OF

SORRENTO THERAPEUTICS, INC.

PROXY STATEMENT OF

ERNST-GÜNTER AFTING, PH.D., M.D.

Dear Fellow Stockholder of Sorrento Therapeutics, Inc.:

This Proxy Statement and the accompanying YELLOW proxy card are being furnished to certain stockholders of Sorrento Therapeutics, Inc., 6042 Cornerstone Ct. West, Suite B, San Diego, California 92121 (Sorrento or the Company) in connection with the solicitation of proxies by me, Ernst-Günter Afting, Ph.D., M.D., to be used at the 2012 Annual Meeting of Stockholders of Sorrento (the Annual Meeting), and at any adjournment or postponement thereof.

Pursuant to this Proxy Statement, I am soliciting proxies from the holders of shares of common stock, par value \$0.0001 per share, of Sorrento (Common Stock) to take the following actions at the Annual Meeting:

1. To elect the following seven (7) director nominees (the Nominees) to the Board of Directors (the Board) of Sorrento for a one-year term to expire at the 2013 annual meeting of stockholders: (a) three (3) incumbent directors that have also been nominated for re-election by the Company: Henry Ji, Kim D. Janda and M. Scott Salka; and (b) four (4) new directors: David Webb, Cam Gallagher, Richard Vincent and Ernst-Günter Afting.
2. To ratify the appointment of Mayer Hoffman McCann P.C. as the Company s independent registered public accounting firm for the fiscal year ending December 31, 2012.
3. To transact any other business that may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting.

These items of business are more fully described in this Proxy Statement.

Sorrento has announced that the Annual Meeting will be held at its principal executive offices located at 6042 Cornerstone Ct. West, Suite B, San Diego, California 92121 on September 6, 2012 at 10:00 a.m. local time. Sorrento has fixed the close of business on July 13, 2012 as the record date (the Record Date) for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting and at any adjournment or postponement of the Annual Meeting.

This Proxy Statement and the enclosed YELLOW proxy card will first be sent or given to certain of Sorrento s stockholders on or about August 27, 2012. I will deliver this Proxy Statement and a YELLOW proxy card to holders of at least the percentage of voting power of all of the shares of capital stock of the Company reasonably believed by me to be sufficient to elect the Nominees.

Edgar Filing: Sorrento Therapeutics, Inc. - Form PRRN14A

This solicitation is being made by Ernst-Günter Afting, Ph.D., M.D. and not on behalf of the Board.

In accordance with Sorrento's bylaws, on August 8, 2012, I timely delivered advance notice to Sorrento regarding my intent to nominate individuals for election as directors at the Annual Meeting.

This solicitation is being conducted by me, Ernst-Günter Afting, Ph.D., M.D. I am an active board member in a variety of privately-held and publicly-traded companies in the pharmaceutical and drug industries, and was a member of the board from September 2009 through April 1, 2010. I may be deemed to beneficially own, in the aggregate, 965,430 shares of Common Stock, representing less than 1.0% of Sorrento's outstanding Common Stock (based upon the 299,877,135 shares of Common Stock stated to be outstanding as of July 31, 2012 by the Company in the Company's Current Report on Form 10-Q filed with the SEC on August 14, 2012). I have sole voting power and sole dispositive power with regard to 965,430 shares of Common Stock, of which 925,430 shares of Common Stock are held of record.

I urge you to elect the Nominees to the Board because I believe that election of new members to the Board would be beneficial to the Company and its stockholders. Among other things, I believe that the election of Henry Ji, Ph.D., Kim D. Janda, Ph.D., M. Scott Salka, David Webb, Ph.D., Cam Gallagher, Richard Vincent and Ernst-Günter Afting, Ph.D., M.D., all experienced, individually or collectively, with deep antibody and industry expertise, broad understanding of the operational, pre-clinical and clinical development, financial and strategic issues facing public and private companies both domestically and internationally, should significantly improve the oversight function of the Board. Each of Dr. Ji, Di. Janda and Mr. Salka is a current member of the Board and therefore will continue to bring a strong understanding of the Company to the Board. None of Dr. Webb, Mr. Gallagher, Mr. Vincent or I are current members of the Board. However, I was a member of the Board from September 2009 through April 1, 2010, and Mr. Vincent joined the Company in January 2010, and has served as its Chief Financial Officer, on a part-time basis, since February 2010. Therefore, I feel that my and Mr. Vincent's strong understanding of the Company's needs and strategies, based on our experience with the Company, can help the Board in making strategic decisions. I believe that Dr. Webb's extensive background in the drug discovery, pre-clinical and clinical development can add a fresh perspective to the Board. In addition, I believe that Mr. Gallagher's commercialization expertise with various biotechnology companies brings a great business and practical understanding of the Company's industry. I believe that each Nominee has a proven track record of accomplishment in his areas of specialization, and can bring different, but complementary, perspectives to the Board. For a more complete description of the Nominee's qualifications to serve on the Board, please see Proposal 1 The Nominees' Biographies and Qualifications.

YOUR VOTE IS IMPORTANT

If you agree with my reasons for soliciting your votes and believe that the election of the Nominees to the Board can make a difference for Sorrento, please vote FOR the election of the Nominees, no matter how many or how few shares you hold. I also urge you to vote FOR the ratification of the of the appointment of Mayer Hoffman McCann P.C. as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2012.

If you have already sent a proxy to the Board, you have every right to change your vote and may revoke that proxy and vote for the election of the candidates nominated by me by signing, dating and mailing the enclosed YELLOW proxy card or by voting in person at the Annual Meeting.

If your shares are held in the name of a brokerage firm, bank or nominee, only they can vote your shares, and only after receipt of your specific instructions. Accordingly, please return the YELLOW proxy card in the envelope provided by your bank or broker or contact the person responsible for your account and give instructions for such shares to be voted for the Nominees on the YELLOW proxy card.

Every stockholder should be aware that if such stockholder's shares are held through a bank, brokerage firm or other nominee, they will not be able to change their vote at the Annual Meeting, unless they obtain a legal proxy from the bank, brokerage firm or other nominee. Since this is a contested election for directors, there will be broker non-votes. Broker non-votes occur when a bank or brokerage firm holding shares on behalf of a stockholder does not receive voting instructions from the stockholder by a specified date before the Annual Meeting and the bank or brokerage firm is not permitted to vote those undirected shares on specified matters under applicable stock exchange rules. Thus, if you do not give your broker specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval.

If your shares are registered in more than one name, the YELLOW proxy card should be signed and dated by all such persons to ensure that all shares are voted for the Nominees.

Holders of record of shares of Common Stock on the Record Date are urged to submit a proxy, even if such shares have been sold after that date. The number of shares of Common Stock outstanding as of the Record Date as disclosed in Sorrento's proxy statement for the Annual Meeting was 299,877,135 shares. Each share of Common Stock is entitled to one vote at the Annual Meeting.

If you have any questions or require any assistance in executing or delivering your proxy, please contact me at:

YOU MAY HAVE ALREADY RECEIVED, OR WILL SOON RECEIVE, A PROXY CARD FROM THE COMPANY. PLEASE RETURN ONLY THE ENCLOSED YELLOW PROXY CARD AND DO NOT RETURN ANY COMPANY PROXY CARD UNDER ANY CIRCUMSTANCES. IF YOU RETURN BOTH PROXY CARDS, THERE IS A DANGER THAT YOUR SHARES WILL NOT BE VOTED AS YOU DESIRE BECAUSE ONLY THE LATEST DATED PROXY CARD YOU SUBMIT COUNTS.

QUESTIONS AND ANSWERS ABOUT THIS PROXY SOLICITATION

Who is making this proxy solicitation?

This solicitation is being made by me, Ernst-Günter Afting. I am the owner of record of 925,430 shares of Common Stock, and the beneficial owner of an additional 40,000 shares of Common Stock. I am an active board member in a variety of privately-held and publicly-traded companies in the pharmaceutical and drug industries and previously served as a director of the Company from September 2009 through April 1, 2010.

Why did you send me this Proxy Statement?

I sent you this Proxy Statement and the enclosed YELLOW proxy card because I am soliciting your proxy to vote at the Annual Meeting. This Proxy Statement summarizes information related to your vote at the Annual Meeting. All stockholders who find it convenient to do so are encouraged to attend the Annual Meeting in person. However, you do not need to attend the Annual Meeting in person to vote your shares. Instead, you may simply complete, sign and return the enclosed YELLOW proxy card.

Only stockholders who owned Common Stock of the Company on the Record Date are entitled to vote at the Annual Meeting. According to the Company, on the Record Date, there were 299,877,135 shares of Common Stock outstanding. Common Stock is the only class of stock of the Company entitled to vote at the Annual Meeting.

Why are you soliciting my proxy?

I am soliciting proxies to elect a slate of seven directors because I believe that the election of Henry Ji, Ph.D., Kim D. Janda, Ph.D., M. Scott Salka, David Webb, Ph.D., Cam Gallagher, Richard Vincent and Ernst-Günter Afting, Ph.D., M.D., all experienced, individually or collectively, with deep antibody and industry expertise, broad understanding of the operational, pre-clinical and clinical development, financial and strategic issues facing public and private companies both domestically and internationally, should significantly improve the oversight function of the Board. Dr. Ji, Dr. Janda and Mr. Salka are incumbent directors that have also been nominated for re-election by the Company, and Mr. Webb, Mr. Gallagher, Mr. Vincent and Dr. Afting, if elected, would be new members of the Board. For a more complete description of the reasons I am asking for your proxy, please see [Proposal 1 The Nominees Biographies and Qualifications](#) and see [Proposal 1 Reasons to Vote for the Nominees](#).

What matters are you seeking my vote on?

I am soliciting your vote in favor of the following two proposals:

Proposal 1: Election of Directors. The election of the following seven (7) Nominees to the Board for a one-year term to expire at the 2013 annual meeting of stockholders: Henry Ji, Kim D. Janda, M. Scott Salka, David Webb, Cam Gallagher, Richard Vincent and Ernst-Günter Afting.

Proposal 2: Ratification of Independent Registered Public Accounting Firm. The ratification of the appointment of Mayer Hoffman McCann P.C. as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2012.

Who are you nominating for election the Board?

I have nominated the following seven individuals for election: Henry Ji, Kim D. Janda, M. Scott Salka, David Webb, Cam Gallagher, Richard Vincent and Ernst-Günter Afting. I believe that each of the Nominees other than Dr. Ji and Mr. Vincent would be considered independent directors should they be re-elected or elected, respectively, to the Board. Dr. Ji, Dr. Janda and Mr. Salka are incumbent directors that have also been nominated by the Company for re-election, and Mr. Webb, Mr. Gallagher, Mr. Vincent and Dr. Afting, if elected, would be new members of the Board.

I have nominated the Nominees named above based upon their qualifications, which are discussed in more detail below under Proposal 1 The Nominees Biographies and Qualifications . Each Nominee has a proven track record of accomplishment in his areas of expertise. Except as disclosed in this Proxy Statement, none of the Nominees has any material relationship or agreement with me or my affiliates.

If the Nominees are elected, what actions will they take?

I believe that, if elected, the Nominees will exercise their independent judgment in accordance with the fiduciary duties imposed by law in all matters that come before the Board and will act in your best interests and promptly explore all alternatives for maximizing stockholder value.

How many votes do I have?

Each share of Common Stock that you owned as of July 13, 2012 entitles you to one vote on each matter to come before the Annual Meeting.

How do I vote by proxy?

With respect to the election of directors, you may either vote For all of the Nominees or you may Withhold your vote for any nominee you specify. For ratification of the appointment of Mayer Hoffman McCann P.C. as the Company's independent registered public accountant, you may vote For or Against or abstain from voting.

Stockholders of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy using the enclosed YELLOW proxy card. Whether or not you plan to attend the Annual Meeting, I urge you to vote by proxy to ensure that your vote is counted. You may still attend the Annual Meeting and vote in person even if you have already voted by proxy. To vote in person, come to the Annual Meeting and you should be provided with a ballot. If Sorrento does not provide a ballot that includes the Nominees for director, I will provide a form of ballot to the independent inspector for distribution at the Annual Meeting on my behalf.

To vote using the YELLOW proxy card, simply complete, sign and date the enclosed YELLOW proxy card and return it promptly in the envelope provided. If you properly complete your YELLOW proxy card and return it in time to vote, your proxy (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign and return your YELLOW proxy card but do not make specific choices, your shares will be voted FOR ALL NOMINEES with respect to Proposal 1 (Election of Directors) and FOR Proposal 2 (ratification of the appointment of Mayer Hoffman McCann P.C. as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2012). If any other matter is presented at the Annual Meeting, your proxy will vote in accordance with his or her best judgment. As of the date of this Proxy Statement, I know of no matters that will need to be acted on at the Annual Meeting, other than those discussed in this Proxy Statement.

Beneficial Owners: Shares Registered in the Name of a Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than directly from me. Simply complete and mail the proxy card to ensure that your vote is counted, and instruct that person to execute the YELLOW proxy card on your behalf. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

May I revoke my proxy?

If you grant me your proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in any one of the three following ways:

you may send in another signed proxy with a later date;

you may notify the Company's corporate secretary, Joshua Weingard at c/o Sorrento Therapeutics, Inc., 6042 Cornerstone Ct. West, Suite B, San Diego, California 92121, in writing before the Annual Meeting that you have revoked your proxy; or

you may attend the Annual Meeting and vote in person at the Annual Meeting.

What should I do if I receive a proxy card solicited by the Company?

If you submit a proxy by signing and returning the enclosed YELLOW proxy card, do not sign or return the proxy card solicited by the Company or follow any voting instructions provided by the Company unless you intend to change your vote, because only your latest-dated proxy card will be counted.

I urge you NOT to sign or return Sorrento's proxy card or otherwise provide proxies sent to you by Sorrento, even as a protest vote. If you have already done so, you may revoke your previously signed proxy by: (1) signing and returning a later dated YELLOW proxy card in the enclosed postage-paid envelope, (2) notifying the Company's corporate secretary, Joshua Weingard at c/o Sorrento Therapeutics, Inc., 6042 Cornerstone Ct. West, Suite B, San Diego, California 92121, in writing before the Annual Meeting that you have revoked your proxy, or (3) attending and voting at the Annual Meeting in person. Only your latest dated proxy or your vote in person at the Annual Meeting will be counted.

Can I vote via the Internet or by telephone?

If your shares are registered in the name of a bank or brokerage firm, you may be eligible to vote your shares electronically over the Internet or by telephone. A large number of banks and brokerage firms offer Internet and telephone voting. If your bank or brokerage firm does not offer Internet or telephone voting information, please complete and return your YELLOW proxy card in the self-addressed, postage-paid envelope provided.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of holders representing a majority of the outstanding Common Stock as of July 13, 2012, or approximately 149,938,568 shares, constitutes a quorum at the Annual Meeting, permitting the Company to conduct business.

What vote is required to approve each proposal?

Proposal 1: Election of Directors. For Proposal 1, the seven nominees who receive the most For votes (among votes properly cast in person or by proxy) will be elected. Only votes For or Withheld will affect the outcome.

Proposal 2: Ratification of Independent Registered Public Accounting Firm. To be approved, Proposal 2 must receive For votes from the holders of a majority of the shares of Common Stock present or represented by proxy and entitled to vote at the Annual Meeting.

Voting results will be tabulated and certified by the Company's mailing and tabulating agent, Computershare Limited.

What is the effect of abstentions and broker non-votes?

Shares of Common Stock held by persons attending the Annual Meeting but not voting, and shares represented by proxies that reflect abstentions as to a particular proposal, will be counted as present for purposes of determining the presence of a quorum. Abstentions are treated as shares present in person or by proxy and entitled to vote, so

abstaining has the same effect as a negative vote for purposes of determining whether the Company's stockholders have ratified the appointment of Mayer Hoffman McCann P.C., the Company's independent registered public accounting firm. However, because the election of directors is determined by a plurality of votes cast, abstentions will not be counted in determining the outcomes of such proposal.

Shares represented by proxies that reflect a broker non-vote will be counted for purposes of determining whether a quorum exists. A broker non-vote occurs when a nominee holding shares for a beneficial owner has not received instructions from the beneficial owner and does not have discretionary authority to vote the shares for certain non-routine matters. With regard to the election of directors, broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote. However, ratification of the appointment of Mayer Hoffman McCann P.C. is considered a routine matter on which a broker or other nominee has discretionary authority to vote. As a result, broker non-votes will be counted for purposes of Proposal 2.

Who is paying the costs of soliciting these proxies?

This solicitation is being made by me. All costs incidental to the solicitations of proxies on my behalf will be borne initially by me. I will seek reimbursement of such costs from Sorrento. I do not intend to submit the question of such reimbursement to a vote of the Sorrento stockholders. Total expenditures spent for, in furtherance of or in connection with the solicitation of proxies on my behalf are estimated to be approximately \$45,000. Total expenditures to date are less than \$30,000. I do not anticipate that any individuals other than me will engage in the solicitation of proxies. I do not currently anticipate engaging a proxy solicitation firm, but may do so if I so choose.

No person other than me has or is expected to contribute more than \$500 towards financing the solicitation of proxies in favor of electing the Nominees or opposed to the election of any other persons nominated to stand for election for directorships at the Annual Meeting. Under SEC rules, each of the Nominees is deemed to be a participant in this solicitation. Additional information regarding me and the other Nominees, including beneficial ownership of Common Stock, is set forth in Information about the Participants and Nominees below.

Whom should I contact if I have questions about the solicitation?

Please contact me at Ernst-Günter Afting, Meisenweg 21, D-82152 Krailling, Germany; you may also contact me via email at mediconsult@arcor.de.

PROPOSAL 1: ELECTION OF DIRECTORS

At the Annual Meeting, I will propose that Henry Ji, Kim D. Janda, M. Scott Salka, David Webb, Cam Gallagher, Richard Vincent and Ernst-Günter Afting be elected as directors of the Company. If elected, each of the Nominees will hold office until the 2013 annual meeting of Sorrento stockholders and a successor is elected and qualified or until his death, resignation or removal.

Each of the Nominees has agreed to be named in this Proxy Statement and to serve as a director of Sorrento, if elected. I do not expect that any of the Nominees will be unwilling or unable to stand for election or to serve as a director.

Background of the Solicitation

I was a member of the Board from September 2009 through April 1, 2010. Since leaving the Board, I have continued to follow the Company and on August 8, 2012, in accordance with the Company's bylaws, I timely delivered advance notice to Sorrento regarding my intent to nominate individuals for election as directors.

Reasons to Vote for the Nominees

While all of the incumbent directors possess certain specific technology credentials, I believe that key elements of a balanced strategy remain unaddressed at the Board level. Specifically, I believe that the Board, as currently composed, lacks the creativity and clinical development expertise required to address the Company's current needs. On the other hand, each of the Nominees are experienced, individually or collectively, with deep antibody and industry expertise, broad understanding of the operational, pre-clinical and clinical development, financial and strategic issues facing public and private companies both domestically and internationally, which should significantly improve the oversight function of the Board. I also believe that each of the Nominees is a strong stockholder-oriented individual who will help represent the best interests of Sorrento's stockholders. Please see "The Nominees' Biographies and Qualifications" for a more complete description of the Nominees' qualifications to serve on the Board.

I ask you to elect the seven Nominees to the Board. I believe that, if elected, these candidates will exercise their independent judgment in accordance with the fiduciary duties imposed by law in all matters that come before the Board and will act in your best interests and promptly explore all alternatives for maximizing stockholder value. I further believe that the Nominees, based upon their experiences as disclosed herein, can help to effect positive change at the Company by working with the other Board members and management to improve shareholder value.

Election of the Nominees

You are requested to vote for seven nominees for director, who, if elected, will be elected for one-year terms and will serve until their successors are elected and qualified. The Nominees are Henry Ji, Ph.D., Kim D. Janda, Ph.D., M. Scott Salka, David Webb, Ph.D., Cam Gallagher, Richard Vincent and Ernst-Günter Afting, Ph.D., M.D. Dr. Ji, Dr. Janda and Mr. Salka are incumbent directors that have also been nominated by the Company for re-election, and Mr. Webb, Mr. Gallagher, Mr. Vincent and Dr. Afting, if elected, would constitute new members of the Board. Each of the Nominees has consented to being nominated for election to the Board, being named in this Proxy Statement and has agreed to serve as a director, if elected. The information under "The Nominees' Biographies and Qualifications" below concerning age and principal occupation of the Nominees for at least the last five years has been furnished by the respective Nominees. Information about the Nominees' beneficial ownership of Common Stock is included below under "Information about the Participants and the Nominees' Stock Ownership of the Nominees".

I do not expect that any of the Nominees will be unable to stand for election or serve as a director, but if any vacancy in the slate of the Nominees occurs for any reason (including if Sorrento makes or announces any changes to its bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying any or all of the Nominees), the shares represented by the YELLOW proxy card received by me and not properly revoked will be voted for the substitute candidate nominated by me in compliance with the rules of the Securities and Exchange Commission (the "SEC") and any other applicable laws and, if applicable, Sorrento's bylaws.

If I lawfully identify or nominate substitute nominees before the Annual Meeting, I will file an amended proxy statement that identifies these substitute nominees, discloses whether such nominees have consented to being named in the revised proxy statement, and include all disclosure requirements required by the rules of the SEC with respect to such substitute nominees.

Assuming a quorum is present at the Annual Meeting, the seven nominees for election as directors to hold office until the 2013 annual meeting of Sorrento stockholders who receive the most affirmative votes will be elected. There is no cumulative voting in the election of directors.

I believe that each of the Nominees other than Dr. Ji and Mr. Vincent would be considered independent directors should they be re-elected or elected, respectively, to the Board.

During the past ten years, none of Dr. Ji, Dr. Janda, Mr. Salka, Dr. Webb, Mr. Gallagher, Mr. Vincent and Dr. Afting have been the subject of any bankruptcy or state insolvency proceedings, convicted in a criminal proceeding (excluding traffic violations and similar misdemeanors), or subject to any pending criminal proceedings. Dr. Ji, Dr. Janda, Mr. Salka, Dr. Webb, Mr. Gallagher, Mr. Vincent and Dr. Afting are not involved in any material legal proceeding involving the Company and have not had any material interest adverse to the Company. None of the Nominees has a family relationship with any officer, director or employee of the Company or any of its subsidiaries. Dr. Ji, Dr. Janda, Mr. Salka, Dr. Webb, Mr. Gallagher, Mr. Vincent and Dr. Afting in the past ten years have not been the subject of any order, judgment or decree enjoining or suspending him from acting in any capacity or engaging in any business practice or any other activity in connection with any violation of any securities or commodities laws.

No Nominee has failed to file on a timely basis reports related to the Company that are required by Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act).

Potential Effects on the Company

The election of the Nominees will result in a change in a majority of the incumbent directors. However, as of the date hereof, and based on my review of the Company's publicly-available documents, I am not aware of any agreements, benefit plans or other obligations of the Company that would be triggered, any contractual benefits that would be accelerated or provided by the Company, or any contractual obligations that would be imposed on the Company, by the election of Mr. Webb, Mr. Gallagher, Mr. Vincent and Dr. Afting, four new directors to the Board.

I strongly recommend a vote FOR the election of each of the Nominees by checking the appropriate box and signing, dating and returning the enclosed YELLOW proxy card.

PROPOSAL 2: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

According to the Company’s proxy statement for the Annual Meeting, the Audit Committee of the Board (the “Audit Committee”) has selected Mayer Hoffman McCann P.C., or Mayer Hoffman, as the Company’s independent registered public accountants for the fiscal year ending December 31, 2012 and has further directed that management submit the selection of independent registered public accountants for ratification by the stockholders at the Annual Meeting. Mayer Hoffman has audited the Company’s financial statements since 2009. Representatives of Mayer Hoffman are not expected to be present at the Annual Meeting.

Stockholder ratification of the selection of Mayer Hoffman as the Company’s independent registered public accountants is not required by Delaware law, the Company’s certificate of incorporation or the Company’s bylaws. However, as disclosed in the Company’s proxy statement for the Annual Meeting, the Audit Committee is submitting the selection of Mayer Hoffman to the stockholders for ratification as a matter of good corporate practice. According to the Company’s proxy statement for the Annual Meeting, if the stockholders fail to ratify the selection, the Audit Committee will reconsider whether to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent registered public accountants at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of Mayer Hoffman. Abstentions will be counted toward the tabulation of votes cast on Proposal 2 and will have the same effect as negative votes. Broker non-votes will be counted towards a quorum, but will not be counted for any purpose in determining whether Proposal 2 has been approved. The approval of Proposal 2 is a routine proposal on which a broker or other nominee has discretionary authority to vote. Accordingly, no broker non-votes will likely result from this proposal.

Independent Registered Public Accountants Fees

The following table from the Company’s proxy statement for the Annual Meeting represents aggregate fees billed to the Company for the years ended December 31, 2011 and 2010 by Mayer Hoffman, the Company’s principal auditor for such periods. The Company disclosed in the proxy statement for the Annual Meeting that all fees described below were approved by the Audit Committee.

	Year Ended December 31,	
	2011	2010
Audit Fees ⁽¹⁾	53,000	51,714
Audit-Related Fees		
Tax Fees		
All Other Fees		
Total Fees	53,000	51,714

(1) Audit fees for the year ended December 31, 2011 related to the Company’s annual audit for 2010 and the review of the Company’s 2011 quarterly financial statements and other SEC filings. Audit fees for the fiscal year ended December 31, 2010 related to the Company’s annual audit for 2009 and the review of the Company’s 2010 quarterly financial statements and other SEC filings.

Audit Committee’s Pre-Approval Policies and Procedures

According to the Company’s proxy statement for the Annual Meeting, the Audit Committee has adopted a policy for the pre-approval of audit and non-audit services rendered by Mayer Hoffman. The policy generally pre-approves specified services in the defined categories of audit services, audit-related services and tax services up to specified amounts. Pre-approval may also be given as part of the Audit Committee’s approval of the scope of the engagement of the independent auditors or on an individual explicit case-by-case basis before the independent auditors are engaged to provide each service. The pre-approval of services may be delegated to one or more of the Audit Committee’s members, but the decision must be reported to the full Audit Committee at its next scheduled meeting. By the adoption of this policy, the Audit Committee has delegated the authority to pre-approve services to the Chairperson of the Audit Committee, subject to certain limitations.

According to the Company's proxy statement for the Annual Meeting, the Audit Committee has determined that the rendering of the services other than audit services by Mayer Hoffman is compatible with maintaining the principal accountant's independence.

I strongly recommend that you vote FOR the ratification of the selection of Mayer Hoffman McCann P.C. as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2012 by checking the appropriate box and signing, dating and returning the enclosed YELLOW proxy card.

SOLICITATION OF PROXIES

I may solicit proxies by mail, other courier services, advertisement, telephone, facsimile, email, other electronic means and personal solicitation and meetings with stockholders. All written soliciting materials, including scripts to be used in soliciting proxies over the telephone, will be filed under cover of Schedule 14A in accordance with SEC rules. All costs incidental to the solicitations of proxies on my behalf will be borne initially by me. I will seek reimbursement of such costs from Sorrento. I do not intend to submit the question of such reimbursement to a vote of the Sorrento stockholders. Total expenditures spent for, in furtherance of or in connection with the solicitation of proxies on my behalf are estimated to be approximately \$45,000. Total expenditures to date are less than \$30,000. I do not currently anticipate engaging a proxy solicitation firm, but may do so if I so choose.

Banks, brokerage houses, and other custodians and fiduciaries will be requested to forward proxy solicitation material to their customers for whom they hold shares and I will reimburse them for their reasonable out-of-pocket expenses. I will also reimburse brokers, fiduciaries, custodians and other nominees, as well as persons holding stock for others who have the right to give voting instructions, for out-of-pocket expenses incurred in forwarding this Proxy Statement and related materials to, and obtaining instructions or authorizations relating to such materials from, beneficial owners of Common Stock. I will pay for the cost of these solicitations, but these individuals will receive no additional compensation for these solicitation services.

INFORMATION ABOUT THE PARTICIPANTS AND THE NOMINEES

Under SEC rules, each of the Nominees is deemed to be a participant in this solicitation of proxies from stockholders of the Company. The Nominees are the only participants in this solicitation. No person other than me has or is expected to contribute more than \$500 towards financing the solicitation of proxies in favor of electing the Nominees or opposed to the election of any other persons nominated to stand for election for directorships at the Annual Meeting. Except as described herein, no person or entity has lent money or entered into any arrangement for financing or otherwise inducing the purchase, sale or holding of securities by any of the Nominees, or in support of any of the Nominees or in opposition to any other candidate for election to the Board. Except as disclosed in this Proxy Statement, none of the Nominees is, and none of the Nominees has within the past year, been a party to any contract, arrangements or understandings with any person with respect to any securities of the Company.

Each of Dr. Ji, Dr. Janda, Mr. Salka, Dr. Webb, Mr. Gallagher, Mr. Vincent and Dr. Afting has consented to be nominated for election to the Board at the Annual Meeting. The sole substantial interests in any proxy solicitation in favor of the Nominees and opposed to any other nominees for election to the Board by me are my record and beneficial ownership of shares of Common Stock of the Company and my desire to elect the Nominees. In the case of the Nominees, the sole substantial interest in any proxy solicitation in favor of the Nominees and opposed to any other nominees for election to the Board by me is their desire to be directors of the Company. Information as of August 7, 2012, with respect to the beneficial ownership of shares of Common Stock by me and each of the other Nominees is set forth below under "Stock Ownership of the Nominees".

Stock Ownership of the Nominees

The following table sets forth information as of August 7, 2012, with respect to the beneficial ownership of shares of Common Stock by me and each of the other Nominees.

Applicable percentage ownership in the table below is based on 299,877,135 shares of Common Stock outstanding, the number reported to be outstanding as of July 31, 2012 by the Company in the Company's Current Report on Form 10-Q filed with the SEC on August 14, 2012, adjusted as required by rules promulgated by the SEC. In addition, the rules include shares of Common Stock issuable pursuant to the exercise of stock options that are either immediately exercisable or exercisable on or before October 6, 2012, which is 60 days after August 7, 2012. These shares are deemed to be outstanding and beneficially owned by the person holding those options for the purpose of computing the percentage ownership of that person, but they are not treated as outstanding for the purpose of computing the percentage ownership of any other person.

Common Stock Private Placement

Edgar Filing: Sorrento Therapeutics, Inc. - Form PRRN14A

According to the Company's definitive Proxy Statement filed for the Annual Meeting, on December 29, 2011, the Company entered into a Stock Purchase Agreement (the "Stock Purchase Agreement") with the Donald R. Scifres 2011 Annuity Trust Y (the "Scifres Trust"), an accredited investor, to issue 12,500,000 shares of the Company's Common Stock in consideration for an aggregate

investment of \$2.0 million (the December 2011 Financing). The December 2011 Financing was completed on December 29, 2011. Pursuant to the Stock Purchase Agreement, as amended, the Company was permitted to sell up to an additional 25,000,000 shares of Common Stock under the Stock Purchase Agreement to one or more accredited investors on or before May 15, 2012, and the Scifres Trust and its affiliates, together, SDL, had the right, but not the obligation, to purchase up to 6,250,000 of any such securities sold by the Company. Immediately prior to the completion of the December 2011 Financing, SDL held 10.5% of the outstanding shares of Common Stock and upon completion of the December 2011 Financing, SDL held 14.8% of the outstanding shares of Common Stock.

The Stock Purchase Agreement provides to SDL preemptive rights, except under certain conditions, for SDL to participate in any offer or sale by the Company of any capital stock or other securities of any type that are, or may become convertible, into capital stock, up to SDL's pro rata portion, on the same terms, conditions and price provided in any subsequent placement of its securities. SDL's preemptive rights do not apply to, among others things: (a) shares of Common Stock, options, warrants or other convertible securities issued to employees or officers or directors or outside consultants or contractors of the Company or any subsidiary pursuant to a plan, agreement or arrangement duly approved by the Board; (b) securities issued in connection with the acquisition of all or a substantial portion of the assets or the business of another entity by the Company; (c) securities issued in connection with a corporate partnering transaction, strategic alliance, technology transfer, license or similar transaction; or (d) any shares of Common Stock sold at a price equal to or greater than \$0.16 per share (as adjusted for any stock splits, stock dividends, stock combinations, and similar events occurring after the date of the Stock Purchase Agreement) (the Purchase Price), or any other capital stock or other securities of any type whatsoever convertible into or exchangeable the Common Stock at a price equal to or greater than the Purchase Price (as adjusted for any stock splits, stock dividends, stock combinations, and similar events occurring after the date of the Stock Purchase Agreement). SDL's preemptive rights terminate on the earliest of (a) such time as SDL no longer is the owner of 40,000,000 shares of the Common Stock (as adjusted for any stock splits, stock combinations, and similar events occurring after the date of the Stock Purchase Agreement), (b) December 29, 2016, (c) the date the Common Stock is listed on a national exchange, or (d) the date of the closing of a sale or other disposition of all or substantially all of the Company's assets or its merger into or consolidation with any corporation or other entity, in which the holders of the Company's outstanding voting stock immediately prior to such transaction own, immediately after such transaction, securities representing less than 50% of the Company's voting power or the surviving entity.

The Stock Purchase Agreement provides that the Company shall have one designee of SDL Ventures, LLC, an affiliate of the Scifres Trust, nominated for election to the Board, subject to approval of the full Board. The SDL-nominee must have relevant industry experience or academic experience and satisfy the independence requirements of the Nasdaq Global Market. The Board nominated M. Scott Salka for election to the Board, and the full Board approved the nomination of M. Scott Salka in February 2012.

The Stock Purchase Agreement provides piggy back registration rights to each investor in the December 2011 Financing, with such rights terminating upon the earlier of (a) seven years from the date of the Stock Purchase Agreement or (b) when such investor is entitled to sell all of the shares purchased pursuant to the Stock Purchase Agreement without volume restriction pursuant to Rule 144.

On May 14, 2012, the Company entered into an Amended and Restated Stock Purchase Agreement with certain accredited investors, to issue an additional 37,500,000 shares of Common Stock in consideration for an aggregate investment of \$6.0 million (the May 2012 Financing). The May 2012 Financing was completed on May 15, 2012. 6,250,000 of the shares were purchased by an investor, Hongye San Diego Group, LLC, of which Dr. Henry Ji, the Company's interim Chief Executive Officer and Chief Scientific Officer and a Nominee, is a managing director. All other material terms of the Stock Purchase Agreement described above remain unchanged.

Under the Employment Letter, Dr. Ji will receive an initial annual salary of \$240,000, and will be eligible to participate in any cash-bonus program and equity award plan in such amounts as the Board or any applicable committee thereof shall

determine in its sole discretion. The Employment Letter provides that in the event Dr. Ji's employment with the Company is terminated prior to the end of the term specified in the Employment Letter for any reason other than for cause, then concurrent with such termination, he will be entitled to receive (i) all compensation accrued, but unpaid, up to the date of termination, and (ii) severance in an amount equal to one year of his then-current base salary. In addition, the vesting of all stock options or other equity awards then held by him will accelerate in full and be exercisable for a period of 90 days after any such termination. In the Employment Letter, cause is defined to mean (a) any dishonesty that is intended to materially injure the Company's business, (b) conviction of any felony, or (c) any wanton or willful dereliction of duties that are not cured after being provided with 30 days written notice. Effective January 1, 2012, the Company's Compensation Committee increased Dr. Ji's annual salary to \$250,000.

According to the Company's proxy statement for the Annual Meeting, in January 2010, the Company entered into a consulting agreement with Richard Vincent, an independent contractor serving as the Company's Chief Financial Officer. As amended, the consulting agreement provides that Mr. Vincent: (i) currently receives a daily retainer of \$1,300, and (ii) is eligible for an annual bonus at the sole discretion of the Board or any applicable committee thereof. Either the Company or Mr. Vincent may terminate the consulting agreement at any time.

Dr. Janda, Mr. Salka, Dr. Webb, Mr. Gallagher and Dr. Afting have no arrangements regarding future employment with the Company or any of its affiliates or any other arrangements or understandings regarding future transactions with the Company other than solely in their capacity as directors of the Company when, as and if re-elected or elected, as applicable.
