Richmond, VA 23219

Gentlemen:

This Agreement is entered into by and between Dominion Technical Solutions, Inc. ("DTS"), a Virginia corporation and Dominion Equipment, III, Inc., a Delaware corporation ("Dominion Equipment"), not in its individual capacity but as Construction Agent for Amanda Funding Limited Partnership ("Amanda Funding"). Dominion Equipment has requested that DTS provide certain services which may from time to time be required in connection with the pre-operational and construction phase of the Fairless Energy Facility located in the Commonwealth of Pennsylvania (the "Project"). DTS has agreed to provide such services to Dominion Equipment, upon the terms and conditions hereinafter provided.

Accordingly, in consideration of the mutual promises herein contained, DTS and Dominion Equipment agree as follows:

1. Upon oral or written request by Dominion Equipment, DTS will provide such engineering, consulting, planning, design, inspection, procurement, telecommunications and related services for the Project as are deemed necessary or desirable. In so doing, DTS may arrange for and provide the services of its own qualified personnel, or it may, after consultation with Dominion Equipment, arrange for and provide the services of such qualified, non-employee personnel as DTS, in its own opinion, deems necessary or appropriate.
2. All services rendered under and in accordance with this Agreement shall be provided at cost; provided, however, that DTS shall not incur costs in excess of \$750,000.00 without the prior written approval of Dominion Equipment.

The cost of rendering such services shall include: (1) a portion of the salaries and wages of employees of DTS determined according to the time devoted by such employees to the performance of services hereunder for Dominion Equipment; (2) the costs of such employees' benefits, payroll taxes and compensated absences attributable to salaries and wages directly billed, as determined in accordance with DTS policies and procedures in place from time to time, (3) all other out-of-pocket operating costs, including expenses for transportation, tolls and other expenses incurred by DTS or its employees in connection with the performance of services under this Agreement, (4) the actual costs of materials and supplies furnished by DTS in connection with the performance of services under this Agreement, (5) the cost of any services provided by non-employees engaged by DTS in connection with the performance of services hereunder for Dominion Equipment; and (6) administrative and general costs attributable to services performed under this Agreement (including reasonable amounts for general office maintenance and depreciation, amortization, return and related taxes on DTS's general plant investment), determined in accordance with DTS's policies and procedures.

3. DTS shall render monthly statements to Dominion Equipment for services supplied or to be supplied in the manner set forth above. Such statements shall include the costs of all services supplied hereunder during the preceding month and may include estimated amounts attributable to services which DTS anticipates it will supply during the next succeeding calendar month. All statements so rendered will be due and payable thirty (30) days after receipt thereof.
4. This Agreement shall become effective as of August 1, 2002 and shall continue in force and effect until terminated by either party upon thirty (30) days' written notice of termination; provided, however, that this Agreement shall be subject to termination or modification at any time to the extent that its performance may conflict with the provisions of the Public Utility Holding Company Act of 1935, as amended, or any rule, regulation or order of the Securities and Exchange Commission adopted or promulgated prior or subsequent to the making of this Agreement; and provided, further, that this Agreement shall be subject to the approval of any state or federal regulatory body or agency, the approval of which is, by the laws of said state or of the United States, a legal prerequisite to the execution, acceptance or performance of this Agreement.
5. Either party may without the prior written consent of the other party, without relieving itself of its obligations under this Agreement, assign any of its rights hereunder to a person with which it is affiliated. In addition, upon written notice to DTS but without DTS's prior consent, Dominion Equipment and/or Amanda Funding may assign this letter agreement to the lenders providing financing for the Project or the administrative agent acting for such lenders; provided, however, that such assignment shall not release Dominion Equipment or Amanda Funding of any of its obligations under this Agreement. Except as provided in this Section 5, no assignment of this Agreement or any of the rights or obligations hereunder shall be made unless there first shall have been obtained the consent thereto in writing of the other party, which shall not be unreasonably withheld or delayed.
