Cautionary Statement Regarding Forward-Looking Information

This Current Report on Form 8-K contains certain statements that constitute “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended (the “Securities Act”), and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and are covered by the safe harbor provisions of the United States Private Securities Litigation Reform Act of 1995. Words such as “anticipate,” “believes,” “budget,” “continue,” “could,” “estimate,” “expect,” “forecast,” “intend,” “may,” “plan,” “potential,” “predicts,” “project,” “should,” “will,” and “would” expressions are intended to identify such forward-looking statements. Forward-looking statements in this Form 8-K may include, without limitation, statements regarding projected growth, future revenue, benefits of entering into the investment agreements, anticipated improvements in earnings and other financial performance measures, future expectations concerning available cash and cash equivalents, assumptions underlying or relating to any of the foregoing, and other matters. Forward-looking statements involve known and unknown risks, uncertainties and other important factors that may cause actual results, performance or achievements to differ materially from results expressed in or implied by this Form 8-K. Any expectations based on these forward-looking statements are subject to risks and uncertainties and other important factors, including those discussed in SANUWAVE Health, Inc.’s Annual Report on Form 10-K filed with the Securities and Exchange Commission, including the section titled “Risk Factors” therein, and all other filings made by the Company under the Exchange Act. You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the filing date of this Form 8-K. All forward-looking statements are qualified in their entirety by this cautionary statement. We assume no obligation to update the forward-looking statements, or to update the reasons why actual results could differ from those projected in the forward-looking statements.
