Item 1.01. Entry into a Material Definitive Agreement.

Credit Agreement

On July 11, 2008, O Reilly Automotive, Inc. (O Reilly) entered into a Credit Agreement (the Credit Agreement) with, among others, Bank of America, N.A., as administrative agent (Bank of America), providing for a 5-year \$1.2 billion asset-based senior secured facility. The Credit Agreement is comprised of (i) a \$1.075 billion tranche A revolving credit facility (the tranche A revolver) and (ii) a \$125.0 million first-in-last-out revolving credit facility (the FILO tranche). Availability under the Credit Agreement is subject to a borrowing base determined by advances against the eligible accounts receivable, inventory and real estate of the borrowers under the Credit Agreement.

O Reilly is using the proceeds from the Credit Agreement for (i) payment of the cash portion of the offer consideration to acquire all of the outstanding shares of CSK common stock, (ii) refinancing certain outstanding O Reilly and CSK indebtedness, (iii) payment of customary fees and expenses associated with the offer, the financing and the merger and (iv) funding working capital requirements and other general corporate purposes of the combined corporation.

Borrowings under the tranche A revolver initially bear interest, at O Reilly's option, at a rate equal to either (i) a base rate plus 1.50% per annum or (ii) LIBOR plus 2.5% per annum, each rate being subject to adjustment based upon certain excess availability thresholds. Borrowings under the FILO tranche are expected to bear interest, at O Reilly's option, at a rate equal to either (i) a base rate plus 2.75% per annum or (ii) LIBOR plus 3.75% per annum, each rate being subject to adjustment based upon certain excess availability thresholds. The base rate is equal to the higher of the prime lending rate established by Bank of America from time to time and the federal funds effective rate as in effect from time to time plus 0.50%. In addition, O Reilly paid or will pay customary commitment fees, letter of credit fees, underwriting fees and other administrative fees in respect of the credit facility.

O Reilly and its wholly-owned domestic subsidiaries which own any assets of the type included in the borrowing base are borrowers. Each of the wholly-owned domestic subsidiaries of O Reilly that are not borrowers are guarantors. All of the obligations under the Credit Agreement are secured by liens on (i) substantially all of the tangible and intangible assets of O Reilly and each of its wholly-owned domestic subsidiaries, collectively referred to as the credit parties, (ii) all of the capital stock of each direct domestic subsidiary of each credit party and (iii) 65% of the voting stock and 100% of the non-voting stock of each direct foreign subsidiary of each credit party.

The Credit Agreement contains customary representations and warranties and customary affirmative and negative covenants, including, among other things, restrictions on indebtedness, liens, mergers and consolidations, sales of assets, investments and dividends and other distributions. The credit facility also includes customary events of defaults.

The foregoing summary of the material terms of the Credit Agreement is not complete and is qualified in its entirety by the complete terms and conditions of the Credit Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Supplemental Indenture

On July 11, 2008, O Reilly agreed to become a guarantor, on a subordinated basis, of the \$100 million principal amount of 6¼% Exchangeable Senior Notes due 2025 (the Notes) originally issued by CSK pursuant to an Indenture (the Original Indenture), dated as of December 19, 2005, as amended and supplemented by the First Supplemental Indenture (the First Supplemental Indenture) dated as of December 30, 2005 and the Second Supplemental Indenture, dated as of July 27, 2006 (the Second Supplemental Indenture) by and between CSK, CSK Auto, Inc. and The Bank of New York Mellon Trust Company, N.A., as trustee.

On July 11, 2008, O Reilly executed the Third Supplemental Indenture (the "Third Supplemental Indenture" and together with the Original Indenture, the First Supplemental Indenture and the Second Supplemental Indenture, the "Indenture"), in which it agreed to unconditionally guarantee, on a subordinated basis, the payment of interest and principal on the Notes. The Third Supplemental Indenture also provides that each Note is exchangeable into the kind and amount of cash, securities or other property (and in the same proportion) receivable upon the merger of an indirect wholly owned subsidiary of O Reilly with and into CSK by a holder of a number of shares of CSK common stock issuable upon exchange of the Notes immediately prior to such merger.

The foregoing summary of the material terms of the Indenture is not complete and is qualified in its entirety by the complete terms and conditions of the Indenture, which is filed as Exhibits 10.2, 10.3, 10.4 and 10.5 to this Current Report on Form 8-K and is incorporated herein by reference.
