A Notice of Joint Annual Meetings of Shareholders and a proxy card accompany this Joint Proxy Statement. The Board of Trustees of the Funds has determined that the use of this Joint Proxy Statement is in the best interests of each Fund and its shareholders in light of the same matter (proposal 1) being considered and voted on by shareholders.

Proxy solicitations will be made, beginning on or about March 15, 2007, primarily by mail, but such solicitations may also be made by telephone or personal interviews conducted by (i) officers of each Fund; (ii) The Altman Group, a proxy solicitor that will provide proxy solicitation services in connection with proposal 2; (iii) First Trust Advisors L.P. ("First Trust Advisors" or the "Adviser"), the investment adviser of the Funds; (iv) PFPC Inc. ("PFPC"), the administrator, accounting agent and transfer agent of the Funds and a subsidiary of The PNC Financial Services Group Inc.; or (v) any affiliates of those entities.

The Funds' most recent annual and semi-annual reports are available upon request, without charge, by writing to the Adviser at 1001 Warrenville Road, Suite 300, Lisle, Illinois 60532 or by calling (800) 988-5891. This Joint Proxy Statement and the enclosed proxy card will first be mailed to shareholders on or about March 15, 2007.

-1-

The costs incurred in connection with the preparation of this Joint Proxy Statement and its enclosures, other than the preparation of proposal 2, will be paid by the Funds. The Funds will also reimburse brokerage firms and others for their expenses in forwarding solicitation material to the beneficial owners of Fund shares. The costs associated with the preparation of proposal 2 and of the proxy solicitation activities with respect to proposal 2 are expected to be approximately \$16,000 for First Trust Strategic High Income Fund and \$20,000 for First Trust Strategic High Income Fund II and will be paid by First Trust Advisors, the investment adviser of the First Trust Strategic High Income Fund and the First Trust Strategic High Income Fund II (the "Strategic Funds").

If the enclosed proxy card is properly executed and returned in time to be voted at the Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. If no instructions are marked on the enclosed proxy card, shares represented thereby will be voted in the discretion of the persons named on the proxy card. Accordingly, unless instructions to the contrary are marked thereon, a proxy will be voted FOR the election of the nominees as Trustees, FOR the approval of the change in the industry concentration policy for the Strategic Funds and FOR or AGAINST any other matters as deemed appropriate. Any shareholder who has given a proxy has the right to revoke it at any time prior to its exercise either by attending the Meeting and voting his or her shares in person, or by submitting a letter of revocation or a later-dated proxy to the Fund at the above address prior to the

date of the Meeting. Shareholders who intend to attend the Meeting will need to show valid identification and proof of share ownership to be admitted to the Meeting.

The following table indicates which shareholders are solicited with respect to each proposal:

Under the By-Laws of each Fund, a quorum is constituted by the presence in person or by proxy of the holders of thirty-three and one-third percent (33-1/3%) of the voting power of the outstanding class of shares entitled to vote on a matter. For the purposes of establishing whether a quorum is present, all shares present and entitled to vote, including abstentions and broker non-votes (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter), shall be counted. Any meeting of shareholders may be postponed prior to the meeting with notice to the shareholders entitled to vote at that meeting. Any meeting of shareholders may, by action of the chairman of the meeting, be adjourned without further notice with respect to one or more matters to be considered at such meeting to a designated time and place, whether or not a quorum is present with respect to such matter. In addition, upon motion of the chairman of the meeting, the question of adjournment may be submitted to a vote of the shareholders, and in that case, any adjournment with respect to one or more matters must be approved by the vote of holders of a majority of the shares present and entitled to vote with respect to the matter or matters adjourned, and without further notice. Unless a proxy is otherwise limited in this regard, any shares present and entitled to vote at a meeting that are represented by broker non-votes, may, at the discretion of the proxies named therein, be voted in favor of such an adjournment or adjournments.

For each Fund, the affirmative vote of a plurality of the shares present and entitled to vote at the Meeting will be required to elect the Trustees of that Fund. For the Strategic Funds, the vote of a majority of the outstanding voting securities of each Fund will be required for the approval of the change in the industry concentration policy. The "vote of a majority of the outstanding voting securities" is defined in the Investment Company Act of 1940, as amended (the "1940 Act"), as the vote of the lesser of (i) 67% or more of the shares of the Fund present at the Meeting if the holders of more than 50% of such

Edgar Filing: MACQUARIE/FIRST TRUST GLOBAL INFRASTR/UTIL DIV & INC FUND - Form DEF 14A

outstanding shares are present in person or represented by proxy; or (ii) more than 50% of such outstanding shares of the Fund.

For purposes of determining the approval of the proposal to elect nominees for each Fund, abstentions and broker non-votes will have no effect. For purposes of determining the approval of the change in industry concentration policy for the Strategic Funds, abstentions and broker non-votes will have the effect of a vote against the proposal.

The close of business on February 12, 2007 has been fixed as the record date (the "Record Date") for the determination of shareholders entitled to notice of and to vote at the Meetings and any adjournments or postponements thereof.

Except for First Trust Tax-Advantaged Preferred Income Fund, each Fund has one class of shares of beneficial interest, par value \$0.01 per share, known as common shares ("Common Shares"). PROPOSAL 1: ELECTION OF TRUSTEES

Proposal 1 relates to the election of Trustees of each Fund. Management proposes the election of five Trustees: James A. Bowen, Richard E. Erickson, Thomas R. Kadlec, Robert F. Keith and Niel B. Nielson. Each Trustee has indicated his willingness to continue to serve if elected. If elected, each nominee will hold office for the term specified below or until his successor is elected and qualified, or until he resigns, retires or is otherwise removed. Each nominee's term is in accordance with the structure of the staggered Board of each Fund, pursuant to an amendment to the Funds' By-Laws, which was approved by the Board of each Fund on December 10, 2006. As a result of the amendment to the Funds' By-Laws, three classes of Trustees were established: Class I Trustees serve for a term of one year, Class II Trustees serve for a term of two years and Class III Trustees serve for a term of three years. As a result of the establishment by each Fund of a staggered Board, a change in the majority of a Fund's Board of Trustees may be delayed, which may limit the ability of certain entities or persons to acquire control of such Fund.

Each of the nominees was elected to each Fund's Board by the Fund's initial shareholder on the Fund's respective organizational date, except for Trustee Keith, who was appointed to the Board of the Energy Income and Growth Fund, First Trust/Fiduciary Asset Management Covered Call Fund, First Trust/FIDAC Mortgage Income Fund, First Trust/Aberdeen Global Opportunity Income Fund, First Trust Strategic High Income Fund, First Trust Strategic High Income Fund II and First Trust Tax-Advantaged Preferred Income Fund on June 12, 2006 by the Trustees. In addition, each of the nominees, except for Trustee Keith, was elected to the Board of the Energy Income and Growth Fund, First Trust/Fiduciary Asset Management Covered Call Fund, First Trust/FIDAC Mortgage Income Fund, First Trust/Aberdeen Global Opportunity Income Fund and First Trust Strategic High Income Fund to serve a one-year term by the Shareholders at the last Joint Annual Meetings of Shareholders of these Funds held on April 17, 2006. For the Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund, each of the nominees was elected to this Fund's Board to serve a one-year term by the Shareholders at its last Annual Meeting of Shareholders held on September 11, 2006. The fiscal year end for the Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund has been changed from May 31 to November 30. This is the first Annual Meeting of Shareholders for First Trust/Aberdeen Emerging Opportunity Fund, First Trust Strategic High Income Fund II and First Trust Tax-Advantaged Preferred Income Fund.

- a. For Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund, Energy Income and Growth Fund, First Trust/Fiduciary Asset Management Covered Call Fund, First Trust/Aberdeen Global Opportunity Income Fund, First Trust/FIDAC Mortgage Income Fund, First Trust Strategic High Income Fund, First Trust Strategic High Income Fund II and First Trust/Aberdeen Emerging Opportunity Fund: Five (5) Trustees are to be elected by holders of Common Shares of each Fund, voting as a single class. Trustee Keith is a nominee for election as a Class I Trustee by all Shareholders of each Fund for a one-year term; Trustees Erickson and Kadlec are nominees for election as Class II Trustees by all Shareholders of each Fund for a two-year term; and Trustees Bowen and Nielson are nominees for election as Class III Trustees by all Shareholders of each Fund for a three-year term.

-6-

- b. For First Trust Tax-Advantaged Preferred Income Fund:
- i. Three (3) Trustees are to be elected by holders of Common and Preferred Shares of the Fund, voting together as a single class. Trustee Erickson is a nominee for election as a Class II Trustee by holders of Common and Preferred Shares of the Fund for a two-year term; Trustees Bowen and Nielson are nominees for election as Class III Trustees by holders of Common and Preferred Shares of the Fund for a three-year term; and
  - ii. Two (2) Trustees are to be elected by holders of Preferred Shares of the Fund, voting as a single class. Trustee Keith is a nominee for election as a Class I Trustee by holders of Preferred Shares of the Fund for a one-year term; and Trustee Kadlec is a nominee for election as a Class II Trustee by holders of Preferred Shares of the Fund for a two-year term.

Required Vote: The Trustees, including those who are not "interested persons" of the Funds ("Independent Trustees") as that term is defined in the 1940 Act, shall be elected by the affirmative vote of the holders of a plurality of the Shares of each Fund cast in person or by proxy and entitled to vote thereon, provided a quorum is present. Abstentions and broker "non-votes" will have no effect on the approval of the proposal. Proxies cannot be voted for a greater number of persons than the number of nominees named.

Unless you give contrary instructions on the enclosed proxy card, your Shares will be voted FOR the election of the nominees listed if your proxy card has been properly executed and timely received by the Fund. If any of the nominees should withdraw or otherwise become unavailable for election, your Shares will be voted FOR such other nominee or nominees as management may recommend.

The Board of Trustees Unanimously Recommends that Shareholders Vote FOR Proposal 1.

PROPOSAL 2: APPROVAL OF CHANGE IN INDUSTRY CONCENTRATION POLICY

FIRST TRUST STRATEGIC HIGH INCOME FUND  
FIRST TRUST STRATEGIC HIGH INCOME FUND II

Certain investment restrictions of the First Trust Strategic High Income Fund and the First Trust Strategic High Income Fund II (the "Strategic Funds") are matters of fundamental policy and may not be changed with respect to a Fund without the approval of that Fund's shareholders. Under the 1940 Act, all funds are required to have a fundamental policy about the concentration of their investments in a particular industry or group of industries. While the 1940 Act does not define "concentration in an industry," the staff of the Securities and Exchange Commission has taken the position that investment of 25% or more of a fund's total assets in one or more issuers conducting their principal activities in the same industry or group of industries constitutes concentration.

The following chart contains the Strategic Funds' current fundamental investment restriction with respect to industry concentration and its proposed replacement.

Current Fundamental  
Investment Restriction

---

The Fund may not purchase any security if, as a result of the purchase, 25% or more of the Fund's total assets (taken at current value) would be invested in the securities of borrowers and other issuers having their principal business activities in the same industry; provided, that this limitation shall not apply with respect to obligations issued or guaranteed by the U.S. government or by its agencies or instrumentalities.

Proposed Fundamental  
Investment Restriction

---

Under normal market conditions, the Fund will invest at least 25% of its total assets in residential mortgage-backed securities. The Fund may not purchase any security if, as a result of the purchase, 25% or more of the Fund's total assets (taken at current value) would be invested in the securities of borrowers and other issuers having their principal business activities in the same industry; provided, that this limitation shall not apply with respect to residential mortgage-backed securities or obligations issued or guaranteed by the U.S. government or by its agencies or instrumentalities.

At a meeting of the Board of Trustees of the Strategic Funds held on January 17, 2007, the Adviser and Valhalla Capital Partners, LLC ("Valhalla"), the sub-adviser to the Strategic Funds, recommended to the Board of Trustees that residential mortgage-backed securities be excluded from the 25% limitation with respect to industry concentration. According to Valhalla, residential mortgage-backed securities have historically offered very compelling risk/reward characteristics within the structured finance area. Valhalla believes that removing the limitation on residential mortgage-backed securities will bring the Strategic Funds in line with the original intent of their investment strategy. At the same meeting, the Board of Trustees of the Strategic Funds, including a majority of the Board members who are not "interested persons" of the Strategic Funds, First Trust Advisors or Valhalla ("Independent Trustees"), unanimously determined that the changes in the industry concentration policies were in the best interests of the Strategic Funds and approved such changes, subject to approval by shareholders. The 1940 Act requires that such changes be approved by the Strategic Funds' shareholders in order for them to become effective. If approved by shareholders, the changes to each Fund's concentration policies are

-8-

expected to become effective shortly after such approval. In the event shareholders do not approve such changes, the Board will take such action as it deems to be in the best interests of the Strategic Funds.

Description of Residential Mortgage-Backed Securities. Residential mortgage-backed securities represent direct or indirect participations in, or are secured by and payable from, pools of assets which include all types of residential mortgage products. The types of obligations underlying residential mortgage-backed securities ("Residential Mortgage Obligations") may generally include residential mortgage loans secured by liens on single-family residential properties and residential mortgage loans secured by liens on multifamily residential properties.

Residential mortgage-backed securities generally represent direct or indirect participations in, or are secured by and payable from, Residential Mortgage Obligations. They include single- and multi-class pass-through securities and collateralized mortgage obligations. They may be issued by various entities including savings associations, mortgage bankers, commercial banks, investment bankers and special purpose entities.

Currently, First Trust Strategic High Income Fund and First Trust

Strategic High Income Fund II may invest up to 80% and 100%, respectively, of each Fund's managed assets in non-investment grade securities that are rated below "Baa3" by Moody's Investors Service, Inc., below "BBB-" by Standard & Poor's, or comparably rated by another nationally recognized statistical rating organization or, if unrated, determined by Valhalla to be of comparable credit quality.

Risks. Each Strategic Fund's total assets will be concentrated in residential mortgage-backed securities. A fund concentrated in a single industry is likely to present more risks than a fund that is broadly diversified over several industries. Mortgage-backed securities may have less potential for capital appreciation than comparable fixed income securities, due to the likelihood of increased prepayments of mortgages as interest rates decline. If a Strategic Fund buys mortgage-backed securities at a premium, mortgage foreclosures and prepayments of principal by mortgagors (which usually may be made at any time without penalty) may result in some loss of the Strategic Fund's principal investment to the extent of the premium paid. Alternatively, in a rising interest rate environment, the value of mortgage-backed securities may be adversely affected when payments on underlying mortgages do not occur as anticipated, resulting in the extension of the security's effective maturity and the related increase in interest rate sensitivity of a longer-term instrument. The value of mortgage-backed securities may also change due to shifts in the market's perception of issuers and regulatory or tax changes adversely affecting the markets as a whole. In addition, mortgage-backed securities are subject to the credit risk associated with the performance of the underlying mortgage properties. In certain instances, third-party guarantees or other forms of credit support can reduce the credit risk.

Below-investment grade debt instruments are commonly referred to as "high yield" or "junk" bonds, are considered speculative with respect to the issuer's capacity to pay interest and repay principal and are susceptible to default or decline in market value due to adverse economic and business developments. The market values for high yield securities tend to be very volatile, and these securities are less liquid than investment grade debt securities.

The Strategic Funds may also invest in mortgage-backed securities which are interest-only ("IO") securities and principal-only ("PO") securities. An IO security receives some or all of the interest portion of the underlying collateral and little or no principal. A reference principal value called a notional value is used to calculate the amount of interest due. IOs are sold at a deep discount to their notional principal amount. A PO security does not receive any interest, is priced at a deep discount to its redemption value and ultimately receives the redemption value. Generally speaking, when interest rates are falling and prepayment rates are increasing, the value of a PO security will rise and the value of an IO security will fall. Conversely, when interest rates are rising and prepayment rates are decreasing, generally the value of a PO security will fall and the value of an IO security will rise.

Further, listed below are some (but not all) of the additional risks that may be associated with Residential Mortgage Obligations and residential mortgage-backed securities:

- o Recent Developments in the Residential Mortgage Market. The United States residential mortgage market has recently encountered various difficulties and changed economic conditions. Delinquencies and losses with respect to residential mortgage loans generally have increased and

may continue to increase, particularly in the sub-prime sector. In addition, recently, residential property values in various states have declined or remained stable, after extended periods of appreciation. A continued decline or an extended flattening in those values may result in additional increases in delinquencies and losses on residential mortgage loans generally. Another factor that may have contributed to, and may in the future result in, higher delinquency rates is the increase in monthly payments on adjustable rate mortgage loans. Any increase in prevailing market interest rates may result in increased payments for borrowers who have adjustable rate mortgage loans.

- o Junior Liens. If a Residential Mortgage Obligation is secured by a junior lien it will be subordinate to the rights of the mortgagees or beneficiaries under the related senior mortgages or deeds of trust. Proceeds from any liquidation, insurance or condemnation proceedings will generally be available to satisfy the balance of a junior mortgage loan only to the extent that the claims of such senior mortgagees or beneficiaries have been satisfied in full, including any related foreclosure costs. In addition, a junior mortgagee generally may not foreclose on property securing a junior mortgage unless it forecloses subject to the senior mortgages or deeds of trust.
- o Prepayments. Depending on the length of a Residential Mortgage Obligation underlying a residential mortgage-backed security, unscheduled or early payments of principal and interest may shorten the securities' effective maturity and the prevailing interest rates may be higher or lower than the current yield of a Strategic Fund's portfolio at the time the Strategic Fund receives the payments for reinvestment.

Required Vote. The vote of a majority of the outstanding voting securities of each Strategic Fund will be required for the approval of the change in each Fund's concentration policy. The "vote of a majority of the outstanding voting securities" is defined in the 1940 Act as the vote of the lesser of (i) 67% or more of the shares of the Fund entitled to vote thereon present at the Meeting if the holders of more than 50% of such outstanding shares are present in person or represented by proxy; or (ii) more than 50% of such outstanding shares of the Fund.

-10-

For purposes of determining the approval of the change in concentration policy, abstentions and broker non-votes will have the effect of a vote against the proposal. The change in industry concentration policy will not be implemented unless the required vote is received.

The Board of Trustees of the First Trust Strategic High Income Fund and First Trust Strategic High Income Fund II Unanimously Recommends that Shareholders Vote FOR Proposal 2. If you need any assistance, or have any questions regarding Proposal 2 or how to vote your shares, call (800) 761-6707 weekdays from 9:00 a.m. to 10:00 p.m. Eastern Time.

ADDITIONAL INFORMATION

MANAGEMENT OF THE FUNDS

The management of each Fund, including general supervision of the duties performed for each Fund under the investment management agreement between each Fund and the Adviser, is the responsibility of the Board of Trustees. There are five Trustees of each Fund, one of whom is an "interested person" (as the term "interested person" is defined in the 1940 Act) and four of whom are Independent Trustees. During the past five years, no Independent Trustee has been a trustee, director or employee of, or consultant to, the Adviser, any sub-adviser described below under "INVESTMENT ADVISER, SUB-ADVISERS AND ADMINISTRATOR," or any of their affiliates. The Trustees of the Funds set broad policies for each Fund, choose each Fund's officers, and hire each Fund's investment adviser and sub-adviser. The officers of the Funds manage the day-to-day operations and are responsible to the Funds' Board of Trustees. The following is a list of Trustees and officers of the Funds and a statement of their present positions, principal occupations during the past five years, the number of portfolios each oversees, if applicable, and the other directorships the Trustees hold, if applicable.

(1) Mr. Bowen is deemed an "interested person" of the Funds due to his position as President of First Trust Advisors L.P., investment adviser of the Funds.

(2) Trustees have previously been elected by shareholders for a one-year term. On December 10, 2006, each Fund's Nominating and Governance Committee and Board approved the implementation of a staggered Board, which required certain amendments to each Fund's By-Laws. If proposal 1 is approved by shareholders, Robert F. Keith, as a Class I Trustee, would serve a one-year term for the Funds, Richard E. Erickson and Thomas R. Kadlec, as Class II Trustees, would each serve a two-year term for the Funds, and James A. Bowen and Niel B. Nielson, as Class III Trustees, would each serve a three-year term for the Funds. Officers of the Funds have an indefinite term.

(3) All Trustees and officers, except for Robert F. Keith, Daniel J. Lindquist, James M. Dykas, Kelley Christensen and Christopher Fallow, were elected in 2005 for First Trust/FIDAC Mortgage Income Fund and First Trust Strategic High Income Fund. All Trustees and officers, except for Robert F. Keith, Kelley Christensen and Christopher Fallow, were elected in 2006 for First Trust Strategic High Income Fund II, First Trust Tax-Advantaged Preferred Income Fund and First Trust/Aberdeen Emerging Opportunity Fund, and in 2004 for the other Funds. Robert F. Keith was appointed to each Fund's Board by the Trustees on June 12, 2006. Daniel J. Lindquist and James M. Dykas were elected Vice President and Assistant Treasurer, respectively, of all funds in the First Trust Fund Complex, including the Funds, on December 12, 2005. Kelley Christensen was elected Vice President of all funds in the First Trust Fund Complex, including the Funds, on December 10, 2006. Christopher Fallow was elected Assistant Vice President of the Funds on December 10, 2006.

In addition to the Funds, the First Trust Fund Complex includes: First Defined Portfolio Fund, LLC, an open-end management investment company with 12 portfolios advised by First Trust Advisors; First Trust Value Line(R) 100 Fund, First Trust/Four Corners Senior Floating Rate Income Fund and First Trust/Four Corners Senior Floating Rate Income Fund II, closed-end funds advised by First Trust Advisors; and First Trust Exchange-Traded Fund, an open-end investment company and an exchange-traded index fund with twelve operating portfolios advised by First Trust Advisors.

Messrs. Bowen, Erickson, Kadlec and Nielson are Trustees of First Defined Portfolio Fund, LLC; Messrs. Bowen, Erickson, Kadlec, Keith and Nielson are Trustees of First Trust Value Line(R) 100 Fund, First Trust/Four Corners Senior Floating Rate Income Fund, First Trust/Four Corners Senior Floating Rate Income Fund II and First Trust Exchange-Traded Fund. During the past five years, none of the Independent Trustees, or any of their immediate family members, has ever been a director, officer, general partner or employee of, or consultant to, First Trust Advisors, First Trust Portfolios L.P., any sub-adviser or any of

-14-

their affiliates. In addition, Mr. Bowen, chief executive officer of each Fund, and the other officers of the Funds, hold the same positions with First Defined Portfolio Fund, LLC, First Trust Value Line(R) 100 Fund, First Trust/Four Corners Senior Floating Rate Income Fund, First Trust/Four Corners Senior Floating Rate Income Fund II and First Trust Exchange-Traded Fund, as they hold with the Funds, except for Christopher Fallow, who is not an officer of First Defined Portfolio Fund, LLC, First Trust Exchange-Traded Fund, or First Trust Value Line(R) 100 Fund.

COMPENSATION

Effective January 1, 2007, the Trustees approved a revised compensation plan. Under the revised plan, each Trustee who is not an officer or employee of First Trust Advisors, any sub-adviser or any of their affiliates is paid an annual retainer of \$10,000 per investment company for the first 14 investment companies in the First Trust Fund Complex and an annual retainer of \$7,500 per investment company for each subsequent investment company added to the First Trust Fund Complex. The annual retainer is allocated equally among each of the investment companies. No additional meeting fees are paid in connection with board or committee meetings. Additionally, Mr. Kadlec is paid \$10,000 annually to serve as the Lead Trustee and Mr. Nielson is paid \$5,000 annually to serve as

-17-

Chairman of the Audit Committee, with such compensation paid by the funds in the First Trust Fund Complex and divided among those funds. Trustees are also reimbursed by the investment companies in the First Trust Fund Complex for travel and out-of-pocket expenses in connection with all meetings. The Trustees adopted the revised plan because the increase in the number of funds in the First Trust Fund Complex had the effect of rapidly increasing their compensation under the previous arrangements. Prior to January 1, 2007, each Fund paid each Trustee who is not an officer or employee of First Trust Advisors, any sub-adviser or any of their affiliates an annual retainer of \$10,000, which included compensation for all board and committee meetings. The Board of Trustees of First Trust/FIDAC Mortgage Income Fund held seven meetings, the Board of Trustees of First Trust Strategic High Income Fund held eight meetings, the Board of Trustees of First Trust Strategic High Income Fund II held seven meetings and the Board of Trustees of First Trust Tax-Advantaged Preferred Income Fund held five meetings during the fiscal year ended October 31, 2006. The Board of Trustees of Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund held eight meetings and the Board of Trustees of Energy Income and Growth Fund held seven meetings during the fiscal year ended November 30, 2006. The Board of Trustees of First Trust/Fiduciary Asset Management Covered Call Fund, First Trust/Aberdeen Global Opportunity Income Fund and First Trust/Aberdeen Emerging Opportunity Fund held eight meetings, eight meetings and five meetings, respectively, during the fiscal year ended December 31, 2006. Each of the Trustees attended all of the meetings of the Board of Trustees of the Funds. The aggregate fees and expenses paid to the Trustees by each Fund for their respective fiscal years (including reimbursement for travel and out-of-pocket expenses) amounted to the following:

First Trust Tax-Advantaged Preferred Income Fund (2)	\$10,041
First Trust/Aberdeen Emerging Opportunity Fund (2)	\$20,045

(1) As a result of the Fund's fiscal year end change from May 31 to November 30, the aggregate fees and expenses represent the six month period ended November

(2) Each Fund commenced operations during its respective fiscal year, and, as a result, aggregate fees and expenses paid to the Trustees, except for Robert F. Keith who became a Trustee on June 12, 2006, have been estimated to reflect a full fiscal year.

The following table sets forth certain information regarding the compensation of each Fund's Trustees for their respective fiscal years. The Funds have no retirement or pension plans.

#### COMMITTEES

##### AUDIT COMMITTEE

The Board of Trustees has an Audit Committee, which consists of Messrs. Erickson, Kadlec, Keith and Nielson, all of whom are "independent" as defined in the listing standards of the American Stock Exchange and the New York Stock Exchange. Mr. Kadlec and Mr. Keith serve as Audit Committee Financial Experts. The Audit Committee is responsible for overseeing each Fund's accounting and financial reporting process, the system of internal controls, audit process and evaluating and appointing the independent registered public accounting firm (subject also to Board approval). For the fiscal year ended October 31, 2006, the Audit Committee met five times for First Trust/FIDAC Mortgage Income Fund and First Trust Strategic High Income Fund, three times for First Trust Strategic High Income Fund II and two times for First Trust Tax-Advantaged Preferred Income Fund. For the fiscal year ended November 30, 2006, the Audit Committee met six times for Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund and Energy Income and Growth Fund. For the fiscal year ended December 31, 2006, the Audit Committee met seven times for First Trust/Fiduciary Asset Management Covered Call Fund and First Trust/Aberdeen Global Opportunity Income Fund and two times for First Trust/Aberdeen Emerging Opportunity Fund. Each of the Trustees attended all of the meetings of the Audit Committee of the Board of Trustees of each Fund, except for Trustee Keith, who was appointed to the Audit Committee on June 12, 2006 and thus attended only those meetings held on June 12, 2006 and thereafter.

In carrying out its responsibilities, the Audit Committee pre-approves all audit services for each Fund and permitted non-audit services (including the fees and terms thereof) to be performed for each Fund and the Adviser by Deloitte & Touche LLP ("Deloitte & Touche"), the Funds' independent registered

public accounting firm ("independent auditors"). The Chairman of the Audit Committee is authorized to give such pre-approvals on behalf of the Audit Committee for engagements of less than \$25,000. Any decisions by the Chairman to grant pre-approvals are reported to the full Audit Committee at the next regularly scheduled meeting.

AUDIT COMMITTEE REPORT

The role of the Audit Committee is to assist the Board of Trustees in its oversight of each Fund's accounting and financial reporting process. The Audit Committee operates pursuant to a charter (the "Charter") that was most recently reviewed and approved by the Board of Trustees on December 10, 2006, a copy of which is attached as Exhibit A hereto, and is available on each Fund's website located at <http://www.ftportfolios.com>. As set forth in the Charter, management of each Fund is responsible for maintaining appropriate systems for accounting and internal controls and the audit process. The Funds' independent auditors are responsible for planning and carrying out proper audits of the Funds' financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

In performing its oversight function, the Audit Committee reviewed and discussed with management and the independent auditors, Deloitte & Touche, the audited financial statements of the First Trust/FIDAC Mortgage Income Fund, the

-20-

First Trust Strategic High Income Fund, the First Trust Strategic High Income Fund II and the First Trust Tax-Advantaged Preferred Income Fund for the fiscal years ended October 31, 2006 at a meeting held on December 10, 2006; the Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund and the Energy Income and Growth Fund for the fiscal years ended November 30, 2006 at a meeting held on January 17, 2007; and First Trust/Fiduciary Asset Management Covered Call Fund, the First Trust/Aberdeen Global Opportunity Income Fund and the First Trust/Aberdeen Emerging Opportunity Fund for the fiscal years ended December 31, 2006 at a meeting held on February 21, 2007, and discussed the audit of such financial statements with the independent auditors and management.

In addition, the Audit Committee discussed with the independent auditors the accounting principles applied by each Fund and such other matters brought to the attention of the Audit Committee by the independent auditors required by Statement on Auditing Standards No. 61, Communications with Audit Committees, as currently modified or supplemented. The Audit Committee also received from the independent auditors the written disclosures and letter required by Independent Standards Board Standard No. 1, Independence Discussions with Audit Committees, delineating relationships between the independent auditors and each Fund and discussed the impact that any such relationships may have on the objectivity and independence of the independent auditors.

The members of each Fund's Audit Committee are not full-time employees of the Fund and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of each Fund's Audit Committee necessarily rely on the information provided to them by Fund management and the independent auditors. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audit of each Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the independent auditors are in fact "independent."

Based on its consideration of the Funds' audited financial statements and the discussions referred to above with Fund management and Deloitte & Touche, and subject to the limitations on the responsibilities and role of the Audit Committee as set forth in the Charter and discussed above, the Audit Committee recommended to the Board the inclusion of each Fund's audited financial statements for the years ended October 31, November 30, and December 31, 2006 in its Annual Report dated October 31, November 30, and December 31, 2006, respectively.

In reliance on Rule 32a-4 under the 1940 Act, each Fund is not seeking shareholder ratification of the selection of Deloitte & Touche as independent auditors.

Pursuant to its charter and its Audit and Non-Audit Services Pre-Approval Policy both amended as of December 10, 2006, the Audit Committee of each Fund is responsible for the pre-approval of all audit services and permitted non-audit services (including the fees and terms thereof) to be performed for each Fund by its independent auditors. The Chairman of the Audit Committee is authorized to give such pre-approvals on behalf of the Audit Committee up to \$25,000 and report any such pre-approval to the full Audit Committee.

The Audit Committee is also responsible for the pre-approval of the independent auditor's engagements for non-audit services with the Funds' Adviser (not including a sub-adviser whose role is primarily portfolio management and is sub-contracted or overseen by another investment adviser) and any entity controlling, controlled by or under common control with the Adviser that provides ongoing services to the Funds, if the engagement relates directly to the operations and financial reporting of the Funds, subject to the de minimis exceptions for non-audit services described in Rule 2-01 of Regulation S-X. If the independent auditor has provided non-audit services to the Funds' Adviser (other than any sub-adviser whose role is primarily portfolio management and is sub-contracted with or overseen by another investment adviser) and any entity controlling, controlled by or under common control with the Adviser that provides ongoing services to the Funds that were not pre-approved pursuant to its policies, the Audit Committee will consider whether the provision of such non-audit services is compatible with the auditor's independence.

None of the Audit Fees, Audit Related Fees, Tax Fees, and All Other Fees and Aggregate Non-Audit Fees for the Funds and the Adviser disclosed in the tables previously set forth that were required to be pre-approved by the Audit Committee pursuant to its pre-approval policies were pre-approved by the Audit Committee pursuant to the pre-approval exceptions included in Regulation S-X.

The Audit Committee of each Fund has determined that the provision of non-audit services that were rendered to the Funds' Adviser (not including any sub-adviser whose role is primarily portfolio management and is subcontracted with or overseen by another investment adviser), and any entity controlling, controlled by, or under common control with the Adviser that provides ongoing services to the Funds that were not pre-approved pursuant to paragraph (c) (7) (ii) of Rule 2-01 of Regulation S-X is compatible with maintaining the principal accountant's independence.

#### OTHER COMMITTEES

The Board of Trustees of the Funds has three other standing committees: the Executive Committee (and Dividend and Pricing Committee), the Nominating and Governance Committee and the Valuation Committee. The Executive Committee, which meets between Board meetings, is authorized to exercise all powers of and to act in the place of the Board of Trustees to the extent permitted by each Fund's Declaration of Trust and By-Laws. The members of the Executive Committee also serve as a special committee of the Board of Trustees known as the Dividend and Pricing Committee which is authorized to exercise all of the powers and authority of the Board in respect of the declaration and setting of dividends and the issuance and sale, through an underwritten public offering, of the Shares of each Fund and all other such matters relating to such financing, including determining the price at which such Shares are to be sold and approval of the final terms of the underwriting agreement, including approval of the members of the underwriting syndicate. Messrs. Bowen and Kadlec are members of the Executive Committee. The Executive Committee serving as the Dividend and Pricing Committee for First Trust/FIDAC Mortgage Income Fund, First Trust Strategic High Income Fund, First Trust Strategic High Income Fund II and First Trust Tax-Advantaged Preferred Income Fund met a total of eleven times, twelve times, seven times and two times, respectively, during the fiscal year ended October 31, 2006. The Executive Committee serving as the Dividend and Pricing Committee for Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund and Energy Income and Growth Fund met a total of six times and four times, respectively, during the fiscal year ended November 30, 2006. During the fiscal year ended December 31, 2006, the Executive Committee serving as the Dividend and Pricing Committee met a total of four times for First

Trust/Fiduciary Asset Management Covered Call Fund; thirteen times for First Trust/Aberdeen Global Opportunity Income Fund; and two times for First Trust Aberdeen Emerging Opportunity Fund. Each Fund's Executive Committee met to authorize the Funds' dividend declarations and to authorize the initial public offering of the applicable Funds.

Each Fund's Nominating and Governance Committee (the "Committee") is composed entirely of Independent Trustees who are also "independent directors" within the meaning of the listing standards of the American and New York Stock Exchanges. Messrs. Erickson, Kadlec, Keith and Nielson are members of the Committee. The purpose of the Committee is to oversee matters related to the nomination of trustees and, as necessary, the corporate governance of each Fund. The Committee is responsible for, among other things, seeking, identifying and nominating qualified candidates for election or appointment as trustees in the event of a vacancy, consistent with criteria approved by the Board, for the next annual meeting of shareholders; evaluating Board performance and processes; reviewing Board committee assignments; and, to the extent necessary or desirable, establishing corporate governance guidelines and procedures. The Committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Funds' website at [www.ftportfolios.com](http://www.ftportfolios.com). During the fiscal year ended October 31, 2006, the Committee for First Trust/FIDAC Mortgage Income Fund and First Trust Strategic High Income Fund each met six times; First Trust Strategic High Income Fund II met four times; and First Trust Tax-Advantaged Preferred Income Fund met two times. The Committee for Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund and Energy Income and Growth Fund each met a total of five times during the fiscal year ended November 30, 2006. During the fiscal year ended December 31, 2006, the Committee for First Trust/Fiduciary Asset Management Covered Call Fund and First Trust/Aberdeen Global Opportunity Income Fund each met a total of five times, and the Committee of First Trust/Aberdeen Emerging Opportunity Fund met a total of two times.

If there is no vacancy on the Board, the Board will not actively seek recommendations from other parties, including shareholders. When a vacancy on the Board occurs, the Committee may seek recommendations for candidates from those sources it deems appropriate in its discretion, including shareholders of the Funds. The Committee may retain a search firm to identify candidates.

Any proposal to elect any person nominated by shareholders for election as trustee may only be brought before an annual meeting of a Fund if timely written notice (the "Shareholder Notice") is provided to the Secretary of the Fund. In accordance with the advance notice provisions included in the Funds' By-Laws, unless a greater or lesser period is required under applicable law, to be timely, the Shareholder Notice must be delivered to or mailed and received at the Fund's address, 1001 Warrenville Road, Suite 300, Lisle, Illinois 60532, Attn: W. Scott Jardine, not later than the close of business on the forty-fifth (45th) day nor earlier than the close of business on the sixtieth (60th) day prior to the first anniversary date of the date of the release of the proxy statement for the preceding year's annual meeting of shareholders; provided, however, if and only if the annual meeting is not scheduled to be held within a period that commences thirty (30) days before the first anniversary date of the annual meeting for the preceding year and ends thirty (30) days after such anniversary date (an annual meeting date outside such period being referred to herein as an "Other Annual Meeting Date"), such Shareholder Notice must be given in the manner provided herein by the later of the close of business on (i) the date forty-five (45) days prior to such Other Annual Meeting Date or (ii) the tenth (10th) business day following the date such Other Annual Meeting Date is first publicly announced or disclosed.

-26-

Any shareholder submitting a nomination of any person or persons (as the case may be) for election as a trustee or trustees of a Fund shall deliver, as part of such Shareholder Notice: (i) a statement in writing setting forth: (A) the name, age, date of birth, business address, residence address and nationality of the person or persons to be nominated; (B) the class or series and number of all shares of the Fund owned of record or beneficially by each such person or persons, as reported to such shareholder by such nominee(s); (C) any other information regarding each such person required by paragraphs (a), (d), (e) and (f) of Item 401 of Regulation S-K or paragraph (b) of Item 22 of Rule 14a-101 (Schedule 14A) under the 1934 Act (or any successor provision thereto); (D) any other information regarding the person or persons to be nominated that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitation of proxies for election of trustees or directors pursuant to Section 14 of the 1934 Act and the rules and regulations promulgated thereunder; and (E) whether such shareholder believes any nominee is or will be an "interested person" of the Fund (as defined in the 1940 Act) and, if not an "interested person," information regarding each nominee that will be sufficient for the Fund to make such determination; and (ii) the written and signed consent of any person nominated to be named as a nominee and to serve as a trustee if elected. In addition, the Trustees may require any proposed nominee to furnish such other information as they may reasonably require or deem necessary to determine the eligibility of such proposed nominee to serve as a trustee.

Without limiting the foregoing, any shareholder who gives a Shareholder Notice of any matter proposed to be brought before a shareholder meeting (whether or not involving nominees for trustees) shall deliver, as part of such Shareholder Notice: (i) the description of and text of the proposal to be presented; (ii) a brief written statement of the reasons why such shareholder favors the proposal; (iii) such shareholder's name and address as they appear on the Fund's books; (iv) any other information relating to the shareholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with the solicitation of proxies with respect to the matter(s) proposed pursuant to Section 14 of the 1934 Act; (v) the class or series and number of all shares of the Fund owned beneficially and of record by such shareholder; (vi) any material interest of such shareholder in the matter proposed (other than as a shareholder); (vii) a representation that the shareholder intends to appear in person or by proxy at the shareholder meeting to act on the matter(s) proposed; (viii) if the proposal involves nominee(s) for trustees, a description of all arrangements or understandings between the shareholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by the shareholder; and (ix) in the case of a shareholder (a "Beneficial Owner") that holds shares entitled to vote at the meeting through a nominee or "street name" holder of record, evidence establishing such Beneficial Owner's indirect ownership of, and entitlement to vote, shares at the meeting of shareholders. Shares "beneficially owned" means all shares which such person is deemed to beneficially own pursuant to Rules 13d-3 and 13d-5 under the 1934 Act.

If a recommendation is received with satisfactorily completed information regarding a candidate during a time when a vacancy exists on the Board or during such other time as the Committee is accepting recommendations, the recommendation will be forwarded to the Chairman of the Committee and outside counsel to the Independent Trustees. Recommendations received at any other time will be kept on file until such time as the Committee is accepting recommendations at which point they may be considered for nomination.

-27-

In recruiting new trustees, the Committee seeks to recruit and retain qualified independent trustees of high integrity, whose skills and experience will enhance the Board's ability to effectively represent the interests of the Funds' shareholders and oversee the wide range of regulatory and business issues affecting the Funds. A candidate for trustee must meet certain basic requirements, including relevant skills and experience, time availability and if qualifying as a non-"interested person" candidate, independence from the Funds, investment adviser or other service providers. The qualifications of a particular candidate, however, may vary depending on the current composition of the Board and the mix of skills and backgrounds of the incumbent trustees since the Committee seeks to establish an effective Board with an appropriate range of skills and experience, in the aggregate. In addition to relevant skills and experience, all candidates must possess high standards of personal integrity that are assessed on the basis of personal interviews, recommendations, or direct knowledge by Committee members. The review process may include, without limitation, personal interviews, background checks, written submissions by the candidates and third party references. Under no circumstances shall the Committee evaluate persons recommended by a shareholder of the Funds on a basis substantially different than that used for other persons recommended for the same election or appointment of trustees. The Committee reserves the right to make the final selection regarding the nomination of any trustees.

The Valuation Committee is responsible for the oversight of valuation procedures of the Funds. Messrs. Erickson, Kadlec, Keith and Nielson are members of the Valuation Committee. The Valuation Committee for First Trust/FIDAC Mortgage Income Fund, First Trust Strategic High Income Fund, First Trust Strategic High Income Fund II and First Trust Tax-Advantaged Preferred Income Fund met a total of four times, four times, three times and two times, respectively, during the fiscal year ended October 31, 2006. The Valuation Committee for Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund and Energy Income and Growth Fund each met a total of four times during the fiscal year ended November 30, 2006. The Valuation Committee for First Trust/Fiduciary Asset Management Covered Call Fund, First Trust/Aberdeen Global Opportunity Income Fund and First Trust/Aberdeen Emerging Opportunity Fund met a total of four times, four times and two times, respectively, during the fiscal year ended December 31, 2006.

#### SECTION 30(h) AND SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 30(h) of the 1940 Act and Section 16(a) of the 1934 Act require the Funds' officers and Trustees, certain persons affiliated with First Trust Advisors and any sub-adviser and persons who beneficially own more than 10% of a Fund's Shares to file reports of ownership and changes of ownership with the SEC, the American Stock Exchange or the New York Stock Exchange, as applicable, and to furnish the Funds with copies of all Section 16(a) forms they file. AUDIT COMMITTEE CHARTER

I. PURPOSE.

The Audit Committee (the "Committee") is appointed by the Boards of Trustees (the "Boards") of investment companies (the "Funds") advised by First Trust Advisors L.P. ("Fund Management") for the following purposes:

A. to oversee the accounting and financial reporting processes of each Fund and its internal controls and, as the Audit Committee deems appropriate, to inquire into the internal controls of certain third-party service providers;

B. to oversee the quality and integrity of each Fund's financial statements and the independent audit thereof;

C. to oversee, or, as appropriate, assist Board oversight of, each Fund's compliance with legal and regulatory requirements that relate to the Fund's accounting and financial reporting, internal controls and independent audits; and

D. to approve, prior to the appointment, the engagement of each Fund's independent auditor and, in connection therewith, to review and evaluate the qualifications, independence and performance of the Fund's independent auditor.

II. COMMITTEE ORGANIZATION AND COMPOSITION.

A. Size and Membership Requirements

1. The Committee shall be composed of at least three members, all of whom shall be trustees of the Funds. Each member of the Committee, and a Committee chairperson, shall be appointed by the Board on the recommendation of the Nominating and Governance Committee.

2. Each member of the Committee shall be independent of the Fund and must be free of any relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment as a Committee member. With respect to the Funds which are closed-end funds or open-end exchange-traded funds ("ETFs"), each member must meet the independence and experience requirements of the New York Stock Exchange or the American Stock Exchange or the NASDAQ Stock Market (as applicable), and Section 10A of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and Rule 10A-3 thereunder, and other applicable rules and regulations of the Securities and Exchange Commission ("SEC"). Included in the foregoing is the requirement that no member of the Committee be an "interested person" of the Funds within the meaning of Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "1940 Act"), nor shall any Committee member accept, directly or indirectly,

any consulting, advisory or other compensatory fee from the Funds (except in the capacity as a Board or committee member).

3. At least one member of the Committee shall have been determined by the Board, exercising its business judgment, to qualify as an "audit committee financial expert" as defined by the SEC.

4. With respect to Funds that are closed-end funds whose shares are listed on the New York Stock Exchange, each member of the Committee shall have been determined by the Board, exercising its business judgment, to be "financially literate" as required by the New York Stock Exchange. In addition,

at least one member of the Committee shall have been determined by the Board, exercising its business judgment, to have "accounting or financial management expertise," as required by the New York Stock Exchange. Such member may, but need not be, the same person as the Funds' "audit committee financial expert." With respect to Funds that are closed-end funds or ETFs whose shares are listed on the American Stock Exchange or the NASDAQ Stock Market, each member of the Committee shall be able to read and understand fundamental financial statements, including a Fund's balance sheet, income statement and cash flow statement. In addition, at least one member of the Committee shall have been determined by the Board, exercising its business judgment, to be "financially sophisticated," as required by the American Stock Exchange and the NASDAQ Stock Market. A member whom the Board determines to be the Fund's "audit committee financial expert" shall be presumed to qualify as financially sophisticated.

5. With respect to Funds that are closed-end funds, Committee members shall not serve simultaneously on the audit committee of more than two public companies, in addition to their service on the Committee.

B. Frequency of Meetings.

The Committee will ordinarily meet once for every regular meeting of the Board. The Committee may meet more or less frequently as appropriate, but no less than twice per year.

C. Term of Office.

Committee members shall serve until they resign or are removed or replaced by the Board.

III. RESPONSIBILITIES.

A. With respect to Independent Auditors:

1. The Committee shall be responsible for the appointment or replacement (subject if applicable, to Board and/or shareholder ratification), compensation, retention and oversight of the work of any registered public accounting firm engaged (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Funds ("External Auditors"). The External Auditors shall report directly to the Committee.

2. The Committee shall meet with the External Auditors and Fund

Management to review the scope, fees, audit plans and staffing of the proposed audits for each fiscal year. At the conclusion of the audit, the Committee shall review such audit results, including the External Auditor's evaluation of the Fund's financial and internal controls, any comments or recommendations of the External Auditors, any audit problems or difficulties and Fund Management's response, including any restrictions on the scope of the External Auditor's activities or on access to requested information, any significant disagreements with Fund Management, any accounting adjustments noted or proposed by the auditor but not made by the Fund, any communications between the audit team and the audit firm's national office regarding auditing or accounting issues presented by the engagement, any significant changes required from the originally planned audit programs and any adjustments to the financial statements recommended by the External Auditors.

3. The Committee shall meet with the External Auditors in the absence of Fund Management, as necessary.

A-2

4. The Committee shall pre-approve all audit services and permitted non-audit services (including the fees and terms thereof) to be performed for the Fund by its External Auditors. The Chairman of the Committee is authorized to give such pre-approvals on behalf of the Committee, and shall report any such pre-approval to the full Committee.

5. The Committee shall pre-approve the External Auditor's engagements for non-audit services to Fund Management and any entity controlling, controlled by or under common control with Fund Management that provides ongoing services to the Fund, if the engagement relates directly to the operations and financial reporting of the Fund, subject to the de minimis exceptions for non-audit services described in Rule 2-01 of Regulation S-X. The Chairman of the Committee is authorized to give such pre-approvals on behalf of the Committee, and shall report any such pre-approval to the full Committee.

6. If the External Auditors have provided non-audit services to Fund Management and any entity controlling, controlled by or under common control with Fund Management that provides ongoing services to the Fund that were not pre-approved pursuant to the de minimis exception, the Committee shall consider whether the provision of such non-audit services is compatible with the External Auditor's independence.

7. The Committee shall obtain and review a report from the External Auditors at least annually (including a formal written statement delineating all relationships between the auditors and the Fund consistent with Independence Standards Board Standard No. 1 as may be amended, restated, modified or replaced) regarding (a) the External Auditor's internal quality-control procedures; (b) any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by an inquiry or investigation by governmental or professional authorities within the preceding five years, respecting one or more independent audits carried out by the firm; (c) any steps taken to deal with any such issues; and (d) the External Auditor's independence, including all relationships between the External Auditors and the Fund and its affiliates; and evaluating the qualifications, performance and independence of the External Auditors, including their membership in the SEC practice section of the AICPA and their compliance with all applicable requirements for independence and peer review, and a review and evaluation of the lead partner, taking into account the opinions of management and discussing such reports with the External Auditors. The Committee shall present its conclusions with respect to the External Auditors to the Board.

8. The Committee shall review reports and other information provided to it by the External Auditors regarding any illegal acts that the External

Auditors should discover (whether or not perceived to have a material effect on the Fund's financial statements), in accordance with and as required by Section 10A(b) of the Exchange Act.

9. The Committee shall ensure the rotation of the lead (or concurring) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law, and further considering the rotation of the independent auditor firm itself.

10. The Committee shall establish and recommend to the Board for ratification a policy of the Funds with respect to the hiring of employees or former employees of the External Auditors who participated in the audits of the Funds' financial statements.

11. The Committee shall take (and, where appropriate, recommend that the Board take) appropriate action to oversee the independence of the External Auditors.

A-3

12. The Committee shall report regularly to the Board on the results of the activities of the Committee, including any issues that arise with respect to the quality or integrity of the Funds' financial statements, the Funds' compliance with legal or regulatory requirements, the performance and independence of the Funds' External Auditors, or the performance of the internal audit function, if any.

B. With respect to Fund Financial Statements:

1. The Committee shall meet to review and discuss with Fund Management and the External Auditors the annual audited financial statements of the Funds, major issues regarding accounting and auditing principles and practices, and the Funds' disclosures under "Management's Discussion and Analysis," and shall meet to review and discuss with Fund Management the semi-annual financial statements of the Funds and the Funds' disclosures under "Management's Discussion and Analysis."

2. The Committee shall review and discuss reports, both written and oral, from the External Auditors or Fund Management regarding (a) all critical accounting policies and practices to be used; (b) all alternative treatments of financial information within generally accepted accounting principles ("GAAP") for policies and practices that have been discussed with management, including the ramifications of the use of such alternative treatments and disclosures and the treatment preferred by the External Auditors; (c) other material written communications between the External Auditors and management, such as any management letter or schedule of unadjusted differences; and (d) all non-audit services provided to any entity in the investment company complex (as defined in Rule 2-01 of Regulation S-X) that were not pre-approved by the Committee.

3. The Committee shall review disclosures made to the Committee by the Funds' principal executive officer and principal financial officer during their certification process for the Funds' periodic reports about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Funds' internal controls.

4. The Committee shall discuss with the External Auditors the matters required to be discussed by Statement of Auditing Standards ("SAS") No. 90, Audit Committee Communications (which amended SAS No. 61, Communication with Audit Committees), that arise during the External Auditor's review of the

Funds' financial statements.

5. The Committee shall review and discuss with management and the External Auditors (a) significant financial reporting issues and judgments made in connection with the preparation and presentation of the Funds' financial statements, including any significant changes in the Funds' selection or application of accounting principles and any major issues as to the adequacy of the Funds' internal controls and any special audit steps adopted in light of material control deficiencies, and (b) analyses prepared by Fund Management or the External Auditors setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements.

6. The Committee shall review and discuss with management and the External Auditors the effect of regulatory and accounting initiatives on the Funds' financial statements.

7. The Committee shall discuss with Fund Management the Funds' press releases regarding financial results and dividends, as well as financial information and earnings guidance provided to analysts and rating agencies. This discussion may be done generally, consisting of discussing the types of information to be disclosed and the types of presentations to be made. The

A-4

Chairman of the Committee shall be authorized to have these discussions with Fund Management on behalf of the Committee, and shall report to the Committee regarding any such discussions.

8. The Committee shall discuss with Fund Management the Funds' major financial risk exposures and the steps Fund Management has taken to monitor and control these exposures, including the Funds' risk assessment and risk management policies and guidelines. In fulfilling its obligations under this paragraph, the Committee may, as applicable, review in a general manner the processes other Board committees have in place with respect to risk assessment and risk management.

C. With respect to serving as a Qualified Legal Compliance Committee:

I. The Committee shall serve as the Funds' "qualified legal compliance committee" ("QLCC") within the meaning of the rules of the SEC and, in that regard, the following shall apply.

i. The Committee shall receive and retain, in confidence, reports of evidence of (a) a material violation of any federal or state securities laws, (b) a material breach of a fiduciary duty arising under any federal or state laws or (c) a similar material violation of any federal or state law by a Fund or any of its officers, trustees, employees or agents (a "Report of Material Violation"). Reports of Material Violation may be addressed to the Funds, attention W. Scott Jardine, at the address of the principal offices of the Funds, which currently is 1001 Warrenville Road, Suite 300, Lisle, Illinois 60532, who shall forward the Report of Material Violation to the Committee.

ii. Upon receipt of a Report of Material Violation, the Committee shall (a) inform the Fund's chief legal officer and chief executive officer (or the equivalents thereof) of the report (unless the Committee determines it would be futile to do so), and (b) determine whether an

investigation is necessary.

iii. After considering the Report of a Material Violation, the Committee shall do the following if it deems an investigation necessary:

- o Notify the full Board;
- o Initiate an investigation, which may be conducted either by the chief legal officer (or the equivalent thereof) of the Fund or by outside attorneys; and
- o Retain such additional expert personnel as the Committee deems necessary.

iv. At the conclusion of any such investigation, the Committee shall:

- o Recommend, by majority vote, that the Fund implement an appropriate response to evidence of a material violation; and
- o Inform the chief legal officer and the chief executive officer (or the equivalents thereof) and the Board of the results of any such investigation and the appropriate remedial measures to be adopted.

2. The Committee shall take all other action that it deems appropriate in the event that the Fund fails in any material respect to implement an appropriate response that the Committee, as the QLCC, has recommended the Fund take.

A-5

D. Other Responsibilities:

1. The Committee shall receive, retain and handle complaints received by the Funds regarding accounting, internal accounting controls, or auditing matters from any person, whether or not an employee of the Funds or Fund Management, and shall receive submissions of concerns regarding questionable accounting or auditing matters by employees of the Funds and Fund Management, administrator, principal underwriter, or any other provider of accounting-related services for the Funds. All such complaints and concerns shall be handled in accordance with the Committee's procedures for operating as a QLCC, outlined in III.C above.

2. The Committee shall review, with fund counsel and independent legal counsel, any legal matters that could have significant impact on the Fund's financial statements or compliance policies and the findings of any examination by a regulatory agency as they relate to financial statement matters.

3. The Committee shall review and reassess the adequacy of this charter on an annual basis, if necessary, and provide a recommendation to the Board for approval of any proposed changes deemed necessary or advisable by the Committee.

The Committee shall perform other special reviews, investigations or oversight functions as requested by the Board and shall receive and review periodic or special reports issued on exposure/controls, irregularities and control failures related to the Funds.

8. The Committee shall prepare any report of the Committee required to be included in a proxy statement for a Fund.

9. The Committee may request any officer or employee of a Fund or Fund Management, independent legal counsel, fund counsel and the External Auditors to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

10. The Committee shall maintain minutes of its meetings.

11. The Committee shall perform such other functions and have such powers as may be necessary or appropriate in the efficient and lawful discharge of its responsibilities.

A-6
