VOTING

As described further in the proposal, the affirmative vote of a plurality of the Shares present and entitled to vote at the Meeting will be required to elect the specified nominee as the Class I Trustee of the Fund provided a quorum is present. Abstentions and broker non-votes will have no effect on the approval of the proposal.

For shareholders voting by mail, if the enclosed proxy card is properly executed and returned in time to be voted at the Meeting, the Fund Shares represented thereby will be voted in accordance with the instructions marked thereon, or, if no instructions are marked thereon, will be voted in the discretion of the persons named on the proxy card. In any event, unless

instructions to the contrary are given, a properly executed and returned proxy, whether returned via mail, telephone or Internet, will be voted FOR the election of the nominee specified by the Board, Robert F. Keith, as the Class I Trustee and at the discretion of the named proxies on any other matters that may properly come before the Meeting, as deemed appropriate.

Any shareholder who has given a proxy has the right to revoke it at any time prior to its exercise either by attending the Meeting and voting his or her Shares in person, or by timely submitting a letter of revocation or a later-dated proxy to the Fund at its address above. A list of shareholders entitled to notice of and to be present and to vote at the Meeting will be available at the offices of the Fund, 120 East Liberty Drive, Suite 400, Wheaton, Illinois 60187, for inspection by any shareholder during regular business hours prior to the Meeting. Shareholders will need to show valid identification and proof of Share ownership to be admitted to the Meeting or to inspect the list of shareholders.

Under the Fund's By-Laws, a quorum is constituted by the presence in person or by proxy of the holders of thirty-three and one-third percent (33-1/3%) of the voting power of the outstanding Shares entitled to vote on a matter. For the purposes of establishing whether a quorum is present, all Shares present and entitled to vote, including abstentions and broker non-votes (i.e., Shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter), shall be counted. Any meeting of shareholders may be postponed prior to the meeting with notice to the shareholders entitled to vote at that meeting. Any meeting of shareholders may, by action of the chairman of the meeting, be adjourned to permit further solicitation of proxies without further notice with respect to one or more matters to be considered at such meeting to a designated time and place, whether or not a quorum is present with respect to such matter. In addition, upon motion of the chairman of the meeting, the question of adjournment may be submitted to a vote of the shareholders, and in that case, any adjournment must be approved by the vote of holders of a majority of the Shares present and entitled to vote with respect to the matter or matters adjourned, and without further notice. Unless a proxy is otherwise limited in this regard, any Shares present and entitled to vote at a meeting, including broker non-votes, may, at the discretion of the proxies named therein, be voted in favor of such an adjournment.

PROPOSAL: ELECTION OF CLASS I TRUSTEE

ONE (1) CLASS I TRUSTEE IS TO BE ELECTED BY HOLDERS OF SHARES OF THE FUND. CURRENT TRUSTEE ROBERT F. KEITH IS THE NOMINEE FOR ELECTION AS THE CLASS I TRUSTEE BY SHAREHOLDERS OF THE FUND FOR A THREE-YEAR TERM.

The Fund has established a staggered or "classified" Board of Trustees pursuant to its By-Laws, and, accordingly, Trustees are divided into the following three (3) classes: Class I, Class II and Class III. Robert F. Keith is currently the Class I Trustee of the Fund, with a term expiring at the Meeting or until his successor is elected and qualified. If elected, Mr. Keith will hold office for a three-year term expiring at the Fund's annual meeting of shareholders in 2014. Richard E. Erickson, Thomas R. Kadlec, James A. Bowen and Niel B. Nielson are current and continuing Trustees. Messrs. Erickson and Kadlec are Class II Trustees for a term expiring at the Fund's annual meeting of shareholders in 2012. Messrs. Bowen and Nielson are Class III Trustees for a term expiring at the Fund's annual meeting of shareholders in 2013. Each Trustee serves until his successor is elected and qualified, or until he resigns, retires or is otherwise removed.

REQUIRED VOTE: The nominee for election as the Class I Trustee must be elected by the affirmative vote of the holders of a plurality of the Shares of the Fund, cast in person or by proxy at the Meeting and entitled to vote thereon, provided a quorum is present. Abstentions and broker non-votes will have no effect on the approval of the proposal. Proxies cannot be voted for a greater number of persons than the number of seats open for election.

Unless you give contrary instructions, your Shares will be voted FOR the election of the nominee if your proxy (whether returned via mail, telephone or Internet) has been properly executed and timely received by the Fund. If the nominee should withdraw or otherwise become unavailable for election prior to

the Meeting, the proxies named on your proxy card intend to vote FOR any substitute nominee recommended by the Fund in accordance with the Fund's procedures.

THE BOARD OF TRUSTEES OF THE FUND UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ELECTION OF THE NOMINEE.

IF YOU NEED ANY ASSISTANCE, OR HAVE ANY QUESTIONS REGARDING THE MEETING OR HOW TO VOTE YOUR SHARES, CALL THE FUND'S PROXY SOLICITOR, THE ALTMAN GROUP, INC., AT (866) 530-8634 WEEKDAYS FROM 9:00 A.M. TO 10:00 P.M. EASTERN TIME.

MANAGEMENT

MANAGEMENT OF THE FUND

The general supervision of the duties performed for the Fund under its investment management agreement with the Advisor is the responsibility of the Board. The Trustees set broad policies for the Fund and choose the Fund's officers. The following is a list of the Trustees and officers of the Fund and a statement of their present positions and principal occupations during the past five years, the number of portfolios each Trustee oversees and the other directorships each Trustee holds or has held during the past five years, if applicable. As noted above, the Fund has established a staggered or "classified" Board consisting of five (5) Trustees divided into three (3) classes: Class I, Class II and Class III. The length of the term of office of each Trustee is generally three years, and when each Trustee's term begins and ends depends on the Trustee's designated class. The officers of the Fund serve indefinite terms. James A. Bowen is deemed an "interested person" (as that term is defined in the Investment Company Act of 1940, as amended ("1940 Act")) ("Interested Trustee") of the Fund due to his position as Chief Executive Officer of the Advisor. Except for Mr. Bowen, each Trustee is not an "interested person" (as that term is defined in the 1940 Act) and is therefore referred to as an "Independent Trustee."

- 1 Mr. Bowen is deemed an "interested person" of the Fund due to his position as Chief Executive Officer of First Trust Advisors L.P., investment advisor of the Fund.
- 2 Currently, Robert F. Keith, as the Class I Trustee, is serving a term until the Meeting or until his successor is elected and qualified. Richard E. Erickson and Thomas R. Kadlec, as Class II Trustees, are each serving a term until the Fund's 2012 annual meeting of shareholders or until their successors are elected and qualified. James A. Bowen and Niel B. Nielson, as Class III Trustees, are each serving a term until the Fund's 2013 annual meeting of shareholders or until their successors are elected and qualified. Officers of the Fund have an indefinite term.

UNITARY BOARD LEADERSHIP STRUCTURE

The same five persons serve as Trustees on the Fund's Board and on the boards of all other funds in the First Trust Fund Complex (the "First Trust

Funds"), which is known as a "unitary" board leadership structure. The unitary board structure was adopted for the First Trust Funds because of the efficiencies it achieves with respect to the governance and oversight of the First Trust Funds. Each First Trust Fund is subject to the rules and regulations of the 1940 Act (and other applicable securities laws), which means that many of

- 9 -

the First Trust Funds face similar issues with respect to certain of their fundamental activities, including risk management, portfolio liquidity, portfolio valuation and financial reporting. In addition, all of the First Trust Funds that are closed-end funds (the "First Trust Closed-end Funds") are managed by the Advisor and employ common service providers for custody, fund accounting, administration and transfer agency that provide substantially similar services to the First Trust Closed-end Funds pursuant to substantially similar contractual arrangements. Because of the similar and often overlapping issues facing the First Trust Funds, including among the First Trust Closed-end Funds, the Board of the First Trust Funds believes that maintaining a unitary board structure promotes efficiency and consistency in the governance and oversight of all First Trust Funds and reduces the costs, administrative burdens and possible conflicts that may result from having multiple boards. In adopting a unitary board structure, the Trustees seek to provide effective governance through establishing a board the overall composition of which will, as a body, possess the appropriate skills, diversity, independence and experience to oversee the First Trust Funds' business.

Annually, the Board reviews its governance structure and the committee structures, their performance and functions and reviews any processes that would enhance Board governance over the Fund's business. The Board has determined that its leadership structure, including the unitary board and committee structure, is appropriate based on the characteristics of the funds it serves and the characteristics of the First Trust Fund Complex as a whole. The Board is composed of four Independent Trustees and one Interested Trustee. The Interested Trustee serves as the Chief Executive Officer, President, and Chairman of the Board of the Fund.

In order to streamline communication between the Advisor and the Independent Trustees and create certain efficiencies, the Board has a Lead Independent Trustee who is responsible for: (i) coordinating activities of the Independent Trustees; (ii) working with the Advisor, Fund counsel and the independent legal counsel to the Independent Trustees to determine the agenda for Board meetings; (iii) serving as the principal contact for and facilitating communication between the Independent Trustees and the Fund's service providers, particularly the Advisor; and (iv) any other duties that the Independent Trustees may delegate to the Lead Independent Trustee. The Lead Independent Trustee is selected by the Independent Trustees and serves a two-year term until his successor is selected. Effective January 1, 2010, Niel B. Nielson serves as the Lead Independent Trustee.

The Board has established four standing committees (as described below) and has delegated certain of its responsibilities to those committees. The Board and its committees meet frequently throughout the year to oversee the Fund's activities, review contractual arrangements with and performance of service providers, oversee compliance with regulatory requirements, and review Fund performance. The Independent Trustees are represented by independent legal counsel at all Board and committee meetings. Generally, the Board acts by majority vote of all the Trustees, except where a different vote is required by applicable law.

The three committee chairmen and the Lead Independent Trustee rotate every two years in serving as Chairman of the Audit Committee, the Nominating and Governance Committee or the Valuation Committee, or as Lead Independent Trustee. The Lead Independent Trustee also serves on the Executive Committee with the Interested Trustee.

In addition to the Fund, the First Trust Fund Complex includes: First Defined Portfolio Fund, LLC, an open-end management investment company with 8 portfolios advised by First Trust Advisors; 12 other closed-end funds advised by First Trust Advisors; First Trust Series Fund, an open-end management investment company with two portfolios advised by First Trust Advisors; and First Trust

Exchange-Traded Fund, First Trust Exchange-Traded Fund II and First Trust Exchange-Traded AlphaDEX(R) Fund, each an exchange-traded fund with 18, 10 and 16 operating portfolios (each such portfolio, an "ETF"), respectively, advised by First Trust Advisors.

The four standing committees of the Board are: the Executive Committee (and Pricing and Dividend Committee), the Nominating and Governance Committee, the Valuation Committee and the Audit Committee. The Executive Committee, which meets between Board meetings, is authorized to exercise all powers of and to act in the place of the Board of Trustees to the extent permitted by the Fund's Declaration of Trust and By-Laws. The members of the Executive Committee also serve as a special committee of the Board known as the Pricing and Dividend Committee which is authorized to exercise all of the powers and authority of the Board in respect of the issuance and sale, through an underwritten public offering, of the Shares of the Fund and all other such matters relating to such financing, including determining the price at which such Shares are to be sold, approval of the final terms of the underwriting agreement, and approval of the members of the underwriting syndicate. Such Committee is also responsible for the declaration and setting of dividends. Mr. Nielson and Mr. Bowen are members of the Executive Committee. The Executive Committee held four meetings during the Fund's last fiscal year.

The Nominating and Governance Committee is responsible for appointing and nominating non-interested persons to the Board of Trustees. Messrs. Erickson, Kadlec, Keith and Nielson are members of the Nominating and Governance Committee, and each is an Independent Trustee who is also an "independent director" within the meaning of the listing standards of the NYSE. The Nominating and Governance Committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Fund's website at <http://www.ftportfolios.com>. If there is no vacancy on the Board of Trustees, the Board will not actively seek recommendations from other parties, including shareholders. In 2005, the Board of Trustees adopted a mandatory retirement age of 72 for Trustees, beyond which age Trustees are ineligible to serve. The Nominating and Governance Committee Charter provides that the Committee will not consider new trustee candidates who are 72 years of age or older or will turn 72 years old during the initial term. When a vacancy on the Board of Trustees occurs and nominations are sought to fill such vacancy, the Nominating and Governance Committee may seek nominations from those sources it deems appropriate in its discretion, including shareholders of the Fund. The Nominating and Governance Committee may retain a search firm to identify candidates. To submit a recommendation for nomination as a candidate for a position on the Board of Trustees, shareholders of the Fund shall mail such recommendation to W. Scott Jardine, Secretary, at the Fund's address, 120 East Liberty Drive, Suite 400, Wheaton, Illinois 60187. Such recommendation shall include the following information: (i) evidence of Fund ownership of the person

or entity recommending the candidate (if a Fund shareholder); (ii) a full description of the proposed candidate's background, including their education, experience, current employment and date of birth; (iii) names and addresses of at least three professional references for the candidate; (iv) information as to whether the candidate is an "interested person" in relation to the Fund, as such term is defined in the 1940 Act, and such other information that may be considered to impair the candidate's independence; and (v) any other information that may be helpful to the Committee in evaluating the candidate (see also "ADDITIONAL INFORMATION - SHAREHOLDER PROPOSALS" below). If a recommendation is received with satisfactorily completed information regarding a candidate during a time when a vacancy exists on the Board or during such other time as the Nominating and Governance Committee is accepting recommendations, the recommendation will be forwarded to the Chair of the Nominating and Governance Committee and the counsel to the Independent Trustees. Recommendations received at any other time will be kept on file until such time as the Nominating and

- 11 -

Governance Committee is accepting recommendations, at which point they may be considered for nomination. In connection with the evaluation of candidates, the review process may include, without limitation, personal interviews, background checks, written submissions by the candidates and third party references. Under no circumstances shall the Nominating and Governance Committee evaluate nominees recommended by a shareholder of the Fund on a basis substantially different than that used for other nominees for the same election or appointment of Trustees. The Nominating and Governance Committee held four meetings during the Fund's last fiscal year.

The Valuation Committee is responsible for the oversight of the pricing procedures of the Fund. Messrs. Erickson, Kadlec, Keith and Nielson are members of the Valuation Committee. The Valuation Committee held four meetings during the Fund's last fiscal year.

The Audit Committee is responsible for overseeing the Fund's accounting and financial reporting process, the system of internal controls, audit process and evaluating and appointing independent auditors (subject also to Board approval). Messrs. Erickson, Kadlec, Keith and Nielson, all of whom are "independent" as defined in the listing standards of the NYSE, serve on the Audit Committee. Messrs. Kadlec and Keith serve as Audit Committee Financial Experts. The Audit Committee held nine meetings during the Fund's last fiscal year.

In carrying out its responsibilities, as described below under "INDEPENDENT AUDITORS' FEES--Pre-Approval," the Audit Committee pre-approves all audit services and permitted non-audit services for the Fund (including the fees and terms thereof) and non-audit services to be performed for the Advisor by Deloitte & Touche LLP ("Deloitte & Touche"), the Fund's independent registered public accounting firm ("independent auditors") if the engagement relates directly to the operations and financial reporting of the Fund.

RISK OVERSIGHT

As part of the general oversight of the Fund, the Board is involved in the risk oversight of the Fund. The Board has adopted and periodically reviews policies and procedures designed to address the Fund's risks. Oversight of investment and compliance risk, including oversight of sub-advisors, is performed primarily at the Board level in conjunction with the Advisor's investment oversight group and the Fund's Chief Compliance Officer ("CCO"). Oversight of other risks also occurs at the Committee level. The Advisor's investment oversight group reports to the Board at quarterly meetings regarding,

among other things, Fund performance and the various drivers of such performance as well as information related to the Fund's sub-advisors and their operations and processes. The Board reviews reports on the Fund's and the service providers' compliance policies and procedures at each quarterly Board meeting and receives an annual report from the CCO regarding the operations of the Fund's and the service providers' compliance program. In addition, the Independent Trustees meet privately each quarter with the CCO. The Audit Committee reviews with the Advisor the Fund's major financial risk exposures and the steps the Advisor has taken to monitor and control these exposures, including the Fund's risk assessment and risk management policies and guidelines. The Audit Committee also, as appropriate, reviews in a general manner the processes other Board committees have in place with respect to risk assessment and risk management. The Nominating and Governance Committee monitors all matters related to the corporate governance of the Fund. The Valuation Committee monitors valuation risk and compliance with the Fund's Valuation Procedures and oversees the pricing agents and actions by the Advisor's Pricing Committee with respect to the valuation of portfolio securities.

- 12 -

Not all risks that may affect the Fund can be identified nor can controls be developed to eliminate or mitigate their occurrence or effects. It may not be practical or cost-effective to eliminate or mitigate certain risks, the processes and controls employed to address certain risks may be limited in their effectiveness, and some risks are simply beyond the reasonable control of the Fund or the Advisor or other service providers. Moreover, it is necessary to bear certain risks (such as investment related risks) to achieve the Fund's goals. As a result of the foregoing and other factors, the Fund's ability to manage risk is subject to substantial limitations.

BOARD DIVERSIFICATION AND TRUSTEE QUALIFICATIONS

As described above, the Nominating and Governance Committee of the Board oversees matters related to the nomination of Trustees. The Nominating and Governance Committee seeks to establish an effective Board with an appropriate range of skills and diversity, including, as appropriate, differences in background, professional experience, education, vocations, and other individual characteristics and traits in the aggregate. Each Trustee must meet certain basic requirements, including relevant skills and experience, time availability, and if qualifying as an Independent Trustee, independence from the Advisor, sub-advisors, underwriters or other service providers, including any affiliates of these entities.

Listed below for each current Trustee and nominee are the experiences, qualifications and attributes that led to the conclusion, as of the date of this Proxy Statement, that each current Trustee and nominee should serve as a trustee.

ATTENDANCE AT ANNUAL MEETINGS OF SHAREHOLDERS

The policy of the Board is to have as many Trustees as possible in attendance at annual meetings of shareholders. The policy of the Nominating and Governance Committee relating to attendance by Trustees at annual meetings of shareholders is contained in the Fund's Nominating and Governance Committee Charter, which is available on the Fund's website located at <http://www.ftportfolios.com>. In addition, the Board's attendance at last year's annual shareholder meeting is available on the Fund's website located at <http://www.ftportfolios.com>. To find the Board's attendance, select the Fund under the "Closed-End Funds" tab, select the "News & Literature" link, and go to the "Shareholder Updates and Information" heading.

AUDIT COMMITTEE REPORT

The role of the Audit Committee is to assist the Board of Trustees in its oversight of the Fund's accounting and financial reporting process. The Audit Committee operates pursuant to a charter (the "Charter") that was most recently reviewed and approved by the Board of Trustees on December 13, 2010, a copy of which is attached as Exhibit A hereto, and is available on the Fund's website located at <http://www.ftportfolios.com>. As set forth in the Charter, management of the Fund is responsible for maintaining appropriate systems for accounting and internal controls and the audit process. The Fund's independent auditors are responsible for planning and carrying out proper audits of the Fund's financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

In performing its oversight function, the Audit Committee reviewed and discussed with management and the independent auditors, Deloitte & Touche LLP, the audited financial statements of the Fund for the fiscal year ended November 30, 2010 at a meeting held on January 20, 2011 and discussed the audit of such financial statements with the independent auditors and management.

In addition, the Audit Committee discussed with the independent auditors the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent auditors as required by the Public Company Accounting Oversight Board ("PCAOB") AU 380, Communication with Audit Committees. The Audit Committee also received from the independent auditors the written disclosures and letter required by PCAOB Ethics and Independence Rule 3526, Communication with Audit Committees Concerning Independence, delineating relationships between the independent auditors and the Fund and discussed the impact that any such relationships may have on the objectivity and independence of the independent auditors.

The members of the Fund's Audit Committee are not full-time employees of the Fund and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of the Fund's Audit Committee necessarily rely on the information provided to them by Fund management and the independent auditors. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the independent auditors are in fact "independent."

Based on its consideration of the Fund's audited financial statements and the discussions referred to above with Fund management and Deloitte & Touche LLP, and subject to the limitations on the responsibilities and role of the Audit Committee as set forth in the Charter and discussed above, the Audit Committee recommended to the Board the inclusion of the Fund's audited financial statements in the Fund's Annual Report to Shareholders for the year ended November 30, 2010.

INDEPENDENT AUDITORS' FEES

Deloitte & Touche has been selected to serve as the independent auditors for the Fund for its current fiscal year, and acted as the independent auditors for the Fund for its most recently completed fiscal year. Deloitte & Touche has advised the Fund that, to the best of its knowledge and belief, Deloitte & Touche professionals did not have any direct or material indirect ownership interest in the Fund inconsistent with independent professional standards pertaining to independent registered public accounting firms. Representatives of Deloitte & Touche are not expected to be present at the Meeting, but will have the opportunity to make a statement if they desire to do so and will be available should any matter arise requiring their presence. In reliance on Rule 32a-4 under the 1940 Act, the Fund is not seeking shareholder ratification of

the selection of Deloitte & Touche as independent auditors.

Pre-Approval

Pursuant to its Charter and its Audit and Non-Audit Services Pre-Approval Policy, the Fund's Audit Committee is responsible for the pre-approval of all audit services and permitted non-audit services (including the fees and terms thereof) to be performed for the Fund by its independent auditors. The chairman of the Audit Committee is authorized to give such pre-approvals on behalf of the Audit Committee up to \$25,000 and report any such pre-approval to the full Audit Committee.

The Audit Committee is also responsible for the pre-approval of the independent auditors' engagements for non-audit services with the Advisor and any entity controlling, controlled by or under common control with the Advisor

that provides ongoing services to the Fund, if the engagement relates directly to the operations and financial reporting of the Fund, subject to the de minimis exceptions for non-audit services described in Rule 2-01 of Regulation S-X. If the independent auditors have provided non-audit services to the Advisor or any entity controlling, controlled by or under common control with the Advisor that

- 18 -

provides ongoing services to the Fund that were not pre-approved pursuant to its policies, the Audit Committee will consider whether the provision of such non-audit services is compatible with the auditors' independence.

None of the Audit Fees, Audit-Related Fees, Tax Fees, and All Other Fees or the Aggregate Non-Audit Fees disclosed above that were required to be pre-approved by the Audit Committee pursuant to its pre-approval policies were pre-approved by the Audit Committee pursuant to the pre-approval exceptions included in Regulation S-X.

The Fund's Audit Committee has considered whether the provision of non-audit services that were rendered to the Advisor and any entity controlling, controlled by, or under common control with the Advisor that provides ongoing services to the Fund that were not pre-approved pursuant to paragraph (c) (7) (ii) of Rule 2-01 of Regulation S-X is compatible with maintaining the principal accountant's independence.

Other Shareholder Proposals. Under the Fund's By-Laws, any proposal to elect any person nominated by shareholders for election as Trustee and any other proposals by shareholders may only be brought before an annual meeting of the Fund if timely written notice (the "Shareholder Notice") is provided to the Secretary of the Fund. Scott Jardine, Secretary, not less than forty-five (45) days nor more than sixty (60) days prior to the first anniversary date of the date of the proxy statement released to shareholders for the preceding year's annual meeting. However, if and only if the annual meeting is not scheduled to be held within a period that commences thirty (30) days before the first anniversary date of the annual meeting for the preceding year and ends thirty (30) days after such anniversary date (an annual meeting date outside such period being referred to herein as an "Other Annual Meeting Date"), such Shareholder Notice must be given as described above by the later of the close of business on (i) the date forty-five (45) days prior to such Other Annual Meeting Date or (ii) the tenth (10th) business day following the date such Other Annual Meeting Date is first publicly announced or disclosed.

In addition, the Trustees may require any proposed nominee to furnish such other information as they may reasonably require or deem necessary to determine the eligibility of such proposed nominee to serve as a Trustee.

Shares "beneficially owned" means all Shares which such person is deemed to beneficially own pursuant to Rules 13d-3 and 13d-5 under the 1934 Act.

In addition, the By-Laws provide that, unless required by federal law, no matters shall be considered at or brought before any annual or special meeting unless such matter has been deemed a proper matter for shareholder action by at least sixty-six and two-thirds percent (66-2/3%) of the Trustees. Timely submission of a proposal does not mean that such proposal will be brought before

the meeting.

SHAREHOLDER COMMUNICATIONS

Shareholders of the Fund who want to communicate with the Board of Trustees or any individual Trustee should write the Fund to the attention of the Fund Secretary, W. Scott Jardine. The letter should indicate that you are a Fund shareholder. If the communication is intended for a specific Trustee and so indicates, it will be sent only to that Trustee. BNY Mellon Investment Servicing (US) Inc. acts as the administrator, accounting agent and transfer agent to the Fund and its principal U.S. office is located at 4400 Computer Drive, Westborough, Massachusetts 01581.

SECTION 30(h) AND SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 30(h) of the 1940 Act and Section 16(a) of the 1934 Act require the Fund's officers and Trustees, certain persons affiliated with First Trust Advisors and any sub-advisor and persons who beneficially own more than 10% of the Fund's Shares to file reports of ownership and changes of ownership with the SEC and the NYSE, and to furnish the Fund with copies of all Section 16(a) forms they file. Based solely upon a review of copies of such forms received by the Fund and certain written representations, the Fund believes that during the Fund's last fiscal year, all such filing requirements applicable to such persons were met.

FISCAL YEAR

The Fund's fiscal year end is November 30.

DELIVERY OF CERTAIN DOCUMENTS

Annual reports will be sent to shareholders of record of the Fund following the Fund's fiscal year end. The Fund will furnish, without charge, a copy of its annual report and/or semi-annual report as available upon request. Such written or oral requests should be directed to the Fund at 120 East Liberty Drive, Suite 400, Wheaton, Illinois 60187 or by calling (800) 988-5891.

Please note that only one annual or semi-annual report, proxy statement or Notice of Internet Availability of Proxy Materials (as applicable) may be delivered to two or more shareholders of the Fund who share an address, unless the Fund has received instructions to the contrary. To request a separate copy of an annual or semi-annual report, proxy statement or Notice of Internet Availability of Proxy Materials (as applicable), or for instructions as to how to request a separate copy of such documents or as to how to request a single

copy if multiple copies of such documents are received, shareholders should contact the Fund at the address and phone number set forth above. Pursuant to a request, a separate copy will be delivered promptly.

PURPORTED SHAREHOLDER PROPOSALS

Phillip Goldstein, President of Kimball & Winthrop, Inc., General Partner of Opportunity Partners L.P. ("Opportunity Partners"), Park 80 West, Plaza Two, 250 Pehle Avenue, Suite 708, Saddle Brook, New Jersey 07663, the owner of 100 registered Shares of the Fund and purportedly 163,531 Shares of the Fund in street name and a member of a Section 13D filing group that purportedly beneficially owns in aggregate 673,426 Shares of the Fund (according to the letter from Mr. Goldstein), has advised the Fund that Opportunity Partners intends to nominate a separate individual, Mr. Gerald Hellerman, for election to the Board of Trustees and to submit the proposals discussed below at the Meeting.

- 21 -

According to information provided by Opportunity Partners, Mr. Hellerman is 73 years old. In December 2005, the Board of Trustees unanimously adopted a mandatory retirement age for Trustees of 72. As a result, Mr. Hellerman is ineligible to serve as a trustee of the Fund as he is beyond the mandatory retirement age established for trustees of the Fund by the Board pursuant to the Declaration of Trust of the Fund. Therefore, any votes cast for Mr. Hellerman will be ineffective as even if Mr. Hellerman received enough votes to be elected, he would not be eligible to serve as a Trustee of the Fund due to his age.

In addition, Opportunity Partners has notified the Fund of its intention to submit at the Meeting a proposal to repeal Section 5 of Article IV of the Fund's By-Laws relating to its classified Board of Trustees and instead require the election of each Trustee at every annual meeting of shareholders, and a proposal that requests the Board of Trustees to consider affording all shareholders an opportunity to realize net asset value for their Shares.

As a Massachusetts business trust, the Fund is governed by its Declaration of Trust and By-Laws. None of Massachusetts law applicable to business trusts, the Fund's Declaration of Trust, nor the Fund's By-Laws provide shareholders of the Fund with the power or authority to amend the By-Laws. Only the Board of Trustees has the power to amend the By-Laws. As shareholders have no right, power or authority to amend the Fund's By-Laws, the Board of Trustees has determined in accordance with the Fund's By-Laws that the proposal to amend the Fund's By-Laws to eliminate its classified Board of Trustees is not a proper matter for shareholder action and will not be allowed to be brought to the floor at the Meeting for a shareholder vote.

With respect to the proposal that the Board of Trustees should "consider affording all shareholders an opportunity to realize net asset value" for their Shares, the Board has determined in accordance with the Fund's By-Laws that the proposal is not a proper matter for shareholder action at the Meeting. The Board of Trustees and the Advisor regularly monitor the discount to net asset value at which the Shares of the Fund are trading. The Board of Trustees regularly discusses the discount to net asset value of the Shares of the Fund and considers steps designed to reduce or eliminate the discount. The Board believes that this purported proposal is vague. Therefore, the Board has determined that this proposal will not be allowed to be brought to the floor at the Meeting for a shareholder vote.

Notwithstanding the foregoing, in the event that the above purported shareholder nominee or proposals are presented at the Meeting as proper matters for action by shareholders, all valid proxies held by the persons named on the proxy attached hereto will NOT be voted for any nominee of any dissident shareholder, will be voted AGAINST any shareholder proposal to repeal Section 5 of Article IV of the Fund's By-Laws relating to its classified Board of Trustees and instead require the election of each trustee at every annual meeting of shareholders, and will be voted AGAINST any shareholder proposal that requests the Board of Trustees to consider affording all shareholders an opportunity to realize net asset value for their Shares.

- 22 -

OTHER MATTERS TO COME BEFORE THE MEETING

No business other than the proposal to elect Mr. Keith as a Class I Trustee of the Fund's Board of Trustees described above is expected to come before the Meeting, but should any matter other than as discussed herein requiring a vote of shareholders arise, including any question as to an adjournment or postponement of the Meeting, the persons named on the enclosed proxy card will vote thereon according to their best judgment in the interests of the Fund.

March 11, 2011

IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY. SHAREHOLDERS ARE THEREFORE URGED TO COMPLETE, SIGN, DATE AND RETURN THE PROXY CARD AS SOON AS POSSIBLE IN THE ENCLOSED POSTAGE-PAID RETURN ENVELOPE OR ALTERNATIVELY, TO VOTE BY TELEPHONE OR THROUGH THE INTERNET BY FOLLOWING THE INSTRUCTIONS ON THE PROXY CARD.

EXHIBIT A

AUDIT COMMITTEE CHARTER

I. PURPOSE

The Audit Committee (the "Committee") is appointed by the Boards of Trustees (the "Boards") of investment companies (the "Funds") advised by First Trust Advisors L.P. ("Fund Management") for the following purposes:

1. to oversee the accounting and financial reporting processes of each Fund and its internal controls and, as the Audit Committee deems appropriate, to inquire into the internal controls of certain third-party service providers;
2. to oversee the quality and integrity of each Fund's financial statements and the independent audit thereof;

3. to oversee, or, as appropriate, assist Board oversight of, each Fund's compliance with legal and regulatory requirements that relate to the Fund's accounting and financial reporting, internal controls and independent audits; and

4. to approve, prior to the appointment, the engagement of each Fund's independent auditor and, in connection therewith, to review and evaluate the qualifications, independence and performance of the Fund's independent auditor.

II. COMMITTEE ORGANIZATION AND COMPOSITION

A. Size and Membership Requirements.

1. The Committee shall be composed of at least three members, all of whom shall be trustees of the Funds. Each member of the Committee, and a Committee chairperson, shall be appointed by the Board on the recommendation of the Nominating and Governance Committee.

2. Each member of the Committee shall be independent of the Fund and must be free of any relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment as a Committee member. With respect to the Funds which are closed-end funds or open-end exchange-traded funds ("ETFs"), each member must meet the independence and experience requirements of the New York Stock Exchange, NYSE Arca, NYSE AMEX or the NASDAQ Stock Market (as applicable), and Section 10A of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and Rule 10A-3 thereunder, and other applicable rules and regulations of the Securities and Exchange Commission ("SEC"). Included in the foregoing is the requirement that no member of the Committee be an "interested person" of the Funds within the meaning of Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "1940 Act"), nor shall any Committee member accept, directly or indirectly, any consulting, advisory or other compensatory fee from the Funds (except in the capacity as a Board or committee member).

3. At least one member of the Committee shall have been determined by the Board, exercising its business judgment, to qualify as an "audit committee financial expert" as defined by the SEC.

4. With respect to Funds whose shares are listed on NYSE Arca or on the New York Stock Exchange, each member of the Committee shall have been determined by the Board, exercising its business judgment, to be "financially literate" as required by the New York Stock Exchange or NYSE Arca (as applicable). In addition, at least one member of the Committee shall have been determined by the Board, exercising its business judgment, to have "accounting or related financial management expertise," as required by the New York Stock Exchange or NYSE Arca (as applicable). Such member may, but need not be, the same person as the Funds' "audit committee financial expert." With respect to Funds that are closed-end funds or ETFs whose shares are listed on the NYSE AMEX or the NASDAQ Stock Market, each member of the Committee shall be able to read and understand fundamental financial statements, including a Fund's balance sheet, income statement and cash flow statement. In addition, at least one member of the Committee shall have been determined by the Board, exercising its business judgment, to be "financially sophisticated," as required by the NYSE AMEX or the NASDAQ Stock Market (as applicable). A member whom the Board determines to

be the Funds' "audit committee financial expert" shall be presumed to qualify as financially sophisticated.

5. With respect to Funds that are closed-end funds, Committee members shall not serve simultaneously on the audit committee of more than two public companies, in addition to their service on the Committee.

B. Frequency of Meetings.

The Committee will ordinarily meet once for every regular meeting of the Board. The Committee may meet more or less frequently as appropriate, but no less than twice per year.

C. Term of Office.

Committee members shall serve until they resign or are removed or replaced by the Board.

III. RESPONSIBILITIES

A. With respect to Independent Auditors:

1. The Committee shall be responsible for the appointment or replacement (subject, if applicable, to Board and/or shareholder ratification), compensation, retention and oversight of the work of any registered public accounting firm engaged (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Funds ("External Auditors"). The External Auditors shall report directly to the Committee.

2. The Committee shall meet with the External Auditors and Fund Management to review the scope, fees, audit plans and staffing of the proposed audits for each fiscal year. At the conclusion of the audit, the Committee shall review such audit results, including the External Auditor's

A-2

evaluation of the Fund's financial and internal controls, any comments or recommendations of the External Auditors, any audit problems or difficulties and Fund Management's response, including any restrictions on the scope of the External Auditor's activities or on access to requested information, any significant disagreements with Fund Management, any accounting adjustments noted or proposed by the auditor but not made by the Fund, any communications between the audit team and the audit firm's national office regarding auditing or accounting issues presented by the engagement, any significant changes required from the originally planned audit programs and any adjustments to the financial statements recommended by the External Auditors.

3. The Committee shall meet with the External Auditors in the absence of Fund Management, as necessary.

4. The Committee shall pre-approve all audit services and permitted non-audit services (including the fees and terms thereof) to be performed for the Fund by its External Auditors in accordance with the Audit and Non-Audit Services Pre-Approval Policy. The Chairman of the Committee is authorized to give such pre-approvals on behalf of the Committee where the fee for such engagement does not exceed the amount specified in the Audit

and Non-Audit Services Pre-Approval Policy, and shall report any such pre-approval to the full Committee.

5. The Committee shall pre-approve the External Auditor's engagements for non-audit services to Fund Management and any entity controlling, controlled by or under common control with Fund Management that provides ongoing services to the Fund, if the engagement relates directly to the operations and financial reporting of the Fund, subject to the de minimis exceptions for non-audit services described in Rule 2-01 of Regulation S-X. The Chairman of the Committee is authorized to give such pre-approvals on behalf of the Committee, and shall report any such pre-approval to the full Committee.

6. If the External Auditors have provided non-audit services to Fund Management and any entity controlling, controlled by or under common control with Fund Management that provides ongoing services to the Fund that were not pre-approved pursuant to the de minimis exception, the Committee shall consider whether the provision of such non-audit services is compatible with the External Auditor's independence.

7. The Committee shall obtain and review a report from the External Auditors at least annually (including a formal written statement delineating all relationships between the auditors and the Fund consistent with PCAOB Ethics and Independence Rule 3526) regarding (a) the External Auditor's internal quality-control procedures; (b) any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by an inquiry or investigation by governmental or professional authorities within the preceding five years, respecting one or more independent audits carried out by the firm; (c) any steps taken to deal with any such issues; and (d) the External Auditor's independence, including all relationships between the External Auditors and the Fund and its affiliates; and evaluating the qualifications, performance and independence of the External Auditors, including their membership in the SEC practice section of the AICPA and their compliance with all applicable requirements for independence and peer review, and a review and evaluation of the lead partner, taking into account the opinions of management and

A-3

discussing such reports with the External Auditors. The Committee shall present its conclusions with respect to the External Auditors to the Board.

8. The Committee shall review reports and other information provided to it by the External Auditors regarding any illegal acts that the External Auditors should discover (whether or not perceived to have a material effect on the Fund's financial statements), in accordance with and as required by Section 10A(b) of the Exchange Act.

9. The Committee shall ensure the rotation of the lead (or concurring) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law, and further considering the rotation of the independent auditor firm itself.

10. The Committee shall establish and recommend to the Board for ratification a policy of the Funds with respect to the hiring of employees or former employees of the External Auditors who participated in the audits of the Funds' financial statements.

11. The Committee shall take (and, where appropriate, recommend that the Board take) appropriate action to oversee the independence of the External Auditors.

12. The Committee shall report regularly to the Board on the results of the activities of the Committee, including any issues that arise with respect to the quality or integrity of the Funds' financial statements, the Funds' compliance with legal or regulatory requirements, the performance and independence of the Funds' External Auditors, or the performance of the internal audit function, if any.

B. With respect to Fund Financial Statements:

1. The Committee shall meet to review and discuss with Fund Management and the External Auditors the annual audited financial statements of the Funds, major issues regarding accounting and auditing principles and practices, and the Funds' disclosures under "Management's Discussion and Analysis," and shall meet to review and discuss with Fund Management the semi-annual financial statements of the Funds and the Funds' disclosures under "Management's Discussion and Analysis."

2. The Committee shall review and discuss reports, both written and oral, from the External Auditors or Fund Management regarding (a) all critical accounting policies and practices to be used; (b) all alternative treatments of financial information within generally accepted accounting principles ("GAAP") for policies and practices that have been discussed with management, including the ramifications of the use of such alternative treatments and disclosures and the treatment preferred by the External Auditors; (c) other material written communications between the External Auditors and management, such as any management letter or schedule of unadjusted differences; and (d) all non-audit services provided to any entity in the investment company complex (as defined in Rule 2-01 of Regulation S-X) that were not pre-approved by the Committee.

3. The Committee shall review disclosures made to the Committee by the Funds' principal executive officer and principal financial officer

A-4

during their certification process for the Funds' periodic reports about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Funds' internal controls.

4. The Committee shall discuss with the External Auditors the matters required to be discussed by PCAOB AU Section 380 that arise during the External Auditor's review of the Funds' financial statements.

5. The Committee shall review and discuss with management and the External Auditors (a) significant financial reporting issues and judgments made in connection with the preparation and presentation of the Funds' financial statements, including any significant changes in the Funds' selection or application of accounting principles and any major issues as to the adequacy of the Funds' internal controls and any special audit steps adopted in light of material control deficiencies, and (b) analyses prepared by Fund Management or the External Auditors setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the

effects of alternative GAAP methods on the financial statements.

6. The Committee shall review and discuss with management and the External Auditors the effect of regulatory and accounting initiatives on the Funds' financial statements.

7. The Committee shall discuss with Fund Management the Funds' press releases regarding financial results and dividends, as well as financial information and earnings guidance provided to analysts and rating agencies. This discussion may be done generally, consisting of discussing the types of information to be disclosed and the types of presentations to be made. The Chairman of the Committee shall be authorized to have these discussions with Fund Management on behalf of the Committee, and shall report to the Committee regarding any such discussions.

8. The Committee shall discuss with Fund Management the Funds' major financial risk exposures and the steps Fund Management has taken to monitor and control these exposures, including the Funds' risk assessment and risk management policies and guidelines. In fulfilling its obligations under this paragraph, the Committee may, as applicable, review in a general manner the processes other Board committees have in place with respect to risk assessment and risk management.

C. With respect to serving as a Qualified Legal Compliance Committee:

1. The Committee shall serve as the Funds' "qualified legal compliance committee" ("QLCC") within the meaning of the rules of the SEC and, in that regard, the following shall apply.

(i) The Committee shall receive and retain, in confidence, reports of evidence of (a) a material violation of any federal or state securities laws, (b) a material breach of a fiduciary duty arising under any federal or state laws or (c) a similar material violation of any federal or state law by a Fund or any of its officers, trustees, employees or agents (a "Report of Material Violation"). Reports of Material Violation may be addressed to the Funds, attention W. Scott Jardine, at the address of the principal offices of the Funds, which currently is 120 East Liberty Drive,

A-5

Wheaton, Illinois 60187, who shall forward the Report of Material Violation to the Committee.

(ii) Upon receipt of a Report of Material Violation, the Committee shall (a) inform the Fund's chief legal officer and chief executive officer (or the equivalents thereof) of the report (unless the Committee determines it would be futile to do so), and (b) determine whether an investigation is necessary.

(iii) After considering the Report of a Material Violation, the Committee shall do the following if it deems an investigation necessary:

(1) Notify the full Board;

(2) Initiate an investigation, which may be conducted either by the chief legal officer (or the equivalent thereof) of the Fund or by outside attorneys; and

(3) Retain such additional expert personnel as the Committee deems necessary.

(iv) At the conclusion of any such investigation, the Committee shall:

(4) Recommend, by majority vote, that the Fund implement an appropriate response to evidence of a material violation; and

(5) Inform the chief legal officer and the chief executive officer (or the equivalents thereof) and the Board of the results of any such investigation and the appropriate remedial measures to be adopted.

2. The Committee shall take all other action that it deems appropriate in the event that the Fund fails in any material respect to implement an appropriate response that the Committee, as the QLCC, has recommended the Fund take.

D. Other Responsibilities:

1. The Committee shall receive, retain and handle complaints received by the Funds regarding accounting, internal accounting controls, or auditing matters from any person, whether or not an employee of the Funds or Fund Management, and shall receive submissions of concerns regarding questionable accounting or auditing matters by employees of the Funds and Fund Management, administrator, principal underwriter, or any other provider of accounting-related services for the Funds. All such complaints and concerns shall be handled in accordance with the Committee's procedures for operating as a QLCC, outlined in III.C above.

2. The Committee shall review, with fund counsel and independent legal counsel, any legal matters that could have significant impact on the Fund's financial statements or compliance policies and the findings of any examination by a regulatory agency as they relate to financial statement matters.

A-6

3. The Committee shall review and reassess the adequacy of this charter on an annual basis and provide a recommendation to the Board for approval of any proposed changes deemed necessary or advisable by the Committee.

4. The Committee shall evaluate on an annual basis the performance of the Committee.

5. The Committee shall review with the External Auditors and with Fund Management the adequacy and effectiveness of the Funds' internal accounting and financial controls.

6. The Committee shall discuss with Fund Management and the External Auditors any correspondence with regulators or governmental agencies that raise material issues regarding the Funds' financial statements or accounting policies.

7. The Committee shall obtain any reports from Fund Management with respect to the Funds' policies and procedures regarding compliance with

applicable laws and regulations. The Committee shall perform other special reviews, investigations or oversight functions as requested by the Board and shall receive and review periodic or special reports issued on exposure/controls, irregularities and control failures related to the Funds.

8. The Committee shall prepare any report of the Committee required to be included in a proxy statement for a Fund.

9. The Committee may request any officer or employee of a Fund or Fund Management, independent legal counsel, fund counsel and the External Auditors to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

10. The Committee shall maintain minutes of its meetings.

11. The Committee shall perform such other functions and have such powers as may be necessary or appropriate in the efficient and lawful discharge of its responsibilities.
