Item 5. Interests of Named Experts and Counsel

Item 6. Indemnification of Directors and Officers

Sections 351.355(1) and (2) of The General and Business Corporation Law of Missouri (the "Act") provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorney's fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful, except that no person shall be indemnified as to any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the corporation unless and only to the extent that the court in which the action or suit was brought determines upon application that, despite the adjudication of liability and in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses that the court deems proper.

3

Section 351.355(3) of the Act provides that, except as otherwise provided in the corporation's articles of incorporation or bylaws, to the extent that a director, officer, employee or agent of the corporation has been successful in the defense of any such action, suit or proceeding referred to in subsection (1) or (2) of any claim, issue or matter therein, he shall be indemnified against expenses, including attorney's fees, actually and reasonably incurred by him in connection with such action, suit or proceeding. Section 351.355(7) of the Act provides that a corporation may provide additional indemnification to any person indemnifiable under subsection (1) or (2), provided such additional indemnification is authorized by the corporation's articles of incorporation or an amendment thereto or by a shareholder-approved bylaw or agreement, and provided further that no person shall thereby be indemnified against conduct that was finally adjudged to have been knowingly fraudulent, deliberately dishonest or willful misconduct.

Edgar Filing: O REILLY AUTOMOTIVE INC - Form S-8

Article IX of the Registrant's Restated Articles of Incorporation, as amended (the "Articles of Incorporation") permits the Registrant to enter into agreements with its directors, officers, employees and agents, providing such indemnification as deemed appropriate, up to the maximum extent permitted by law. Article IX of the Restated Articles of Incorporation of the Registrant provides that the Registrant shall extend to its directors and executive officers the indemnification specified in subsections (1) and (2) of the Act and the additional indemnification authorized in subsection (7) of the Act and that it may extend to other officers, employees and agents such indemnification and additional indemnification.

In addition, Article XI of the Articles of Incorporation states that no director of the Registrant shall be personally liable to the Registrant or its shareholders for monetary damages for breach of fiduciary duty by such director as a director, but it does not eliminate or limit the liability of a director to the extent provided by applicable law (i) for any breach of the director's duty of loyalty to the Registrant or its shareholders, (ii) for acts or omissions not in subjective good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 351.345 of the Act, or (iv) for any transaction from which the director derived an improper personal benefit. No amendment or repeal of Article XI will apply to or have any effect on the liability or alleged liability of any director of the Registrant for or with respect to any acts or omissions of such director prior to such amendment or repeal.

Item 9. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3 or Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the

Edgar Filing: O REILLY AUTOMOTIVE INC - Form S-8

registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

ARTICLE I

The name of this corporation is "O'Reilly Automotive, Inc."

ARTICLE II

The address of the corporation's registered office in the State of Missouri is 233 South Patterson, Box 1156, Springfield, Missouri, 65805 and the name of its registered agent is C. H. O'Reilly.

- (b) Upon the effectiveness of this Amendment to the Articles of Incorporation, and without any further action on the part of the corporation or its shareholders, each share of common stock, par value \$0.50 per share, then issued and outstanding shall be changed and reclassified into 120.15353 fully paid and non-assessable shares of common stock, par value \$0.01 per share, and holders of shares of common stock, par value \$0.50, shall for all purposes be deemed holders of the number of shares of common stock, par value \$0.01 per share, into which such shares shall have been changed and reclassified; provided, that no fractional shares of common stock, par value 0.01 per share, shall be issued pursuant to such change, and an amount of cash equal to the value of any fractional interest created thereby, based upon a valuation of \$15.00 per share, shall be paid to a shareholder in lieu thereof. To reflect the change and reclassification provided above, each certificate representing shares of common stock, par value \$0.50 per share, theretofore issued and outstanding shall, as soon as practicable after the effective date of this Amendment, be surrendered to the corporation, which as soon as practicable thereafter shall issue a new certificate representing the number of whole shares of common stock, par value \$0.01 per share, equal to 120.15353 times the number of shares theretofore held.
- (c) The voting power of the corporation shall be vested in the holders of the common stock, who shall be entitled to one vote per share of common stock on all matters to be voted on by the shareholders, except to the extent voting rights are determined for holders of preferred stock by the Board of Directors in accordance with part (e) of this Article III.

ARTICLE IV

The number of directors of the corporation shall be that number that is fixed by, or in the manner provided in, the Bylaws of the corporation; provided, however, that the number of directors of the corporation shall not be less than three. Any changes in the number of directors shall be reported to the Missouri Secretary of State within thirty (30) calendar days of such change. Directors need not be shareholders of the corporation. The Board of Directors shall be divided into three classes, as nearly equal in number as possible, which shall be designated Class I, Class II and Class III. The term of office the initial

Edgar Filing: O REILLY AUTOMOTIVE INC - Form S-8

Class I directors shall expire at the annual meeting of shareholders held in 1994; the term of office of the initial Class II directors shall expire at the annual meeting of shareholders held in 1995; and the term of office of the initial Class III directors shall expire at the annual meeting of shareholders held in 1996. At each annual meeting of shareholders held after 1993, the directors elected to succeed those whose terms then expire shall be elected for a term of three (3) years expiring at the third succeeding annual meeting thereafter.

10

O'REILLY AUTOMOTIVE, INC. AND SUBSIDIARIES EXHIBIT 4.1 - Restated Articles of Incorporation (continued)

If the number of directors is changed, any increase or decrease in the number of directors shall be apportioned among the classes so that the number of directors in each class remains as nearly equal as possible. As used in these Articles of Incorporation, the term "entire Board of Directors" means the directors comprising all three classes into which the Board of Directors has been so divided. Subject to the rights, if any, of the holders of any class of capital stock of the corporation other than common stock then outstanding, any vacancies in the Board of Directors that occur for any reason prior to the expiration of the term of office of the class in which the vacancy occurs, including vacancies that occur by reason of an increase in the number of directors, shall be filled only by the Board of Directors of the corporation, acting by the affirmative vote of a majority of the remaining directors then in office (even if less than a quorum).

ARTICLE V

The corporation shall continue in perpetual existence or until dissolved and liquidated according to law.

ARTICLE VI

The corporation is formed for the following purposes and shall have the following powers:

- (a) to distribute and sell automotive aftermarket parts, products, tools, supplies, equipment, and accessories (collectively, "Automotive Products") to all segments of the marketplace, including, without limitation, mechanics, automobile repair shops, automobile dealers, fleet owners, mass and general merchandisers, retail and all other consumers of Automotive Products, and in furtherance thereof, to operate retail stores selling Automotive Products to the public, and to do all things necessary or desirable in furtherance of the foregoing activities; and
- (b) to do all other things permitted of corporations pursuant to the provisions of The General and Business Corporation Law of Missouri, as amended from time to time.

ARTICLE VII

A special meeting of the shareholders may be called only by: (i) the Board of Directors pursuant to a resolution adopted by the affirmative vote of a majority of the entire Board of Directors; (ii) the Chief Executive Officer of the corporation; or (iii) the Chief Operating Officer of the corporation. At such special meeting of shareholders, only such business shall be conducted, and only such proposals shall be acted upon, as were specified in the notice thereof.

Edgar Filing: O REILLY AUTOMOTIVE INC - Form S-8

ARTICLE VIII

The provisions of Section 351.407 or any other section of The General and Business Corporation Law of Missouri limiting the voting rights of control shares of public corporations that are acquired in a control share acquisition shall not apply to control share acquisitions of shares of the corporation.

ARTICLE IX

- (a) The corporation may indemnify any person (other than a party plaintiff suing on his own behalf or in the right of the corporation) who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit, or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit, or proceeding if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

11

O'REILLY AUTOMOTIVE, INC. AND SUBSIDIARIES EXHIBIT 4.1 - Restated Articles of Incorporation (continued)

Indemnification under this part (a) of Article IX shall be mandatory with respect to any action taken by a person in such person's capacity as a director of this corporation that would otherwise be indemnifiable under this part (a) at the discretion of this corporation.

- (b) The corporation may indemnify any person (other than a party plaintiff suing on such person's own behalf or in right of the corporation) who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses, including attorneys' fees, and amounts paid in settlement actually and reasonably incurred by him or her in connection with the defense or settlement of the action or suit if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his or her duty to the corporation unless and only to the extent that the court in which the action or suit was brought determines upon application that, despite the adjudication of liability and in view of all the circumstances of the case,

Edgar Filing: O REILLY AUTOMOTIVE INC - Form S-8

the person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper. The indemnification permitted under this part (b) of Article IX shall be mandatory with respect to any action taken by a person in such person's capacity as a director of this corporation that would otherwise be indemnifiable under this part (b) at the discretion of the corporation.

- (c) To the extent that an officer, employee, or agent of the corporation has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in parts (a) and (b) of this Article IX, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection with the action, suit, or proceeding.
- (d) Subject to any applicable court order, any indemnification of a director required under part (a) or part (b) of this Article IX shall be made by the corporation unless a determination is made reasonably and promptly that indemnification of said director is not proper under the circumstances because he has not met the applicable standard of conduct set forth in or established pursuant to this Article IX. Subject to any applicable court order, any indemnification of an officer, employee, or agent of the corporation authorized under part (a) or part (b) of this Article IX shall be made by the corporation only as authorized in a specific case upon a determination that indemnification is proper in the circumstances because such person has met the applicable standard of conduct set forth in or established pursuant to this Article IX. Any such determination with respect to indemnification of a director, officer, employee, or agent shall be made (i) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (ii) if such a quorum is not obtainable, or even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (iii) by majority vote of the shareholders; provided that no such determination shall preclude an action brought in an appropriate court to challenge such determination.
- (e) Expenses incurred by a person who is or was a director of the corporation in defending a civil or criminal action, suit, or proceeding shall be paid by the corporation in advance of the final disposition of an action, suit, or proceeding, and expenses incurred by a person who is or was an officer, employee, or agent of the corporation in defending a civil or criminal action, suit, or proceeding may be paid by the corporation in advance of the final disposition of such action, suit or proceeding as authorized by or at the direction of the Board of Directors, in either case upon receipt of an undertaking by or on behalf of the director, officer, employee, or agent to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the corporation as authorized in or pursuant to this Article.
- (f) The indemnification provided by this Article IX shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled, whether under any statute, agreement, vote of shareholders or disinterested directors or otherwise, both as to action in an official capacity and as to action in another capacity while holding such office.
- (g) Without limiting the other provisions of this Article IX, the corporation is authorized from time to time, without further action by the shareholders of the corporation, to enter into agreements with any director, officer, employee or agent of the corporation providing such rights of indemnification as the corporation may deem appropriate, up to the maximum extent permitted by law. Any agreement entered into by the corporation with a director may be authorized by the other directors, and such authorization

Edgar Filing: O REILLY AUTOMOTIVE INC - Form S-8

shall not be invalid on the basis that different of similar agreements may have been or may thereafter be entered into with other directors.

O'REILLY AUTOMOTIVE, INC. AND SUBSIDIARIES EXHIBIT 4.1 - Restated Articles of Incorporation (continued)

- (h) Except as may otherwise be permitted by law, no person shall be indemnified pursuant to this Article IX (including, without limitation, pursuant to any agreement entered into pursuant to part (g) of this Article IX) from or on account of such person's conduct which is finally adjudged to have been knowingly fraudulent, deliberately dishonest or willful misconduct. The corporation may (but need not) adopt a more restrictive standard of conduct with respect to the indemnification of any employee or agent of the corporation.
- (i) The corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, or agent of the corporation, or who is or was otherwise serving on behalf or at the request of the corporation as a director, officer, employee, member or agent of another corporation, partnership, joint venture, trust, trade or industry association, or other enterprise (whether incorporated or unincorporated, for-profit or not-for-profit), against any claim, liability or expense asserted against such person and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the corporation would have the power to indemnify him against such liability under the provisions of this Article IX.
- (j) For the purposes of this Article IX:
 - (i) Any director of the corporation who shall serve as a director, officer, or employee of any other corporation, partnership, joint venture, trust, or other enterprise of which the corporation, directly or indirectly, is or was the owner of 20% or more of either the outstanding equity interests or the outstanding voting stock (or comparable interests), shall be deemed to be so serving at the request of the corporation, unless the Board of Directors of the corporation shall determine otherwise. In all other instances where any person shall serve as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise of which the corporation is or was a shareholder or creditor, or in which it is or was otherwise interested, if it is not otherwise established that such person is or was serving as a director, officer, employee, or agent at the request of the corporation, the Board of Directors of the corporation may determine whether such service is or was at the request of the corporation, and it shall not be necessary to show any actual or prior request for such service.
 - (ii) References to a corporation include all constituent corporations absorbed in a consolidation or merger as well as the resulting or surviving corporation so that any person who is or was a director, officer, employee, or agent of a constituent corporation or is or was serving at the request of a constituent corporation as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise shall stand in the same position under the provisions of this Article IX with respect to the resulting or surviving corporation as such person would if he or she had served the resulting or surviving corporation in the same capacity.
 - (iii) The term "other enterprise" shall include, without limitation, employee benefit plans and voting or taking action with respect to

Edgar Filing: O REILLY AUTOMOTIVE INC - Form S-8

stock or other assets therein; the term "serving at the request of the corporation" shall include, without limitation, any service as a director, officer, employee, or agent of the corporation which imposes duties on or involves services by , a director, officer, employee, or agent with respect to any employee benefit plan, its participants, or beneficiaries; and a person who acted in good faith and in a manner he or she reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have satisfied any standard of care required by or pursuant to this Article IX in connection with such plan; and the term "fines" shall include, without limitation, any excise taxes assessed on a person with respect to an employee benefit plan and shall also include any damages (including treble damages) and any other civil penalties.

- (k) Any indemnification rights provided pursuant to this Article IX shall continue as to a person who has ceased to be a director, officer, employee, or agent and shall inure to the benefit of the heirs, executors, and administrators of such a person. Notwithstanding any other provision in these Articles of Incorporation, any indemnification rights arising under or granted pursuant to this Article IX shall survive the amendment or repeal of this Article IX with respect to any acts or omissions occurring prior to the effective time of such amendment or repeal and persons to whom such indemnification rights are given shall be entitled to rely upon such indemnification rights with respect to such acts or omissions as a binding contract with the corporation.
- (l) It is the intention of the corporation to limit the liability to the directors of the corporation, in their capacity as such, whether to the corporation, its shareholders or otherwise, to the fullest extent permitted by law. Consequently, should The General and Business Corporation Law of Missouri or any other applicable law be amended or adopted hereafter so as to permit the

elimination or limitation of such liability, the liability of the directors of the corporation shall be so eliminated or limited to the greatest possible extent without the need for amendment of this Article IX or further action on the part of the Board of Directors or shareholders of the corporation.

ARTICLE X

The Board of Directors shall have power to adopt, repeal, or amend the By-laws of this corporation and to adopt new or additional By-laws, subject however, to the paramount right of the holders of common stock to limit or divest such power of the Board of Directors, to such extent and for such periods as the holders of common stock at any regular or special meeting shall determine.

CERTIFICATE OF DESIGNATION, PREFERENCES AND
RIGHTS OF SERIES A JUNIOR PARTICIPATING PREFERRED STOCK

of

O'REILLY AUTOMOTIVE, INC.

Pursuant to Section 180 of the General Corporation Law
of the State of Missouri

We, James R. Batten, Vice President and Tricia Headley, Secretary, of O'Reilly Automotive, Inc., a corporation organized and existing under the General Corporation Law of the State of Missouri, in accordance with the provisions of Section 351.046 thereof, DO HEREBY CERTIFY:

That pursuant to the authority conferred upon the Board of Directors by the Restated Articles of Incorporation of the said Corporation, the said Board of Directors on May 7, 2002, adopted the following resolution creating a series of 900,000 shares of Preferred Stock designated as Series A Junior Participating Preferred Stock:

RESOLVED, that pursuant to the authority vested in the Board of Directors of this Corporation in accordance with the provisions of its Restated Articles of Incorporation, a series of Preferred Stock of the Corporation be and it hereby is created, and that the designation and amount thereof and the voting powers, preferences and relative, participating, optional and other special rights of the shares of such series, and the qualifications, limitations or restrictions thereof are as follows:

Section 1. Designation and Amount. The shares of such series shall be designated as "Series A Junior Participating Preferred Stock" and the number of shares constituting such series shall be 900,000.

Section 2. Dividends and Distributions.

(A) Subject to the prior and superior rights of the holders of any shares of any series of Preferred Stock ranking prior and superior to the shares of Series A Junior Participating Preferred Stock with respect to dividends, the holders of shares of Series A Junior Participating Preferred Stock shall be entitled to receive, when, as and if declared by the Board of Directors out of funds legally available for the purpose, quarterly dividends payable in cash on the fifteenth day of March, June, September and December in each year (each such date being referred to herein as a "Quarterly Dividend Payment Date"), commencing on the first Quarterly Dividend Payment Date after the first issuance of a share or fraction of a share of Series A Junior Participating Preferred

Edgar Filing: O REILLY AUTOMOTIVE INC - Form S-8

Stock, in an amount per share (rounded to the nearest cent) equal to the greater of (a) \$1.00 or (b) subject to the provision for adjustment hereinafter set forth, 100 times the aggregate per share amount of all cash dividends, and 100 times the aggregate per share amount (payable in kind) of all non-cash dividends or other distributions other than a dividend payable in shares of Common Stock or a subdivision of the outstanding shares of Common Stock (by reclassification or otherwise), declared on the Common Stock, par value \$.01 per share, of the Corporation (the "Common Stock") since the immediately preceding Quarterly Dividend Payment Date, or, with respect to the first Quarterly Dividend Payment Date, since the first issuance of any share or fraction of a share of Series A Junior Participating Preferred Stock. In the event the Corporation shall at any time after May 7, 2002 (the "Rights Declaration Date") (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock, or (iii) combine the outstanding Common Stock into a smaller number of shares, then in each such case the amount to which holders of shares of Series A Junior Participating Preferred Stock were entitled immediately prior to such event under clause (b) of the preceding sentence shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

20

O'REILLY AUTOMOTIVE, INC. AND SUBSIDIARIES EXHIBIT 4.1 - Restated Articles of Incorporation (continued)

(B) The Corporation shall declare a dividend or distribution on the Series A Junior Participating Preferred Stock as provided in Paragraph (A) above immediately after it declares a dividend or distribution on the Common Stock (other than a dividend payable in shares of Common Stock); provided that, in the event no dividend or distribution shall have been declared on the Common Stock during the period between any Quarterly Dividend Payment Date and the next subsequent Quarterly Dividend Payment Date, a dividend of \$1.00 per share on the Series A Junior Participating Preferred Stock shall nevertheless be payable on such subsequent Quarterly Dividend Payment Date.

(C) Dividends shall begin to accrue and be cumulative on outstanding shares of Series A Junior Participating Preferred Stock from the Quarterly Dividend Payment Date next preceding the date of issue of such shares of Series A Junior Participating Preferred Stock, unless the date of issue of such shares is prior to the record date for the first Quarterly Dividend Payment Date, in which case dividends on such shares shall begin to accrue from the date of issue of such shares, or unless the date of issue is a Quarterly Dividend Payment Date or is a date after the record date for the determination of holders of shares of Series A Junior Participating Preferred Stock entitled to receive a quarterly dividend and before such Quarterly Dividend Payment Date, in either of which events such dividends shall begin to accrue and be cumulative from such Quarterly Dividend Payment Date. Accrued but unpaid dividends shall not bear interest. Dividends paid on the shares of Series A Junior Participating Preferred Stock in an amount less than the total amount of such dividends at the time accrued and payable on such shares shall be allocated pro rata on a share-by-share basis among all such shares at the time outstanding. The Board of Directors may fix a record date for the determination of holders of shares of Series A Junior Participating Preferred Stock entitled to receive payment of a dividend or distribution declared thereon, which record date shall be no more than 30 days prior to the date fixed for the payment thereof.

Section 3. Voting Rights.

The holders of shares of Series A Junior Participating Preferred Stock shall

Edgar Filing: O REILLY AUTOMOTIVE INC - Form S-8

have the following voting rights:

(A) Subject to the provision for adjustment hereinafter set forth, each share of Series A Junior Participating Preferred Stock shall entitle the holder thereof to 100 votes on all matters submitted to a vote of the stockholders of the Corporation. In the event the Corporation shall at any time after the Rights Declaration Date (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock, or (iii) combine the outstanding Common Stock into a smaller number of shares, then in each such case the number of votes per share to which holders of shares of Series A Junior Participating Preferred Stock were entitled immediately prior to such event shall be adjusted by multiplying such number by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(B) Except as otherwise provided herein or by law, the holders of shares of Series A Junior Participating Preferred Stock and the holders of shares of Common Stock shall vote together as one class on all matters submitted to a vote of stockholders of the Corporation.

(C) (i) If at any time dividends on any Series A Junior Participating Preferred Stock shall be in arrears in an amount equal to six (6) quarterly dividends thereon, the occurrence of such contingency shall mark the beginning of a period (herein called a "default period") which shall extend until such time when all accrued and unpaid dividends for all previous quarterly dividend periods and for the current quarterly dividend period on all shares of Series A Junior Participating Preferred Stock then outstanding shall have been declared and paid or set apart for payment. During each default period, all holders of Preferred Stock (including holders of the Series A Junior Participating Preferred Stock) with dividends in arrears in an amount equal to six (6) quarterly dividends thereon, voting as a class, irrespective of series, shall have the right to elect two (2) directors.

(ii) During any default period, such voting right of the holders of Series A Junior Participating Preferred Stock may be exercised initially at a special meeting called pursuant to subparagraph (iii) of this Section 3(C) or at any annual meeting of stockholders, and thereafter at annual meetings of stockholders, provided that neither such voting right nor the right of the holders of any other series of Preferred Stock, if any, to increase, in certain cases, the authorized number of directors shall be exercised unless the holders of ten percent (10%) in number of shares of Preferred Stock outstanding shall be present in person or by proxy. The absence of a quorum of the holders of Common Stock shall not affect the exercise by the holders of Preferred Stock of such voting right. At any meeting at which the holders of Preferred Stock shall exercise such voting right initially during an existing default period, they shall have the right, voting as a class, to elect directors to fill such vacancies, if any, in the Board of Directors as may then exist up to two (2) directors or, if such right is exercised at an annual meeting, to elect two (2) directors.

If the number which may be so elected at any special meeting does not amount to the required number, the holders of the Preferred Stock shall have the right to make such increase in the number of directors as shall be necessary to permit the election by them of the required number. After the holders of the Preferred Stock shall have exercised their right to elect directors in any default period

Edgar Filing: O REILLY AUTOMOTIVE INC - Form S-8

and during the continuance of such period, the number of directors shall not be increased or decreased except by vote of the holders of Preferred Stock as herein provided or pursuant to the rights of any equity securities ranking senior to or pari passu with the Series A Junior Participating Preferred Stock.

(iii) Unless the holders of Preferred Stock shall, during an existing default period, have previously exercised their right to elect directors, the Board of Directors may order, or any stockholder or stockholders owning in the aggregate not less than ten percent (10%) of the total number of shares of Preferred Stock outstanding, irrespective of series, may request, the calling of a special meeting of the holders of Preferred Stock, which meeting shall thereupon be called by the President, a Vice-President or the Secretary of the Corporation. Notice of such meeting and of any annual meeting at which holders of Preferred Stock are entitled to vote pursuant to this Paragraph (C)(iii) shall be given to each holder of record of Preferred Stock by mailing a copy of such notice to him at his last address as the same appears on the books of the Corporation. Such meeting shall be called for a time not earlier than 20 days and not later than 60 days after such order or request or in default of the calling of such meeting within 60 days after such order or request, such meeting may be called on similar notice by any stockholder or stockholders owning in the aggregate not less than ten percent (10%) of the total number of shares of Preferred Stock outstanding. Notwithstanding the provisions of this Paragraph (C)(iii), no such special meeting shall be called during the period within 60 days immediately preceding the date fixed for the next annual meeting of the stockholders.

(iv) In any default period, the holders of Common Stock, and other classes of stock of the Corporation if applicable, shall continue to be entitled to elect the whole number of directors until the holders of Preferred Stock shall have exercised their right to elect two (2) directors voting as a class, after the exercise of which right (x) the directors so elected by the holders of Preferred Stock shall continue in office until their successors shall have been elected by such holders or until the expiration of the default period, and (y) any vacancy in the Board of Directors may (except as provided in Paragraph (C)(ii) of this Section 3) be filled by vote of a majority of the remaining directors theretofore elected by the holders of the class of stock which elected the director whose office shall have become vacant. References in this Paragraph (C) to directors elected by the holders of a particular class of stock shall include directors elected by such directors to fill vacancies as provided in clause (y) of the foregoing sentence.

(v) Immediately upon the expiration of a default period, (x) the right of the holders of Preferred Stock as a class to elect directors shall cease, (y) the term of any directors elected by the holders of Preferred Stock as a class shall terminate, and (z) the number of directors shall be such number as may be provided for in the articles of incorporation or by-laws irrespective of any increase made pursuant to the provisions of Paragraph (C)(ii) of this Section 3 (such number being subject, however, to change thereafter in any manner provided by law or in the articles of incorporation or by-laws). Any vacancies in the Board of Directors effected by the provisions of clauses (y) and (z) in the preceding sentence may be filled by a majority of the remaining directors.

(D) Except as set forth herein, holders of Series A Junior Participating Preferred Stock shall have no special voting rights and their consent shall not be required (except to the extent they are entitled to vote with holders of Common Stock as set forth herein) for taking any corporate action.

Section 4. Certain Restrictions.

(A) Whenever quarterly dividends or other dividends or distributions payable on the Series A Junior Participating Preferred Stock as provided in Section 2 are in arrears, thereafter and until all accrued and unpaid dividends

Edgar Filing: O REILLY AUTOMOTIVE INC - Form S-8

and distributions, whether or not declared, on shares of Series A Junior Participating Preferred Stock outstanding shall have been paid in full, the Corporation shall not

(i) declare or pay dividends on, make any other distributions on, or redeem or purchase or otherwise acquire for consideration any shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series A Junior Participating Preferred Stock;

(ii) declare or pay dividends on or make any other distributions on any shares of stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series A Junior Participating Preferred Stock, except dividends paid ratably on the Series A Junior Participating Preferred Stock and all such parity stock on which dividends are payable or in arrears in proportion to the total amounts to which the holders of all such shares are then entitled;

22

O'REILLY AUTOMOTIVE, INC. AND SUBSIDIARIES EXHIBIT 4.1 - Restated Articles of Incorporation (continued)

(iii) redeem or purchase or otherwise acquire for consideration shares of any stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series A Junior Participating Preferred Stock, provided that the Corporation may at any time redeem, purchase or otherwise acquire shares of any such parity stock in exchange for shares of any stock of the Corporation ranking junior (either as to dividends or upon dissolution, liquidation or winding up) to the Series A Junior Participating Preferred Stock; or

(iv) purchase or otherwise acquire for consideration any shares of Series A Junior Participating Preferred Stock, or any shares of stock ranking on a parity with the Series A Junior Participating Preferred Stock, except in accordance with a purchase offer made in writing or by publication (as determined by the Board of Directors) to all holders of such shares upon such terms as the Board of Directors, after consideration of the respective annual dividend rates and other relative rights and preferences of the respective series and classes, shall determine in good faith will result in fair and equitable treatment among the respective series or classes.

(B) The Corporation shall not permit any subsidiary of the Corporation to purchase or otherwise acquire for consideration any shares of stock of the Corporation unless the Corporation could, under Paragraph (A) of this Section 4, purchase or otherwise acquire such shares at such time and in such manner.

Section 5. Reacquired Shares.

Any shares of Series A Junior Participating Preferred Stock purchased or otherwise acquired by the Corporation in any manner whatsoever shall be retired and cancelled promptly after the acquisition thereof. All such shares shall upon their cancellation become authorized but unissued shares of Preferred Stock and may be reissued as part of a new series of Preferred stock to be created by resolution or resolutions of the Board of Directors, subject to the conditions and restrictions on issuance set forth herein.

Section 6. Liquidation, Dissolution or Winding Up.

Edgar Filing: O REILLY AUTOMOTIVE INC - Form S-8

(A) Upon any liquidation (voluntary or otherwise), dissolution or winding up of the Corporation, no distribution shall be made to the holders of shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series A Junior Participating Preferred Stock unless, prior thereto, the holders of shares of Series A Junior Participating Preferred Stock shall have received an amount equal to \$100 per share of Series A Participating preferred Stock, plus an amount equal to accrued and unpaid dividends and distributions thereon, whether or not declared, to the date of such payment (the "Series A Liquidation Preference"). Following the payment of the full amount of the Series A Liquidation Preference, no additional distributions shall be made to the holders of shares of Series A Junior Participating Preferred Stock unless, prior thereto, the holders of shares of Common Stock shall have received an amount per share (the "Common Adjustment") equal to the quotient obtained by dividing (i) the Series A Liquidation Preference by (ii) 100 (as appropriately adjusted as set forth in subparagraph (C) below to reflect such events as stock splits, stock dividends and recapitalizations with respect to the Common Stock) (such number in clause (ii), the "Adjustment Number"). Following the payment of the full amount of the Series A Liquidation Preference and the Common Adjustment in respect of all outstanding shares of Series A Junior Participating Preferred Stock and Common Stock, respectively, holders of Series A Junior Participating Preferred Stock and holders of shares of Common Stock shall receive their ratable and proportionate share of the remaining assets to be distributed in the ratio of the Adjustment Number to 1 with respect to such Preferred Stock and Common Stock, on a per share basis, respectively.

(B) In the event, however, that there are not sufficient assets available to permit payment in full of the Series A Liquidation Preference and the liquidation preferences of all other series of preferred stock, if any, which rank on a parity with the Series A Junior Participating Preferred Stock, then such remaining assets shall be distributed ratably to the holders of such parity shares in proportion to their respective liquidation preferences. In the event, however, that there are not sufficient assets available to permit payment in full of the Common Adjustment, then such remaining assets shall be distributed ratably to the holders of Common Stock.

(C) In the event the Corporation shall at any time after the Rights Declaration Date (i) declare any dividend on Common stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock, or (iii) combine the outstanding Common Stock into a smaller number of shares, then in each such case the Adjustment Number in effect immediately prior to such event shall be adjusted by multiplying such Adjustment Number by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

EXHIBIT 99.1 - O'Reilly Automotive, Inc. 2003 Employee Stock Option Plan

O'REILLY AUTOMOTIVE, INC.
2003 EMPLOYEE STOCK OPTION PLAN

I. Purpose of the Plan.

The O'Reilly Automotive, Inc. 2003 Employee Stock Option Plan (the "Plan") is intended to provide a means whereby certain key employees of O'Reilly Automotive, Inc., a Missouri corporation (the "Company"), may develop a sense of proprietorship and personal involvement in the development and financial success of the Company and its subsidiaries, and to encourage them to remain with and devote their best efforts to the business of the Company and its subsidiaries, thereby advancing the interests of the Company and its shareholders. Accordingly, the Company may make awards to certain employees in the form of stock options ("Options") with respect to shares of the Company's common stock, par value \$0.01 per share (the "Stock"). Options may either be nonqualified stock options ("Nonqualified Options") or options ("Incentive Stock Options") that are intended to qualify as incentive stock options under Section 422 of the Internal Revenue Code of 1986, as amended (the "Code").

Edgar Filing: O REILLY AUTOMOTIVE INC - Form S-8

II. Administration.

- (a) **Committee Composition.** The Plan shall be administered by a committee of the Board of Directors of the Company (the "Board") consisting of not less than two members of the Board as the Board may appoint (the "Committee"). The members of the Committee shall be "Non-Employee Directors" within the meaning of Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended (the "Act"), and "outside directors" as defined under Section 162(m) of the Code; provided, however, that noncompliance with such qualifications shall not invalidate any grants of Options by the Committee. Committee members may resign at any time by delivering written notice to the Board. Vacancies in the Committee, however caused, shall be filled by the Board. The Committee shall act by a majority of its members in office and the Committee may act either by vote at a telephonic or other meeting or by a consent or other written instrument signed by all of the members of the Committee. If the Committee does not exist, or for any other reason determined by the Board, the Board may take any action under the Plan that would otherwise be the responsibility of the Committee.
- (b) **Committee Authority.** The Committee shall have the sole authority to:
- (i) determine the terms and provisions of the Option agreements (the "Agreements") entered into under the Plan;
 - (ii) prepare and distribute, in such manner as the Committee determines to be appropriate, information about the Plan; and
 - (iii) make all other determinations deemed necessary or advisable for the administration of the Plan.
- The Committee may vary the terms and provisions of the individual Agreements in its discretion. Further, the Committee shall have authority to grant options and to determine the exercise price of the Stock covered by each Option, the terms and duration of each Option, the key employees to whom, and the times at which, Options shall be granted, whether the Option shall be a Nonqualified Option or an Incentive Stock Option and the number of shares to be covered by each Option. Notwithstanding the foregoing, the Committee shall not have the authority to make any determination that would be inconsistent with the requirements, restrictions, prohibitions or limitations specified in the Plan.
- (c) **Day-to-Day Administration.** The day-to-day administration of the Plan may be carried out by such officers and employees of the Company as shall be designated from time to time by the Committee. All expenses and liabilities incurred by the Committee in connection with the administration of the Plan shall be borne by the Company. The Committee may employ attorneys, consultants, accountants, appraisers, brokers or other persons, and the Committee, the Board, the Company and the officers and employees of the Company shall be entitled to rely upon the advice, opinions or valuations of any such persons. The interpretation and construction by the Committee of any provision of the Plan and any determination by the Committee under any provision of the Plan shall be final and conclusive for all purposes. Neither the Committee nor any member thereof shall be liable for any act, omission, interpretation, construction or determination made in connection with the Plan in good faith, and the members of the Committee shall be entitled to indemnification and reimbursement by the Company in respect of any claim, loss, damage or expense (including counsel fees) arising therefrom to the fullest extent permitted by law. The members of the Committee shall be named as insureds in connection with any directors and officers liability insurance coverage that may be in effect from time to time.

EXHIBIT 99.1 - O'Reilly Automotive, Inc. 2003
Employee Stock Option Plan (Continued)

III. Shares Subject to the Plan.

The aggregate number of shares that may be issued under the Plan shall not exceed 4,000,000 shares of Stock plus all shares authorized under the 1993 Employee Stock Option Plan not covered by an option on the date such plan expires. No more than 1,000,000 shares of Stock may be subject to Options that are intended to be "performance-based compensation" (as that term is used for purposes of Section 162(m) of the Code) granted to any one individual during any calendar year, regardless of when such shares are deliverable. The shares of Stock issuable under the Plan may consist of authorized but unissued shares of Stock or previously issued shares of Stock reacquired by the Company. Any of such shares that remain unsold and that are not subject to outstanding Options at the termination of the Plan shall cease to be subject to the Plan, but until termination of the Plan and the expiration of all Options granted under the Plan, the Company shall at all times make available a sufficient number of shares to meet the requirements of the Plan and the outstanding Options. If any Option, in whole or in part, expires or terminates unexercised or is cancelled or forfeited, the shares theretofore subject to such Option may again be subject to an Option granted under the Plan. The aggregate number of shares that may be issued under Options granted under the Plan and any maximums set forth in this Plan shall be subject to adjustment as provided in Article V hereof. The issuance of Stock pursuant to the exercise of an Option shall result in a decrease in the number of shares of Stock that may thereafter be available for purposes of the Plan by the number of shares as to which the Option is exercised or cancelled.

IV. Grants of Options.

- (a) Type and Number. Options granted under the Plan shall be of such type (Nonqualified Option or Incentive Stock Option) and for such number of shares of Stock and subject to such terms and conditions as the Committee shall designate. The Committee may grant Options at any time and from time to time through, but not after, May 6, 2013, to any individual eligible to receive the same. For purposes of the Plan, the date on which an Option is granted is referred to herein as the "Grant Date."
- (b) Option Agreement. Options granted pursuant to the Plan shall be evidenced by Agreements that shall comply with and be subject to the terms and conditions set forth in this Section IV and may contain such other provisions, consistent with the Plan, as the Committee shall deem advisable. Each Agreement shall state the total number of shares of Stock that are subject to the Option. References herein to "Agreements" shall include, to the extent applicable, any amendments to such Agreements.
- (c) Persons Eligible to Receive Options.
 - (i) Only key employees of the Company or its subsidiaries shall be eligible to receive Options under the Plan. In granting Options to an employee, the Committee shall take into consideration the contribution the employee has made or may make to the success of

Edgar Filing: O REILLY AUTOMOTIVE INC - Form S-8

the Company or its subsidiaries and such other considerations as the Committee shall determine. The Committee shall also have the authority to consult with and receive recommendations from officers and other employees of the Company and its subsidiaries with regard to these matters. In no event shall any employee, his legal representatives, heirs, legatees, distributees, or successors have any right to participate in the Plan, except to such extent, if any, as the Committee shall determine.

- (ii) Options may be granted under the Plan from time to time in substitution for stock options and stock appreciation rights granted by other corporations (the "Acquired Corporation") to their employees who become key employees of the Company or of any of its subsidiaries as a result of a merger or consolidation of the Acquired Corporation with the Company or any such subsidiary, or the acquisition by the Company or a subsidiary of all or substantially all of the assets of the Acquired Corporation or the acquisition by the Company or a subsidiary of stock of the Acquired corporation.

(d) Exercise Price.

- (i) The exercise price of each share of Stock covered by each Option ("Exercise Price") shall not be less than one hundred percent (100%) of the Market Value Per Share (as defined below) of the Stock on the date the Option is granted; provided, however, if and when an Incentive Stock Option is granted and the employee receiving the Incentive Stock Option owns or will be considered to own by reason of Section 424(d) of the Code more than ten percent (10%) of the total combined voting power of all classes of stock of the Company (a "10% Shareholder"), the Exercise Price of the Stock covered by such Incentive Stock Option shall not be less than one hundred and ten percent (110%) of the Market Value Per Share of the Stock on the Grant Date of the Incentive Stock Option.
- (ii) "Market Value Per Share" of the Stock shall mean: (A) if the Stock is not publicly traded, the amount determined by the Committee on the date of the grant of the Option; (B) if the Stock is traded only otherwise than on a securities exchange and is not quoted on the National Association of Securities Dealers Automated Quotation System ("NASDAQ"), the closing quoted selling price of the Stock on the date of grant of the Option as quoted in "pink sheets" published by the National Daily Quotation Bureau; (C) if the Stock is traded only otherwise than on a securities exchange and is quoted on NASDAQ, the closing quoted selling price of the Stock on the date of grant of the Option, as reported by the Wall Street Journal; or (D) if the Stock is admitted to trading on a securities exchange, the closing quoted selling price of the Stock on the date of grant of the Option, as reported in the Wall Street Journal.

Edgar Filing: O REILLY AUTOMOTIVE INC - Form S-8

(e) Exercisability of Options.

- (i) An Option may be exercisable in installments or otherwise upon such terms as the Committee shall determine when the Option is granted. The Committee may fix such waiting and/or vesting periods, exercise dates or other limitations as it shall deem appropriate with respect to Options granted under the Plan including, without limitation, making the exercisability thereof contingent upon the achievement of specific goals. Notwithstanding the foregoing, however, in no event shall an Option, or any portion thereof, be exercisable until at least six months after the date of grant of such Option.
- (ii) The Committee at any time: (A) may accelerate the time at which any Option granted hereunder is exercisable or otherwise vary the terms of an Option, notwithstanding the fact that such variance may cause the Option to be treated as a Nonqualified Option; (B) in the case of a Nonqualified Option, may permit the transferability of such Option and may remove any restrictions or conditions to which a Nonqualified Option is subject; and (C) subject to the consent of the optionee, may convert an outstanding Incentive Stock Option to a Nonqualified Option if it deems such conversion to be in the best interest of the optionee.
- (iii) No Option shall be exercisable (and any attempted exercise shall be deemed null and void) if such exercise would create a right of recovery for "short-swing profits" under Section 16(b) of the Act, unless the optionee pays the Company the amount of such "short-swing profits" at the time of the exercise of the Option.
- (iv) To the extent that the aggregate Market Value Per Share (determined at the Grant Date) of Stock with respect to which Incentive Stock Options (determined without regard to this sentence) are exercisable for the first time by any individual during any calendar year (under all plans of the Company and its subsidiaries) exceeds One Hundred Thousand Dollars (\$100,000), such excess portion of such Incentive Stock Options shall be treated as Nonqualified Options (this sentence shall be applied by taking Incentive Stock Options into account in the order in which they were granted).

(f) Method of Exercise and Payment of Exercise Price.

- (i) Options may be exercised by giving written notice to the Company stating the number of shares for which the Option is being exercised, accompanied by payment in full of the Exercise Price relating to the shares with respect to which the Option is so exercised.

Edgar Filing: O REILLY AUTOMOTIVE INC - Form S-8

(ii) The full Exercise Price for the shares with respect to which the Option is being exercised shall be payable to the Company: (A) in cash or by check payable and acceptable to the Company; (B) subject to the approval of the Committee, by tendering to the Company shares of Stock owned by the optionee having an aggregate Market Value Per Share as of the date of exercise that is not greater than the full Exercise Price for the shares with respect to which the Option is being exercised, provided that such shares shall have been then owned by the optionee for a period of at least six months prior to such exercise, and by paying any remaining amount of the Exercise Price as provided in (A) above; or (C) subject to the approval of the Committee and to such instructions as the Committee may specify, at the optionee's written request the Company may deliver certificates for the shares of Stock for which the Option is being exercised to a broker for sale on behalf of the optionee, provided that the optionee has irrevocably instructed such broker to remit directly to the Company on the optionee's behalf the full amount of the Exercise Price from the proceeds of such sale; provided, however, that in the case of an Incentive Stock Option, (B) and (C) above shall apply only if Committee approval is given on or prior to the Grant Date and the Agreement expressly provides for such optional payment terms. In the event that the optionee elects to make payment as allowed under clause (B) above, the Committee may, upon confirming that the optionee owns the number of shares of Stock being tendered, authorize the issuance of a new certificate for the number of shares being acquired pursuant to the exercise of the Option less the number of shares being tendered upon the exercise and return to the optionee (or not require surrender of) the certificate for the shares of Stock being tendered upon the exercise. Payment instruments will be received subject to collection.

(iii) Notwithstanding any other provision of the Plan, the Company shall have no liability to deliver any shares of Stock under the Plan or make any other distribution of benefits under the Plan unless such delivery or distribution would comply with all applicable laws (including, without limitation, the requirements of the Securities Act of 1933, as amended), and the applicable requirements of any securities exchange, the NASDAQ or similar entity. If the employee fails to timely accept delivery of and pay for the shares specified in such notice, the Committee shall have the right to terminate the Option with respect to such shares.

(g) Term.

(i) The term of each Option shall be determined by the Committee at the Grant Date; provided, however, that each Option shall, notwithstanding anything in the Plan or any Agreement to the contrary, expire not more than ten years (five years with respect to an Incentive Stock Option granted to an employee who is a 10% Shareholder) from the Grant Date or, if earlier, the date specified in the Agreement.

(ii) In the event an individual's employment with the Company and its subsidiaries shall terminate for reasons other than: (i) retirement in accordance with the terms of a retirement plan

Edgar Filing: O REILLY AUTOMOTIVE INC - Form S-8

of the Company or one of its subsidiaries ("Retirement"); (ii) permanent disability (as defined in Section 22(e)(3) of the Code); or (iii) death, the individual's Options shall terminate as of the date of such termination of employment and shall not be exercisable to any extent as of and after such time.

(iii) If any termination of employment is due to Retirement or permanent disability, the individual shall have the right to exercise any Option at any time within the 12-month period (three-month period in the case of Retirement for Options that are Incentive Stock Options) following such termination of employment, but only to the extent that the Option was exercisable immediately prior to such termination of employment. Notwithstanding any other provision contained in the Plan or the Agreements, if the termination of employment is due to retirement, and such retiring individual at the time of his or her retirement (A) is at least fifty-five (55) years of age, and (B) the sum of the individual's age and years of service to the Company is equal to or greater than eighty (80) years, then all outstanding options granted to such retiring individual shall automatically become immediately exercisable within such 12-month period (three month period in the case of Options that are Incentive Stock Options).

(iv) Whether any termination of employment is due to Retirement or permanent disability and whether an authorized leave of absence or absence for military or government service or for other reasons shall constitute a termination of employment for purposes of the Plan shall be determined by the Committee in its sole discretion.

30

O'REILLY AUTOMOTIVE, INC. AND SUBSIDIARIES
EXHIBIT 99.1 - O'Reilly Automotive, Inc. 2003
Employee Stock Option Plan (Continued)

(v) If an individual shall die while entitled to exercise an Option, the individual's estate, personal representative or beneficiary, as the case may be, shall have the right to exercise the Option at any time within the 12-month period following the date of the optionee's death, to the extent that the optionee was entitled to exercise the same on the day immediately prior to the optionee's death.

(vi) The right of an individual to exercise an Option shall terminate to the extent that such Option is exercised.

V. Corporate Transactions and Adjustment.

(a) Effect on Corporate Actions. The existence of the Plan and the Options granted hereunder shall not affect in any way the right or power of the Board of Directors or the shareholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, any merger or consolidation of the Company with or into another entity, any issuance of bonds, debentures, preferred or prior preference stocks

Edgar Filing: O REILLY AUTOMOTIVE INC - Form S-8

ahead of or affecting the Stock or the rights thereof, the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding.

- (b) Adjustment. The shares with respect to which Options may be granted are shares of Stock as presently constituted. If, however, the number of outstanding shares of Stock are increased or decreased, or such shares are exchanged for a different number or kind of shares or securities of the Company through reorganization, merger, recapitalization, reclassification, stock dividend, stock split, combination of shares or other similar transaction, the aggregate number of shares of Stock subject to the Plan and any maximums set forth in Section III hereof, and the shares of Stock subject to issued and outstanding Options under the Plan shall be appropriately and proportionately adjusted by the Committee. Any such adjustment in an outstanding Option shall be made without change in the aggregate Exercise Price applicable to the unexercised portion of the Option but with an appropriate adjustment in the price for each share or other unit of any security covered by the Option.
- (c) No Adjustment Upon Issuance of Securities. Except as may otherwise be expressly provided in the Plan, the issuance by the Company of shares of capital stock of any class or securities convertible into shares of capital stock of any class for cash, property, labor or services, upon direct sale, upon the exercise of rights or warrants to subscribe therefor, or upon conversion of shares or obligations of the Company convertible into such shares of capital stock or other securities, and in any case whether or not for fair value, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number of shares of Stock available under the Plan or subject to Options theretofore granted or the Exercise Price per share with respect to outstanding Options.
- (d) Final Determination. Adjustments under this Section shall be made by the Committee whose determination as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. No fractional shares of Stock shall be issued under the Plan or in connection with any such adjustment.
- (e) Automatic Termination of Plan and Options. Notwithstanding anything to the contrary contained in this Section V, upon: (i) the dissolution or liquidation of the Company, (ii) a reorganization, merger or consolidation of the Company with one or more corporations in which the Company is not the surviving corporation, or (iii) a sale of substantially all of the assets of the Company, the Plan shall terminate, and any outstanding Options granted under the Plan shall terminate on the day before the consummation of the transaction; provided that the Committee shall have the right, but not the obligation, to accelerate the time in which any Options may be exercised prior to such a termination. However, the termination of such Options shall not occur if provision is made in writing in connection with the transaction, in a manner acceptable to the Committee, for: (A) the continuance of the Plan and assumption of outstanding Options, (B) the substitution for such Options of new options to purchase the stock of a successor corporation (or parent or subsidiary thereof), with appropriate adjustments as to number and kind of shares and option price or (C) other treatment of the Options acceptable to the Committee. The Committee shall have the authority to amend this paragraph to provide for a requirement that a successor corporation assume any outstanding Options.

Employee Stock Option Plan (Continued)

VI. Term of Plan.

No Option shall be granted pursuant to the Plan after ten (10) years from the earlier of the date of adoption of the Plan by the Board of the Company or the date of approval by the Company's shareholders. Notwithstanding the foregoing, if a longer term is permitted with respect to the duration of an incentive stock option plan under law, the Board may extend the term of this Plan to a term not to exceed the longest term permitted with respect to an incentive stock option plan.

VII. Amendment and Termination of Plan.

- (a) Authority to Amend and Terminate. The Board may, from time to time, with respect to any shares at the time not subject to Options, suspend or terminate the Plan or amend or revise the terms of the Plan; provided that any amendment to the Plan shall be approved by a majority of the shareholders of the Company if the amendment would (i) materially increase or decrease the benefits accruing to participants under the Plan; (ii) increase or decrease the number of shares of Stock which may be issued under the Plan, except as permitted under the provisions of Section V above; or (iii) materially modify the requirements as to eligibility for participation in the Plan.
- (b) Consent of Optionholder Required. Subject to the provisions in Section V above, no amendment, suspension or termination of this Plan shall, without the consent of the optionee, alter or impair any rights or obligations under any Option granted to such optionee under the Plan.

VIII. Effective Date of Plan.

The Plan shall become effective upon adoption by the Board and approval by the Company's shareholders; provided, however, that prior to approval of the Plan by the Company's shareholders but after adoption by the Board, Options may be granted under the Plan subject to obtaining such approval.

IX. Preemption by Applicable Laws and Regulations.

Anything in the Plan or any Agreement entered into pursuant to the Plan to the contrary notwithstanding, if, at any time specified herein or therein for the making of any determination with respect to the issuance or other distribution of shares of Stock, any law, regulation or requirement of any governmental authority having jurisdiction in the premises shall require either the Company or the optionee (or the optionee's beneficiary), as the case may be, to take any action in connection with any such determination, the issuance or distribution of such shares or the making of such determination shall be deferred until such action shall have been taken.

X. Miscellaneous.

- (a) Taxes and Withholding. All distributions under the Plan are subject to withholding of all applicable taxes, and the Committee may condition the delivery of any shares or other benefits under the Plan on satisfaction of the applicable withholding obligations. The Committee,

Edgar Filing: O REILLY AUTOMOTIVE INC - Form S-8

in its discretion, and subject to such requirements as the Committee may impose prior to the occurrence of such withholding, may permit such withholding obligations to be satisfied through cash payment by the optionee, through the surrender of shares of Stock that the optionee already owns, or through the surrender of shares of Stock to which the optionee is otherwise entitled under the Plan.

- (b) No Employment Contract. Nothing contained in the Plan shall be construed as conferring upon any optionee the right to continue in the employ of the Company or any of its subsidiaries.
- (c) Employment with Subsidiaries. Employment by the Company for the purpose of this Plan shall be deemed to include employment by, and to continue during any period in which an employee is in the employment of, any subsidiary.

32

O'REILLY AUTOMOTIVE, INC. AND SUBSIDIARIES

Employee Stock Option Plan (Continued)

- (d) No Rights as a Shareholder. An optionee shall have no rights as a shareholder with respect to shares covered by such optionee's Option until the date of the issuance of shares to the optionee upon the optionee's exercise of the Option. No adjustment will be made for dividends or other distributions or rights for which the record date is prior to the date of such issuance.
- (e) No Right to Corporate Assets. Nothing contained in the Plan shall be construed as giving any optionee, such optionee's beneficiaries or any other person any equity or other interest of any kind in any assets of the Company or any subsidiary or creating a trust of any kind or a fiduciary relationship of any kind between the Company or any subsidiary and any such person. Any optionee shall have only a contractual right to shares of Stock as set forth in the Agreement, unsecured by any assets of the Company or any subsidiary, and nothing contained in the Plan shall constitute a guarantee that the assets of the Company or any subsidiary shall be sufficient to pay any benefits to any person.
- (f) No Restriction on Corporate Action. Nothing contained in the Plan shall be construed to prevent the Company or any subsidiary from taking any corporate action that is deemed by the Company or such subsidiary to be appropriate or in its best interests, whether or not such action would have an adverse effect on the Plan or any Option made under the Plan. No optionee, beneficiary or other person shall have any claim against the Company or any subsidiary as a result of any such action.
- (g) Limitations on Transfer. Except as designated by the optionee by will or by the laws of descent and distribution, neither an optionee nor an optionee's beneficiary shall have the power or right to sell, exchange, pledge, transfer, assign or otherwise encumber or dispose of such optionee's or beneficiary's interest arising under the Plan or any Option received under the Plan, nor shall such interest be subject to seizure for the payment of an Optionee's or beneficiary's debts, judgments, alimony, or separate maintenance or be transferable by operation of law in the event of an optionee's or beneficiary's

Edgar Filing: O'REILLY AUTOMOTIVE INC - Form S-8

bankruptcy or insolvency and to the extent any such interest arising under the Plan or an Option received under the Plan is awarded to a spouse pursuant to any divorce proceeding, such interest shall be deemed to be terminated and forfeited notwithstanding any vesting provisions or other terms herein or in the agreement evidencing such Option.

- (h) Application of Funds. The proceeds received by the Company from the sale of shares of Stock pursuant to the Plan shall be used for general corporate purposes.
