Item 1.01 Entry into a Material Definitive Agreement

As previously reported, effective October 28, 2015, First Foundation Inc. (the “Company”) consummated a reincorporation from the state of California to the state of Delaware (the “Reincorporation”). As a result of that Reincorporation, the Company is no longer governed by the California corporate law and is, instead, governed by Delaware corporate law.

In connection with the Reincorporation, and as permitted by the Delaware corporate law and as provided for by the Company’s Bylaws, effective October 30, 2015, the Company entered into indemnification agreements with its directors and executive officers. Those indemnification agreements require the Company, among other things, (i) to indemnify its directors and officers against certain liabilities that may arise by reason of their status or service as directors or officers (other than liabilities arising from actions not taken in good faith or in a manner the indemnitee believed to be opposed to the best interests of the Company), (ii) to advance the expenses such directors or executive officers may incur as a result of or in connection with the defense of any proceeding brought against them as to which they could be indemnified, subject to an undertaking by the indemnified party to repay such advances if it is ultimately determined that he or she is not entitled to indemnification, and (iii) to obtain officers’ & directors’ liability insurance if available on reasonable terms. The foregoing summary of the terms of the indemnification agreements is qualified in its entirety by reference to the form of Indemnification Agreement attached as Exhibit 10.99 to this Current Report on Form 8-K.
