Item 2.02 Results of Operations and Financial Condition.

On July 30, 2018, Castlight Health, Inc. (“the Company”) issued a press release announcing its results for the three and six months ended June 30, 2018. The press release is attached to this current report on Form 8-K as Exhibit 99.1 and is incorporated herein by reference.

The information in this Item 2.02, including Exhibit 99.1 to this Current Report on Form 8-K, shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section or Sections 11 and 12(a)(2) of the Securities Act of 1933, as amended. The information contained in this Item 2.02 and in the accompanying Exhibit 99.1 shall not be incorporated by reference into any registration statement or other document filed by the Company with the Securities and Exchange Commission, whether made before or after the date of this Current Report on Form 8-K, regardless of any general incorporation language in such filing (or any reference to this Current Report on Form 8-K generally), except as shall be expressly set forth by specific reference in such filing.

Item 2.05 Costs Associated with Exit or Disposal Activities.

On July 30, 2018, the Company announced its intent to undertake a program to reduce its workforce in order to reduce expenses, align its operations with evolving business needs and improve efficiencies. This was in part due to the unexpected churn of a large customer. Under this program, the Company intends to reduce total expenses by 10-15% including a reduction of its workforce. The actions associated with this program are expected to be largely completed by September 30, 2018.

The Company is unable at this time to make a good faith estimate of the major costs associated with this program, including charges it will incur or related cash expenditures. Once the Company is able to estimate these costs, the Company will provide its estimates in an amendment to this Current Report on Form 8-K or another of the Company’s filings with the Securities and Exchange Commission.

Forward-Looking Statements

This report contains forward-looking statements. All statements other than statements of historical facts contained herein are forward-looking statements reflecting the current beliefs and expectations of management made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, including, but not limited to, statements regarding the impact of the Company’s restructuring program and expectations for future business and financial performance. Statements including words such as “anticipate,” “believe,” “estimate,” “will,” “continue,” “expect,” or “future,” and statements in the future tense are forward-looking statements. These forward-looking statements involve risks and uncertainties, as well as assumptions, which, if they do not fully materialize or prove incorrect, could cause the Company’s results to differ materially from those expressed or implied by such forward-looking statements. The risks and uncertainties include those described in the Company’s documents filed with or furnished to the Securities and Exchange Commission. All forward-looking statements in this report are based on information available to the Company as of the date hereof. The Company assumes no obligation to update these forward-looking statements.
