Item 1.01 Entry into a Material Definitive Agreement

Agreement and Plan of Merger

On June 9, 2010, Eclipsys Corporation, a Delaware corporation (Eclipsys), entered into an Agreement and Plan of Merger (the Merger Agreement) with Allscripts-Misys Healthcare Solutions, Inc., a Delaware corporation (Allscripts), and Arsenal Merger Corp., a Delaware corporation and wholly owned subsidiary of Allscripts (Merger Sub). The Merger Agreement provides that, upon the terms and subject to the conditions set forth in the Merger Agreement, Merger Sub will merge with and into Eclipsys, with Eclipsys surviving as a wholly owned subsidiary of Allscripts (the Merger).

Subject to the terms and conditions of the Merger Agreement, which has been approved and adopted by boards of directors of both Eclipsys and Allscripts, at the effective time of the Merger (the Effective Time), each share of Eclipsys common stock, par value \$0.01 per share (Eclipsys Common Stock), issued and outstanding immediately prior to the Effective Time, other than those shares owned by Allscripts, Eclipsys or any of their respective subsidiaries, will be converted into the right to receive 1.2 shares (the Exchange Ratio) of Allscripts common stock, par value \$0.01 per share (Allscripts Common Stock).

Eclipsys and Allscripts have made customary representations, warranties and covenants in the Merger Agreement, including, among others, mutual covenants to conduct their respective businesses in the ordinary course during the period between the execution of the Merger Agreement and completion of the Merger, and mutual covenants to not (i) solicit or knowingly encourage inquiries or proposals relating to alternative business combination transactions, (ii) enter into any agreement, discussions or negotiations with respect to an alternative business combination transaction, (iii) approve or recommend an alternative business combination transaction or (iv) provide any non-public information in connection with any alternative business combination transaction, subject to certain exceptions.

Completion of the Merger is also subject to certain conditions, including (i) adoption of the Merger Agreement by Eclipsys stockholders, (ii) approval of the issuance of Allscripts Common Stock in connection with the Merger (the Allscripts Share Issuance) by Allscripts stockholders, (iii) expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act and (iv) closing of the Coniston Transactions (described below). The Merger Agreement also provides for certain termination rights for both Eclipsys and Allscripts, including the right of either party to terminate the Merger Agreement if the Merger has not been completed on or prior to December 16, 2010. Upon termination of the Merger Agreement under specified circumstances, Eclipsys or Allscripts, as the case may be, may be required to reimburse the other's transaction expenses related to the Merger up to \$5 million, or pay to the other a termination fee of approximately \$17.7 million or \$40 million, depending on the date on which the Merger Agreement is terminated and the reasons for termination.

The Merger is intended to qualify as a reorganization under Section 368(a) of the Internal Revenue Code of 1986, as amended.

The foregoing summary of the Merger Agreement is qualified in its entirety by the terms and conditions of the Merger Agreement, which is filed as Exhibit 2.1 to this report and is incorporated herein by reference.

Framework Agreement

On June 9, 2010, Allscripts entered into a Framework Agreement (the Framework Agreement) with Misys plc, a public limited company formed under the laws of England and Wales (Misys), and Eclipsys solely as a third party beneficiary of certain provisions of the Framework Agreement. Pursuant to the Framework Agreement, Allscripts and Misys agreed, among other things and subject to certain conditions, to reduce Misys' existing indirect ownership interest in Allscripts. As of June 8, 2010, Misys held indirectly 79.8 million shares of Allscripts Common Stock, representing approximately 54.5% of the aggregate voting power of Allscripts' capital stock. Upon completion of the Coniston Transactions described below and in the event Misys elects to exercise its right to require Allscripts to repurchase shares from Misys after the closing of the Merger pursuant to the Contingent Share Repurchase described below, Misys' equity stake in Allscripts is expected to be approximately 8%.

Subject to the terms and conditions of the Framework Agreement, Misys and Allscripts have agreed that:

100% of the issued and outstanding shares of an indirect subsidiary of Misys (Newco), which will hold 61.3 million shares of Allscripts Common Stock, will be transferred to Allscripts in exchange for 61.3 million newly issued shares of Allscripts Common Stock (such shares being referred to as the Exchange Shares) and the transaction described in this bullet being referred to as the Exchange);

Edgar Filing: ALLSCRIPTS-MISYS HEALTHCARE SOLUTIONS, INC. - Form 425

Allscripts will repurchase from Misys or from one or more of its indirect subsidiaries 24.4 million Exchange Shares at an aggregate purchase price of \$577.4 million (the *Share Repurchase*), which includes a payment of a premium of \$117.4 million in connection with the sale by Misys of its controlling interest in Allscripts;

Misys, directly or through one or more of its subsidiaries, will sell additional shares of Allscripts Common Stock in an underwritten secondary public offering (the *Secondary Offering*); and

if the Merger is completed, Misys will have the right to require that Allscripts repurchase from Misys or from one or more of its indirect subsidiaries approximately 5.3 million additional shares of Allscripts Common Stock at an aggregate purchase price of \$101.6 million (the *Contingent Share Repurchase*), which right may be exercised for up to 10 days after the closing of the Merger.

The Exchange, Share Repurchase and Secondary Offering are referred to as the *Coniston Transactions*.

The closing of the Coniston Transactions is subject to certain conditions, including (i) approval of the Coniston Transactions by the shareholders of Misys, (ii) the sale of no fewer than 36 million shares of Allscripts Common Stock in the Secondary Offering at a public offering price of no less than \$16.50 per share and (iii) completion of the financing contemplated by the Commitment Letter (described below). The Framework Agreement also provides for certain termination rights for both Allscripts and Misys, including the right of either party to terminate the Framework Agreement if the closing of the Coniston Transactions has not been completed on or prior to December 9, 2010.

In addition, pursuant to the terms of the Framework Agreement, Misys has also agreed to approve, by written consent, certain amendments to Allscripts' Second Amended and Restated Certificate of Incorporation that would (i) increase the total number of shares of stock of all classes that Allscripts is authorized to issue from 200,000,000 to 350,000,000, (ii) upon the closing of the Coniston Transactions, change the name of Allscripts from Allscripts-Misys Healthcare Solutions, Inc. to Allscripts Healthcare Solutions, Inc. , eliminate the ability of Allscripts stockholders to act by written consent and elect that Allscripts be governed by Section 203 of the DGCL, among other things, and (iii) establish certain committee structures to implement certain agreements in the Merger Agreement and the Amended and Restated Relationship Agreement (described below) related to the board of directors of Allscripts.

The Framework Agreement also provides that, in connection with potential contingent tax exposures relating to the structuring of the transactions, Misys will fully indemnify Allscripts for transaction taxes imposed on Allscripts as a result of Allscripts' acquisition of Newco in connection with the Exchange. Misys will provide a bank guarantee in the amount of \$168 million to secure this indemnification obligation. In addition, KPMG, LLP has issued an opinion to the board of directors of Allscripts that the Exchange will not be taxable. Misys will also fully indemnify Allscripts for historical taxes imposed on Newco for periods prior to the closing of the Coniston Transactions, and will provide a \$45 million bank guarantee to secure this indemnification obligation.

The Framework Agreement also provides that, upon the completion of the Exchange and the Share Repurchase, Allscripts and Misys will amend and restate the Relationship Agreement entered into on March 17, 2008 (as amended on August 14, 2008 and January 5, 2009). Under the existing Relationship Agreement, Misys is entitled to nominate six out of the ten members of Allscripts' board of directors, including the chairman of the board. When Allscripts and Misys enter into the Amended and Restated Relationship Agreement, Misys will be entitled to nominate two directors, which will be permanently reduced to one director if at any time Misys owns less than 15.5 million shares of Allscripts Common Stock, and which right will be permanently eliminated if at any time Misys owns less than 5.0% of the then outstanding shares of Allscripts Common Stock. The Amended and Restated Relationship Agreement will also contain a customary standstill provision, restricting Misys' ability to acquire Allscripts' securities for a period of five years after the closing of the Coniston Transactions. In addition, for a period of eighteen months after the closing of the Coniston Transactions, Misys would be obligated, subject to certain exceptions, to not deploy, sell, license or market any electronic medical health record or physician practice management software, related applications or solutions in any country in the world where Allscripts is conducting such operations on the date of the Framework Agreement, or utilize the name Misys or any trade name, trademark, brand name, domain name or logo containing or associated with the name Misys in connection with any healthcare information technology solutions.

In connection with the Coniston Transactions, Allscripts has signed a commitment letter (the *Commitment Letter*) with JPMorgan Chase Bank, N.A., Barclays Bank PLC, UBS Loan Finance LLC and certain of their affiliates for a \$570 million senior secured term loan facility and a \$150 million senior secured revolving facility, each of which is expected to close upon the closing of the Coniston Transactions. Allscripts expects to use the proceeds from these facilities, as well as cash on hand, to finance the Share Repurchase and the Contingent Share Repurchase, to pay certain fees and expenses in connection with the Merger and the transactions contemplated by the Framework Agreement, and to finance the working capital needs and general corporate purposes of Allscripts and its subsidiaries.

The foregoing summary of the Framework Agreement is qualified in its entirety by the terms and conditions of the Framework Agreement, which is filed as Exhibit 10.1 to this report and is incorporated herein by reference.

Voting Agreements

Edgar Filing: ALLSCRIPTS-MISYS HEALTHCARE SOLUTIONS, INC. - Form 425

In connection with the execution of the Merger Agreement, Allscripts and Eclipsys entered into a voting agreement with Misys and certain of Misys subsidiaries (the Misys Voting Agreement) pursuant to which Misys and certain of its subsidiaries agreed to cause 15.5 million shares of Allscripts Common Stock owned or held by such Misys subsidiaries in the aggregate to be present at the Allscripts stockholders meeting and voted in favor of the Allscripts Share Issuance and other matters to be approved by the stockholders of Allscripts to facilitate the Allscripts Share Issuance. Further, to the extent that 35% of the outstanding shares of Allscripts Common Stock would not be present at the Allscripts stockholders meeting, Misys agreed under the Misys Voting Agreement to cause an additional number of Allscripts Common Stock owned or held by such Misys subsidiaries to be present at the Allscripts stockholders meeting in order to cause 35% of the outstanding shares of Allscripts Common Stock to be present at such meeting. The Misys Voting Agreement provides that such additional shares of Allscripts Common Stock are to be voted for and against, abstained from voting or not voted, with respect to the Allscripts Share Issuance, and other matters to be approved by the stockholders of Allscripts to facilitate the Allscripts Share Issuance, in the same proportion as the shares of Allscripts Common Stock not held by Misys and its affiliates are voted for and against, abstained from voting or not voted, respectively. Additionally, Misys has made covenants in the Misys Voting Agreement to not (i) solicit or knowingly encourage inquiries or proposals relating to any transaction that is an alternative to the Merger or the Coniston Transactions, (ii) enter into any agreement, discussions or negotiations with respect to any transaction that is an alternative to the Merger or the Coniston Transactions, (iii) approve or recommend any transaction that is an alternative to the Merger or the Coniston Transactions or (iv) provide any non-public information in connection with any transaction that is an alternative to the Merger or the Coniston Transactions, subject to certain exceptions.

In addition, Allscripts entered into voting agreements with certain directors of Eclipsys and Eclipsys entered into voting agreements with certain directors of Allscripts, pursuant to which such directors have agreed to vote their shares of Eclipsys Common Stock or Allscripts Common Stock, as applicable, in favor of the Allscripts Share Issuance or the Merger, as applicable.

In connection with the Framework Agreement, Misys entered into a voting agreement (the ValueAct Voting Agreement) with ValueAct Capital Master Fund L.P. (ValueAct), a stockholder of Misys, with Allscripts and Eclipsys entering into such agreement solely as third party beneficiaries, pursuant to which ValueAct has agreed, among other things, to vote its shares of Misys (approximately 25.7% of Misys outstanding shares) at the Misys general meeting in support of the transactions contemplated by the Framework Agreement.

The foregoing summaries of the Misys Voting Agreement and the ValueAct Voting Agreement are qualified in their entirety by the terms and conditions of such voting agreements, which are filed as Exhibits 10.2 and 10.3 to this report, respectively, and are incorporated herein by reference.
