Pursuant to Rule 416(a) under the Securities Act of 1933, as amended (the “Securities Act”), this Registration Statement on Form S-8 (the “Registration Statement”) covers, in addition to the shares of Common Stock, par value \$0.0001 per share (“Common Stock”), specified above, an indeterminate number of additional shares of Common

(1) Stock that may become issuable by Kindred Biosciences, Inc. (the “Registrant”) under the Kindred Biosciences, Inc. 2018 Equity Incentive Plan (the “2018 Plan”) and the Kindred Biosciences, Inc. 2014 Employee Stock Purchase Plan (the “2014 Plan”) as a result of the anti-dilution adjustment provisions of the 2018 Plan and the 2014 Plan regarding stock splits, stock dividends and similar transactions.

(2) Represents shares of Common Stock reserved for future issuance upon the exercise of outstanding stock options under the 2018 Plan.

Estimated pursuant to Rule 457(h) under the Securities Act solely for the purpose of calculating the registration (3) fee. The proposed maximum offering price per share and the proposed maximum aggregate offering price were calculated using the weighted-average option exercise price for such shares.

(4) Represents shares of Common Stock reserved for future issuance under the 2018 Plan and with respect to which the offering price is not currently known.

The proposed maximum offering price per share and maximum aggregate offering price were estimated, solely for (5) purposes of calculating the amount of the registration fee, in accordance with Rule 457(c) and Rule 457(h) under the Securities Act based upon a price of \$12.75, which is the average of the high and low prices of the Common Stock as reported on The Nasdaq Capital Market on July 19, 2018.

Represents shares of Common Stock reserved for future issuance under the 2014 Plan and with respect to which the offering price is not currently known. The 300,000 shares of Common Stock for the 2014 Plan registered (6) pursuant to this Registration Statement are in addition to the 200,000 shares of Common Stock for the 2014 Plan that the Registrant registered pursuant to a Registration Statement on Form S-8 (File No. 333-200687) that the Registrant filed with the Securities and Exchange Commission (the "Commission") on December 2, 2014.

Each share of the Registrant's Common Stock issued under this Registration Statement prior to the termination of a Rights Agreement dated as of May 19, 2017, as it may be amended from time to time (the "Rights Agreement"), between the Registrant and the rights agent named therein, includes a Series A preferred stock purchase right. Each (7) right initially entitles the holder (other than an "acquiring person" defined in the Rights Agreement) to purchase preferred stock from the Registrant upon the occurrence of an event specified in the Rights Agreement. Until the occurrence of such event, the rights are not exercisable and will trade with the Registrant's Common Stock.

Therefore, the rights do not carry a separate purchase price or necessitate an additional registration fee.

Any statement so modified or superseded will not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

TroyGould PC, Los Angeles, California, has issued an opinion about the validity of the shares of Common Stock offered by this Registration Statement. As of July 1, 2018, certain attorneys who are employed by TroyGould PC beneficially owned, in the aggregate, less than one percent of the outstanding shares of the Registrant’s Common Stock.

Item 6. Indemnification of Directors and Officers.

Section 102(b)(7) of the Delaware General Corporation Law allows a corporation to provide in its certificate of incorporation that a director of the corporation will not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except where the director breached the duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase in violation of Delaware corporate law or obtained an improper personal benefit. The Registrant’s amended and restated certificate of incorporation provides for this limitation of liability. Section 145 of the Delaware General Corporation Law provides, among other things, that a Delaware corporation may indemnify any person who was, is or is threatened to be made, party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee or agent of such corporation or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation’s best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was unlawful. A Delaware corporation may indemnify any persons who were or are a party to any threatened, pending or completed action or suit by or in the right of the corporation by reason of the fact that such person is or was a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys’ fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit, provided such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation’s best interests and provided further that no indemnification is permitted without judicial approval if the

officer, director, employee or agent is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him or her against the expenses (including attorneys' fees) which such officer or director has actually and reasonably incurred.

The Registrant's amended and restated bylaws provide for indemnification of the Registrant's officers and directors to the fullest extent permitted by the Delaware General Corporation Law.

The Registrant has entered into indemnification agreements with its officers and directors in which the Registrant has agreed to indemnify its officers and directors against certain expenses, judgments, fines, settlements and other amounts that are incurred by them in connection with the defense or settlement of certain proceedings. In addition, the Registrant maintains insurance policies on behalf of its officers and directors that insure them against liability incurred in such capacities or arising out of such status.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

A list of the exhibits that are filed with, or incorporated by reference into, this Registration Statement is set forth on the Exhibit Index and is incorporated by reference into this Item 8.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the

Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
