SECTION 2 – FINANCIAL INFORMATION

Item 2.01 Completion of Acquisition or Disposition of Assets.

Completion of Acquisition:

On June 19, 2012, Fresh Traffic Group Inc., a Nevada corporation (the “Company”), entered into an Assignment Agreement (the “Assignment Agreement”) with Tellus Engineering Ltd. (“Tellus”) a Hong Kong corporation. Under the Assignment Agreement Tellus agreed to assign the rights to a licensing agreement between Tellus and OOO” SGPStroy”, (“SGPStroy”) a Russian company for the patented technology developed by SGPStroy for ecologically safe carbonaceous waste reprocessing and production of synthetic power fuel.

Pursuant to the terms of the Assignment Agreement, Tellus has agreed to assign all rights and interests to the licensing agreement with SGPStroy to the Company in exchange for the issuance of 10,000,000 restricted shares of common stock of the Company. There is no material relationship, other than in respect of the transaction, between such person(s) and the registrant or any of its affiliates, or any director or officer of the registrant, or any associate of any such director or officer.

The following description of the terms and conditions of the Assignment Agreement and the transactions contemplated thereunder that are material to the Company does not purport to be complete and is qualified in its entirety by reference to the full text of the Assignment Agreement, a copy of which is attached hereto as Exhibit 2.1 to the Form 8-K filed by the Company on June 27, 2012.

On August 28, 2012, the Company and Tellus agreed to waive certain conditions to Closing and closed the acquisition, subject to the appointment of Mr. Michael R. Wiechnik to the Board of Directors and as President of the Company.

The Company had issued the required 10,000,000 shares of the common stock of the Company to Tellus on August 27, 2012.

Terms of the Assignment Agreement which were waived for closing but are expected to occur subsequent to Closing are:

The Company is finalizing a disposition agreement with Fresh Traffic Group Corp. (“Group Corp”) and its current officers and directors, whereby the Company shall transfer the shares of Group Corp. in exchange for the return of a total of 10,400,000 shares issued at the time of the acquisition of Group Corp. The Company shall enter into a further agreement with Group Corp. to settle the loan between the Company and Group Corp. in the amount of \$14,691.74 by the issuance of a promissory note bearing 5% interest and payable by the Company on or before October 31, 2012. The Company expects to execute this agreement on August 30, 2012, however, this divestiture is no longer a condition of Closing.

As a condition to Closing, the Company was to effect a reverse split of its issued and outstanding shares of common stock on the basis of 1 share for every 75 shares currently held, this action was approved and will be announced by FINRA on August 30, 2012 and become effective on August 31, 2012 along with the change of name of the Company from Fresh Traffic Group Inc. to Synergetics, Inc. The condition was waived at Closing as it will take place on August 31, 2012.

As a condition to the Closing, the Company agreed to use its best efforts to settle all outstanding debt on the balance sheet of the Company save for the debt owed to its auditors and to Group Corp. Such debt settlements would be

negotiated by the issuance of post-split shares but in any event no debt shall be settled at less than \$0.005 per share. The Company continues to negotiate debt settlements with its creditors, however, they have not executed any final agreements. Tellus has waived the condition as the Company has demonstrated that it is and continues to negotiate with its creditors to settle the outstanding debt and it is expecting to settle a substantial portion of the outstanding debt subsequent to Closing.

As a condition of Closing, there was to be a change in the Company's Board of Directors and executive officers at Closing. Specifically, at Closing, Mr. W. Scott Lawler was to resign as a member of the Company's Board of Directors and as President, Chief Executive Officer, Secretary, Treasurer and Chief Financial Officer of the Company. This condition for Closing was waived and Mr. Lawler will remain on the Board of Directors and as Secretary, Treasurer and Chief Financial Officer until the debt settlements can be negotiated and the divestiture of Group Corp is finalized.
