Voting Procedures

The presence in person or by Proxy of a majority of the voting power at the Annual Meeting is required to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be considered represented at the Annual Meeting for the purpose of determining a quorum. The shares represented by each Proxy will be voted in accordance with the instructions given therein. Where no instructions are indicated, the Proxy will be voted in favor of all matters to be voted on as set forth in the Proxy and, at the discretion of the persons named in the Proxy, on any other business that may properly come before the Annual Meeting.

Shares held in a brokerage account or by another nominee are considered held in street name by the shareholder or beneficial holder. A broker or nominee holding shares for a beneficial owner may not vote on matters relating to the election of directors unless the broker or nominee receives specific voting instructions from the beneficial owner of the shares. As a result, absent specific instructions, brokers or nominees may not vote a beneficial owner's shares on proposal 1 and such shares will be considered broker non-votes for such proposals.

Each shareholder will be entitled to one vote for each share of common stock held and will not be entitled to cumulate votes in the election of directors. Shares that are authorized but not yet issued will not be entitled to vote at the Annual Meeting.

The expense of printing and mailing Proxy materials, including expenses involved in forwarding Proxy materials to beneficial owners of common stock held in the name of another person, will be paid by us.

Solicitation

No solicitation, other than by mail, is currently planned.

Record Date

Only shareholders of record at the close of business on Monday, July 29, 2013 (this date is referred to as the record date), are entitled to receive notice of and to vote the shares of common stock registered in their name at the Annual Meeting.

Revocability of Proxy

The submission of a signed Proxy will not affect a shareholder's right to attend the Annual Meeting and vote in person. Any proxy given pursuant to this mailing may be revoked by the person giving it at any time before its use by attending the Annual Meeting and voting in person or by delivering to us a written notice of revocation or another duly executed proxy bearing a date later than the earlier given proxy but prior to the date of the Annual Meeting.

Voting of Proxy

The shares of Common Stock represented by all properly executed proxies received in time for the meeting will be voted in accordance with the directions given by the shareholders. Where specific instructions are not indicated, proxies will be voted **FOR** the election or adoption of each item so presented.

The Board of Directors knows of no other matters to be presented for shareholder action at the Annual Meeting. If any other matters properly come before the Annual Meeting, the persons named as proxies will vote on such matters in their discretion.

Outstanding Shares

As of the record date, we had approximately 49,293,845 shares of our common stock issued and outstanding. Each share of common stock entitles the holder to cast one vote on each matter to be voted upon at the Annual Meeting.

Voting Rights and Required Vote

Under Idaho law, the Idaho Business Corporation Act requires the presence of a quorum to conduct business at the Annual Meeting. A quorum is defined as the presence, either in person or by Proxy, of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting. The shares represented at the Annual Meeting by Proxies that are marked "withhold authority" will be counted as shares present for the purpose of determining whether a quorum is present. Broker non-votes (i.e., Proxies from brokers or nominees indicating that such persons have not received instructions from beneficial owners to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) will also be counted as shares present for purposes of determining a quorum.

Directors are elected by the affirmative vote of a plurality of the shares of common stock present, either in person or by Proxy, at the Annual Meeting and entitled to vote. For this purpose, plurality means that the individuals receiving the largest number of votes are elected as directors, up to the maximum number of directors to be chosen at the election. In the election of directors, votes may be cast in favor, against or withheld. Votes that are withheld and broker non-votes will have no effect on the outcome of the election of directors.

A majority of the outstanding shares of the Company entitled to vote, represented in person or by Proxy, constitute a quorum at the Annual Meeting of shareholders. If a quorum is present, action on any matter (other than election of directors) is approved if the votes cast in favor of the action exceed votes cast in opposition to the matter, unless the vote of the greater number of voting by classes is required by the Bylaws or Articles of Incorporation.

Effective Dates

The election of directors, if approved by the shareholders, will be effective immediately following the Annual Meeting.

PROPOSAL 1 - ELECTION OF DIRECTORS**Nominees for Director**

The nominees for election as Directors are the four people listed below. If any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by the present Board of Directors to fill the vacancy. It is not expected that any nominee listed below will be unable or will decline to serve as a director. Each director is to serve until the next Annual Meeting of our shareholders or until the director's death, resignation or termination and the appointment and qualification of a successor.

The Board of Directors recommends that shareholders vote FOR Proposal No. 1

to Re-Elect All Members or Nominees named below to the Company's Board of Directors.

Name	Age	Position	Held Position Since	Board Committees
Dehryl A. Dennis	72	Director	2007	Audit
Todd R. Hackett	52	Director	2012	Compensation
Robert O. Grover	50	Director, CEO	2011	
Murali Ranganathan	43	Director	2013	Audit, Compensation

Dehryl A. Dennis, Ed.D. Dr. Dennis has had a 36-year career that took him from teaching in small public schools in southwest Idaho to Puerto Rico and Illinois, and then returned him to his native state as a district administrator in Boise, Idaho. During his entire professional career, Dr. Dennis was an outspoken advocate for programs that emphasized applied learning. Because of his strong belief that most people learn by doing rather than thinking about doing, he supported and helped implement off-school site classrooms in malls and hospitals; partnerships with trade

unions, small business, and industry; and cooperative agreements with institutions of higher learning. The success of these programs culminated in the construction of the Dehryl A. Dennis Professional Technical Center, a 40,000 SF technical school within the Boise District, which opened in 1999 and presently serves approximately 900 students from 16 area high schools. Appointed in 1976 as Director of Personnel, he later served as Assistant Superintendent and then Deputy Superintendent until he was appointed District Superintendent in 1994. During that time, he brought the Boise School District from an under-performing school system to the best performing in the State of Idaho. He remained as Superintendent until his retirement in July 1999.

Dr. Dennis has not held a directorship position nor was he a directorship nominee for any other public company or investment company in the past five years.

Dr. Dennis serves on our Audit Committee and he is our sounding board for product and program development. We feel Dr. Dennis, a Board Member since 2007, is more than qualified to sit on our Board, as he is the technical advisor to our in-house instructional designers and curriculum writers for products developed for the classroom.

Todd R. Hackett. Todd Hackett is the owner of a successful construction company in Iowa who first became aware of PCS as an investment opportunity in 2007. Over the past six years his involvement with PCS has grown from a casual investor to a strong advocate for bringing educational opportunities to both children and young adults to strengthen their knowledge in math and science. Mr. Hackett brings a strong business background to PCS, well founded in the fundamental principles of building a successful company. He has demonstrated his abilities in the building of his own company from a start-up in 1981 to a major construction firm now handling multi-million dollar projects. Many of his projects involve educational institutions such as community colleges, middle schools, libraries, and applied technology labs. Mr. Hackett has not held a directorship position nor was he a directorship nominee for any other public company or investment company in the past five years.

Mr. Hackett is actively involved in his community, is passionate about the potential of PCS, and is actively engaged in helping to create a company that will have deep shareholder value as well as improve STEM education around the world. We believe Mr. Hackett brings valuable business and financial experience to PCS.

Robert O. Grover. Mr. Grover was appointed Chief Executive Officer in January 2012. In 2011 he served as the Chief Technology Officer and President of PCS International. From March 2010 to January 2012, Mr. Grover served as President, Chief Operating Officer and Chief Technology Officer. Mr. Grover joined PCS at its inception and has spent the last two decades with PCS designing, developing, and creating PCS learning programs and services intended to facilitate student-centered, experiential learning. Mr. Grover has traveled extensively throughout the world promoting PCS programs and developing International relationships for the Company. He was appointed to the Idaho District Export Council by the US Secretary of Commerce in January of 2012. A Merit Scholar, Mr. Grover attended Michigan State University for course work in Astrophysics, Philosophy, Computer Science, and Religious Studies; he attended the University of Idaho for additional coursework in History, Religious Studies, and Philosophy; and graduated with a B.A. in English, Creative Writing and an A.A.S in Management from Boise State University in 1988. Mr. Grover has not held a directorship position nor was he a directorship nominee for any other public company or investment company in the past five years.

With Mr. Grover's 25 plus years of experience, acquired knowledge and creativity, we feel that he contributes an excellent awareness of industry trends and brings the strategies and tactic needed to retain and attract new business opportunities.

Murali Ranganathan. Mr. Ranganathan is the Senior Manager of Finance Strategy for Micron, where he is the financial lead for evaluating, negotiating, and conducting due diligence on Micron's M&A and

8 of 29

venture investment opportunities. Mr. Ranganathan is a planning and financial expert who is well versed in due diligence. Mr. Ranganathan is Chairman of the Audit Committee for PCS Edventures. Mr. Ranganathan has a long and impressive career in both engineering and finance, with a Masters in Industrial and Systems Engineering from Ohio State, and an MBA from the Booth School of Business at the University of Chicago.

Mr. Ranganathan is familiar with our Company and personnel. He provides financial and general business advice that is useful to our Company. Mr. Ranganathan currently acts as the Chairman of our Audit Committee. We feel Mr. Ranganathan is a considerable asset to PCS.

Corporate Governance

Code of Ethics

We adopted a Code of Ethics and it was attached as Exhibit 14 to our 2004 Annual Report. The Code was revised in 2010 and is available on our web site at <https://edventures.com>. If any shareholder does not have Internet access, a copy of the Code of Ethics will be provided on request to us at no cost.

Director Qualifications

In evaluating potential directors, The Board considers the following factors:

the appropriate size of our Board of Directors;

our needs with respect to the particular talents and experience of our directors;

the knowledge, skills and experience of nominees, including experience in finance, administration, or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;

familiarity with the educational industry;

experience with accounting rules and practices; and

the desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by new Board members.

Our goal is to assemble a Board of Directors that brings together a variety of perspectives and skills derived from high quality business and professional experience. In doing so, The Board will also consider candidates with appropriate non-business backgrounds.

Other than the foregoing, there are no stated minimum criteria for director nominees, although The Board of Directors may also consider such other factors as they may believe are in the best interests of PCS and its shareholders.

The Board of Directors identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-election. If any member of the Board does not wish to continue in service or if we decide not to re-nominate a member for re-election, we then identify the desired skills and experience of a new nominee in light of the criteria above. Current members of the Board of Directors are polled for suggestions as to individuals meeting the criteria described above. The Board may also engage in research to identify qualified individuals. To date, we have not engaged third parties to identify or evaluate or

assist in identifying potential nominees, although we reserve the right in the future to retain a third party search firm, if necessary.

Director Independence

We believe that all members of our Board of Directors, with the exception of our Chief Executive Officer, Mr. Robert Grover, are independent based on the following definition of NASDAQ, which is quoted below from Rule 5605(a)(2), which our Board of Directors has adopted this definition of an independent director even though we are not required to have independent directors. (2) Independent Director means a person other than an Executive Officer or employee of the Company or any other individual having a relationship, which, in the opinion of the Company's Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. For purposes of this rule, Family Member means a person's spouse, parents, children and siblings, whether by blood, marriage or adoption, or anyone residing in such person's home. The following persons shall not be considered independent:

(A) a director who is, or at any time during the past three years was, employed by the Company;

(B) a director who accepted or who has a Family Member who accepted any compensation from the Company in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence, other than the following:

i.

compensation for Board or Board committee service;

ii.

compensation paid to a Family Member who is an employee (other than an Executive Officer) of the Company; or

iii.

benefits under a tax-qualified retirement plan, or non-discretionary compensation.

Provided, however, that in addition to the requirements contained in this paragraph (B), audit committee members are also subject to additional, more stringent requirements under Rule 5605(c)(2).

(C) a director who is a Family Member of an individual who is, or at any time during the past three years was, employed by the company as an Executive Officer;

(D) a director who is, or has a Family Member who is, a partner in, or a controlling Shareholder or an Executive Officer of, any organization to which the Company made, or from which the Company received, payments for property or services in the current or any of the past three fiscal years that exceed 5% of the recipient's consolidated gross revenues for that year, or \$200,000, whichever is more, other than the following:

i.

payments arising solely from investments in the Company's securities; or

ii.

payments under non-discretionary charitable contribution matching programs.

(E) a director of the Company who is, or has a Family Member who is, employed as an Executive Officer of another entity where at any time during the past three years any of the Executive Officers of the Company serve on the compensation committee of such other entity; or

(F) a director who is, or has a Family Member who is, a current partner of the Company's outside auditor, or was a partner or employee of the Company's outside auditor who worked on the Company's audit at any time during any of the past three years.

(G) in the case of an investment company, in lieu of paragraphs (A)-(F), a director who is an interested person of the Company as defined in Section 2(a)(19) of the Investment Company Act of 1940, other than in his or her capacity as a member of the Board of Directors or any Board committee.

Role of Board in Risk Oversight

One of the functions of our Board of Directors is informed oversight of our risk management process. The Board does not have a standing risk management committee, but oversees this function through the Board as a whole, as well as through the audit committee, which is responsible for discussing guidelines and policies to govern the process by which risk assessment and management is undertaken.

Our Board oversees risk, including operational risk, liquidity risk and credit risk in various ways. Board meetings generally include discussions among Board members, management and outside consultants, when practical, regarding material risks we face, including operational and financial risk. Our management provides information to the Board regarding our approach to material risks, both at meetings and on a regular basis during informal discussion. In addition, the Board generally reviews the disclosures in our Annual Report on Form 10-K, including the risk factors. The Board's discussions with management include whether all material risks and concerns have been identified and the manner in which management will address the issues.

Potential Conflicts of Interests of Compensation Consultants

None.

Committees

Audit Committee:

We chartered an audit committee in 2001 for the purpose of engaging an accounting firm, which is currently M&K CPAs, PLLC, for our annual audit and quarterly reviews. The audit committee currently consists of Board members

Murali Ranganathan and Dehryl A. Dennis. Mr. Ranganathan is considered an audit committee financial expert based on his previous work experience and the definition contained in Reg. 228.401 Instructions to paragraph (e)(1) of Item 401 of the Sarbanes-Oxley Act. The audit committee continued to implement its Charter regarding the scope and responsibilities for the audit committee adopted in fiscal year 2005 and revised in fiscal year 2010. The audit committee meets with M&K CPAs, PLLC via telephone on a quarterly basis and meets separately with management to review quarterly financial results and discuss any issues. In addition, the audit committee discusses auditing issues as needed during regularly scheduled Board meetings, which are documented in the Company's minutes.

Audit Committee Report

This report is being submitted by the audit committee members who served during fiscal year 2013.

The audit committee is currently responsible for

- (i)
appointing or replacing our auditing firm;
- (ii)
reviewing the scope, reports, costs, and other items related to the quarterly reviews and annual audit conducted by our auditors;
- (iii)
reviewing the qualifications, expertise, and suitability of our auditors;
- (iv)
speaking with and approving all actions to be undertaken by our auditors; and
- (v)
reviewing and providing feedback for our internal control reports

The Audit Committee of our Board of Directors has selected M&K CPAs, PLLC as our independent registered public accounting firm for the fiscal year ending March 31, 2013, and has further directed that management submit the selection of an independent registered public accounting firm for ratification by the shareholders at the Annual Meeting.

The Audit Committee has reviewed and discussed our audited financial statements with our management, which has primary responsibility for such financial statements. While the Audit Committee has performed the above functions, it is the responsibility of the Independent Registered Public Accounting Firm and not the Audit Committee, to conduct the audit of our consolidated financial statements and express an opinion as to the conformity of the financial statements with accounting principles generally accepted in the United States.

Nominating or Governance Committee:

PCS does not have a standing nominating or governance committee or a charter with respect to the process for nominations to our Board of Directors. Currently, our directors submit nominations for election to fill vacancies on the Board to the entire Board for its consideration.

Our Bylaws do not contain any provision addressing the process by which a shareholder may nominate an individual to stand for election to the Board of Directors, and we do not have any formal policy concerning shareholder recommendations to the Board of Directors. To date, we have not received any recommendations from non-affiliate shareholders requesting that the Board consider a candidate for election to the Board. However, the absence of such a policy does not mean that the Board of Directors would not consider any such recommendation, if one is received. The Board would consider any candidate proposed in good faith by a shareholder. To do so, a shareholder should send the candidate's name, credentials, contact information and his or her consent to be considered as a candidate to the attention of the company's Chief Executive Officer, Robert Grover at 345 Bobwhite Court, Suite 200, Boise, ID 83706. The proposing shareholder should also include his or her contact information and a statement of his or her share ownership in the Company (how many shares owned and for how long).

Our Board of Directors does not have a formal process for security holders to send communications to the Board. However, our directors take great interests in the concerns of shareholders. In addition, our directors review and give careful consideration to any and all shareholder communications. Security holder communications may be sent to: Board of Directors, PCS Edventures!.com, Inc., 345 Bobwhite Court, Suite 200, Boise, Idaho 83706.

Compensation Committee:

We adopted a compensation committee during fiscal year 2004 for the purpose of regulating management's compensation, as well as any incentive plans proposed by the Company. During fiscal year 2013 the compensation committee consisted of Board Member Donald Farley, however after his resignation, the committee currently consists of Board Member's Todd Hackett and Murali Ranganathan. None of the members of the committee is now or was previously an officer or employee of the Company or any of its subsidiaries. Compensation for each member of the compensation committee is included in the table titled Director Compensation for fiscal year 2013.

Compensation Committee Report

This report is being submitted by the compensation committee member. This report addresses what the compensation committee is responsible for and how the Company currently decides on compensation of its executive officers.

The compensation committee is currently responsible for

- (i)
reviewing and monitoring the appropriateness of the Company's executive compensation;
- (ii)
reviewing and approving, where necessary, compensation and benefits to executives;
- (iii)
evaluating the performance of the executive officers;
- (iv)
monitoring the benefit plan(s) offered to employees of the Company; and
- (v)

evaluating and making recommendations for the stock incentive plan(s).

The compensation committee did not hold any meetings during fiscal year 2013. However, any discussions related to compensation were discussed during regularly scheduled Board meetings, after which time the conversations were incorporated into the Company's minutes. Within these discussions, the compensation committee discussed Compensation Discussion and Analysis including, but not limited to compensation awarded to, earned by or paid to the executive officers of the Company; current and long-term compensation for executive officers; and proposed incentive compensation plans. The compensation committee sets all levels of compensation for the executive officers.

For executive officers other than the CEO, the committee reviews, analyzes and makes a determination of compensation based on recommendations from the CEO. The CEO's compensation is determined by the compensation committee each year after open discussions with other Board members. The key components of our compensation strategy is to link performance and shareholder value to salaries, stock bonus awards, and stock option awards to recognize the contribution of each individual executive officer, as well as to recognize the business results as demonstration by the executive officers as a whole.

EXECUTIVE COMPENSATION AND RELATED INFORMATION COMPENSATION DISCUSSION AND ANALYSIS

Compensation-setting Process and the Determination of Compensation Levels

The Committee reviews the compensation of our executive officers on an annual basis and sets compensation levels at the beginning of each fiscal year. As part of this process, the Committee reviews our financial results for the year just ended, projections for future periods, our strategic business plan and the Market Data. The Committee also works with our CEO to establish performance goals that further our strategic objectives, which typically include keeping costs down, providing innovative products and services, improving our sales channel, growing our different business units and being a STEM leader.

Components of the Executive Compensation Program

Fiscal base salaries

The purpose of a competitive base salary is to compensate executives for performing their day-to-day job responsibilities. Base salaries are generally targeted to approximate the Market Data median but may be above or below depending upon an executive's contributions, experience, performance and length of service. Market Data showed that the base salaries of all of the Named Executive Officers were between the 25th and 75th percentiles for their positions or ranks. The Committee determined not to change the base salaries of the Named Executive Officers for fiscal 2013.

Fiscal Long-term equity incentives

We believe long-term incentive compensation should be tied to our success and increases in shareholder value. Accordingly, stock options and performance-based restricted stock awards are significant components of our executive compensation program. We believe these types of awards are especially aligned with shareholders interests as their value is contingent upon an increase in stock price or the achievement of certain milestones. The Committee works to determine the allocation and type of performance awards to grant each fiscal year.

We have not and do not plan to time the granting of long-term incentive awards (or the payment of any other compensation) with the release of material, non-public information. Long-term incentive grants are approved by the

Committee the exercise price of stock options is equal to the fair market value of our Common Stock as defined by the equity plan pursuant to which the award is granted. For purposes of our equity plans, fair market value is defined as the closing price as quoted on OTC QB for the last market-trading day prior to the date of grant.

Other fiscal employee benefits

We provide a competitive level of time off and health, welfare and insurance benefits to substantially all employees. Our Executive Officers participate in the same plans as our other employees.

PROPOSAL 2 - ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION (SAY ON PAY)

As described in detail under the heading *Executive Compensation Compensation Discussion and Analysis*, our executive compensation programs are designed to attract, motivate, and retain our named executive officers, who are critical to our success. Under these programs, our named executive officers are rewarded for the achievement of specific annual, long-term and strategic goals, and the realization of increased shareholder value. Please read details about our executive compensation including information about the fiscal year 2013 compensation of our named executive officers.

We are asking our shareholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, gives our shareholders the opportunity to express their views on our named executive officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Our Board of Directors, upon recommendation of our Compensation Committee, recommends that you vote **FOR** the following resolution at the Annual Meeting:

RESOLVED, that the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2013 Annual Meeting of Shareholders, including the Compensation Discussion and Analysis, compensation tables and related narrative disclosure, is hereby approved.

The say-on-pay vote is advisory, and therefore not binding on our company, our Compensation Committee or our Board of Directors. Our Board of Directors and our Compensation Committee value the opinions of our shareholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, we will seek to understand our shareholders' concerns and the Compensation Committee will evaluate whether any actions are appropriate to address those concerns.

Our Board of Directors, upon recommendation of our Compensation Committee, recommends shareholders vote for the approval of the compensation of our Named Executive Officers as disclosed in this proxy statement.

22 of 29

PROPOSAL 3 - ADVISORY VOTE TO APPROVE FREQUENCY OF SAY ON PAY VOTE BY SHAREHOLDERS

(SAY WHEN ON PAY)

Our shareholders are entitled to indicate how frequently we should seek an advisory vote on the compensation of our named executive officers, as disclosed pursuant to the SEC's compensation disclosure rules, such as Proposal of this proxy statement. By voting on this Proposal 3, shareholders may indicate whether they would prefer an advisory vote on named executive officer compensation once every one, two, or three years.

After careful consideration of this proposal, our Board of Directors, upon recommendation of our Compensation Committee, has determined that an advisory vote on executive compensation that occurs every year is the most appropriate alternative for our company, and therefore our Board of Directors recommends that you vote for One Year as the interval for the advisory vote on executive compensation.

In formulating its recommendation, our Board of Directors considered that an annual advisory vote on executive compensation will allow our shareholders to provide us with their direct input on our compensation philosophy, policies and practices as disclosed in the proxy statement every year.

You may cast your vote on your preferred voting frequency by choosing the option of one year, two years or three years or you may abstain from voting.

The option of one year, two years or three years that receives the highest number of votes cast by shareholders will be the frequency for the advisory vote on executive compensation that has been selected by shareholders. However, because this vote is advisory and not binding on our Board of Directors or the company in any way, our Board of Directors may decide that it is in the best interests of our shareholders to hold an advisory vote on executive compensation more or less frequently than the option approved by our shareholders.

Our Board of Directors, upon recommendation of our Compensation Committee, recommends shareholders vote for the option of once every year as the frequency with which shareholders are provided an advisory vote on executive compensation.
