EL PASO CORPORATION ANNOUNCES \$138 MILLION ASSET SALE CLOSING AND TIMELY
RETIREMENT OF \$1-BILLION LIMESTONE ELECTRON TRUST NOTES

HOUSTON, TEXAS, MARCH 17, 2003--El Paso Corporation (NYSE:EP) announced today that it has closed the sale of its interest in the San Juan Basin Rosa production properties to the Sacramento Municipal Utility District for \$138 million.

El Paso also announced the retirement of \$1 billion of notes associated with the Limestone Electron Trust financings. The notes were retired on schedule using cash on hand. El Paso has recently generated significant cash from asset sales and from its recently closed \$1.2 billion secured loan financing. A portion of the secured loan proceeds were used to repay the \$825 million Trinity River financing on March 13, 2003.

These successful transactions further demonstrate the significant progress that El Paso has made in executing its five-point business plan, which includes exiting non-core businesses quickly but prudently as well as strengthening and simplifying the balance sheet while maximizing liquidity.

El Paso Corporation is the leading provider of natural gas services and the largest pipeline company in North America. The company has core businesses in production, pipelines, midstream services, and power. El Paso Corporation, rich in assets and fully integrated across the natural gas value chain, is committed to developing new supplies and technologies to deliver energy. CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This release includes forward-looking statements and projections, made in reliance on the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. The company has made every reasonable effort to ensure that the information and assumptions on which these statements and projections are based are current, reasonable, and complete. However, a variety of factors could cause actual results to differ materially from the projections, anticipated results or other expectations expressed in this release, including, without limitation, the successful implementation of the 2003 operational and financial plan; actions by the credit rating agencies; the successful close of financing transactions; our ability to successfully exit the energy trading business; our ability to divest of certain non-core assets; changes in commodity prices for oil, natural gas, and power; general economic and weather conditions in geographic regions or markets served by El Paso Corporation and its affiliates, or where operations of the company and its affiliates are located; the uncertainties associated with governmental regulation; political and currency risks associated with international operations of the company and its affiliates; inability to realize anticipated synergies and cost savings associated with
