PROXY STATEMENT

This Proxy Statement contains information related to our Annual Meeting of Stockholders to be held on Wednesday, September 9, 2008, beginning at 2:30 p.m., local time, at the offices of Kramer Levin Naftalis & Frankel LLP, 1177 Avenue of the Americas, 29th Floor, New York, New York 10036, and at any adjournments or postponements thereof. This Proxy Statement is being made available to stockholders on or about July 23, 2009.

Questions and Answers About the Meeting

Q: Why am I receiving these materials?

A: Our board of directors has made these materials available to you on the Internet, or, upon your request, has delivered printed proxy materials to you, in connection with the solicitation of proxies for use at our 2009 Annual Meeting of stockholders, which will take place on Wednesday, September 9, 2009 at 2:30 p.m. local time, at the offices of Kramer Levin Naftalis & Frankel LLP, 1177 Avenue of the Americas, 29th Floor, New York, New York. As a stockholder, you are invited to attend the Annual Meeting and are requested to vote on the items of business described in this proxy statement.

Q: Why did I receive a notice in the mail about the Internet Availability of Proxy Materials instead of a full set of proxy materials, as was the case in past years?

A: In accordance with rules adopted by the Securities and Exchange Commission (the "SEC"), we may furnish proxy materials, including this proxy statement and our 2008 Annual Report, to our stockholders by providing access to such documents on the Internet instead of mailing printed copies. Most stockholders will not receive printed copies of the proxy materials unless they request them. Instead, they will receive a Notice of Internet Availability of Proxy Materials (the "Notice"). The Notice, which was mailed to most of our stockholders, will instruct you as to how you may access and review all of the proxy materials on the Internet. The Notice also instructs you as to how you may submit your proxy on the Internet. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions for requesting such materials in the Notice.

Q: How do I access the electronic versions of the proxy materials?

A: The Notice will provide you with instructions regarding how to view our proxy materials for the Annual Meeting on the Internet and how to instruct us to send our future proxy materials to you electronically by email. Choosing to receive your future proxy materials by email will save us the cost of printing and mailing documents to you and will reduce the impact of printing and mailing these materials on the environment. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

Q: What is the record date for the Annual Meeting?

A: The board of directors has set July 17, 2009 as the record date for the Annual Meeting (the "Record Date") to determine what shares are eligible to vote.

Table of Contents

Q: Who is making this proxy solicitation?

A: This proxy statement is furnished to holders of the Company's common stock, Series A Convertible Preferred Stock ("Series A Preferred Stock") and Series B Convertible Preferred Stock ("Series B Preferred Stock"), as of the Record Date, as part of the solicitation of proxies by the Company's board of directors for use at the Annual Meeting and any adjournments or postponements of the Annual Meeting.

Q: What am I being asked to vote on at the Annual Meeting?

A: At the Annual Meeting, holders of our common stock, Series A Preferred Stock and Series B Preferred Stock, will vote together as a single class and on an as-converted basis on:

- a proposal to amend the Company's 2005 Incentive Compensation Plan to increase the number of shares available for grant under such plan from 1,350,000 shares to 1,600,000 shares.
- a proposal to ratify the appointment by our board of directors of Somekh Chaikin, a member of KPMG International, to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2009.

Q: Why am I not being asked to elect the Company's Class II director, whose term expires at this Annual Meeting?

A: The Board of Directors has decided not to nominate for re-election Mr. Ed Sim, the Company's sole Class II director, whose term expires at the Annual Meeting. Following the recent expansion of our board of directors due to Redpoint Ventures' appointment of their Series B Preferred Stock board representative, the board of directors resolved and decided that it was in the best interest of the Company to revert to a seven-person board.

Q: How does the Company's board of directors recommend that I vote?

A: Our board of directors recommends that you vote your shares "FOR" the approval of both proposals mentioned above.

Q: What vote is required to approve each proposal?

A: The proposals require the affirmative "FOR" vote of a majority of those voting shares present in person or represented by properly executed proxies and entitled to vote at the Annual Meeting.

Q: What is the quorum requirement with respect to the Annual Meeting?

A: The presence, in person or by properly executed proxy, of the holders of a majority of the voting shares entitled to vote at the Annual Meeting will constitute a quorum.

Q: Under what circumstances will the Annual Meeting be adjourned?

A: Although it is not expected, the Annual Meeting may be adjourned in the absence of a quorum for the purpose of obtaining a quorum. Any adjournment may be made without notice, other than by an announcement made at the Annual Meeting, by the affirmative vote of a majority of the voting shares present in person or by properly executed proxy at the Annual Meeting.

Table of Contents

Q: What shares can be voted at the Annual Meeting?

A: All shares of the Company's common stock that you own as of the Record Date may be voted by you. You may cast one vote per share of the Company's common stock that you held on the Record Date. These shares include shares that are: (1) held directly in your name as the stockholder of record and (2) held for you as the beneficial owner through a stockbroker, bank or other nominee.

All issued and outstanding shares of Series A Preferred Stock may be voted on an as converted basis with the shares of common stock. As of the Record Date, 60,000 shares of Series A Preferred Stock are issued and outstanding and are convertible into 1,333,333 shares of common stock, meaning the holders of Series A Convertible Preferred Stock have 1,333,333 votes.

All issued and outstanding shares of Series B Preferred Stock may be voted on an as converted basis with the shares of common stock. As of the Record Date, 70,000 shares of Series B Preferred Stock are issued and outstanding and are convertible into 1,272,727 shares of common stock, meaning the holders of Series B Preferred Stock have 1,272,727 votes.

Q: What is the difference between a holder of record and a beneficial owner of the Company's common stock?

A: Most of our stockholders hold their shares through a stockbroker, bank or other nominee, rather than directly in their own name. As summarized below, there are some distinctions between shares held as a holder of record and those beneficially owned.

Holders of Record

If your shares of the Company's common stock are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, you are considered, with respect to those shares, the holder of record, and these proxy materials are being sent directly to you by the Company. As the holder of record, you have the right to grant your voting proxy directly to the Company or to vote in person at the Annual Meeting. We have enclosed a proxy card with this proxy statement for you to use.

Beneficial Owners

If your shares of the Company's common stock are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name", and these proxy materials will be accessible by you pursuant to the instructions included in the Notice. Proxy materials that are requested, pursuant to the instructions in the Notice, may be forwarded to you by your broker or nominee who is considered, with respect to those shares, the holder of record. As the beneficial owner, you have the right to direct your broker or nominee how to vote and are also invited to attend the Annual Meeting. However, since you are not the holder of record, you may not vote these shares in person at the Annual Meeting. Your broker or nominee has enclosed a voting instruction card with this proxy statement for you to use in directing the broker or nominee how to vote your shares. You may also vote by telephone as described below under "How can I vote my shares without attending the Annual Meeting?" If you are a beneficial owner and do not provide the holder of record with voting instructions, your shares may constitute broker non-votes, as described in the section titled "The 2009 Annual Meeting of Stockholders—Voting of Proxies; Abstentions; and Broker Non-Votes."

Q: How can I vote my shares in person at the Annual Meeting?

A:

Edgar Filing: Answers CORP - Form DEF 14A

Shares of the Company's common stock, Series A Preferred Stock or Series B Preferred Stock held directly in your name as the holder of record may be voted in person at the Annual Meeting. If you choose to do so, please bring the enclosed proxy card or proof of identification. Even if you plan to attend the Annual Meeting, we recommend that you vote your shares in advance as described below so that your vote will be counted if you later decide not to attend the Annual Meeting. Shares held in street name may be voted in person by you only if you obtain a signed proxy from the record holder giving you the right to vote the shares.

Table of Contents

Q: How can I vote my shares without attending the Annual Meeting?

A: Whether you hold shares directly as the holder of record or beneficially in street name, you may direct your vote without attending the Annual Meeting by telephone or by completing and mailing your proxy card or voting instruction card in the enclosed postage pre-paid envelope. You may also be able to direct your vote via the Internet. Please refer to the enclosed materials for details.

Q: Can I change my vote after I have voted by proxy?

A: Yes. You can change your vote at any time before your proxy is voted at the Annual Meeting by revoking your proxy.

If you are a holder of record of the Company's common stock, Series A Preferred Stock or Series B Preferred Stock, you may revoke your proxy by:

- attending the Annual Meeting and voting your shares in person at the Annual Meeting. Your attendance at the Annual Meeting alone will not revoke your proxy — you must also vote at the Annual Meeting;
- filing an instrument in writing with the Secretary of the Company stating that you would like to revoke your proxy;
or
- filing another duly executed proxy bearing a later date with the Secretary of the Company so that it arrives prior to the Annual Meeting.

You should send your revocation or new proxy card to the Company's Secretary at Answers Corporation, 237 West 35th Street, Suite 1101, New York, NY 10001.

If you are a beneficial owner of the Company's common stock and you instructed a broker or other nominee to vote your shares, you must follow your broker's directions for changing those instructions.

Q: What is a broker non-vote?

A: When shares are held in "street name", a broker non-vote may occur when a bank or brokerage firm does not vote on a proposal because it does not have discretionary voting power and has not received instructions from the beneficial owner of the shares. A broker non-vote is counted for the purpose of determining whether a quorum is present. Under the current rules of the New York Stock Exchange (NYSE), your broker is permitted to vote your shares on certain routine matters, such as the ratification of Somekh Chaikin, a member of KPMG International, to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2009, even if you do not instruct the broker how to vote.

Q: What does it mean if I receive more than one proxy card or voting instruction card?

A: It means your shares are registered differently or are in more than one account. Please provide voting instructions for each proxy and voting instruction card you receive.

Q: Who will count the votes?

A: Votes will be counted by the independent inspectors of election appointed for the meeting.

Q: Who pays for the solicitation of proxies?

A: We will pay for the entire cost of soliciting proxies. We will also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners. In addition, our directors and employees may solicit proxies in person, by telephone, by Internet, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies.

Q: Where can I find the voting results of the Annual Meeting?

A: We will announce preliminary voting results at the Annual Meeting and publish final results in our Quarterly Report on Form 10-Q for the fiscal quarter ended September 30, 2009.

Audit Committee. In May 2004, the Company established an Audit Committee of the board of directors. The Audit Committee consists of Mr. Sternlicht, Chairman, Mr. Segall and Mr. Sim, each of whom satisfy the current independence standards as promulgated by the SEC and NASDAQ, as such standards apply specifically to members of audit committees. The Audit Committee's scope of authority, which is specified in our Audit Committee Charter, includes, but is not limited to:

- Reviewing and discussing with management and the independent accountants our annual and quarterly financial statements and discussing with management any earnings guidance provided to the market;
 - Directly appointing, compensating, retaining, and overseeing the work of the independent auditor;
- Approving, in advance, the provision by the independent auditor of all audit and permissible non-audit services;
- Establishing procedures for the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters and the confidential, anonymous submissions by the Company's employees of concerns regarding questionable accounting or auditing matters;
 - Retaining independent legal and other advisors as the Audit Committee deems necessary or appropriate;
- Determining and receiving from the Company appropriate funding to compensate the independent accountants and any outside advisors engaged by the Audit Committee; and
 - Reviewing reports and disclosure of insider and affiliated party transactions.

The Audit Committee will at all times be composed exclusively of "super independent directors" who are "financially literate" as defined under the NASDAQ listing standards. The NASDAQ listing standards define "financially literate" as being able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement.

In addition, the Company must certify to NASDAQ that the committee has, and will continue to have, at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience that results in the individual's financial sophistication. The board of directors believes that Mr. Sternlicht satisfies NASDAQ's definition of financial sophistication and also qualifies as an "audit committee financial expert," as defined under rules and regulations of the SEC. For additional information about the Audit Committee, see "Report of the Audit Committee" below.

Compensation Committee. In May 2004, the Company established a Compensation Committee of the board of directors. The Compensation Committee consists of Mr. Sim, Chairman, Mr. Beasley and Mr. Tebbe. Equity Compensation. During fiscal year 2008, each non-employee member of the board of directors was eligible to receive stock awards under the terms of our incentive compensation plans. New non-employee directors receive an initial option grant to purchase 28,700 shares of our common stock with 25% of the shares vesting after one year from the date of grant and 1/36th of the shares vesting monthly thereafter. PROPOSAL 1

PROPOSED AMENDMENT TO THE COMPANY'S 2005 INCENTIVE COMPENSATION PLAN

Background

At the Company's annual meeting of stockholders held on July 12, 2005, Company stockholders approved the adoption of the Answers Corporation 2005 Incentive Compensation Plan, which we refer to as the 2005 Plan. The terms of the 2005 Plan provide for grants of stock options, stock appreciation rights or SARs, restricted stock, deferred stock, other stock-related awards and performance awards that may be settled in cash, stock or other property. At the Company's annual meeting of stockholders held on June 21, 2006, the stockholders approved an amendment to the 2005 Plan to increase the number of shares available for grant under such plan from 850,000 shares to 1,100,000 shares. Subsequently, at the Company's annual meeting of stockholders held on September 9, 2008, the stockholders approved an amendment to the 2005 Plan to increase the number of shares available for grant under such plan from 1,100,000 shares to 1,350,000 shares.

The main purpose of the 2005 Plan is to provide a means for the Company and its subsidiaries, which we refer to as Related Entities, to attract key personnel to provide services to the Company and the Related Entities, as well as, to provide a means whereby those key persons can acquire and maintain stock ownership, thereby strengthening their commitment to the welfare of the Company and promoting the mutuality of interests between participants and the Company's stockholders. A further purpose of the 2005 Plan is to provide participants with additional incentive and reward opportunities designed to enhance the profitable growth of the Company and its Related Entities, and provide participants with annual and long term performance incentives to expend their maximum efforts in the creation of stockholder value. The persons eligible to receive awards under the 2005 Plan are the officers, directors, employees, consultants and other persons who provide services to the Company and the Related Entities.

New Plan Benefits

If the amendment to the 2005 Plan is approved, our Compensation Committee will be able to grant awards to eligible participants at its discretion. Consequently it is not possible to determine at this time the number of awards to be provided under the 2005 Plan should this proposal be approved.

As of the date of this proxy statement, 1,140,337 stock options are outstanding under the 2005 Plan and 209,663 stock options are available for grant.

Proposal

Stockholders are hereby requested to approve an amendment to the 2005 Plan to add an additional 250,000 shares to the number of shares of common stock issuable under the 2005 Plan.

The purpose of the amendment is to ensure that the Company will have a sufficient reserve of common stock available under the 2005 Plan to provide eligible employees and potential future hires of the Company and Related Entities with the opportunity to purchase shares of common stock. The board of directors believes that the number of shares currently available for issuance under the 2005 Plan is insufficient to continue providing our employees and future hires with the opportunity to acquire a proprietary interest in the Company and thereby attract, motivate, and retain the best available talent suitable for our success. With the exception of annual grants made to directors on the date of the Annual Meeting, the Company does not have a present intention to make any specific grants under the 2005 Plan.

The Company's board of directors unanimously recommends a vote "FOR" Proposal No. 1.

PROPOSAL 2

RATIFY APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The board of directors has selected Somekh Chaikin, a member of KPMG International, as the Company's independent registered public accounting firm for the year ending December 31, 2009 and requests the ratification of the appointment of Somekh Chaikin by the stockholders at the Annual Meeting.

Stockholder ratification of the selection of Somekh Chaikin as the Company's independent registered public accounting firm is not required by the Company's Bylaws or otherwise. However, the Company is submitting the selection of Somekh Chaikin to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain Somekh Chaikin. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent audit firm at any time during the year if it is determined that such a change would be in the best interests of the Company and its stockholders.

The Company's board of directors unanimously recommends a vote "FOR" Proposal No. 2.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has adopted policies and procedures that require the pre-approval by the Audit Committee of all fees paid to and services performed by our principal registered independent accountants and other auditing firms. At the beginning of each year, the Audit Committee approves the proposed services along with the range of corresponding fees to be provided by our independent registered accountants. If any proposed service would exceed the pre-approved cost levels, the proposed service requires specific pre-approval. In addition, specific pre-approval is required for any proposed services that may arise during the year that are outside the scope of the initial services pre-approved by the Audit Committee. The Audit Committee also adopted a policy acknowledging and specifically prohibiting our independent registered accountants from performing any of those non-audit services that a company's principal independent accountant are prohibited from performing by the Sarbanes-Oxley Act. In cases involving engagements of our principal registered independent accountants that do not exceed \$25,000, the Audit Committee has delegated to the Committee Chairman the approval of such engagements, as part of the Company's pre-approval

policy.

Executive Compensation and Related Matters

Introductory Remark

We believe our success depends on the continued contributions of our named executive officers. Personal relationships are very important in our industry. Our named executive officers are primarily responsible for many of our critical customer and business development relationships. The maintenance of these relationships is critical to ensuring our future success. Therefore, it is important to our success that we retain the services of these individuals and prevent them from competing with us should their employment with us terminate.

General Philosophy

Our overall compensation philosophy is to provide an executive compensation package that enables us to attract, retain and motivate executive officers to achieve our short-term and long-term business goals. We strive to apply a uniform philosophy regarding compensation of all employees, including members of senior management. This philosophy is based upon the premise that the achievements of the company result from the combined and coordinated efforts of all employees working toward common goals and objectives in a competitive, evolving market place. The goals of our compensation program are to align remuneration with business objectives and performance and to enable us to retain and competitively reward executive officers and employees who contribute to our long-term success. We attempt to pay our executive officers and employees competitively to enable us to retain the most capable people in the industry. In making executive compensation and other employment compensation decisions, the Compensation Committee considers achievement of certain criteria, some of which relate to our performance and others of which relate to the performance of the individual employee. Awards to executive officers are based on achievement of company and individual performance criteria.

The Compensation Committee will evaluate our compensation policies on an ongoing basis to determine whether they enable us to attract, retain and motivate key personnel. To meet these objectives, the Compensation Committee may from time to time increase salaries, award additional stock options or provide other short and long-term incentive compensation to executive officers and other employees.

Compensation Program and Forms of Compensation

We provide our executive officers with a compensation package consisting of base salary, bonus and participation in benefit plans generally available to other employees. In setting total compensation, the Compensation Committee considers individual and company performance, as well as market information regarding compensation paid by other companies in our industry.

In order to achieve the above goals, our total compensation packages include base salary, annual bonus and in cases of our sales employees, commissions, all paid in cash, as well as long-term compensation in the form of stock options.

Base Salary. Salaries for our executive officers are initially set based on negotiation with individual executive officers at the time of recruitment and with reference to salaries for comparable positions in the industry for individuals of similar education and background to the executive officers being recruited. We also consider the individual's experience, reputation in his or her industry and expected contributions to our company. Base salary is continuously evaluated by competitive pay and individual job performance. Base salaries for executives are reviewed annually or more frequently should there be significant changes in responsibilities. In each case, we take into account the results achieved by the executive, his or her future potential, scope of responsibilities and experience, and competitive salary practices.

Bonuses. A component of each executive officer's potential annual compensation may take the form of a performance-based bonus. Contractually, our Chief Executive Officer is entitled to an annual bonus, to be determined at the discretion of our board of directors or the Compensation Committee, based on the CEO's performance in light of corporate goals and objectives. Bonus payments to officers other than the Chief Executive Officer are determined by the Board of Directors, by recommendation of the Compensation Committee and in consultation with the Chief Executive Officer, based on our financial performance. The achievement of an officer's individual performance objectives may also be factored into decisions affecting bonus levels.

Table of Contents

Long-Term Incentives. Longer-term incentives are provided through stock options, which reward executives and other employees through the growth in value of our stock. The Compensation Committee believes that employee equity ownership provides a major incentive for employees to build stockholder value and serves to align the interests of employees with those of our stockholders. Grants of stock options to executive officers are based upon each officer's relative position, responsibilities and contributions to Answers, with primary weight given to the executive officer's relative rank and responsibilities. Initial stock option grants designed to recruit an executive officer to join Answers may be based on negotiations with the officer and with reference to historical option grants to existing officers. Stock options are granted at an exercise price equal to the market price of our common stock on the date of grant and will provide value to the executive officers only when the price of our common stock increases over the exercise price.

Based on our compensation philosophy, a substantial portion of our compensation rewards long-term performance of our company and promotes executive retention. This is delivered to our executives through stock options granted upon their initial hire and through ongoing annual option grants. Similar to base salary increases, option grants are also granted to address promotions and significant changes in responsibility. Although the expenses of stock options affect our financial statements negatively, we continue to believe that this is a strong element of compensation that focuses the employees on financial and operational performance to create value for the long-term. Stock option awards are "time based." In order to provide an incentive for continued employment, stock options granted under our stock option plans generally vest 25% upon completion of 12 months of service and 1/36 per month thereafter, and generally expire six or ten years from the date of the grant. This provides a reasonable time frame to align the executive officer compensation with the appreciation of our stock price while managing potential dilution effectively.

Initial stock option grants and annual option grants for plan participants are generally determined within ranges established for each job level. These ranges are established based on our desired pay positioning relative to the competitive market. Specific recruitment needs are taken into account for establishing the levels of initial option grants. Annual option grants take into consideration a number of factors, including performance of the individual, job level, prior grants and competitive external levels. The goals of option grant guidelines are to ensure future grants remain competitive from a grant value perspective and to ensure option usage consistent with option pool forecasts.

Contributions to Israeli Employees

We make contributions on behalf of our Israeli employees, including on behalf of our Israeli named executive officers in accordance with their employment agreements, to a fund known as Managers' Insurance. This fund provides a combination of retirement plan, insurance and severance pay benefits to the employee, giving the employee, or his or her estate, payments upon retirement or death and securing the severance pay, if legally entitled, upon termination of employment. Each full-time employee is entitled to participate in the plan, and each employee who participates contributes an amount equal to 5% of his or her salary to the retirement plan, and we contribute between 13.33% and 15.83% of his or her salary (consisting of 5% to the retirement plan, 8.33% to secure severance payments and up to 2.5% for disability insurance).

Under the retirement plan component of the Managers' Insurance, both our 5% contribution and the 5% contribution made by the employee are immediately vested and non-forfeitable upon contribution to the Managers' Insurance. In some cases, we substitute other retirement arrangements, such as provident funds (kupot gemel) for the retirement plan feature of the Managers' Insurance. The features of the provident funds are substantially similar to those of the retirement plan feature of the Managers' Insurance.

In addition, we make contributions on behalf of our Israeli employees, including all of our Israeli named executive officers, in accordance with their employment agreements, to a fund known as a continued education fund (Keren Hishtalmut). We contribute an amount equal to 7.5% of the employee's salary and deduct 2.5% of the employee's

salary. Our contributions to the continuing education fund are only up to the permissible tax-exempt salary ceiling according to the income tax regulations in effect from time to time, which ceiling was 15,712 NIS monthly as of December 31, 2008.

Option Grant Practice

The Compensation Committee has delegated the authority to make initial option grants to new non-executive employees (within an approved range) to executive management. During 2008, initial option grants that were within executive management's approved range were granted quarterly, on March 27, June 30, September 29 and December 29. According to our practice, we execute the grants on the 27th of the last month of each calendar quarter. If the 27th of the last month of a quarter falls on a Friday, Saturday or Sunday (or a holiday), the meeting approving the grant is postponed to the following non-holiday Monday. Options are granted at 100% of the closing sales price of our stock on the last market trading date prior to the grant date.

Table of Contents

We did not have any initial hire grants that were above executive management's approved range. In the event such a case was to occur in the future, such grants would be approved by the Compensation Committee with the exercise price being the closing sale price on the last market trading day prior to the grant date. For annual option grants to all employees, the Compensation Committee must review and submit its approval. It is the Board of Directors' practice to approve the Compensation Committee's option grants. In 2008, these grants were made on July 14, 2008 and September 9, 2008.

We do not time the granting of our options with any favorable or unfavorable news released by us. The initial grants are based on the timing of the quarterly pre-determined end-of-quarter dates. Proximity of any awards to an earnings announcement or other market events is coincidental.

Executive Equity Ownership

We encourage our executives to hold a significant equity interest in our company. However, we do not have specific share retention and ownership guidelines for our executives.

Performance-Based Compensation and Financial Restatement

We have not considered or implemented a policy regarding retroactive adjustments to any cash or equity-based incentive compensation paid to our executives and other employees where such payments were predicated upon the achievement of certain financial results that were subsequently the subject of a financial restatement.

Tax and Accounting Considerations

Compliance with Internal Revenue Code Section 162(m). Section 162(m) of the Internal Revenue Code of 1986, as amended, restricts deductibility of executive compensation paid to our Chief Executive Officer and each of the three other most highly compensated executive officers holding office at the end of any year (except for our Chief Financial Officer) to the extent such compensation exceeds \$1,000,000 for any of such officers in any year and does not qualify for an exception under Section 162(m) or related regulations. The Compensation Committee's policy is to qualify its executive compensation for deductibility under applicable tax laws to the extent practicable. Income related to stock options granted under our 1999 Stock Option Plan, the 2000 Stock Plan, the 2003 Stock Plan, the 2004 Stock Plan and the 2005 Incentive Compensation Plan generally qualify for an exemption from these restrictions imposed by Section 162(m). In the future, the Compensation Committee will continue to evaluate the advisability of qualifying its executive compensation for full deductibility, in particular in light of the recent IRS Revenue Ruling 2008-13.

Accounting for Stock-Based Compensation. On January 1, 2006, we began accounting for stock-based payments including our stock option program in accordance with the requirements of FASB Statement 123(R).

Employment Contracts

Robert S. Rosenschein

Robert S. Rosenschein is employed as our President and Chief Executive Officer pursuant to an employment agreement that commenced on January 1, 2002 and was amended and restated as of January 8, 2004 and further amended on November 27, 2006, November 6, 2007 and July 30, 2008. Mr. Rosenschein's annual base salary was set at \$263,544 from January 1, 2008 until February 28, 2008, and adjusted to 954,000 NIS (New Israeli Shekel) commencing March 1, 2008 (the equivalent of \$250,920 based on the US Dollar — Israeli NIS exchange rate recorded by the Bank of Israel on December 31, 2008). According to his amended agreement, Mr. Rosenschein's annual base salary is subject to a 10% annual increase and he is eligible to receive an annual bonus based on his performance and as approved by our board of directors in its sole discretion. Either party may voluntarily terminate the employment agreement by providing no less than ninety days' prior written notice.

Furthermore, if we terminate Mr. Rosenschein's employment for any reason other than cause, we are required to pay him a lump sum of \$150,000 less the severance pay portion of his Manager's Insurance Policy, regardless of the period remaining in the term of his employment agreement. Since Mr. Rosenschein's Manager's Insurance Policy is greater than \$150,000, he will be entitled to the entire amount payable under the Manager's Insurance Policy. At the time Mr. Rosenschein's employment agreement was amended and restated in 2004, 241,964 options were granted to Mr. Rosenschein under the 2003 Stock Option Plan. In the event of a change in control, we will accelerate the vesting of 50% of any options granted to Mr. Rosenschein that have not vested as of the effective date of the change in control. If, within twelve months after such change in control, Mr. Rosenschein's employment is terminated without cause, 100% of Mr. Rosenschein's unvested options will vest immediately upon the effective date of the termination. Mr. Rosenschein has agreed to refrain from competing with us for a period of twenty-four months following the termination of his employment.

A table describing the payments that would have been due to Mr. Rosenschein under his employment agreement had Mr. Rosenschein's employment with us been terminated at the end of 2008 under various circumstances appears under "Potential Payments and Benefits upon Termination of Employment — Robert S. Either party may terminate the employment agreement without cause at any time upon three months notice.

If we terminate Mr. Steinberg's employment without cause or due to death or disability, we shall extend the period during which Mr. Steinberg may exercise his options granted after the date of his employment agreement by one year from the effective date of Mr. Steinberg's termination. In the event of a change in control, we will accelerate the vesting of 50% of any options granted to Mr. Steinberg that have not vested as of the effective date of the change of control. If, within twelve months after such change in control, Mr. Steinberg's employment is terminated without cause, Mr. Steinberg is entitled to four months written notice and any unvested options that were granted to Mr. Steinberg, subsequent to the date of his employment agreement, will vest immediately upon the effective date of the termination. Mr. Steinberg has agreed to refrain from competing with us for a period of twelve months following

the termination of his employment.

Either party may terminate the employment agreement without cause at any time upon three months notice.

If we terminate Mr. Schneiderman's employment without cause or due to death or disability, we shall extend the period during which Mr. Schneiderman may exercise his options granted after the date of his employment agreement by one year from the effective date of Mr. Schneiderman's termination. In the event of a change in control, we will accelerate the vesting of 50% of any options granted to Mr. Schneiderman subsequent to his employment agreement that have not vested as of the effective date of the change in control. If, within twelve months after such change in control, Mr. Schneiderman's employment is terminated without cause, Mr. Schneiderman is entitled to four months written notice and any unvested options that were granted to Mr. Schneiderman subsequent to the date of his employment agreement will vest immediately upon the effective date of the termination. In addition to his base salary, Mr. Smith is eligible to receive an annual bonus as determined by the Compensation Committee in consultation with the Chief Executive Officer based on certain stated performance goals. Either party may terminate the employment agreement without cause at any time upon three months written notice.

If we terminate Mr. Smith's employment without cause, we shall extend the period during which Mr. Smith may exercise his options granted by one year from the effective date of Mr. Smith's termination. In the event of a change in control, we will accelerate the vesting of 50% of any options granted to Mr. Smith subsequent to his employment agreement that have not vested as of the effective date of the change of control. If we terminate Mr. Smith's employment without cause at any time during the twelve months subsequent to a change in control, then, Mr. Smith will be entitled to three months written notice and 100% of any options granted to Mr. Smith, subsequent to the date of his employment agreement, that have not vested will immediately vest. The Manager’s Insurance fund amounts reflected in the table represent only the 5% towards pension. These amounts do not include (i) the 8.33% payments to a fund to secure payment of statutory severance obligations with respect to amounts paid prior to December 31, 2008, which funds are reflected in the table under the “Statutory Severance” heading, and (ii) payments for disability.

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file. Based on a review of the copies of such forms received, we believe that during 2008, all filing requirements applicable to our officers, directors and greater than ten percent beneficial owners were complied with.

Householding

If you and other persons in your household own shares of our Common Stock as the beneficial owner, your broker or bank may have given notice that your household will receive only one copy of our annual report and proxy statement. This practice is known as “householding.” Unless you responded to that notice that you did not wish to participate in householding, you would be deemed to have consented to participating, and only one copy of our Annual Report and Proxy Statement would be sent to your address (however, each shareholder would continue to receive a separate proxy card). This procedure reduces our printing costs and postage fees. Any stockholder who wishes to receive his or her own set of our Annual Reports and Proxy Statements, or who shares an address with another stockholder of Answers Corporation and together would like to receive only one set of annual disclosure documents, should contact us at 237 West 35th Street, Suite 1001, New York, NY 10001, Attention: Corporate Secretary, being sure to supply the names of all stockholders at the same address, the name of the bank or brokerage firm, and the account number(s). You can also reach us at (646) 502-4780. The revocation of a consent to householding should be effective 30 days after the notice is received.
