proportional number of shares Beneficially Owned by the Subject Persons; PROVIDED that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of Shares or Voting Securities by the Company and, after such share acquisition by the Company, the Subject Person becomes the Beneficial Owner of any additional Shares or Voting Securities and such Beneficial Ownership increases the percentage of the then outstanding Shares or Voting Securities Beneficially Owned by the Subject Person, then a Change in Control shall occur.

If an Eligible Individual's employment is terminated by the Company without Cause prior to the date of a Change in Control, but the Eligible Individual reasonably demonstrates that the termination (A) was at the request of a third party that has indicated an intention or taken steps reasonably calculated to effect a Change in Control or (B) otherwise arose in connection with, or in anticipation of, a Change in Control that has been threatened or proposed, such termination shall be deemed to have occurred after such Change in Control for purposes of the Plan, so long as such Change in Control shall actually have occurred.

In applying the limitation in the preceding sentence in the case of multiple Option grants, Options which were intended to be Incentive Stock Options shall be treated as Nonqualified Stock Options according to the order in which

APPENDIX B

CITADEL BROADCASTING CORPORATION

SENIOR EXECUTIVE ANNUAL BONUS PLAN

1. Purpose

This annual incentive plan (the **Plan**) is applicable to those employees of Citadel Broadcasting Corporation (the **Company**) and its subsidiaries who are executive officers of the Company (**Covered Employees**), including members of the Board of Directors who are such employees.

The Plan is designed to reward, through additional cash compensation, Covered Employees for their significant contribution toward improved profitability and growth of the Company.

2. Eligibility

All Covered Employees shall be eligible to be selected to participate in this Plan. The compensation committee or such other committee (**Committee**) as appointed by the Board of Directors of the Company (the **Board**) shall select the Covered Employees who shall participate in this Plan (**Participants**) in any year no later than ninety (90) days after the commencement of the twelve (12) month performance period selected by the Committee or such earlier or later date as may be the applicable deadline for the establishment of performance goals permitting the compensation payable to such Covered Employee for such year hereunder to qualify as **qualified performance-based compensation** under Treasury Regulation section 1.162-27(e) as applicable (the **Determination Date**).

To the extent permitted by section 162(m) of the Internal Revenue Code of 1986, as amended (the **Code**) a Covered Employee participating in this Plan may be permitted to participate in any other annual incentive plan established by the Company.

3. Administration

The Plan shall be administered by the Committee. The Committee shall be comprised exclusively of members of the Board who are **outside directors** within the meaning of section 162(m)(4)(C) Code of 1986 and Treasury Regulation section 1.162-27(e)(3). The Committee shall have the authority, subject to the provisions herein: (a) to select Covered Employees to participate in the Plan; (b) to establish and administer the performance goals and the award opportunities applicable to each Participant and certify whether the goals have been attained; (c) to construe and interpret the Plan and any agreement or instrument entered into under the Plan; (d) to establish, amend, and waive rules and regulations for the Plan's administration; and (e) to make all other determinations which may be necessary or advisable for the administration of the Plan. Any determination by the Committee pursuant to the Plan shall be final, binding and conclusive on all Covered Employees, Participants and anyone claiming under or through any of them.

4. Establishment Of Performance Goals And Award Opportunities

No later than the Determination Date for each year, the Committee shall establish, in writing, the method for computing the amount of compensation which will be payable under the Plan to each Participant in the Plan for such year if the performance goals established by the Committee for such year are attained in whole or in part and if the Participant's employment by the Company or a subsidiary continues without interruption during that year as permitted by the Plan. Such method shall be stated in terms of an objective formula or standard that precludes discretion to increase the amount of the award that would otherwise be due upon attainment of the goals and may be different for each Participant. No provision of this Plan shall preclude the Committee from exercising negative discretion with respect to any award hereunder, within the meaning of Treasury Regulation section 1.162-27(e)(2)(iii)(A).

Table of Contents

No later than the Determination Date for each year, the Committee shall establish in writing the performance goals for such year, which shall be based on any of the following performance criteria, either alone or in any combination, on a consolidated and/or individual business, operating unit or divisional level, or any combination thereof, and which shall include or exclude discontinued operations, acquisition expenses and restructuring expenses, as the Committee may determine: earnings per share; net income; revenue growth; market share; ratings; rank; market valuation; broadcast cash flow; free cash flow per share; adjusted earnings before interest, taxes, and depreciation; completion of acquisitions and business expansion; or such other criteria as specifically outlined and detailed by the Committee. The foregoing criteria shall have any reasonable definitions that the Committee may specify, which may include or exclude any or all of the following items: extraordinary, unusual or non-recurring items; effects of accounting changes; effects of currency fluctuations; effects of financing activities (e.g., effect on earnings per share of issuing convertible debt securities); expenses for restructuring, productivity initiatives or new business initiatives; non-operating items; acquisition and merger expenses; and effects of divestitures and/or mergers. Any such performance criterion or combination of such criteria may apply to the Participant's award opportunity in its entirety or to any designated portion or portions of the award opportunity, as the Committee may specify.

5. Maximum Award

The maximum amount of compensation that may be paid under the Plan to any Participant for any year is \$5,000,000.

6. Attainment Of Performance Goals Required

Awards shall be paid under this Plan for any year solely on account of the attainment of the performance goals established by the Committee with respect to such year. Awards may be, but are not required to be, contingent upon the Participant remaining employed by the Company or a subsidiary of the Company during such Plan year. In the event of termination of employment by reason of death, disability or retirement (each as determined by the Committee) or pursuant to a written agreement with the Company during the Plan year, an award shall be payable under this Plan to the Participant or the Participant's estate for such year, which shall be paid at the same time as the award the Participant would have received for such year had no termination of employment occurred or in accordance with the terms of the written agreement with the Company and which shall be equal to the amount of such award multiplied by a fraction the numerator of which is the number of full or partial calendar months elapsed in such year prior to termination of employment and the denominator of which is the number twelve. Unless otherwise specified by the Committee, a Participant whose employment terminates prior to the end of a Plan year for any reason not excepted above shall not be entitled to any award under the Plan for that year.

7. Shareholder Approval And Committee Certification Contingencies: Payment Of Awards

Payment of any awards under this Plan shall be contingent upon the affirmative vote of the stockholders of at least a majority of the votes cast (including abstentions) approving the Plan. Unless and until such shareholder approval is obtained, no award shall be paid pursuant to this Plan. Subject to the provisions of Paragraph 6 above relating to death, disability and retirement, payment of any award under this Plan shall also be contingent upon the compensation committee's certifying in writing that the performance goals and any other material terms applicable to such award were in fact satisfied, in accordance with applicable treasury regulations under Code section 162(m). Unless and until the Committee so certifies, such award shall not be paid. Unless the Committee provides otherwise, (a) earned awards shall be paid promptly following such certification, and (b) such payment shall be made in cash (subject to any payroll tax withholding or other applicable taxes as the Company may determine applies) or in stock compensation, as determined in the discretion of the Company. Payment of any awards under this Plan shall be paid within two-and-one-half (2 1/2) months of the end of the year in which the Covered Employee vests in his or her right to receive the award.

Table of Contents

To the extent necessary for purposes of Code section 162(m), this Plan shall be resubmitted to stockholders for their reapproval with respect to awards payable for the taxable years of the Company commencing on and after the five (5) year anniversary of initial shareholder approval.

8. Amendment, Termination And Term Of Plan

The Board of Directors may amend, modify or terminate this Plan at any time. The Plan will remain in effect until terminated by the Board.

9. Interpretation And Construction

Any provision of this Plan to the contrary notwithstanding, (a) awards under this Plan are intended to qualify as qualified performance-based compensation under Treasury Regulation 1.162-27(e) and (b) any provision of the Plan that would prevent an award under the Plan from so qualifying shall be administered, interpreted and construed to carry out such intention and any provision that cannot be so administered, interpreted and construed shall to that extent be disregarded. No provision of the Plan, nor the selection of any eligible employee to participate in the Plan, shall constitute an employment agreement or affect the duration of any Participant's employment, which shall remain employment at will unless an employment agreement between the Company and the Participant provides otherwise. Both the Participant and the Company shall remain free to terminate employment at any time to the same extent as if the Plan had not been adopted.

10. Governing Law

The terms of this Plan shall be governed by the laws of the State of Delaware, without reference to the conflicts of laws principles thereof.
