## CALCULATION OF REGISTRATION FEE

Title of Securities to be Registered	Amount to be Registered (1) (2) one share	Proposed Maximum Offering Price per Share (3) \$33.75	Proposed Maximum Aggregate Offering Price (3) \$33.75	Amount of Registration Fee (1)(4) \$1
Common Stock, \$.01 par value				

- (1) This Registration Statement is being filed pursuant to General Instruction E of Form S-8 to register, for issuance pursuant to the O Reilly Automotive, Inc. Stock Purchase Plan, as amended (the Purchase Plan), of one additional share of Common Stock, \$.01 par value (Common Stock).

This Registration Statement is also being filed in accordance with General Instruction E of Form S-8 and the principles set forth in Interpretation 90 under Section G of the Manual of Publicly Available Telephone Interpretations of the SEC Division of Corporate Finance (July 1997), to register 150,000 additional shares (the Transferred Shares) of Common Stock under the Purchase Plan. The Transferred Shares were previously registered but not sold under the O Reilly Automotive, Inc. Performance Incentive Plan, as amended (the Incentive Plan) on the Registration Statement on Form S-8, File No. 033-91022, filed April 7, 1995 (the Prior Registration Statement), for which registration fees of \$175.00 were paid with respect to 18,750 shares. The 18,750 number of such shares presently composes the 150,000 Transferred Shares due to adjustments for three separate two-for-one Common Stock splits occurring via 100% stock dividends paid on August 31, 1997, November 30, 1999 and June 15, 2005. The Registrant is deregistering the Transferred Shares by means of a post-effective amendment to the Prior Registration Statement filed on the date hereof.

- (2) Each share of Common Stock also represents one participating preferred stock purchase right. Participating preferred stock purchase rights cannot trade separately from the underlying Common Stock and, therefore, do not carry a separate price or necessitate an additional fee. In addition, pursuant to Rule 416 under the Securities Act of 1933, as amended (the Securities Act), this Registration Statement also covers an indeterminate amount of interests to be offered or sold pursuant to the employee benefit plan described herein and an indeterminate number of additional shares that may be offered or issued as a result of stock splits, stock dividends or similar transactions.
- (3) Estimated solely for purposes of calculating the registration fee in accordance with Rule 457(c) and (h) under the Securities Act and based on the average of the high and low prices per share of Common Stock on March 10, 2009, as reported by the Nasdaq Global Select Market.
- (4) The registration fee has been calculated pursuant to Section 6(b) of the Securities Act by multiplying .00003930 by the proposed maximum aggregate offering price (as computed in accordance with Rule 457 under the Securities Act solely for the purpose of determining the registration fee of the securities registered hereby).

This Registration Statement on Form S-8 (the Registration Statement) shall become effective upon filing in accordance with Rule 462(a) of the Securities Act of 1933, as amended.

**Item 6. *Indemnification of Directors and Officers.***

Sections 351.355(1) and (2) of The General and Business Corporation Law of Missouri (the *Act*) provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorney's fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful, except that no person shall be indemnified as to any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the corporation unless and only to the extent that the court in which the action or suit was brought determines upon application that, despite the adjudication of liability and in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses that the court deems proper.

Section 351.355(3) of the *Act* provides that, except as otherwise provided in the corporation's articles of incorporation or bylaws, to the extent that a director, officer, employee or agent of the corporation has been successful in the defense of any such action, suit or proceeding referred to in subsection (1) or (2) of any claim, issue or matter therein, he shall be indemnified against expenses, including attorney's fees, actually and reasonably incurred by him in connection with such action, suit or proceeding. Section 351.355(7) of the *Act* provides that a corporation may provide additional indemnification to any person indemnifiable under subsection (1) or (2), provided such additional indemnification is authorized by the corporation's articles of incorporation or an amendment thereto or by a shareholder-approved bylaw or agreement, and provided further that no person shall thereby be indemnified against conduct that was finally adjudged to have been knowingly fraudulent, deliberately dishonest or willful misconduct.

Article IX of the Registrant's Restated Articles of Incorporation, as amended (the *Articles of Incorporation*), permits the Registrant to enter into agreements with its directors, officers, employees and agents, providing such indemnification as deemed appropriate, up to the maximum extent permitted by law. Article IX of the *Articles of Incorporation* provide that the Registrant shall extend to its directors and executive officers the indemnification specified in subsections (1) and (2) of the *Act* and the additional indemnification authorized in subsection (7) of the *Act* and that it may extend to other officers, employees and agents such indemnification and additional indemnification.

In addition, Article XI of the *Articles of Incorporation* states that no director of the Registrant shall be personally liable to the Registrant or its shareholders for monetary damages for breach of fiduciary duty by such director as a director, but it does not eliminate or limit the liability of a director to the extent provided by applicable law (i) for any breach of the director's duty of loyalty to the Registrant or its shareholders, (ii) for acts or omissions not in subjective good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 351.345 of the *Act*, or (iv) for any transaction from which the director derived an improper personal benefit. No amendment or repeal of Article XI will apply to or have any effect on the liability or alleged liability of any director of the Registrant for or with respect to any acts or omissions of such director prior to such amendment or repeal.

**Item 9. Undertakings.**

(a) The undersigned Registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment hereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price set forth in the Calculation of Registration Fee table in this Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

*provided, however*, that the undertakings set forth in clauses (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those clauses is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement.

## Edgar Filing: O REILLY AUTOMOTIVE INC - Form S-8

That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
  
- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
  
- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
