**ITEM 1.01 Entry into a Material Definitive Agreement**

On November 7, 2014, Aflac Incorporated (the Company) issued \$750 million aggregate principal amount of its 3.625% Senior Notes due 2024 (the Notes). The Notes were offered by the Company in a public offering pursuant to the Company's Registration Statement on Form S-3 (No. 333-181089) (the Registration Statement), prospectus dated May 1, 2012, and related prospectus supplement dated November 4, 2014. The Company intends to use the net proceeds of the issuance for general corporate purposes, including capital contributions to subsidiaries, if needed.

The Company entered into an underwriting agreement, dated November 4, 2014 (the Underwriting Agreement) with Goldman, Sachs & Co., Mizuho Securities USA Inc., Morgan Stanley & Co. LLC and Wells Fargo Securities, LLC, as representatives of the underwriters named therein (together, the Underwriters), related to the offering, issuance and sale of the Notes. The Underwriting Agreement contains customary terms, conditions, representations and warranties and indemnification provisions.

The Notes bear interest at a rate of 3.625% per annum and mature on November 15, 2024. Interest on the Notes is payable semi-annually in arrears on May 15 and November 15 each year, beginning on May 15, 2015. The Notes will be redeemable at the option of the Company in whole at any time or in part from time to time at a redemption price equal to the greater of (i) 100% of the aggregate principal amount of the Notes to be redeemed or (ii) an amount equal to the sum of the present values of the remaining scheduled payments for principal and interest on the Notes to be redeemed, discounted to the redemption date; plus in each case accrued and unpaid interest. The Notes are general unsecured obligations and rank equally in right of payment with any of the Company's existing and future unsecured senior indebtedness.

The Notes were issued under an indenture, dated as of May 21, 2009 (the Base Indenture), between the Company, as issuer, and The Bank of New York Mellon Trust Company, N.A., as trustee (the Trustee), as supplemented by a ninth supplemental indenture, dated as of November 7, 2014 (the Ninth Supplemental Indenture and, together with the Base Indenture, the Indenture), between the Company and the Trustee. The Indenture provides for customary events of default, including, among other things, nonpayment, failure to comply with the other agreements in the Indenture for a period of 90 days, and certain events of bankruptcy, insolvency and reorganization.

The foregoing description of the Underwriting Agreement, the Base Indenture and the Ninth Supplemental Indenture does not purport to be complete and is qualified in its entirety by reference to the full text of such documents. Certain of the underwriters and their respective affiliates have, from time to time, performed, and may in the future perform, various financial advisory and investment banking services for the Company, for which they received or will receive customary fees and expenses.
