Item 1.01. Entry into a Material Definitive Agreement.

On December 23, 2014, HealthSouth Corporation (the "Company") entered into an additional tranche term loan amendment (the "Amendment") to its existing third amended and restated credit agreement, dated August 10, 2012, as supplemented or otherwise modified from time to time (the "Credit Agreement"), among the Company, Barclays Bank PLC, as administrative agent and collateral agent (the "Agent"), Citigroup Global Markets Inc., as syndication agent, Bank of America, N.A. ("BofA"), Goldman Sachs Lending Partners LLC, and Morgan Stanley Senior Funding, Inc., as co-documentation agents, and various other lenders from time to time. The lenders entering into the Amendment pursuant to the accordion feature in the Credit Agreement were the Agent, Citibank, N.A., BofA, Goldman Sachs Bank USA, J.P. Morgan Bank, N.A., Morgan Stanley Bank, N.A., SunTrust Bank, Wells Fargo Bank, National Association, Royal Bank of Canada, Regions Bank, IBERIABANK, and Cadence Bank, NA.

The Amendment established a new \$300 million tranche of term loan facility with substantially the same terms as its existing \$150 million term loan facility. The Company expects to draw the entire amount of this term loan capacity on or before December 31, 2014 to fund the cash purchase price in the acquisition of EHHI Holdings, Inc.

Both term loan tranches mature September 20, 2019 and are subject to the same applicable interest rate schedule as amounts drawn under the revolving credit facility, which rate is currently LIBOR plus 1.75 percent. Amounts drawn under the term loan facility shall be payable in equal consecutive quarterly installments, commencing on March 31, 2015, of 1.25% of the aggregate principal amount of the term loan outstanding as of March 31, 2015. The Company shall have the right at any time and from time to time to prepay, in whole or in part, any borrowing under either term loan facility. The Company has agreed to use the net proceeds from future capital markets debt issuances to repay up to \$250 million in borrowings under the new term loan facility. As a result of the creation of this new tranche of term loan facility, there is currently no capacity for additional borrowing under the accordion feature in the Credit Agreement.

All other material terms of the Credit Agreement remain the same and are described in more detail in the Current Reports on Form 8-K and 8-K/A previously filed on November 1, 2010, November 23, 2010, May 11, 2011, August 13, 2012, June 11, 2013, and September 24, 2014.

The Company's obligations under the Credit Agreement are secured by the current and future personal property of the Company and its subsidiary guarantors. The Company's obligations are guaranteed by the subsidiary guarantors pursuant to the amended and restated collateral and guarantee agreement (the "Collateral and Guarantee Agreement"), dated as of October 26, 2010, among the Agent, the Company, and its subsidiaries identified therein that was previously filed as Exhibit 10.3 to the Current Report on Form 8-K/A on November 23, 2010.

The descriptions of the provisions of the Amendment, the Credit Agreement, and the Collateral and Guarantee Agreement are summary in nature and are qualified in their entirety by reference to the full and complete terms of the definitive agreements. The Amendment is attached hereto as Exhibit 10.1 and is incorporated by reference herein. Some of the lenders under the Credit Agreement and certain of their affiliates have engaged and in the future may engage in investment banking transactions, including securities offerings, and in general financing and commercial banking transactions with, and the provision of services to, us and our affiliates in the ordinary course of business and otherwise for which they have received, and will in the future receive, customary fees.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The disclosure required by this item is included in Item 1.01 of this Current Report on Form 8-K and is incorporated herein by reference.

Forward-Looking Statements

The information contained in this Current Report on Form 8-K and Exhibit 99.1 attached hereto includes certain estimates, projections, and other forward-looking information that reflect the Company's current views with respect to future events, such as the effects of the IMPACT Act on the Company. These estimates, projections, and other forward-looking information are based on assumptions the Company believes, as of the date hereof, are reasonable and involve a number of risks and uncertainties. Actual events or results may differ materially from those anticipated in these forward-looking statements as a result of a variety of factors. While it is impossible to identify all such factors, factors which could cause actual events or results to differ materially from those estimated by the Company

include, but are not limited to, any adverse outcome of various lawsuits, claims, and legal or regulatory proceedings involving the Company, including its pending DOJ and HHS-
