Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) Each share of phantom stock is the economic equivalent of one share of the Issuer's common stock.

(2) This amendment is being filed to correct the amount of phantom stock the reporting person received on June 30, 2015. The original filing underreported the amount of phantom stock due to an administrative error. Taking into account this correction, the amount of phantom stock the reporting person beneficially owned following the transactions reported in the Forms 4 filed on October 1, 2015 and January 4, 2016 should be 10,610 and 10,694, respectively.

(3) Represents the number of shares of phantom stock credited to the reporting person's phantom stock account pursuant to the Issuer's Non-Employee Director Deferred Compensation Plan (the "Plan"), representing an exempt transaction under the Plan. The number of shares of phantom stock credited to the reporting person's phantom stock account is determined by dividing the amount of deferred eligible director fees by the closing price of a share of the Issuer's common stock on the award date.

(4) The balance in the reporting person's phantom stock account is distributed to the reporting person in Issuer common stock following the termination of the reporting person's directorship, the reporting person's death or disability or a change of control of the Issuer.

(5) Represents the aggregate number of shares of phantom stock allocated to the reporting person under the Plan as of the award date based on the closing price of a share of the Issuer's common stock on the award date.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.
