First Quarter 2004 Earnings Release Date Set

ADA, OK, April 2, 2004 - Pre-Paid Legal Services, Inc. (NYSE: PPD) announced 2004 first quarter membership production and recruiting results and has scheduled its first quarter 2004 earnings release to be issued after the close of trading on the New York Stock Exchange on Monday, April 26, 2004. The Company noted that monthly total new membership sales increased throughout the quarter.

Note - reflects 2,748 transfers from "add-on" status to "stand-alone" status during the quarter	

Identity Theft plans sold in conjunction with new legal plan memberships or "added-on" to existing legal plan memberships sell for \$9.95 per month and are not counted as "new" memberships but do increase the average premium of the Company's membership base, while "stand alone" Identity Theft plans are not attached to a legal plan membership and sell for \$12.95 per month.

Effective January 1, 2004, and continuing throughout the quarter, the Company, in order to provide additional tools and enhance the classroom training to the new sales associate, increased the cost to become a Fast Start sales associate to \$249 from \$99 which was in effect for December 2003 and \$149 which was in effect for October and November 2003. The cost to become a Fast Start associate during the entire previous year's comparable quarter was \$149. Despite the higher Fast Start fee, which caused a significant decline in the number of new sales associates recruited, the number of new legal memberships sold actually increased sequentially. The Company attributes this to a combination of a solid core base of active associates and more productive newly recruited sales associates.

The Company purchased 375,500 shares of its common stock during the 2004 first quarter for \$9.2 million, or an average price of \$24.49 and is currently working with its lenders for additional financing or modifications to existing loan covenants pertaining to restrictions on the amount of treasury stock that may be purchased. The Company expects to announce additional treasury stock purchase ability in the near future.
