This Amendment No. 3 (this Amendment) amends and supplements the Tender Offer Statement on Schedule TO (which, together with any amendments and supplements thereto, collectively constitute the Schedule TO) filed by (i) Maple Leaf Acquisition Corp., a Delaware corporation (Purchaser) and a wholly owned subsidiary of Pegasystems Inc., a Massachusetts corporation (Pegasystems) and (ii) Pegasystems. The Schedule TO relates to the offer by Purchaser to purchase all outstanding shares (the Shares) of common stock, par value \$0.001 per share, of Chordiant Software, Inc., a Delaware corporation (the Company), at a price of \$5.00 per Share, net to the holder in cash without interest, less any required withholding taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase dated March 24, 2010 (which, together with any amendments and supplements thereto, collectively constitute the Offer to Purchase) and in the related Letter of Transmittal, copies of which are attached as Exhibits (a)(1)(i) and (a)(1)(ii).

The information set forth in the Offer to Purchase (as amended hereby), including Annex I thereto, is hereby incorporated by reference in answer to Items 1 through 11 of the Schedule TO, and is supplemented by the information specifically provided in this Amendment.

This Amendment is being filed to reflect certain updates as described below.

#### **Amendment to the Offer to Purchase**

Items 1 through 11 of the Schedule TO, to the extent such Items incorporate by reference the information contained in Section 16 of the Offer to Purchase are amended and supplemented, and Section 16 of the Offer to Purchase is hereby amended and supplemented, by appending the following to the end of the paragraph in the subsection entitled Legal Proceedings in Section 16 of the Offer to Purchase entitled Certain Regulatory and Legal Matters :

On April 16, 2010, the Company, Pegasystems and Purchaser entered into a memorandum of understanding with plaintiffs and the other defendants to settle the *Bennett* lawsuit, the *Suba* lawsuit, the *Paskowitz* lawsuit and a fourth class action lawsuit, filed by Larry Settles on April 12, 2010, in the United States District Court for the Northern District of California.

Under the terms of the memorandum of understanding, the Company, Pegasystems, Purchaser, the other named defendants and the plaintiffs have agreed to settle the lawsuits, subject to court approval. As part of the settlement, the defendants deny all allegations of wrongdoing and deny that the previous disclosures were inadequate, but the Company agreed to make available certain additional information to its stockholders, which is set forth in an amendment to the Schedule 14D-9 filed by the Company. The memorandum of understanding further contemplates that the parties will enter into a stipulation of settlement. The stipulation of settlement will be subject to customary conditions, including court approval following notice to members of the proposed settlement class and consummation of the Merger as contemplated by the Merger Agreement. If finally approved by the court, the settlement will resolve all of the claims that were or could have been brought on behalf of the proposed settlement class in the action being settled, including all claims relating to the Offer, the Merger, the Merger Agreement, the adequacy of the price per Share paid in the Offer and the Merger, the negotiations preceding the Merger Agreement, the adequacy and completeness of the disclosures made in connection with the Offer and the Merger and any actions of the individual defendants in connection with the Offer, the Merger or the Merger Agreement, including any alleged breaches of the fiduciary duties of any of the defendants, or the aiding and abetting thereof. If the court approves the settlement after a notice period, then all public stockholders who did not elect to opt out of such settlement will be bound thereby.

In addition, in connection with the settlement and as provided in the memorandum of understanding, and subject to approval by the court, the Company or its insurer will pay to plaintiffs' counsel for their fees and expenses an amount not to exceed \$350,000. This payment will not affect the amount of consideration to be paid to stockholders of the Company in connection with the Offer and the Merger.

Under the terms of the Merger Agreement, the settlement is subject to the approval of Pegasystems, which may not be unreasonably withheld. Pegasystems has given its approval to the settlement described by the memorandum of understanding.

The Company, Pegasystems, Purchaser and the other defendants maintain that the lawsuits are without merit. Nevertheless, in order to avoid costly litigation and eliminate the risk of any delay to the closing of the Offer and the Merger, and because the only effect of the settlement on the Company's stockholders is to provide additional disclosure, the defendants have agreed to the settlement contemplated in the memorandum of understanding.
