### EL PASO CORPORATION ANNOUNCES SALE OF INTEREST IN ENERPLUS GLOBAL ENERGY MANAGEMENT COMPANY

HOUSTON, TEXAS, MARCH 6, 2003-- El Paso Corporation (NYSE:EP) announced today that it agreed to sell all of the outstanding shares in Enerplus Global Energy Management Company to Enerplus Resources Fund (NYSE:ERF, TSX:ERF.UN) for approximately US\$32 million, subject to customary adjustments. Enerplus is Canada's oldest and largest public conventional oil and gas income fund.

This sale supports El Paso's previously announced 2003 five-point business plan, which includes exiting non-core businesses quickly but prudently, and strengthening and simplifying the balance sheet while maximizing liquidity. The transaction is subject to Enerplus Resources Fund unitholder approval and is expected to close in the second quarter 2003.

El Paso Corporation is the leading provider of natural gas services and the largest pipeline company in North America. The company has core businesses in production, pipelines, midstream services, and power. El Paso Corporation, rich in assets and fully integrated across the natural gas value chain, is committed to developing new supplies and technologies to deliver energy. ### CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This release includes forward-looking statements and projections, made in reliance on the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. El Paso Corporation has made every reasonable effort to ensure that the information and assumptions on which these statements and projections are based are current, reasonable, and complete. However, a variety of factors could cause actual results to differ materially from the projections, anticipated results or other expectations expressed in this release, including, without limitation, the successful implementation of the Balance Sheet Enhancement Program and the Strategic Repositioning Plan; the successful implementation of the 2003 operational and financial plan; the ability to successfully close financing transactions; the successful completion of the plan to exit non-core businesses; the actions by the credit rating agencies; the accounting and financial consequences of the plan to exit non-core businesses; changes in commodity prices for oil, natural gas, and power; the uncertainties associated with governmental regulation; regulatory proceedings, appeals from regulatory proceedings, and any related litigation, including those related to the pending FERC proceeding; inability to realize anticipated synergies and cost savings associated with restructurings on a timely basis; competition; and other factors described in the company's (and its affiliates') Securities and Exchange Commission filings. While the company makes these statements and projections in good faith, neither the company nor its management can
