- 1) In accordance with Rule 416(a), the number of Common Shares being registered hereunder may be increased from time to time to that number of Common Shares resulting from a stock split, stock dividend or similar transaction applicable to the currently registered number of Common Shares. In addition, pursuant to Rule 416(c), this Registration Statement covers an indeterminate amount of interests to be offered or sold pursuant to the employee benefit plan described herein.
- 2) The registration fee has been calculated, and the offering price estimated, in accordance with Rules 457(c) and (h) upon the basis of the average of the high and low sales prices of Common Shares as reported on the NYSE MKT on February 26, 2013, which was \$29.05 per Common Share.

Explanatory Note

The Gorman-Rupp Company (the Company) previously filed registration statements on Form S-8 registering its Common Shares, without par value, that may be offered under The Gorman-Rupp Company Employee Stock Purchase Plan (as amended and/or restated to date, the Plan) from time to time. The most recent such prior registration statement is File No. 333-85982 filed on April 10, 2002 covering 250,000 shares. The Company is filing this registration statement to register 250,000 additional Common Shares that may be offered under the Plan from time to time.

It is not presently anticipated that either treasury shares or original issue shares of the Company will be issued under the Plan, and therefore no such shares are hereby registered. The Company contemplates that the Plan trustee will purchase Common Shares for the accounts of the participants on the open market or otherwise from sources other than the Company. The number of shares registered hereunder represents the estimated maximum number of presently outstanding Common Shares that could be purchased under the Plan with employee and Company contributions based upon the closing price of Common Shares of \$28.97 on the NYSE MKT on February 26, 2012.

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The following documents have been filed by the Company with the Securities and Exchange Commission (the Commission) pursuant to the Securities Exchange Act of 1934, as amended (the Exchange Act), and are hereby incorporated by reference in this Registration Statement:

The Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2012; and

The description of the Company's Common Shares contained in the Registration Statement on Form 8-A filed on October 1, 1971 (File No. 1-06747) and any amendments or reports filed for the purpose of updating that description; other than the portions of such documents that, by statute or rule, by designation in such document or otherwise, are not deemed to be filed with the Commission or are not required to be incorporated herein by reference.

All documents subsequently filed by the Company or the Plan pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated herein by reference and to be part hereof from the date of filing of such documents, other than the portions of such documents that by statute or rule, by designation in such document or otherwise, are not deemed to be filed with the Commission or are not required to be incorporated herein by reference.

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document that also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

None.

Item 6. Indemnification of Directors and Officers.

Section 1701.13(E) of the Ohio Revised Code generally permits indemnification of any Director, officer or employee with respect to any proceeding against any such person provided that: (a) such person acted in good faith, (b) such person reasonably believed that the conduct was in or not opposed to the best interests of the corporation, and (c) in the case of criminal proceedings, such person had no reasonable cause to believe that the conduct was unlawful. Indemnification may be made against expenses (including attorneys' fees), judgments, fines and settlements actually and reasonably incurred by such person in connection with the proceeding; provided, however, that if the proceeding is one by or in the right of the corporation, indemnification may be made only against reasonable expenses (including attorneys' fees) and may not be made with respect to any proceeding in which the director, officer or employee has been adjudged to be liable to the corporation, except to the extent that the court in which the proceeding was brought shall determine, upon application, that such person is, in view of all the circumstances, entitled to indemnity for such expenses as the court shall deem proper. The termination of any proceeding by judgment, order, settlement, conviction or upon a plea of *nolo contendere* or its equivalent does not, of itself, create a presumption that the Director, officer or employee did not meet the standard of conduct required for indemnification to be permitted.

Section 1701.13(E) of the Ohio Revised Code further provides that indemnification thereunder may not be made by the corporation unless authorized after a determination has been made that such indemnification is proper, with that determination to be made (a) by the Board of Directors by a majority vote of a quorum consisting of Directors not parties to the proceedings; (b) if such a quorum is not obtainable, or, even if obtainable, but a quorum of disinterested Directors so directs, by independent legal counsel in a written opinion; (c) by the shareholders; or (d) by the court in which the proceeding was brought.

Finally, Section 1701.13(E) of the Ohio Revised Code provides that indemnification provided by that Section is not exclusive of any other rights to which those seeking indemnification may be entitled under the Company's Articles of Incorporation or Regulations or any agreement, vote of shareholders or disinterested Directors or otherwise.

The general effect of Article IV of the Company's Regulations is to provide for the indemnification of its Directors, officers and employees to the full extent permitted by applicable law, on terms generally consistent with the statutory authority in Section 1701.13(E) of the Ohio Revised Code. Article IV of the Company's Regulations further provides that such indemnification is not exclusive of any other rights to which those seeking indemnification may be entitled, including under the Company's Articles of Incorporation or any agreement, vote of shareholders or disinterested Directors or otherwise.

The Company has entered into an Indemnification Agreement (the "Agreement") with each present Director and such officers of the Company and its subsidiaries as have been designated by the Board of Directors. The effect of the Agreement is to provide for mandatory indemnification of an officer or Director of the Company, or of an individual who serves at the request of the Company as an officer, director, trustee, employee or agent of another corporation or entity, if the individual meets certain standards of conduct required by the Agreement. The Agreement provides indemnification to an individual who was or is a party to any threatened, pending or completed action, suit or proceeding, including any action, suit or proceeding threatened or instituted by or in the right of the Company. The Agreement also contemplates indemnification in connection with administrative and investigative proceedings as well as criminal and civil actions, suits or proceedings.

The Company also maintains insurance covering certain liabilities of the Directors and officers of the Company and its subsidiaries.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

- 4(b) The Company's Regulations (incorporated herein by this reference from Exhibits (3)(4) of the Company's Annual Report on Form 10-K for the year ended December 31, 2010) (File No. 1-06747)

No original issue Common Shares of the Company are hereby registered. In accordance with Item 8(a) of Form S-8, therefore, no opinion as to the legality of the shares is included in this filing.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) The undersigned Registrant hereby undertakes that, insofar as indemnification for liabilities arising under the Securities Act may be permitted to Directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a Director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such Director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
