PennyMac Financial Services, Inc. (the “Company”), through its subsidiary, Private National Mortgage Acceptance Company, LLC (the “Borrower”), entered into an amended and restated credit agreement, dated as of November 18, 2016, by and among the Borrower, the lenders that are parties thereto, Credit Suisse AG, as administrative agent and collateral agent, and Credit Suisse Securities (USA) LLC, as sole bookrunner and sole lead arranger (the “Credit Agreement”), pursuant to which the lenders have agreed to make revolving loans to the Borrower in an amount not to exceed \$150 million. Interest on the loans shall accrue at a per annum rate of interest equal to, at the election of the Borrower, either an alternate base rate (as defined in the Credit Agreement) or LIBOR plus the applicable margin. During the existence of certain events of default, interest shall accrue at a higher default rate. The maturity date of the loans is 364 days following the date of the Credit Agreement. The proceeds of the loans are to be used solely for working capital and general corporate purposes of the Borrower and its subsidiaries.

Pursuant to the terms of an amended and restated collateral and guaranty agreement, dated as of November 18, 2016, by and among the Borrower, as grantor, Credit Suisse AG, Cayman Islands Branch, as collateral agent, and the Company and certain of its subsidiaries, PNMAC Capital Management, LLC, PennyMac Loan Services, LLC and PNMAC Opportunity Fund Associates, LLC, as guarantors and grantors, the obligations of the Borrower under the Credit Agreement are guaranteed by each of the referenced guarantors and secured by a grant by each of the referenced grantors of their respective right, title and interest in and to limited and otherwise unencumbered (other than with respect to specified permitted encumbrances) specified contract rights, specified deposit accounts, all documents and instruments related to such specified contract rights and specified deposit accounts, and any and all proceeds and products thereof.

The loans are subject to mandatory prepayment in certain circumstances, including, but not limited to, (i) from time to time to the extent necessary to cure any non-compliance with certain asset coverage ratios, and (ii) upon the issuance of certain permitted unsecured indebtedness in an amount not to exceed \$500 million and only to the extent of the net cash proceeds related thereto.

The Borrower is also subject to:

(i) customary affirmative covenants, including, but not limited to, monthly, quarterly and annual financial reporting, maintenance of existence, compliance with statutes and applicable laws (including environmental laws), payment of taxes, use of proceeds, maintenance of ratings, and designation of restricted and unrestricted subsidiaries;

(ii) customary negative covenants, including, but not limited to, restrictions on liens, restrictions on mergers, sales of assets and related transactions, restrictions on dividends and other restricted payments, restrictions on indebtedness, restrictions on transactions with affiliates, limitation on creation of subsidiaries, and restrictions on prepayment of indebtedness;

(iv) customary events of default, including those related to payment defaults, covenant violations, breaches of representations and warranties, cross defaults to other indebtedness in excess of \$35 million and insolvency;

in each case, subject to applicable cure periods, baskets, materiality standards and exceptions.

The Credit Agreement amends and restates that certain credit agreement, dated as of December 30, 2015, by and among the Borrower, the lenders that are parties thereto, Credit Suisse AG and Credit Suisse Securities (USA) LLC (the “Original Agreement”). The primary purposes of the amendment and restatement were to increase the maximum revolving loan amount from \$100 million to \$150 million and extend the maturity date thereof. All other terms and conditions of the Original Agreement remain the same in all material respects.
