Item 1.01. Entry into a Material Definitive Agreement.

On January 7, 2010, Solta Medical, Inc. (the Company) entered into a Securities Purchase Agreement (the Agreement), by and among the Company and the Purchasers (as defined therein), pursuant to which the Company will issue 8,529,704 shares of its common stock (the Shares) and warrants to purchase up to 4,264,852 additional shares of its common stock (the Warrants) in a private placement (the Placement). The Shares and Warrants will be sold in units consisting of one share of common stock and a warrant to purchase one-half of a share of common stock for an aggregate purchase price of \$2.02 per unit, which is equal to the closing price of the Company's common stock on the NASDAQ Global Market on January 6, 2010. The Company will receive aggregate gross proceeds of approximately \$17.2 million from the Placement. The Warrants will be exercisable at an exercise price equal to \$2.121 per share, which represents a 5% premium over the closing price of the Company's common stock on the NASDAQ Global Market on January 6, 2010. The Warrants are exercisable commencing on the six-month anniversary of the closing and will expire five and a half years from the date of issuance. The closing of the Placement is expected to occur within one week, subject to standard closing conditions.

Morgan Keegan & Company, Inc. served as the sole placement agent for the Placement and FTN Equity Capital Markets Corporation acted as a financial advisor for the Placement. Each will receive a fee in connection with the Placement.

Pursuant to a Registration Rights Agreement to be entered into by and among the Company and the Purchasers in connection with the Agreement (the Registration Rights Agreement), the Company will agree to prepare and file a registration statement covering the resale of the Shares and the shares of common stock underlying the Warrants issued and issuable to the Purchasers as promptly as possible, but in any event within thirty (30) days following the Closing Date (as defined in the Agreement), and to use reasonable best efforts to have such registration statement be declared effective within ninety (90) days following the Closing Date.

The foregoing is not a complete summary of the terms of the offering, Agreement, Registration Rights Agreement or Warrants described in this Item 1.01, and reference is made to the complete text of the form of Agreement, form of Registration Rights Agreement and the form of Warrant attached hereto as Exhibits 10.1, 4.1 and 4.2, respectively, which are incorporated by reference into this Item 1.01. On January 8, 2010, the Company issued a press release announcing the Placement, a copy of which is attached hereto as Exhibit 99.1 (the Press Release) and is incorporated by reference herein.

Item 2.02. Results of Operations and Financial Condition.

Item 3.02. Unregistered Sales of Equity Securities.

The information pertaining to the issuance of the Shares and Warrants pursuant to the Agreement in Item 1.01 is incorporated herein by reference in its entirety. Upon issuance, the Shares and Warrants will not be registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. The Company intends to issue the Shares and Warrants in reliance on the exemption from registration afforded by Section 4(2) of the Securities Act and Rule 506 of Regulation D promulgated thereunder and in reliance on similar exemptions under applicable state laws. This current report on Form 8-K does not constitute an offer to sell, or a solicitation of an offer to buy, any security and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offering would be unlawful.
