This is Amendment No. 6 to the Schedule 13D filed jointly by Castlerigg Master Investments Ltd., a British Virgin Islands Company, Sandell Asset Management Corp., a British Virgin Islands Company ("SAMC"), Castlerigg

International Limited, a British Virgin Islands Company, Castlerigg International Holdings Limited, a British Virgin Islands Company, and Thomas E. Sandell, a citizen of Sweden (together, the "Reporting Persons"), on November 8, 2004 and amended by Amendment No. 1 filed on November 12, 2004, Amendment No. 2 on January 13, 2005, Amendment No. 3 on February 15, 2005, Amendment No. 4 on February 24, 2005 and Amendment No. 5 on February 25, 2005 (the initial Schedule 13D and all amendments thereto being referred to herein as the "Schedule 13D"). The following item in the Schedule 13D is hereby amended to include these following information:

ITEM 4. PURPOSE OF TRANSACTION

Representatives of SAMC spoke telephonically with Exide's proposed candidate for Chief Executive Officer on Friday, February 25, 2005.

Representatives of SAMC also spoke telephonically with Stuart Kupinsky, Exide's General Counsel, and Eugene Davis, a member of the Exide Board, on various calls between Friday, February 25, 2005 and Tuesday, March 2, 2005 regarding Exide's proposed candidate for Chief Executive Officer, the composition of Exide's Board of Directors and the proposed high-yield note offering publicly announced by Exide on February 9, 2005. As a result of the discussions:

*

SAMC has agreed to publicly support Exide's proposed candidate for Chief Executive Officer;

* SAMC has concluded that its questions regarding the high-yield note offering have been satisfactorily answered;

* Exide's Board of Directors has agreed to expand its membership by two directors and, by Monday, March 7, 2005, to select, reasonably applying the standards for director selection in Exide's governance documents, one new director from those put forward by SAMC (or, if necessary, to request additional nominations from SAMC and to make such selection within three days after receiving the nomination of a person who meets such standards), and to appoint the SAMC-designated director to the Nominating and Governance Committees of Exide's Board of Directors;

* Exide's Board of Directors has agreed to recommend the following to Exide's shareholders at Exide's upcoming annual meeting:

* Eliminating the classified structure of Exide's Board of Directors and placing all directors up for election at Exide's upcoming annual meeting. In connection with this proposal, Exide's Board of Directors has agreed to select the nominees to be slated for election, after receiving a recommendation from its Nominating and Governance Committee, from its existing directors and nominees proposed by Exide's shareholders. Also in connection with this proposal, SAMC has agreed that if SAMC does not propose any new nominees in this process, or if its additional nominees are chosen in this process, it will agree not to vote against the slate selected by Exide's Board of Directors at the upcoming annual meeting;

* Eliminating the prohibition on Exide's shareholders calling special meetings and instituting a provision that 15% of Exide's shareholders may call for a special shareholders meeting; and

* Eliminating the cap on the number of directors on Exide's Board of Directors, but maintaining the right of the Board of Directors set forth in Exide's bylaws to set the number of directors and fill vacancies on the Board of Directors; and

* Exide's Board of Directors has agreed to:

* permit director communications with shareholders if (i) such communications are initiated by a shareholder, (ii) the director does not provide any shareholder with material non-public information regarding Exide, and (iii) the director promptly advises Exide's General Counsel of the substance of the communication; and

* review annually all Board committee assignments and chairmanships (including the position of Chairman of the Board of Directors) and subject such assignments to reappointment after each annual meeting of Exide's shareholders.
